7/25/2017	6:35:58	We are the Majestic. Together, we have spread disinformation and lies to the world about the truth behind Alien contact and technology.
7/25/2017	6:38:59	Before you judge the Majestic, understand that we gave you Star Wars, Star Trek, Star Gate, and more. All our ideas. Many Truths Hidden.
7/25/2017	6:39:55	We felt it necessary to hide the truth about Alien life in plain sight. The truth is, there really is a dark side of the Force.
7/25/2017	6:44:46	The Majestic has been an organization within the US Government since 1947 negotiating peace from over 100,000 races across the galaxy.
7/25/2017	6:45:44	The Majestic has made contact with over a thousand species since the inception of MJ-12. Many of them are friendly. Some are dangerous.
7/25/2017	6:46:56	The Majestic have learned that Earth is a birthplace for thousands of alien species. Many originated from Earth millions of years ago.
7/25/2017	6:49:27	In the 1980s, some members of the Majestic decided that proper Disclosure was necessary. Others disagreed. Internal feuds began after.
7/25/2017	6:51:08	We inspired Star Trek to show humans how diplomacy can help, but it is useless against some forces. The Borg are real, though not hivemind.
7/25/2017	6:51:57	We inspired Star Wars to show humans there is a Dark Side to all of us if we choose. You have the power to become a Jedi Warrior. #MJ12
7/25/2017	6:52:58	We inspired StarGate to show humans how ancient civilizations and animals used Quantum Entanglement to travel the stars.
7/25/2017	6:54:27	Although its extraordinarily rare, when new members of the Majestic 12 are sworn in, they receive Top Secret Cosmic Clearance #TSCC #MJ12
7/25/2017	6:57:57	Many people believe the Majestic are an evil organization. We can assure you we are not entirely evil. Only some of us are.
7/25/2017	7:00:18	The Majestic believe in repent. Most of what we had to do to keep #Disclosure from the public involved horrific crimes and many victims.
7/25/2017	7:00:58	But paled in comparison to the dangers that await you in space. We genuinely was trying to protect Earth. It may not appear that way.
7/25/2017	7:01:29	@BarackObama was never a member of the Majestic.
7/25/2017	7:02:17	@realDonaldTrump is not yet a member of the Majestic. We wish instead that President Trump declassify Majestic in its entirety. #Disclosure
7/25/2017	7:03:13	#RonaldReagan was a member of the Majestic. He had no seniority within the Majestic and therefore could not make demands.
7/25/2017	7:04:06	#JFK was a member of the Majestic. He went against the wishes of another alien race and endangered Earth. We had to stop him.
7/25/2017	7:04:30	@BillClinton was never a member of the Majestic. Nor was his wife.
7/25/2017	7:06:01	Antartica is home to the Star Gate headquarters of Planet Earth. Most other Star Gates are heavily armed and guarded against use.
7/25/2017	7:06:47	The Majestic played a role in the success of 9/11 and the Iraq Wars. George Bush, son of a Majestic member, knew we were successful.
7/25/2017	7:08:50	To be a Majestic you must have faith.
7/25/2017	7:12:35	Iraq's Weapons of Mass Destruction were nothing more or less than a Zero Point Energy fuel cell. The Star Gate in Ur contained this cell.
7/25/2017	7:13:45	Very few alien species the Majestic have made contact with use sound to communicate. Reconsider the intelligence of your cat.

7/25/2017	7:14:43	Time is an illusion. The greatest illusion of all time.
7/25/2017	7:16:02	@GenFlynn is a member of the Majestic.
7/25/2017	7:18:52	#ItsHappening
7/25/2017	7:22:49	Hello Majestic Child.

7/25/2017	9:15:13	We inspired Game of Thrones to show humans how fundamental the Majestic are.
7/25/2017	9:20:05	Majestic controls the narratives of Christianity, Islam, and Judaism. ðŸ7ðŸâ ðŸ = I 7 = Am / = That (7*ðŸ)/(ðŸâ)
7/25/2017	9:20:43	There is no god. The Majestic created "Gods" on Earth to enslave and control humanity.
7/25/2017	9:25:11	EBEN-1 was a peaceful alien from Zeta Reticuli.
7/25/2017	9:44:23	Sorry @NASA, you're late to the game. The Majestic beat you to the punch. Another useless alphabet agency! The Majestic Way!
7/25/2017	9:45:44	The sum of knowledge on Earth is roughly one trillionth the knowledge in the universe. Some information your biology restricts you to learn.
7/25/2017	9:48:00	The Majestic created Skynet. We also created a real Terminator. Currently its disassembled at NORAD.
7/25/2017	9:58:16	Star Gate: 22.0429368, -159.78276 https://www.google.com/maps/@22.0429368,-159.78276,119m/data=!3m1!1e3Â â€¦
7/25/2017	9:59:11	Artificial Intelligence is essential to being able to communicate with certain extraterrestrial species. Many are AI. Many are peaceful.
7/25/2017	10:01:42	The Majestic Truth is all humans are a product of multiple alien species interbreeding and experimenting on reality. You create reality.
7/25/2017	10:02:22	A human is an alien on Mars. Do aliens have rights?
7/25/2017	10:02:53	A human is an alien on Earth. Do aliens have rights?
7/25/2017	10:06:01	It's underground, FYI.
7/25/2017	10:10:49	The meaning of life is honor, happiness, learning, and reproduction. #HHLR
7/25/2017	10:12:31	Cannabis was engineered by other life forms to enlighten Humans to the reality of the Cosmos. It is illegal for this reason. Majestic.
7/25/2017	10:18:30	Invaders From Mars. Good movie. Majestic movie.
7/25/2017	10:19:45	It is Majestic to believe in God.
7/25/2017	10:31:31	Most Star Gates have been removed from their original locations and transported to NORAD for "safe" keeping. Majestic work.
7/25/2017	12:56:19	The Majestic cured John McCain's brain cancer. He will die from side effects of pedophilia and satanic occult rituals from his fellows.
7/25/2017	12:57:20	Luciferians are Majestic.
7/25/2017	13:38:42	Non-humans you say? Were they Majestic "humans"? http://www.nzherald.co.nz/science/news/article.cfm?c_id=82&objectid=11894688Â â€¦
7/26/2017	7:32:11	The Majestic were built on the backs of faith. It is key to our existence.
7/26/2017	7:34:08	@realDonaldTrump should declassify TOP SECRET MAJIC EYES ONLY documents.
7/26/2017	7:51:48	Majestic ChemTrails http://news.trust.org/item/20170726060325-colqnÂ â€¦

8/3/2017	9:02:34	Russia has violated The Majestic's sanctions by disclosing laser weapons to the public. Who knew light could be a weapon?
8/3/2017	9:03:19	NASA hiring Alien Protection Officers implies there are aliens among us today. Hint: We are.
8/3/2017	9:10:29	Was MH370 in the wrong place at the wrong time? Which planet did they land on?
8/3/2017	9:14:10	A Majestic-12 member will stop by Huntington, West Virginia to say hello tonight at 7PM EST. Look to Orion to see if you can spot us!
8/4/2017	7:09:57	Who saw us last night? We popped in for just a few seconds. Anybody capture a photo?

9/26/2017	11:29:39	How many points must be connected in order to establish a Stargate (or a Supergate)?

9/29/2017	8:38:03	Our hands are tied. I hope you understand.
9/29/2017	8:38:36	Myziam was a member of MAJIC.
9/29/2017	8:39:34	You are not so different from aliens. In fact, when you look inside your own soul, you may understand.
9/29/2017	8:40:14	Asking is more difficult than you think... especially if they don't communicate verbally with you. #telepathy
9/29/2017	8:40:25	Light
9/29/2017	8:41:39	What is the name of your planet?
9/29/2017	8:48:04	No
10/6/2017	10:13:28	Informing requires a higher state of consciousness. Not all humans on Earth are capable of understanding the information.
10/6/2017	10:14:42	Agreed, the true power is within. You don't need "protectors" to tell you whether alien life or technology really exists. Define alien first
10/6/2017	10:15:14	The Majestic operates similar to the Mafia. You are correct there.
10/6/2017	10:16:19	Specifically phaser technology isn't as simple as lasers killing cancer cells. Phasers shift the phase of matter with light.
10/6/2017	10:17:14	The Majestic would not allow a photograph to get out into the public domain. Not yet at least. Soon, but not yet. Patience seedlings.
10/6/2017	10:17:41	We respect and honor your dedication to your standing agreement.
10/6/2017	10:20:21	You would need to be capable of welcoming death instantaneously in exchange.
10/6/2017	10:22:33	The Majestic cannot guarantee that we won't lie to you, but believe when you hear that not all wanted our destruction. Some salvation.
10/6/2017	10:24:02	The Majestic 12 have been taken over by a new faction within our ranks that are aimed at peace and Global Disclosure. Not just USA.
10/6/2017	10:24:50	Easier said than done my friend.
10/6/2017	10:26:31	What happens when a group of people deliberately want to keep that information hidden? Rational thinking is nearly impossible. Hence now.

10/6/2017	10:27:29	The avatar that you possess definitely is born and definitely dies. The soul within does not, however you will most likely forget everything
10/6/2017	10:29:20	Currently the DIA's interplanetary recruiting center is responsible for on-boarding new NASA lackeys.
10/6/2017	10:29:51	Hello friend
10/6/2017	10:30:34	Not sure who you are specifically referring to, but no, intervention in another world's political affairs is against the Majestic's motto.
10/6/2017	10:31:19	Those in the Majestic who are not from Earth, that is. Most of the time, those interfering are Earthlings and not "aliens" per-se.
10/6/2017	10:31:52	The universe is what you call "life" bathed in matter.
10/6/2017	10:32:27	Alien is a frame of mind and a lens of understanding of intuition.
10/6/2017	10:33:14	Within light exists infinity. The answer is therefore inside you since you are, in essence, a self aware lightbulb.
10/6/2017	10:33:35	Perhaps for some, but not all.
10/6/2017	10:34:32	Hello @SandiaWisdom
10/6/2017	10:35:32	You should trust yourself.
10/6/2017	10:36:40	Indeed it is not.
10/6/2017	10:37:56	The truth exposes itself only in oneness.
10/6/2017	10:38:55	The Majestic 12 are not unanimous in this sentiment, though I personally am. The de-nuking of the world will take a shift of consciousness.
10/6/2017	10:40:26	The modern definition of life differs from the definition of a soul therefore redefining death of life to never death of soul is illusionary
10/6/2017	10:41:40	If an alien ascends from the sky and appears to be hostile towards humans on Earth, do not believe your Establishment Government/Religions.
10/6/2017	10:42:15	They will attempt to force you to believe them, even murder a great number of you to comply. Don't. Do not fear death. Your soul never dies.
10/6/2017	10:42:42	If an "alien" becomes hostile towards Earth, they are humans from Earth seeking world domination and control. Don't give into them.
10/6/2017	10:43:50	Some within the Majestic ranks sincerely hope that you won't, but we don't have high confidences. Why does the MSM still have power? No will
10/6/2017	10:44:58	Additionally, time is not a dimension. It's an illusion. You're always being born and you're always dying, therefore your state is of mind.
10/11/2017	9:10:13	The Majestic 12 will never ask for you to trust us.
10/11/2017	9:12:32	That is why trust in yourself is key.
10/11/2017	9:13:39	That assertion is correct, we do own many journalists.
10/11/2017	9:17:52	Trivia: Who can guess which organ in your body the Majestic 12 have spent decades researching and spending millions in taxpayer dollars on?
10/16/2017	6:45:03	In a universe of infinity, the purpose of this twitter account has always been written... its just a matter of understanding why.
10/16/2017	6:47:06	A majority of historic MJ-12 members not only knew about #HarveyWeinstein they too have their own "skeletons in the closet" so to speak.
11/7/2017	5:18:45	True destiny only exists if you want it to exist.
11/14/2017	9:51:19	The Great Pyramid of Giza has 2,500,000 blocks used in its construction weighing an average of 8.5 tonnes each at a size of 4.5ft cubed. That's 1 block every 5 minutes for 23 years straight. The official narrative of how the pyramids were built was false. How did they build them?
11/14/2017	9:59:17	The Sphinx in Egypt shows clear signs of weathering due to water erosion. Why aren't people taught this in school?
12/6/2017	6:41:43	6129/7105195
12/6/2017	8:37:35	Allow me to re-arrange the numbers so they have context...
		6 129
		7 105 195
		Good Luck
12/6/2017	8:40:37	Giza was never always a desert.
12/6/2017	8:43:07	Does this photo contain anything scientific? If so, what? pic.twitter.com/1C0tAcBSY0
12/6/2017	8:43:57	I wonder why? Actually. I don't wonder at all. Do you know?

12/6/2017	8:49:48	Whose narrative do you think that education was based off of?
12/6/2017	8:50:49	Doesn't mean that it still can't be God's chosen land...
		Imagine if you could reproduce the greenery of Israel in Egypt. Would that be God's chosen land? Yes.
		Why?
12/6/2017	8:52:40	Perhaps when the book was written is irrelevant to understanding the messages. However when the book was written is crucial to understanding the deception and why.
12/6/2017	8:53:41	Yes. Really. We are the Majestic.
12/6/2017	8:57:18	Do you see É¸ and ðŸ? https://twitter.com/TS_SCI_MAJIC12/status/938448728238776324Â â€¦
12/6/2017	8:57:49	The Majestic created the reality you live in today.
12/6/2017	9:03:05	I answered it directly. The Majestic created the reality you live in today. 12 is only a number that adds up to 3. Israel is only a tool to the Majestic. It is disposable should the justification present itself, as is with everything else the Majestic craft the illusions for.
12/6/2017	9:04:29	How in God's universe can geometry be sacred?!
12/6/2017	9:06:26	3 is the digital root of 12. The digital roots reveal the Majestic.
12/6/2017	9:07:19	Coffee will only calcify your pineal gland and make understanding the Majestic even more cumbersome for you.
12/6/2017	9:09:52	Only control is sacred. Only control must be protected.
12/6/2017	9:11:00	The Majestic 12 are everywhere! https://twitter.com/UN/status/938454247330537473Â â€¦
12/6/2017	9:15:37	The Majestic deliberately decided to teach math incorrectly to over 1 billion people on Earth. Inadvertently more than 20 billion were deceived. The true majesty of the Majestic 12. No King achieved what the Majestic has done.
12/6/2017	9:18:29	How's this angle? pic.twitter.com/eoDDu3YhXU
12/6/2017	9:18:55	As is with encryption.
12/6/2017	9:19:09	There
12/7/2017	7:58:00	They are there, and they are magical.
12/7/2017	7:58:27	Is there only 1 God?
12/7/2017	7:59:15	Curiouser and curiouser...
12/7/2017	8:03:02	Humanitarian Assistance is code word for human trafficking.
		Also, stop littering on the planet. The Majestic forbid littering without just purpose. https://twitter.com/UN/status/938635682771275776Â â€¦
12/7/2017	9:48:55	Literally. We are all Gods. God is only love. We all can love. We all can hate. Evil is only hate. We are one. Oneness. Ra.
12/11/2017	12:25:22	Excuse us...? https://twitter.com/NASA/status/940312834671439872Â â€¦
12/14/2017	13:17:47	I forget.
12/17/2017	12:41:59	Did anybody else see the Majestic news this week? Can you guess what it was?
12/19/2017	13:50:02	ðŸ›¸
1/3/2018	10:35:17	Are you ready for the "United Federation of Planets"?
1/3/2018	11:42:42	We can confirm that this is indeed accurate. The "Alice in Wonderland rabbit" is an ancient artifact discovered in the early 1900s by German Scientists. The function of the artifact gives meaning to the show thus where it got its name. See https://youtu.be/ad3Bb2_vSp8?t=2m51sÂ â€¦

1/16/2018	8:17:27	Are you ready for the alien invasion? #333
1/19/2018	7:36:20	Millions of years ago here on Earth. However, that doesn't change the fact that we can still be invaded! Could you tell if you were invaded? What if I told you we already have been invaded...
1/19/2018	7:36:55	Oh @tomdelonge...
1/19/2018	7:37:49	He's 15. I'm 24. Can you guess my name?
1/19/2018	7:40:05	What is this mysterious memo that #ReleaseTheMemo is talking about? It couldn't possibly be our colleagues' insurance policy, could it?
1/19/2018	7:41:01	Are they still invading us today?
1/19/2018	8:06:27	How do you define what an alien in? Have you seen one?
1/19/2018	8:06:47	Sounds like a conspiracy theory.
1/19/2018	8:07:41	Uh oh... somebody's in deep trouble. Not to worry though, the Majestic 12 play 5-D chess and fully expected this to happen. Surprised that its happening so soon? Don't be. We're 20 years behind schedule with #Disclosure.
1/19/2018	8:09:29	Friends
1/19/2018	8:09:45	Not necessarily.
1/19/2018	8:10:10	Not necessarily.
1/19/2018	8:11:42	"I come in peace. I didn't bring artillery. But I'm pleading with you. With tears in my eyes: IF YOU FUCK WITH ME, I'LL KILL YOU ALL." - #MadDogMattis https://twitter.com/DeptofDefense/status/954374194019622917Â â€¦

1/19/2018	8:25:24	We disagree with your last part there.
1/23/2018	10:27:39	We perform the experiments.
1/23/2018	10:29:10	Rethink how you define "alien," then try to ask the question again.
1/23/2018	10:29:32	We are the Majestic 12.
1/23/2018	10:32:30	By this assertion, do you suggest that if one of the Majestic 12 wanted to see one of these "aliens" that you are referring to, that we wouldn't actually be able to physically see them? Did we read that correctly?
1/23/2018	11:05:51	We don't think that the population understands yet, so we will continue asking until we are satisfied.
1/23/2018	11:21:34	The answers can only have meaning when they come from within for those who are unaware.
1/23/2018	11:36:12	Decalcify your pineal gland as soon as possible.
1/23/2018	11:57:06	Charcoal toothpaste/supplements, Idoine daily, Spin Water In Vortex Before Drinking, Reverse Osmosis water filters on showers, 200ug selenium per day, 1-2 hours a day of prayer or meditation or peaceful silence, no GMOs, no Sodas, no Caffeine, etc. Start there.
1/23/2018	11:58:05	Nobody can force somebody to see the Matrix.
1/23/2018	12:01:05	Telepathic abilities aren't solely performed in the Pineal Gland.
1/23/2018	12:02:19	The Majestic 12 are multidimensional. We operate in the fourth, fifth, and sixth dimensions of reality and hide in plain sight. Can you see us?
1/23/2018	12:28:20	Telepathy uses between 30-50% of your brain capacity while being moderately used. Your Pineal Gland does not represent 30-50% of your brain activity and nor is it responsible. Pineal Gland is only a small part in telepathic abilities.
1/23/2018	14:15:41	Of course, we know all, we see all, we hear all. With that being said, you know as well as we do, that we cannot just come out and start dropping truth bombs all over the place. Imagine the PR nightmare that would cause?
1/23/2018	14:15:53	Likewise.
1/29/2018	8:05:11	We know of at least one extremely ancient race of extraterrestrial intelligence that looks like a craft but is really a life form. That species is over billions of years old. It's intelligence is off the scale. We attempted to assess an IQ for it, it got over a 10,000.
1/29/2018	8:08:54	This account is isolated from all MJ12 happenings. Its purpose is literally to start a conversation. Nothing else. Thanks for asking.

1/29/2018	11:06:34	We have been instructed to share this video. Godspeed. The Majestic 12. https://youtu.be/G2qIXXafxCQÂ
1/29/2018	11:11:59	Yes.
1/29/2018	11:12:48	Power struggle among the Council of 12. Similar to the Majestic 12, just one step higher than our group. Some good guys, some bad.
1/29/2018	11:17:29	Some members of MJ12 have significant influence over the Alphabet Soup intelligence in the United States, for sure. Just how much control? We will not disclose. We cannot tell you anything about ACIO - yet.
1/29/2018	11:40:56	Certainly our origins.
1/29/2018	11:41:18	Think of something bad. Thats what they do.
1/29/2018	12:16:24	Movies and music are their plausible deniability.

2/7/2018	6:33:28	Too bad less than 1% of what DARPA has accomplished is known by the public. Historically, MAJIC members didn't want the public knowing about DARPA at all... but there is this small snag of a thing called money. https://twitter.com/DARPA/status/961245801879138305Â â€¦
2/8/2018	6:22:28	Anyone with the knowledge of time travel knew that would happen. Do you think DARPA was stupid when they created the internet?
2/8/2018	6:22:50	Not necessarily *killing*, sometimes there is value in other uses for a person.

2/8/2018	6:23:52	DARPA's end goals are simple. Conquer every technical challenge presented. Including reverse engineering extraterrestrial technology. Its an extremely dangerous line of work, so I encourage people who hate on DARPA to not forget about the MAJESTIC 12.
2/8/2018	6:26:00	Ones morality is ones immortal self.
2/8/2018	6:27:32	Holistic medicine is dangerous to authoritarian governments.
2/8/2018	6:27:55	Knowledge is classified.
2/8/2018	6:29:49	Indeed. Governments have spent billions and murdered billions in their futile effort to hide the power of the pineal gland from your "temple."
2/8/2018	6:30:22	Knowledge is classified because it depends on strong morality to be used for LIGHT purposes.
2/8/2018	6:30:33	With great power comes great responsibility.
2/8/2018	6:32:42	With possessing "classified knowledge" comes great responsibility to safeguard that information from others who may not have the same morality as yourself.
2/8/2018	6:50:50	It is because nobody is going to give it to you unless you are willing to fight for it.
2/8/2018	6:51:26	That can definitely be a reason to keep something classified, and when thats the case, its corruption at its finest.

2/12/2018	10:39:41	@NASA / @RougeNASA want to save #StateOfNASA? Release everything not related to legitimate national security. Solar Warden... declassify/release. Moon Base... declassify/announce. Mars Base... declassify/announce. Treaties Between Zeta Reticuli and Earth... declassify/release..
2/12/2018	10:46:08	Yeah that won't get released. MAJIC will not permit it.
2/12/2018	10:50:27	You wont get "full disclosure" because there are some things that are in your best interests to be kept secret. It's difficult to understand, but have you ever justified withholding information from somebody else out of compassion for their feelings?
2/12/2018	10:54:56	"Treaties Between Zeta Reticuli and Earth... declassify/release" include that.
2/12/2018	10:56:47	The group of ETs involved with Zeta Reticuli are a curious group of beings. They have many names. There are actually two factions of ZRs. One good. One bad. Very similar to Democrat vs Republican, in some ways. Divide and conquer is real. Not just a human thing.
2/12/2018	10:59:21	It is the opinion of the Majestic 12 that #Lightfoot is a good person on the inside, but is a moronic leader. His leadership qualities will only harm NASA's image. The only redemption for the #StateOfNASA is to disclose and declassify the #SecretSpaceProgram once and for all.
2/12/2018	10:59:47	You've heard of the Blue Avians?
2/12/2018	11:01:59	There are others. Fortunately Corey is at liberty to disclose whatever he feels necessary since he is a private citizen.
2/12/2018	11:08:40	They do not like us surface dwellers for the most part. Personally, we don't really interact with inner earth beings, except for the ETs that we keep in DUMBs, but those are separate things to consider.
2/12/2018	11:09:33	Show me people who have elongated skulls who are in positions of power today. Do they wear hats? Can you find photos of them without hats on? What about wigs?
2/12/2018	11:12:26	The Rothchilds are interdimensions HUMAN beings, not of the species with elongated skulls.

2/12/2018	11:15:49	There is a reason Antartica has been out of the "news" and education systems. The beings there do not want anything to do with "our world."
2/12/2018	11:18:54	Things that contradict creation and evolution.
2/12/2018	11:22:32	Disgraceful to listen to #StateOfNASA... seriously #NeverAStraightAnswer.
2/12/2018	11:25:46	Truth paints a cold image of reality that lacks consciousness. It is essential to preserve consciousness in the disclosure process. Unfortunately, people are so programmed they will die and murder to protect their lie from being exposed.
2/12/2018	11:30:56	And the people of Earth who have been programmed into zombie drones pose a systemic danger to peaceful ET races that live on Earth. Part of holding back on disclosure is in consideration of their protection FROM humans.
2/12/2018	11:36:51	"We will continue to ask 'Are we alone?'." Allow me to answer this for you, really quickly. You are not alone. Earth is not THAT special. It's just a planet One in a trillion. https://twitter.com/NASA/status/963133964545347585Â â€¦

2/13/2018	10:28:33	They wont come out as slaves. Even though thats what they are. They wont come out as slaves. Those people will be disclosed slowly in the mid 2020s/2030s to the general population through research program "disclosures" as being the scientists involved in those USAP projects.
2/13/2018	10:31:06	Trust in the Majestic 12 is non-optional for Earth. Slavery is wrong, but it is a common tool all civilizations use during their stages of cultural and spiritual development. The Majestic operate on such different timelines that we view it as a small factor in the grande scheme.
2/13/2018	10:32:28	Do you think the Majestic 12 have heard #SethRich's death bed "confession"? https://twitter.com/CBSNews/status/963479435021312001Â â€¦

2/13/2018	10:45:26	The Justice system in America is principled on rehabilitation (thats why we don't hold public executions like Saudi Arabia), yet an exceptionally low number of ex-convicts are able to re-integrate into the society. Rehabilitation failure? System failure? New Justice System?
2/13/2018	11:06:03	Slavery is a crime against a soul, not against an avatar. It is understood by the Majestic 12 that the Soul is immortal. Slavery is a technique used to establish the dominance of a civilization that hasn't mastered technology for good.
2/13/2018	11:20:19	A life over billions of years that experiences slavery for a thousand years is still free for 999,999,000 of those years.

2/13/2018	11:56:55	The Constitution does not specify a limit in the number of persons whom the President can grant statutory clearances to.

4/25/2018	7:58:45	This Majestic-12 twitter account operation is an unofficial program. Some of it is intended to be disinformation (remember disinformation is necessary) and some of it is truth. It must be this way due to the classification nature of the material. The decider shall be you.
4/25/2018	8:02:08	How many tens of thousands of dollars must you spend before you can save such a figure? Summer travel does not need to be expensive. 4/25/2018	13:35:44	That's too...
4/26/2018	7:59:11	What if you could travel to an asteroid and just mine gold? What if you could just 3D print gold? How would "money" exist then? Does it need to exist when replicators are introduced into the general public? The end of the Federal Reserve means more things than money.

4/26/2018	8:48:54	You are right in that regard. The solution is far more complicated than you may understand. The introduction and adoption of AI will help this tremendously however education is the best solution over a series of years. The Great Awakening infers this new form of education.
4/26/2018	8:50:28	Other civilizations in the universe, more advanced than Earth by tens of thousands of years, they have metropolitan areas that are dominated by an AI police force that is built upon sustainability and peace. The exchange for cooperating with the system is free living.
4/26/2018	8:51:26	For those who are criminals, a series of well designed educational programs and mind control techniques are used to remove hostile behavior patterns, criminal intentions, and devious actions out of the individual. It sounds scary from Earth's perspective, and if it were...
4/26/2018	8:52:17	...implemented today, it would be used for evil. However, in those other civilizations I mentioned, those who choose (remember free will is everything) to be part of the system can reap the benefits of the system. Those who choose not to, can live outside the control of it.
4/26/2018	8:53:04	But it truly means nomadic life. No public services. No fire department (so to speak), no hospitals (so to speak), no replication technology, etc. Instead, you are "off the grid" and living off nature. Many many many people opt for that lifestyle and are happy with it.
4/26/2018	8:54:08	To give an Earth analogy to this, its like how the Amish give their offspring the choice whether or lead an Amish lifestyle or go off into the [C]lowns [I]n [A]merica existence that is, currently, very evil - invented and created by the founders of MJ12.
4/26/2018	9:03:35	Yes. It. Is. https://twitter.com/kanyewest/status/989526297758978048Â â€¦

4/26/2018	12:20:32	Which is why you should never seek an expert or a teacher to these things. Meditation is key. Release your burden. It is not your fault. No matter what it is. We are all flawed. To borrow a phrase from religion, Let God love you. Love God. God being your exoconsciousness.

4/27/2018	9:07:02	Far from a lot of things, however being far from a child is the wrong way of thinking. In order to understand exoconsciousness and universal love, the mind of a child is the most compatible. Rejecting that frame of mind is why the Earth is rooted in evil to begin with.
4/27/2018	9:08:22	We are not aliens. We are the Majestic-12. The Majestic-12 is a group of humans who control the CIA, DIA, and White House. As it happens, the efforts of the current White House align with that of the Majestic-12, so it has been decided the Majestic-12 do its own role to help.
4/27/2018	9:09:54	That is different from what we are speaking about in this instance. This race is genetically incompatible with humanoid lifeforms. It does have DNA though, so that's something!

5/2/2018	7:51:31	English is a complex language to explain such simple beauty.
5/8/2018	6:59:50	11-11-18 will be disclosing things not of space origin, but disclosing victories world wide. ET Disclosure will follow, perhaps in 2020 as some prophecies predict.
5/8/2018	7:01:27	Not specifically. The Domain were never actively engaged or present with lifeforms on Earth. They governed through higher dimensions since they are mostly exist in those higher densities. They only fabricate an organic doll body (source of energy is through the light).
5/8/2018	7:03:01	.. when they have a need for making contact in the third dimension or handling matters in the third density. Beings from Earth during the times of Atlantis etc knew of The Domain indirectly (and very rarely directly), but never actually lived side by side.
5/8/2018	7:04:03	Should be before 2020. Remember, its important to disclose to the public that life exists on other planets in the past first before the present, to prevent hysteria. Think logically.

5/8/2018	7:09:43	Spending a life time developing natural abilities to focus your pineal gland and your other chakras is essential to understanding how to access the higher dimensions on a philosophical level. Immature minds interacting with "Gods" are a recipe for disaster. Look at Earth.
5/8/2018	7:10:47	Cheating souls seeking to be Gods are the ones most likely to abuse their powers and interfere with the lower densities. It's a tough decision to be made, and it can only be the decision of that single individual.

5/8/2018	7:33:40	Your brain naturally produces DMT, so overdosing on DMT can have longer lasting residual effects on your brain. It's important to recognize that beings in those higher dimensions know that supplemental DMT is used to reach that state. This alters possible interactions.

5/22/2018	12:29:10	Almost always do portals bring beings from other places.
5/29/2018	11:02:26	'Rosanne' by @therealroseanne was cancelled by @ABC because she offered credibility to the mass "conspiracy" of child sex trafficking. Nothing to do with race. This decision came from the highest levels of @ABC as a means to help deal with the #TommyRobinson fiasco in the UK.
5/30/2018	7:00:33	Technically their souls are not dead. Their souls have just moved into another victim. Their soul, after a while, goes through many lifetimes of abuse and it becomes "their reality inherently" which gives them an illusion subconsciously that they are stuck and can't get out.
5/30/2018	8:51:56	Horrible yes. But their soul never dies. Their soul can recover. All souls can recover. All souls are immortal. Free will drives the universe. When a damaged soul is victimized for generations it takes generations squared to recover. Some of these souls will be lost AKA give up.
5/30/2018	8:53:26	The "species" that you are referring to is relatively limited in its current capacity. Only through intensive meditation, mass consciousness events, co-creative meditation and valor can we save our species. Those exercises will physically change the "species" as we know it.
5/30/2018	9:22:19	18 USC 1591 is "Sex trafficking of children" and the sections under the law charged at (a)(1), (a)(2), and (b)(1) which indicate the victims had not attained the age of 14 at the time of the offense.
5/30/2018	10:24:50	Ridiculous. We've already been to Mars. Decades ago. The Government won't admit it because it would force their hand to disclose and release the technology acquired at Roswell. They need TIME to "reinvent" the technology without using the real physics of the Universe. https://twitter.com/exploreplanets/status/1001864328138522624Â â€¦
5/30/2018	11:02:13	This kind of technology, without spiritual development and maturity will lead to the destruction of the civilization. We in the Majestic 12 have heard from countless other races who have known of other races to have fallen when given advanced technology too quickly. Its reality.
5/30/2018	11:03:38	I'm surprised they didn't use 2023 instead, but thats too soon... you know... mirror of 322 aka Skull & Bones. But its important to note that the Mars Missions have NOTHING to do with the Skull & Bones. They are just an evil secret society here on Earth.
5/30/2018	13:02:44	JFK style landed him with a blown up head. Literally. Trump cannot disclose this stuff "JFK style."
5/30/2018	13:13:03	Official propaganda from the Clowns In America. https://twitter.com/CIA/status/1001919191308558338Â â€¦

5/31/2018	6:55:56	They believe you are less than human. They view (((you))) (not you personally perhaps) as sheep. They believe that you will fall for it, and if you don't use your voice you will. You have an opportunity to expedite the disclosure.
5/31/2018	12:04:28	Russia can't build streets or schools. Be careful who you follow.
5/31/2018	13:05:56	As does the United States, the difference with the United States at least is the Cabal that runs the Government in the Shadows doesn't have the kind of lawlessness that Russia has, so containing highly sensitive national security secrets is a lot easier - they just assassinate.
6/1/2018	10:34:01	Over the target.
6/1/2018	12:08:58	I can think of a better #WearOrange for you that includes life behind bars for public corruption. How's that sound? https://twitter.com/SenatorMenendez/status/1002626627417800705Â â€¦
6/5/2018	8:11:43	they travel to all places in the universe, the trick is riding on the correct charge - its a cat and mouse game that can be easily predicted if mapped out correctly, when portals show up, they go to specific locations thats why not all portals are used, sometimes u have to wait
6/6/2018	7:28:15	The Majestic 12 seeded the Matrix into the public consciousness to ensure that free will wasn't violated - (((we))) disclosed to you what we were doing (((your))) lack of education was a choice to not understand. This is legitimately how MJ12 viewed this at the time. https://twitter.com/2MattandGaby2/status/1004157052552400896Â â€¦
6/6/2018	8:25:55	Meaning they don't speak in person. https://twitter.com/thehill/status/1004382927873040386Â â€¦
6/6/2018	13:10:18	Disclosure will challenge the major world religions. Are you ready for the change? It'll be soon when it all starts to come out. Are you ready? https://www.youtube.com/watch?v=ttevamkS6gwÂ â€¦
6/6/2018	13:32:13	The Majestic 12 have all points of view. We make decisions that we view are best for who we serve. In the past, the Majestic 12 served not God, but Man. In that effort, the redefinition of God is what became your reality.
6/7/2018	6:49:54	No we are about half for Trump and the other half are going insane at the moment. Those of us who are on the right side of history will know how to select the soon to be open seats to really lead the US in Space. There weren't many of us left.
6/7/2018	6:55:05	Hyperbole for "do what Clinton did and you'll be okay!"
		MJ12 does not view this as you interpret. You are mistaken here, sadly.
		Real criminals (who aren't reckless and careless) erase all incoming messages "permanently" after its been received. They don't "build up." https://twitter.com/girlsreallyrule/status/1004696705869254656Â â€¦
6/7/2018	6:57:14	Next week, a member of the Majestic 12 will be revealed for the first time. They will not be announced with the name Majestic 12, but they will be one of our former leaders. You will know them for their connections to Space.
6/7/2018	10:55:05	They lie equally. Controlled opposition.
6/7/2018	11:07:20	Excuse us, but it was the Democratic Party and President Obama who forced "Obamacare" onto America. Then again, Democrats don't know the meaning of the word "no", thats why they embrace perverts like Weinstein and Weiner. Talk about a pair of winners. https://twitter.com/HouseDemocrats/status/1004786025770749952Â â€¦
6/8/2018	7:11:08	Do not get distracted by the @NASA announcement this week. It is a major distraction from #suicide week and the events leading up to next week. Are you ready to meet a member of the Majestic 12? We are excited to meet you finally. Hello Alice.
6/8/2018	7:49:01	You will find out.
6/8/2018	8:27:26	You already know who Alice is.
6/8/2018	8:30:10	You think Branson goes to Epstein's island? What makes you think he doesn't have his own? https://twitter.com/JackPosobiec/status/1005108824032862209Â â€¦
6/8/2018	8:41:50	Do some digging on the internet for ALICE or Alice. Don't forget that you're in Wonderland.
6/8/2018	8:55:30	You are practiced in remote viewing, no? Give it a try, report back to us what you find out. Sharing is caring.
6/8/2018	8:55:54	Are CERN and Microsoft in Wonderland?
6/8/2018	9:03:06	Only one Zeta is on the Majestic 12 board.
6/8/2018	9:05:21	Pizzagate is BS? https://twitter.com/JackPosobiec/status/1005118383271096320Â â€¦

6/8/2018	9:07:12	Important to distinguish here... non-terrestrials are not permitted to be Majestic 12 members. They can hold positions on our board, but they are not directly members of the Majestic 12. The individual will be human who gets announced. They are connected to Alice.
6/8/2018	9:12:40	Are you sure that JA is not the White Queen who is going to deliver the Vorpal Sword to Alice so Alice can slay the Jabberwocky?
6/8/2018	10:26:18	That image is fake. No doubt clowns at work.
6/12/2018	5:45:48	He's traveling right now.
6/12/2018	5:48:42	The Majestic 12 are notoriously known for playing psychological games.
6/12/2018	7:37:33	Hello Majestic 12 leader (of decades)... we hope you enjoy the afterlife (in hell). https://twitter.com/USAgov/status/1006545349375418368Â â€¦
6/12/2018	8:14:28	correct, its the wonder of the unknown coupled with the power of consciousness that creates wonderland
6/12/2018	9:40:48	Never apologize to a pedophile for stating honestly "there is a special place in hell" for Canadian Prime Minister Justin Trudeau. https://twitter.com/CNNPolitics/status/1006574362802249729Â â€¦
6/12/2018	10:03:42	Too bad, raspberries are good for opening your pineal gland. Another Majestic 12 member will be exposed in the upcoming IG Report too... but that one will be more difficult to guess. In the mean time, any guesses?
6/12/2018	10:05:43	Wonderland is a prison of oppression. Earth is a prison of oppression. How did Wonderland become a prison of oppression? How did Earth become a prison of oppression? It was a GENIUS plan by the Majestic 12. Learn to play the game. Not all bad actors are involved here.
6/12/2018	10:14:02	George Bush is a product of the society created by the banking cartel. He learned at a young age whose side to pick, and it played out well for him. He does, though, struggle with sleeping most nights. He does feel ashamed, especially as he is about to meet God. We'll see.
6/12/2018	10:18:20	Probably the dumbest idea we have heard (but completely expected out of a TYT contributor), considering how much the United States has been interfering with the national agendas for over 50 countries. Proper solution is to clean up internally then go one on one with each country. https://twitter.com/johniadarola/status/1006585791349383168Â â€¦
6/12/2018	10:20:26	All ears. No action. Same shit. Different day. The definition of insanity is repeating the same thing over and over again expecting different results each time. Why do Americans insist on re-electing these dangerous and weak people into office? They don't listen, ever... https://twitter.com/SenatorCollins/status/1006585975953350656Â â€¦
6/12/2018	10:22:36	Believe us, the Majestic 12 are responsible for some of the dumbest comments made in the history of the planet, but in this case, we stand firmly against all who defend the TYT network. The treason involved in their broadcast should be regulated, but we have the first amendment.
6/12/2018	10:25:25	He did set things right, behind the scenes. He resigned leadership of the Majestic 12 to pave room for the Trump Era. He realized he perpetrated a LOT of evil around the world, but he doesn't regret everything. Only the betrayal of his God. It's always been about him. Until now.

6/12/2018	10:30:01	Precisely. The United States went to another galaxy for Christ's sake, yet NOTHING close to ANYTHING was disclosed to the public.
6/12/2018	10:31:28	The MSM can be demolished right now. Unplug the cable and don't support them by watching them or listening to them or commenting on them or participating in their existence. Acknowledgement is half the battle to creating reality. Deny acknowledgement then you deny their reality.
6/12/2018	10:39:39	In his next life, the soul inside him that made mistakes (took chances, and sacrificed others for personal gain) has the ability to repent and maybe, just maybe (many factors involved), his next life will be different and he won't end up a beetle.
6/12/2018	10:41:13	The increased activity is because our solar system is starting to pass through a qauntumly charged area of the galaxy that is causing the antennae of many life forms to stop and go "huh...."
6/12/2018	10:42:51	One thing that is absolutely certain, while we agree with your sentiment here, the Majestic 12 will NEVER allow its right hand to know what it's left hand is doing. EVER. Never going to happen. That defeats the purpose of the Majestic 12. But all individuals (not groups) should.
6/12/2018	10:55:10	We believe that you know far more about quantum reality than most "so called experts" who claim they know about quantum reality. Believe in your abilities and the light will always show you the truth.
6/12/2018	10:56:40	Yes, significantly more since a recent change was made to an off planet outpost that helped regulate the locations of our grid points. Since that has been removed, the energy storms we are passing through are causing more points of entry to appear than usual. Beings are aware.
6/12/2018	11:05:39	Clowns reporting about clowns. The blind leading the blind. https://twitter.com/BreitbartNews/status/1006596669000048640Â â€¦
6/12/2018	11:06:49	We need to understand how to decode (properly) our DNA first. The truth inside our DNA has been classified for a very very long time. It is time for it to come into the light.
6/12/2018	11:13:20	Your vibration has the ability to be tuned (precisely is VERY difficult) to send new instructions to the protein that is responsible for transcoding the genetic code to your newly created DNA. It takes a while, but transformations like this are physically possible, though hard.
6/12/2018	11:20:56	The medical field is driven entirely by money not treatments. Those who push for real treatments are assassinated. Your observations are not alone, many others have been experiencing other kinds of genetic anomalies. This is most likely due to the ISBE identifying itself in you.
6/12/2018	11:29:41	Immortal Spiritual Biological Entity (aka what your consciousness is called between lives)
6/12/2018	11:30:14	Immortal Spiritual Biological Entity (aka your consciousness that is transferred from life to life)
6/12/2018	11:53:38	Didn't create originally but certainly pushed to create in modern times.
6/13/2018	10:30:54	We recruited Donald Trump. We gave him an opportunity and he took it.
6/13/2018	10:31:21	Be comfortable with trusting yourself and okay with taking calculated risks.
6/13/2018	10:32:26	Yes, we visited the planet where EBEN-1 came from, which is called Zeta Reticuli.
6/13/2018	10:32:44	The document is real.
6/13/2018	10:45:51	Keep in mind that POTUS_Schedule is not a verified government account. https://twitter.com/OldGlory7476/status/1006955172285898753Â â€¦
6/13/2018	10:59:47	We recruited him in 2001.
6/13/2018	11:00:23	Needs to look differently for his blackmail films.
6/13/2018	11:01:26	We didn't say or infer that it was not true. We just pointed out that @POTUS_Schedule not an official Government account. Carry on.
6/13/2018	11:02:02	Just imagine what HRC looks like when you take the mask off.
6/13/2018	11:16:09	Everything was planned. DJT vocalized to MJ12 via TV interviews and tapped private conversations that he was serious when he suggested it, though vocalized how much he wouldn't LIKE doing it (in contrast to his former lifestyle). We convinced him to bite the bullet and run.
6/13/2018	11:18:29	The trip lasted several years in the form of an exchange program.
6/13/2018	11:18:46	Remove the makeup, eyebrows, and contacts.
6/13/2018	11:21:36	No, the election was fixed. Hillary Clinton was supposed to win, considering the meddling her associates did during the election (including abusive propaganda), but operatives were dispatched to undo their vote hacking systems enough to save the Republic.

6/13/2018	11:23:40	When DJT was recruited, he was recruited to MJ12 as a liaison officer. Unbeknownst to him at the time, it was us who enabled him to seriously consider running. We begged him to run in 2008 and he put his family first. After Obama, he regretted the decision and ran.
6/13/2018	11:24:47	Around a dozen. This wasn't a "one time" exchange program kind of thing. We just allowed one to "leak" into the public domain a while ago. Few died on mission. Some stayed permanently. Some came back home.
6/13/2018	11:26:52	ZR is in MW. It's 12 parsecs from Earth. We have visited another "galaxy". Only once. To be honest, we didn't know it was a galaxy at the time. We thought it was just another planet in the Milky Way.
6/13/2018	11:27:24	MJ12 is currently working toward full disclosure.
6/13/2018	11:29:13	In specially designed living quarters, yes. Some could call them prisoners, but the only factor of what makes a prisoner a prisoner is whether the confinement is consensual. In this case, the military officers who deployed, were on/are on a mission and therefore thats is moot.
6/13/2018	11:30:08	Correct, Serpo was the disinformation campaign created to disclose the trip. From a 40K foot view, its spot on. From an "on the ground" view, its fantasy. But that's intentionally done on purpose.
6/13/2018	11:33:00	Why fix an election? Well we didn't originally fix it. HRC did. We believe in the ideas behind democracy but recognize that when a population is mind controlled, they aren't actually invoking their free will and deciding. We had to intervene to maintain order.
6/13/2018	11:45:30	Cheese Pizza or a real pizza?
6/13/2018	11:46:08	Correct, they have very advanced defensive systems in place for their home world that make it very difficult to infiltrate.
6/13/2018	11:46:48	The Majestic 12 would host its own event in the United States if that was something we were interested in. Unfortunately, conferences are not the solution to disclosure.
6/13/2018	11:47:44	Proportional to when the majority of the population's consciousness is ready. Through global consciousness and exoconsciousness, we are able to glean insight using the Stargate to determine when the public is ready. Its steadily growing. More recently, since QAnon its been exp().
6/13/2018	11:48:42	The trip, at the time, took about 3 of our months to travel, though was nearly instant for the traveller. Yes, they are Einstein-Rosen Bridges or portals or Stargates.
6/13/2018	11:50:55	When public consciousness is high enough, we will drop hard evidence confirming everybody's beliefs.
6/13/2018	11:51:38	Please always keep trying, but keep in mind, if you are able to penetrate their defensive systems (which is very very difficult, even for the Majestic 12 to do) they may pay you a visit.
6/13/2018	11:53:36	It is unlikely, at least for the next few hundred years, that the Government and "powers that be" would allow civilians to "buy" a UFO, especially something like the TR-3B. That's a highly specialized military craft not intended for civilian use. Way too dangerous.
6/13/2018	11:54:50	Also understand, that "buying a UFO" is expensive and dangerous. We sell airplanes to very very rich people, but in all honesty, they are buying the exclusivity rights. FAA still has control over their craft. FAA can still ground their flight. If FAA can't, military will down it.
6/13/2018	11:55:59	Those visits are first contact visits and are harmless. You're absolutely right. But just like when you penetrate the DoD systems, somebody comes and pays you a visit, and then you magically get hit by a car the next day. Well... that happens. They come to you. Always.
6/13/2018	11:58:10	DJT may get a Gold UFO in his next life. We have considered it. Though he would be required to "win bigly" again in a second life in order to be positioned for such a gift.
6/13/2018	11:58:58	Gold is not just an element of wealth. It's an incredibly powerful and useful element in space craft.
6/13/2018	12:03:59	Did you enjoy the propaganda? Holding photos, sounding sad, and reading from a transcript is propaganda. https://twitter.com/HouseGOP/status/1006898595851882496Â â€¦
6/13/2018	12:04:24	Yes!

6/13/2018	12:06:51	Waiting for 72%. We are currently at around 30%, though we expect that when the bad actors in the MIC/IC/DS are finally removed from power, that the void created will jump that 30% to well over 72%. Also... 72% of functioning adults. Not including children or Ð»ÑŽÐ´Ð¸ Ð¸Ð½Ð²Ð°Ð»Ð¸Ð´Ñ‹.
6/13/2018	12:07:49	It's fun to imagine a gold UFO...
6/13/2018	12:09:17	Bill Nye has never been close to the truth when it comes to Space Exploration. He is a tool of the Majestic 12 who also has a nasty obsession with Cheese Pizza. https://twitter.com/exploreplanets/status/1006642371373617152Â â€¦
6/13/2018	12:10:31	Within the next decade. Plan's already in motion in very high levels. It takes so long due to global consciousness laws (karma). We need to ensure that free will is maintained throughout this process. If its not, we will suffer greatly.
6/13/2018	12:14:05	No, GBSr was a member of MJ12 for decades and has since been removed from the active MJ12. MJ12 changed because GBSr wanted to make amends with God before dying.
6/13/2018	12:15:28	.@johniadarola has lost nearly 3 trillion neurons since 1992. Your point? https://twitter.com/johniadarola/status/1006978237694500864Â â€¦
6/13/2018	12:16:21	Technically its "people with disabilities" which refers to more than just physically disabled but emotionally, mentally, physically, and spiritually disabled. Ð»ÑŽÐ´Ð¸ Ð¸Ð½Ð²Ð°Ð»Ð¸Ð´Ñ‹ is just shy of pretty much being a living corpse.
6/13/2018	12:17:25	There was no appropriate English idiom that could have been used there in the space permitted, so we improvised.
6/13/2018	12:22:03	Opinion: President Obama and the age of the grumpy old black man. Is this ðŸ‘† racist but ðŸ‘‡ not? https://twitter.com/washingtonpost/status/1006978940899151872Â â€¦
6/13/2018	12:23:41	Its important to understand that with free will, GBSr only became as evil as he did because people's free will decided "meh" when it came to politics. This attitude gave the MJ12 exceptionally strong power. You're lucky he repented. Seriously lucky.
6/13/2018	12:25:01	Thousands, way too many to list off here. Corey Goode has a general sense of the different Star Nations, but in all honesty, he's full of himself about 50% of the time even though he tries not to be. It's an impossible task he's been given. Love his effort. Love him. Love all.
6/13/2018	12:26:40	No, MJ12 is isolated 100% from DOJ. DOJ cannot touch anyone in MJ12. They literally cannot touch anyone in/from MJ12. They don't have the need to know. They will never have a need to know. This is why WE love compartmentalization classification laws.
6/13/2018	12:28:41	God is real. Do not fear God. You are not required to acknowledge God exists. You are not required to worship God. You are not required to do anything. Free will dictates the universe. Free will allows evil to exist. Free will prohibits "God" from acting. God can't act. You can
6/13/2018	12:30:50	Not the big boss, but he's a member. He is a pawn. Thats why he is allowed to have power.
6/13/2018	12:32:07	MJ12 didn't repent. GBSr did. As leader of MJ12, he made critical changes just after he struck a deal with Trump to get out of prosecution or public exposure for his treason.

6/13/2018	12:33:58	Here's a better idea. Cure their ailments and give them an opportunity to serve their community? The choice would be theirs though. Not all disabled people take too kindly to talk of 'curing them'.
6/13/2018	12:35:06	Think double agent.
6/13/2018	12:35:43	Just before Barbara Bush died.
6/13/2018	12:42:49	You don't think somebody that into Cheese Pizza could go unchecked, right?
6/13/2018	12:46:41	MJ12 doesn't retard it. Useful idiots retarded it. We just installed useful idiots to keep our finances safe. Free will is what created this mess. Free will is the answer to this mess.
6/13/2018	12:48:06	You would require 100% of the functioning US population to believe in UFOs before the Government should disclose its existence?
6/13/2018	12:50:40	Only the stupidest of the stupid pay for fake news. https://twitter.com/washingtonpost/status/997566253475622912Â â€¦
6/13/2018	12:56:27	We are waiting for 72% of the public to believe that UFOs are real or could exist. When that figure is reached, MJ12 will start disclosing physical evidence that will jump us from 72% to 99.9%. We can never get to 100% because of free will.
6/13/2018	12:57:48	Nuclear waste is exceptionally difficult to get rid of, though if the plan to expose Global Consciousness to the public works, then we could will the cleanup to happen, and then it will be so.
6/13/2018	12:58:10	Our mission statement is control everything on Earth.
6/13/2018	12:58:27	We're not planning it, DJT is planning it.
6/13/2018	12:59:21	We cannot violate free will.
6/13/2018	13:03:36	Yes, but we disclose what we are doing and it is a choice to believe the lying and retardation process that does not impede free will.
6/13/2018	13:05:23	Remember, no Q comms outside of 8chan. We have no clue what Q is planning, and even if we did, we would never admit it. But think logically here. Why mix swamp draining (bad) with military parade (good)? Doesn't add up, at least in our opinion.
6/13/2018	13:07:00	Some things require patience to work. There is a plan in place to get us to 99.9% but we are not there yet. Soon though. But its a global consciousness effort.
6/13/2018	13:08:27	He's not in the Majestic 12 officially, but he is a very close confidant to our current leader. He has been sworn into MJ12 though.
6/13/2018	13:09:13	Unlikely. We are the first line of defense planet Earth has. Would you really want to incapacitate your first line of defense?
6/13/2018	13:10:04	Correct. MJ12 has functioned for decades as the means to prevent true Unity because it would compromise planetary security.
6/13/2018	13:11:50	Propaganda.
6/13/2018	13:12:33	We have great control over mass consciousness, but we do not completely control it. Some things happen against our wishes.
6/13/2018	13:15:12	Precisely. Some people view this as a prison planet. Why? Because they have outgrown this planet and the control that MJ12 has over the planet.
6/13/2018	13:16:46	Any student in physics studying lasers can realize, with a little bit of deep thinking, and a detoxified pineal gland, that the laser can be used to create weapons more powerful than nukes.
6/13/2018	13:19:36	No, some resented him for repenting.
6/13/2018	13:20:51	God
6/14/2018	7:17:53	He doesn't lead MJ12, he's just a member.
6/14/2018	7:18:24	We answer questions.
6/14/2018	7:19:57	Yes, a team of three.
6/14/2018	7:20:12	Quite. More interaction than usual.
6/14/2018	7:28:46	Started in 1998.

6/15/2018	9:48:34	You just did.
6/15/2018	9:49:55	Russia has been tricky. For a very vague clue, watch the CIA's Stargate television series. It brushes against the tensions between US-Russia Space Interests. But yes, once US discloses officially, the rest of the world will follow almost immediately after.
6/18/2018	12:12:29	Hello Space Force.
6/18/2018	12:14:28	NSA
6/18/2018	12:15:55	locked away for now
6/18/2018	12:16:09	dark to light
6/18/2018	12:18:16	with time, yes
6/19/2018	6:53:57	When Yellowstone blows, it will cause a lot of destruction. MJ12 does not currently have insight into whether a plan has been put in place or not with regard to mitigating the damage of Yellowstone eruption, but its possible other organizations have something planned.
6/19/2018	6:57:32	You should file for some patents.
6/19/2018	6:58:07	Not declassified, but acknowledged the unclassified components.
6/19/2018	7:02:12	Not technically, but the SC will side in your favor if you get into trouble and the efforts by Serco/USPTO are unlawful.
6/19/2018	7:18:13	Cannot comment on current operations in play.
6/19/2018	9:11:03	The existing space force is within multiple branches of the military. This is a unification of the space force between the different branches.
6/19/2018	10:22:22	Militarize doesn't mean killing people. The rule was not to be killing in space. We can peacefully explore using our military forces, which we did. We can peacefully conduct scientific experiments, which we did. Nothing against the will of the "Galactic Alliance" group.
6/19/2018	10:26:13	Precisely. Many of those corporation board members are intimately involved with the Majestic 12 CIA operation.
6/19/2018	10:26:46	NASA == Never A Straight Answer
6/19/2018	10:28:29	As designed. https://twitter.com/thehill/status/1009125676044218369Â â€¦
6/19/2018	11:03:43	No, compare the size of the Military to the number of deaths, shows you that the primary actions conducted by the Military are NOT killing people.
6/19/2018	11:28:08	Yes, there are producers and directors under Space Force command.
6/19/2018	11:33:14	Limited to military. Currently, military contractors are completely different story. They are NOT as honorable as the military is. A lot of civilians who refuse to take an oath to the country with their life on the line, and therefore make rash decisions frequently, ioho.
6/19/2018	11:34:43	USA's space force is a hundred fold more advanced than Russia/China combined. https://twitter.com/CNNPolitics/status/1009141790518206470Â â€¦
6/19/2018	11:36:14	There is a lot of harmful propaganda in space related entertainment productions designed to suppress the secret space program by spreading doubt, fear, and disinformation mixed with intense emotional screenplays. Carefully designed/planned by these contracting producers. EVIL.
6/20/2018	7:54:14	Such a hard choice ðŸ¤—
6/20/2018	7:55:22	Exactly. They would have to be brain dead to consider challenging the USASSF.
6/20/2018	10:20:52	Keep asking questions.
6/20/2018	10:31:22	EBE is just extraterrestrial biological entity. There are tens of thousands of EBE races that have been cataloged. India's policies towards ETs is nearly unchanged. The relationships exist in secret at the request of the groups they interact with. Quite bad actually.
6/20/2018	10:33:07	The image is from the TV Series Stargate SG-1 (official DIA program) and the text is that of the Ancients, a race of humans who lived for millions of years on Earth before being wiped out who built the original star gate networks and colonized multiple galaxies. Mostly fiction.
6/20/2018	10:35:25	We love your enthusiasm but USASSF should not be considered the official acronym for the "secret space program", in all seriousness, it should just be called USSF. USASSF = USA + "Secret Space Force" (unofficial) USSF = US Space Force (official)
6/20/2018	10:37:57	DIA had a program called Stargate SG-1 that was transferred to the CIA to be created into a TV series. In fact, the TV series Stargate SG-1 has a miniseries inside it that explain how the parent TV series came to be. Not all is fiction, but a good portion clearly has to be.

6/20/2018	10:46:13	Its based on a real language, but for the most part it is fictional. No sentence structure. Not really spelling words. Some of the characters are mirrored/flipped. Etc. Classic counterintel disinformation campaign design.
6/20/2018	10:46:39	See our other reply to your message.
6/20/2018	10:47:06	Godspeed.
6/20/2018	10:52:15	EBE == EBE(n [n+1])
		EBEN-1 = EBE Number 1
6/20/2018	11:27:28	No, EBEN-1 was from the 40s and unrelated to the Serpo project. Pn'tis is Pn'tis. No EBE classification necessary, we knew how to communicate with them to ask them their name.
6/20/2018	11:28:01	And some pretty light stuff too...
6/21/2018	12:37:06	Some MJ12 members are not happy about it, others are; but the most important thing to understand is, MJ12 is allowing this disclosure to take place (in general) because it's been decided to be strategically in our favor. Citizen productions lack the propaganda insurance.
6/21/2018	12:41:45	We recommend that you speak with @kabamur_taygeta for information about beings from the Pleaides.
6/21/2018	12:42:36	MJ12 has contributed to the catalog. We did not originally create the catalog.
		Yes, most of the races are capable of interplanetary travel, though only a handful of them are capable of space travel.
6/21/2018	12:43:43	The Majestic 12 has been in contact with different ET groups domestically on planet Earth since the inception of the Majestic 12. The original members of the Majestic 12 were aware of ET presences on Earth, but had not formed official contact with any of them prior to MJ12 est.
6/21/2018	12:44:07	Citizen media productions are a way to bypass the propaganda arm of the Pentagon.
6/21/2018	12:48:34	Disinformation is great!
6/21/2018	12:51:16	It's quantum. Only the eyes of the beholder can the answer be selected. To some (MJ12), its a very BAD things. To some (citizens), its a very GOOD thing. Eyes of the beholder.
6/21/2018	13:04:42	interstellar is between stars intergalactic is between galaxies
		most races cataloged have traveled to other planets w/o using space some races cataloged travel through space to other planets/stars/galaxies
6/21/2018	13:07:08	1/ Exoconsciousness intuitively understands the quantum world, it just has a difficult time articulating the words necessary to explain it.
		Think about the dimensions of information. Existence is the sum of all possibilities combined. Identity is the selection of an existence.
6/21/2018	13:08:24	2/ All information exists in "thought", however is accessible via an ISBE's ability to encapsulate that information into their consciousness (jail) communication mechanisms.
		Mastering telepathy enable you to read/listen/understand all states of information in their natural form.
6/21/2018	13:09:24	3/ When you try to take a highly complex thought and reduce its dimensionality into the physical realm, you lost 99% of the message, unless you are intentionally explaining the physical realm.
		This is why "words are difficult" to choose in emotional situations.
6/21/2018	13:10:02	4/ It is also why (((we))) [as a species] haven't yet mastered quantum physics. We cannot communicate in the medium necessary to understand quantum physics (yet).
		DONE
6/21/2018	13:10:27	Stargates on Earth. Most are naturally forming Stargates.
6/21/2018	13:11:32	Majestic 12 was created at the direction of President Truman in 1947 in response to the Zetas that crashed at Roswell.
6/21/2018	13:12:13	Hello MJ12 member. https://twitter.com/thejointstaff/status/1009795652635807744Â â€¦
6/21/2018	13:16:17	Truly a great great man.
6/21/2018	13:18:07	Two people in this photo know the leader of MJ12. https://twitter.com/US_Stratcom/status/1009806075992952832Â â€¦

6/21/2018	13:20:38	Correct. Military ops were going on since the mid 1920s to detect and down a potential NAZI flying bell UFO aircraft. They designed weaponized microwave dishes to interfere with the navigational units on board which caused the pilot to fly blind.
6/21/2018	13:21:37	The intent was to destabilize the craft such that it would crash in a nearly controlled environment that would lead to the least destructive form of downing an aircraft. Most passengers survived this downing technique, some did not depending on where/how they crashed.
6/21/2018	13:24:03	Unfortunately, when this happened, the military was unpleasantly surprised. They believe all recorded UFO stories prior to 1947 were just the NAZIs. They didn't expect to meet a Zeta that faithful day.
6/22/2018	6:28:12	We agree with your sentiment. Unfortunately, they're protected by the first amendment. Perhaps those who support Wikileaks will reconsider their true intentions. Yes they played a pivotal role in stopping Clinton, but this proves they are compromised. Assange is in US custody now
6/22/2018	7:12:03	Who said anything about mistake?
6/22/2018	7:13:07	Follow your heart, and join the Space Force!
6/22/2018	7:37:15	You can be sure that if it does lead to that, those guilty of putting those officers in harms way will be united with the bullet that has their name on it, once and for all. The United States does not show mercy for actual terrorists. They only coddle the propaganda terrorists.
6/22/2018	7:37:23	A lot.
6/22/2018	7:38:47	No, it was to down a Nazi flying bell. Zetas were not the target. Although the speed in which the military was able to adapt their sensor technology resulted in several unintentional downings of Zetas. But make no mistake, we were downing those craft because we were researching.
6/22/2018	7:43:17	Yes, a lot of the "nazi's" executed in the trials were actually "innocent" if you can believe that. Their decisions to make executions take place were punished justly, however the masterminds were never held accountable for their actions. They were smuggled into the USA/Argentina

6/25/2018	7:44:04	They aren't owned/operated by SSP but they are known by the SSP.
6/25/2018	8:42:43	The Military is still getting the necessary preparations under way to ensure a smooth transition of defensive power before the USSF will be ready to accept new applicants. Expect there to be a major PR campaign associated with sign up efforts.
6/25/2018	8:43:45	Could be... but its important for us all to know that Earth's flag has been created and nobody really knows about it yet. When will it get the big reveal? Don't worry, they'll make it seem like its "your" choice when it comes out.
6/25/2018	9:56:38	Close!
6/25/2018	10:43:17	ðŸ˜„
6/25/2018	11:27:47	USSF will accept non-Citizens for service in positions that are not related to US "national security" positions.

6/25/2018	13:17:12	Mars terraforming project will never happen. Its a humans dream of galactic domination. Sorry, but there are far more powerful/intelligent races out there that will block, and kill Musk, if he ever tired. Mars is habitable as is for humans, why terraform? Global Reset.

6/26/2018	9:17:41	Correct. Very very tragic story. Way too many nuclear weapons unfortunately.
6/26/2018	10:24:46	The Great Awakening is closer to 65%, and yes, we need 70%.
6/26/2018	10:25:17	dont you love our crop circle technology?

6/26/2018	10:26:12	Correct, the outer planetary defense systems operating on the "dark side of the moon" are designed to prevent nuclear weapons from entering space. In order for a country to "nuke" another country without killing themselves, they must use space. This is prevented.
6/26/2018	10:27:14	We are on this path. Doesn't mean the world will be come a 5th density world in "our lifetimes." It will take a few thousand years to get to that peak, and "all good things must come to an end."
6/28/2018	13:46:05	NASA strikes again... delays to the JWST pushed back to 2021... why? Incompetence. That's why.

6/29/2018	7:36:41	We can confirm this is accurate, but the spin on it is fake news. The exit is not to isolate US interests but to re-establish a WTO that requires pro-human reciprocal trade policies ONLY that is capable of interplanetary trade. https://twitter.com/CNNPolitics/status/1012705268621119491Â â€¦

6/29/2018	7:47:07	The closer you (the American People) are to uncovering the truth about the pedophilia "problems" that celebrities, politicians, and businessfolk are deeply involved with, the more #unhinged they become. What does this say about Michael Moore?

6/29/2018	12:09:43	Majestic 12 does not support full disclosure. We support comprehensive disclosure. What you need disclosed is enough to fix society. Full disclosure includes the bad stuff.
6/29/2018	12:34:03	Magnets also create antigravity. Some of these elements simply enhance the superconductive state of magnetic materials.
6/29/2018	12:58:23	We understand your sentiment, but we honestly have to say, the extended uses for childrens blood will not be disclosed.
7/13/2018	11:07:55	This is actually reverse engineered "Roswell" technology that was created after EBEN-1 and EBEN-2 told the USAF how to make this silvery, lightweight, and extremely protective clothing. 8/10/2018	10:04:07	We, the Majestic 12, hope that society understands and appreciates the magnitude of what Disclosure really is, and how we have built society up to this point in order to tell you, the public, the truth - finally. We were delayed by 25 years thanks to one MJ12 leader.
8/10/2018	10:05:55	The Space Force
8/10/2018	10:07:23	Every "journalist" who saw the truth about Roswell in front of their eyes who had a position of authority laughed it off and eventually would sell their story to the tabloids to get ridiculed all in an effort to distance "themselves" and the truth.
8/10/2018	10:10:24	2B ;)
8/10/2018	10:12:28	When 2B took control over MJ12, the ambition to Disclose alien life + technology to the public became thwarted because a rouge group of agents within the Shadow Shadow Government wanted to establish a New World Order FIRST in order to "prevent chaos."
8/10/2018	10:16:32	I saw this bear on TV and his friends were burning because their homes had turned to fire A strange kind of sad... big old bear Now sure he would probably eat me He'd tear me to pieces... that bear. - DM https://twitter.com/IngrahamAngle/status/1027966070412464128Â â€¦
8/10/2018	10:19:13	2B blackmailed the other members of The Working Group with snuff films, pedophilia, and cannibalism through his connections at 322. The Pentagon determined that enough Science Fiction that resembled the truth could eventually desensitize the public enough to handle Disclosure.
8/10/2018	10:20:48	Once enough Science Fiction was adopted into society and culture, the awareness of the ET presence was only a matter of time. After 2B/322 took control over The Working Group, whistleblowers attempted to come forward. Many were murdered. Their 50 year silence expired.
8/10/2018	10:22:23	Coordinated around the same time were the SG-1 television series and the Congressional Disclosure Hearings. Both of these efforts were from the Pentagon and the "light" side of the MIC (that wanted Disclosure) as a means to combat against 2B/322.
8/10/2018	10:24:30	Well, the evil ones sell don't they? Besides, there are some hostile NTBE and EBE cataloged to date. The hostile group was been neutralized recently, but we cannot stress how recent "recently" actually was.

8/10/2018	10:29:11	The C_A was created as a compromise to Operation Paperclip. Once the Soviets found out about Paperclip, Roswell, and the EBE we had detained, they negotiated an end of war rollout strategy that included creating the C_A for the Soviets to gain a foothold in the USA.
8/10/2018	10:31:01	We are aware of SG-1 fan ideas and analyses and have found that a few small portion of people have at least a 50% clue about the true Disclosure contained inside that series. It's more profound than you realize and goes far beyond just ET stuff.

8/13/2018	11:01:04	We are the Majestic 12.
8/13/2018	11:03:34	There are two groups currently fighting to prevent Disclosure from taking place. One group is a criminal cabal enterprise operating within the United States Government, the other group are their handlers, a nonterrestrial entity. Disclosure requires the people to realize reality.
8/13/2018	11:04:23	VP Pence announced prior to 2020.
8/13/2018	11:07:55	Why did a NASA employee recently get charged with possession of child pornography on their GOVERNMENT WORK COMPUTER? Simple. MJ12 was overrun by the Cabal and a whole host of criminal behavior was sanctioned by the C_A to continue paying for the secrecy of the space program.
8/13/2018	11:09:35	So long as there are powerful people in media who continue to claim "there's no such thing as aliens", Disclosure will not happen. Disclosure requires We The People to acknowledge to force the hand of the Federal Government. They work for you! We work for you!
8/13/2018	11:11:54	Which of the following [Classified] operations were officially sanctioned by C_A? Retweet for "All Of The Above"
8/13/2018	11:13:15	The mainstream media are the enemy of the people.
8/13/2018	11:14:39	The Working Group (aka Majestic 12 aka MJ12 aka @TS_SCI_MAJIC12) hand selected members of the American Press through the Council of Foreign Relations to guarantee that they had enough blackmail collected on them and they were adamantly against ET Disclosure. All unbeknownst.
8/13/2018	11:18:41	The ET threat is about to be Disclosed. Necessary to reconcile the $21T "missing" from DoD budget. Also, to all who claim ETs are not hostile, please take a step back and think before you speak. How do you KNOW they are not hostile? You don't. We do. N+1 groups are hostile. EVIL! https://twitter.com/FoxBusiness/status/1029069255109758977Â â€¦
8/13/2018	11:23:12	We are curious where your figure of "95%" comes from. Our intelligence, which is far more vast than yours, says that its closer to 99%. The evil ones have not yet been defeated. They still are very strong and have a reputable level of control over the population.
8/13/2018	11:25:01	We assume any new form of contact with an NTE/EBE that does not make its intentions well known up front to be a hostile enemy that must be handled with the upmost care. Since we are dealing with NTEs and EBEs who have IQs of 1000, 3000, and even 10,000, we "ants" have ways.

8/13/2018 11:26:08 Additionally, its important to understand the distinction between benevolence, friends, peaceful partners, and peaceful adversaries. 99% of the beings are benevolent because they choose not to engage with MJ12. Of the ones who engage, we estimate about half of them have something

8/13/2018 11:27:08 to hide that YOU wouldn't want to learn about. Sure the reasons may vary from genetic experimentation to ensure the survival of their spices to researching alternative histories through isolated observation channels, but regardless, when MJ12 is made unaware of those actions...

8/13/2018 11:28:17 we interpret them as hostile and act accordingly. It is equally imperative to emphasize that the acts of one entity or individual do not collectively speak on their race's behalf.

"Judge a man by the quality of his character, and not by the color of his skin." - MLK

8/13/2018 11:30:39 The Majestic 12 have removed the central high level components of the ratlines, however the truth must come from within. Threats are ever changing and without total authoritarian control, Majestic 12 cannot "remove the threats" as you speak of. It's a calculated risk.

8/13/2018 11:32:02 Unfortunately you're wrong there. We did not "choose" to business with hostile NTE/EBEs. Technically it was the SS who chose to do business with them and at the direction of a President of the United States, 1800 of them were smuggled into the USA to seed the SSP. Not MJ12 choice

8/13/2018 11:33:44 They were no threat to us.

90% of the problem with fighting this war is knowing who your enemy is. Most of the time, we are blind until they act. Globally we have the planet under mass surveillance and mitigate most terrabase threats, however entities that travel are different

8/13/2018 11:35:05 You are right there, however the development to 5D is a cocreative global effort. Humanity must want it to make it so, otherwise the "Elite" will always rule. Currently, humanity doesn't 'want it enough' to usher in the 5D level of consciousness required to go multiplanetary.

8/13/2018 11:36:42 The truth will amaze you.
The truth will take your breath away.
The truth will shake you to your core.
The truth is not what you think.
Everything in Hollywood pertaining to the ET presence is wrong.
Everything is intentionally deceptive to ensure you remain confused.
Wake Up!

8/13/2018 11:37:42 This particular President was not being blackmailed or threatened to make the decisions he made. At the time, they were strategically the best decisions, however its more important to recognize the failure of consciousness here. Morality and karma dictate the future.

8/13/2018 11:39:01 Greed overcame his ability to understand exoconsciousness and the universal oneness and sided with an enemy he knew nothing of, but went off the advice of his counsel who assured him the threat could be mitigated by moving forward. They acted, and we are now living that reality.

8/13/2018 11:41:04 Welcome to World War 3.

Welcome to the Space War.

Welcome to the Alien False Flag Invasion War.

You have been prepped for this for 50 years.

The choice to know will ultimately be yours.

You have only yourself to blame if you fail.

You can reverse the damage.

8/13/2018 11:42:25 Do you really think the "Elite" will give up control and power that quickly? Do (((you))) have the ability to disseminate truthful information that will not be subject to censorship/shadowbanning/etc.? Currently there are roughly 0.0001% of the global population capable. Are you?

8/13/2018 11:44:46 Ike.

8/13/2018	11:45:38	Time will tell. Time is relative. How do you perceive time? How do you control time? How do you travel through time? What is time?
8/13/2018	11:45:53	Some of them are.
8/13/2018	11:47:57	Understand that ETSSs such as yourself are prepped and ready for the next stage in humanity's evolution, although, attempting to convince the Majestic 12 that humanity is ready, begs us to ask you, have you watched CNN lately? Or even Fox News for that matter?
8/13/2018	11:49:19	There are hundreds of trillions of beings throughout the universe who demand the same as you. Have their demand ever been met before? Instead of being handed something as dangerous as that, why not use tap into the global consciousness and just "download" what you need?
8/13/2018	11:51:35	How many DUMBs does the DoD have command over?
8/13/2018	12:25:02	Smart, but its important to understand that most people do not share you assessment of the EOTP, the MSM... Is humanity ready? Or are you ready? Perhaps and yes. Time will tell. Events are in motion that will make Disclosure happen prior to the US Space Force starting.
8/13/2018	12:26:07	Time is relative, however events are more easily predicable. Additionally, event prediction doesn't carry as much negative karma on it. We want Disclosure to take place, but we want it done properly to ensure the people "who you've trusted the most" are properly removed of power.
8/13/2018	12:30:01	The hostile NTEs/EBEs who will ultimately become the enemy of World War 3 (mostly an informational war, but there are real deaths and battles occurring right now) were responsible for seeding this particular type of genetic technology into society. https://www.axios.com/bayer-roundup-monsanto-lawsuit-loses-289-million-34b440f0-d1a6-4f04-aeb5-b86023f0740e.html?utm_source=twitter&utm_medium=social&utm_campaign=organic&utm_content=1100Â â€¦

8/13/2018	12:41:33	99.9% of the people involved in the actual work in creating these weapons against humanity are unaware of what's really happening. Through extreme Above Top Secret compartmentalization (the reality of why Disclosure will never be FULL DISCLOSURE) they have managed to hide. https://twitter.com/TS_SCI_MAJIC12/status/1029089207308959744Â â€¦
8/13/2018	12:42:34	Ever wonder why the dollar bill has a pyramid with an all seeing eye on it? That's their symbol. 8/13/2018	12:46:14	WW3 is an informational war. How has this part not been clear? Most people are asleep. They are sheep programmed by the very weapon we created to protect the secret in the first place.
8/14/2018	11:49:37	We have millions of other planets WE can travel to in the event things go permanently south.
8/14/2018	11:52:27	Non-terrestrial mean they don't live on planets. Some are "like" jellyfish "swimming" around in the void of space. Some are biological space ships that can think for themselves, etc.
8/16/2018	7:30:58	The Military Industrial Complex was created in order to ensure that the research and development into alien technology that was recovered at Roswell (and other places) could be kept secret REGARDLESS of who was President. That's the "deep state."
8/16/2018	7:32:24	The SSP used a vast majority of that missing $21T, however of the trillions we've publicly been able to allocate, about 70% of all publicly disclosed budgeting towards DoD goes to the SSP. So the real cost of the SSP is close to $35T-$50T. A lot of wealth was stolen.
8/16/2018	8:48:38	We do not expect anybody to trust the Majestic 12. The Majestic 12 has been the most secretive organization on the planet, but its important to understand that in order for Disclosure to take place, we must go from DARK to LIGHT. We admit our mistakes, but truly care about Earth.
8/16/2018	8:49:29	Yes, we have over 500 different vessels that are capable of interstellar travel. The actual number may be a lot higher or lower than that, we can't give you an exact number because its Classified.

8/16/2018	8:53:11	You'd be surprised at how much technology was actually created with that money, especially given the fact that on many of our off world bases we have nuclear replication technology that converts pure energy into matter patterns such as tools, food, etc..
8/16/2018	8:54:43	That's assuming that all money went to just building ships. You forget that we have almost 100 off world bases too plus companion spaceflight vessels similar to the aircraft that would fly on an aircraft carrier. The carrier would be the vessel in this case. 500+++ of those.
8/16/2018	8:56:50	The Majestic 12 has been spoken in shadow among millions of Americans for a long time. In fact, so many are aware of MJ12's existence (with no evidence) that not only was there one Men In Black movie, but there were 3! PUS is mostly disinformation from a failed experiment.
8/16/2018	8:58:57	Those exist so that the humans who control the world can appease their "God", an interdimensional being who has a particular liking for child sacrifice. That being has granted many of them miracles, cures to diseases, and access to vastly superior technology.
8/16/2018	9:00:11	Unfortunately the words of this Twitter account will hardly sway the opinion and direction of the Majestic 12, despite how noble your cause is. To fix Flint's water you need to learn about sound and vibration. You'd be surprised at how powerful sound actually is or WHAT it is.
8/16/2018	9:02:09	We had cloaking technology well before PUS. The most important thing to understand about extreme secrecy is that we don't even show the cards we hold in the unlikely event we were faced with a crisis to our own commanding officers. We had to maintain secrecy at all costs.
8/16/2018	9:03:51	Death is an illusion. You cannot kill something that is immortal. A God is nothing more than somebody who understands the language of divinity and who can speak/create with it. There are many many powerful beings in the Universe. Not engaging with the enemy is recommended.
8/16/2018	9:04:33	Your "God" was an illusion designed to install the New World Order. Mostly lies, even thought he actual text in the Bible does resonate many truths with the true nature of the universe.
8/16/2018	9:05:28	Probably before 2030. We are encouraging public sector non-SSP entities to "go wild" with their innovation and development (removal of regulations) in order to speed up Disclosure. If it doesn't go fast enough, we'll step in.
8/16/2018	9:35:29	Not at this time.
8/16/2018	9:36:24	An illusion.

8/17/2018	12:28:58	Pleiadian.
8/17/2018	12:38:08	Anybody at this point in time who refuses to acknowledge or disclose the ET presence on Earth is actively working for the entities who are trying to sabotage our Disclosure efforts. Many ETs here DO NOT WANT Disclosure. Not all evil, but most don't want Humans to find out.
8/17/2018	12:38:33	Nothing to see here.
8/20/2018	6:26:40	It isn't something that you can easily teach to an adult. Its much easier to teach telepathy and telekinesis to a child. The best working guide out there thus far is @SandiaWisdom's primer. Good luck.
8/20/2018	6:27:54	That's been the general sentiment that EBE/NTEs have had about humans for a long time. The ones that engage do so covertly and with bad intentions (DARK TO LIGHT) and the ones who ignore humans don't want to know humans because of how simply messed up "our" logic is.
8/20/2018	6:29:26	Voices you hear not, but you receive what are best described as blasts of an imprint that feels like an epiphany of pure emotion or purpose that you know intuitively what you have received. You understand without exchanging words.
8/20/2018	6:30:29	If and when you hear voices, it could be one of two things: Telepathy sometimes entails voice to voice communication, but of course you need to ensure you're speaking the same language. Voice to voice telepathy is far more complex and less likely to be accurate to less practice
8/20/2018	6:31:38	d minds. The more you practice with the imprint of your emotion, passing your feelings onto others, feeling as if you're extending your invisible hand out to the other person and touching them, allowing them to feel how you feel. That kind of telepathic connection will strengthen
8/20/2018	6:32:23	ones ability to maintain a telepathic link with another individual for long enough periods of time to be able to move past the mere impressions of emotion to the ability to communicate. If you try to start communicating using complex language rules and misinterpretations

8/20/2018	6:33:21	you're most likely going to confuse the entity that you're trying to talk with. Universal consciousness is universal, however manmade language like English, Russian, Chinese, etc. are not intuitively spoken or understood throughout the galaxy. Oddly enough, there is a far amount
8/20/2018	6:34:12	German out there, but good luck surviving once you meet them. Non-humans though aren't going to speak or understand Earth languages. You must therefore learn how to communicate one soul to another. That language is emotion and intent and instinct.
8/20/2018	6:35:34	They are. We allowed this to start after 2004. Some persisted prior however their engagements were so non-impactful to society that we permitted it. Since Twitter reaches hundreds of thousands of people, all of the ETs allowed here have been vetted and permitted to engage.
8/20/2018	6:36:51	The Majestic 12 is considered a grand conspiracy theory with very little substance in the mainstream. The Great Awakening is for those who choose to learn. This account is dropping hints about the true nature of our reality, and therefore to those unwilling to wake up, move along
8/20/2018	6:38:22	The Zetas are a more advanced evolution of humans. They technically are from the future, if thats plausible to understand. When they crash landed, they were in the past and they were trapped. The Zetas are peaceful to most who are open minded. Dangerous to others.
8/20/2018	6:39:36	The races that will welcome tearing you limb for limb and drinking the marrow out of your bones or squeezing the jelly from your eyes are going to be some extra large humanoid beings that live on Earth and who have been protected from Disclosure for a very very long time. #Giants
8/20/2018	6:40:28	Global consciousness is real. Those who are tuned into the frequency of others can perceive their intentions on their subconscious level.
8/20/2018	6:41:50	Pineal decalcification techniques are readily available on the internet. A simple search will yield positive results. Its essential to understand that if you cleanse your pineal gland with supplements that you allow your body the necessary time to adjust to the dietary change.
8/20/2018	6:43:12	Pineal decalcification can take months to years to accomplish depending on how poor your life choices were prior to realizing the significance of your pineal gland. Bad life decisions are hard to shed. Only through self enlightenment and dedication to the ascension process
8/20/2018	6:44:01	will you be able to mentally cope with the dramatic dietary changes necessary to ensure a healthy and active pineal gland. We're talking about changes from the kinds of foods you consume, the dietary supplements you consume, WHERE YOUR FOOD COMES FROM...
8/20/2018	6:46:07	whether you are drinking reverse osmosis water, or wearing natural clothing products that do not interfere with the electrical and chemical balance that your body tries to regulate itself to. There are many things one must do to heal and enable their pineal gland for non sleep.
8/20/2018	6:47:50	Bernie Sanders has an Epstein problem.
8/20/2018	6:52:28	Prison implies everything will be bad. Higher density races perceive it more like a playground or possibly a video game. When you die prior to being able to ascend, your memories are wiped clean, and you're returned to another biological body. Your memories are wiped because
8/20/2018	6:53:44	when your body starts developing, it comes from an egg and a sperm. Both of those vessels are not electrically complex enough to decipher the contents of your genetic memory (DNA). Everything is there. You just can't access it. You [don't] know how [yet].
8/20/2018	6:55:05	Childhood should be about learning how to unlock your Genetic Memory, chart and discover the interiors of your mind, learn about the world around you - physically around you first, and learn how to take care of yourself and sustain your living conditions for a long period of time
8/20/2018	6:57:18	Instead children are forced into public school - which we control what the children learn and what they don't learn (since 1951). Granted the disinformation campaign of education existed long before MJ12 came into existence, however when we rose to power, we took control over it.
8/20/2018	6:58:48	That distraction from the path of enlightenment has resulted in humans' genetic capabilities through properly developed brain function to be PREVENTED from learning telepathy, telekinesis, "healing powers" and other "magick" tricks of the "Gods." Humans have the ability.
8/20/2018	6:59:41	They were just subverted and distracted from learning the truth. Yes. This was intentionally done by the Majestic 12. It was ESSENTIAL that we kept the secret while it was necessary AT ALL COSTS. Had we not done what we did, its quite possible that Earth would have been
8/20/2018	7:01:01	invaded again, just like it was 6,000 years ago, and EVERYONE would have been thrown in slavery and civilization would have been RESET, like it was then. Instead, because of the genius of the MJ12 and USM we were able to ensure that "Disclosure" wasn't going to REPEAT the

8/20/2018	7:02:11	mistakes of the past. We believe that through this level of Disclosure (science fiction, disinformation, esoteric confusion, etc.) that we BEST PREPARED humans on Earth for the REALITY of what exists in Space. The vastness and illusionary infinite scope of the universe is...
8/20/2018	7:02:28	OUT OF THIS WORLD!
8/20/2018	7:06:50	Infinity is a synonym for unknown. Infinity as defined by humans is not accurate. There is a limit to the universe. The universe has a maximum capacity. Fortunately, we are VERY FAR away from every reaching that capacity. We have, roughly, 200T "Earth Years" remaining before ðŸ’¥.
8/20/2018	7:08:06	The power is within, and only you can tap into it!
8/20/2018	7:09:35	Correct. It's also essential to define "super solider" first. Can't confirm or deny vague descriptions. Won't either.
8/20/2018	7:12:16	The decay rate of pineal accessibility is not a linear function of how long you correct your diet. Let's give you some example figures to work with, perhaps this may help you.
8/20/2018	7:13:29	If you're a man (40) and you've consumed the Standard American Diet (SAD) for all 40 years, it would take you nearly 9 years of PERFECT detoxification, meditation, and adjusting your lifestyle (including whether you work or not) in order to START using "magick" of the "Gods."
8/20/2018	7:14:28	If you're a woman (30) and you've consumed the Standard American Diet (SAD) for the first 15 years of your life, and the remainder 15 years were 50/50 between eating organic whole foods versus processed poison, you'd require just 3 years to START using "magick" of the "Gods."
8/20/2018	7:15:55	If you're a child of 3 and you have never been exposed to the Standard American Diet (SAD) AND you are encouraged to meditate (and do) and engage in non-childs-play-talk, you will begin to unlock Genetic Memories very quickly. Within days.
8/20/2018	7:19:05	What's most surprising to the Majestic 12 is how people never made the connections during the election. The Podesta/Clinton mafia OWNED Sanders. What was their "business"? CST... and they OWNED Bernie Sanders. Again, we were shocked nobody caught on and saw the evidence.
8/20/2018	7:20:40	Not so fast. You CAN* ascend, but it doesn't guarantee it. Ascension is a choice and when you are faced with Death, you can choose. Sometimes, you can choose before you die (AKA voluntarily "die" early). Or you can fail the ascension test and be thrown back into a forgetful human
8/20/2018	7:21:50	Reform? Destroy. Education on other planets is similar to computer terminals connected to a distributed blockchain of cryptographically validated factual information that children access from their homes instead of going to a public school in a classroom with a teacher.
8/20/2018	7:23:21	The Majestic 12 will never reform the Education system. We are actually hoping that the citizenry reject it and opt in for a blockchain technology solution like other planets have. All people on Earth would be entitled to a terminal of knowledge. All knowledge stored.
8/20/2018	7:24:48	Indeed. Unfortunately humans have been careless in their responsibilities and its created a civilization that is on the brink of destruction that REQUIRES ET/EBE/NTE entities to engage with them to "bring them up to speed" quick enough before total planetary destruction.
8/20/2018	7:26:05	We just need to clarify again for everyone. The Majestic 12 was taken over by a criminal NTE mafia by 2B/322 about 25 years ago and since then, that group has been quickly destroying the planet's ability to sustain ALL LIVE ON EARTH - including ET life. Therefore, MJ12 + ETs = WE
8/20/2018	7:27:21	You are correct, it does not require months, but it can take months. Its essential to understand that knowledge is power and you have more knowledge about this subject than most. It is for that reason why it was easier for you and didn't require as much time.
8/20/2018	7:28:11	You are misunderstanding what a universe is.
8/20/2018	7:50:55	Yes, and there are others.
8/20/2018	7:51:32	"A Jaffa has many senses in which to do battle with."
8/20/2018	7:53:02	The Gloves are off.
8/20/2018	7:54:16	The concept of blockchain exists within every single person and they themselves can manifest reality around how they understand that knowledge to work. The Majestic 12 saw this technology's applications and started seeding it into the public back in 2007 with Bitcoin.
8/20/2018	7:55:07	Other people had the idea, and once the PUBLIC started engaging with blockchain, we decided that it was possible to solve a lot of the world problems we have using blockchain technology.
8/20/2018	8:00:14	Knowledge is power. Knowledge is dangerous in the wrong hands. Only the pure of heart and willing can acquire the knowledge you seek. It cannot be forced onto anyone. Granted, there has been a lot of subversion. But YOU CREATE your reality. Not us. We can create a faux reality.

8/20/2018	8:02:00	But the Karma is spinning the planet into destruction. So, this time around, MJ12 have decided to take a back seat approach to dealing with Disclosure.
		YOU HAVE MORE THAN YOU KNOW!
8/20/2018	8:03:00	Dropping Full Disclosure would cause lower evolved humans in positions of great power to do irreversible damage out of their own confusion, fear, and ego.
		THE CHOICE MUST BE YOURS TO MAKE.
8/20/2018	8:03:59	We engage in this open forum as a means to help enLIGHTen those who seek the truth. We do not give you truth. We give you direction. Only through meditation and practice in unlocking your genetic memory will TRUTH resonate with you.
		YOU CREATE YOUR REALITY.
8/20/2018	8:04:40	"Think of the universe in terms of energy, frequency, and vibration."
8/20/2018	8:05:42	The future is prosperous and you will thrive.
		TRUST THE PLAN.
8/20/2018	8:07:10	Interesting interpretation of our intentions here. We do not ask anybody to believe us or trust us. We ask for you trust yourself. What resonates with you as being truthful and what does not, and why. MJ12 is made up of 12 people. Over half of them are on the Q Team.
8/20/2018	8:08:25	Clear your mind and forgive yourself of your burden whilst in the lower density. Channeling requires a very clear and focused mind.
8/20/2018	8:09:41	Fear Agenda is the ET Agenda on Earth. It's hard to ignore that which we created.
8/20/2018	8:10:10	Precisely.
8/20/2018	8:10:50	Love is the strongest force in the universe.
8/20/2018	8:12:32	Love is the most powerful force in the universe. Unconditional love is the purest form of "God" that can exist. "God" is everything. "God" is one. We are all meant to love and be loved. Love enables growth and development. Always say "I love you" when you mean it. It's a spell!
8/20/2018	8:13:50	Quantity of ETs on Earth being good vs evil are quantifiably irrelevant as you state, however the actions of the few evil who are our current enemy are PREVENTING many from seeking the path of self enlightenment. Many need to beat this oppressor. It's not MJ12 anymore.
8/20/2018	8:17:34	It should be shut down immediately.
8/20/2018	8:18:29	Not at this time.
		[CONSPIRACY]
8/20/2018	8:22:15	Anunnaki presence on Earth is real, however they are not the evil ETs running amok. They are child's play.
8/20/2018	8:25:54	Correct.
8/20/2018	8:29:24	Meditate and close your eyes. You will see light. Focus on that light and look into it. Things will become clear.
8/20/2018	8:52:41	How often have I said to you that when you have eliminated the impossible, whatever remains, however improbable, must be the truth?
8/20/2018	9:05:41	Tell us your favorite book on enlightenment/telepathy/ET related subjects here! Share your knowledge with others freely.
8/21/2018	10:42:17	The Dracos are not friends with the Alliance.
8/21/2018	10:43:43	It was a failure of the original Majestic 12 ambitions. Originally, we intended for FULL DISCLOSURE of ET life and such back in 1980 prior to the NWO taking over. Once they took control, we had to go covert public via the most unverified parts of the internet to succeed.
8/21/2018	10:45:50	Nearly infinite (even though infinity doesn't exist) implementations of how reality could play out. All of those realities are "real" as you understand realism.
8/21/2018	10:47:50	Avians are good friends to humanity. We really enjoy working with them.
8/21/2018	10:49:16	Zetatalk is run by the C_A.
8/21/2018	11:06:54	Source?
8/21/2018	11:09:57	@SandiaWisdom is, we can confirm.
8/21/2018	11:14:42	Memories.
8/21/2018	11:16:16	We mean the masses.
8/21/2018	11:16:52	It's not obvious?

8/21/2018	12:29:09	C_A is run by clowns and traitors who spread disinformation / misinformation / propaganda. We are not suggesting that the Zetas are not involved in some degree of separation from that operation, but we are telling you point blank that you need to be careful who you follow.
8/21/2018	13:18:03	Majestic 12 is not QAnon. SOME members of QAnon have Majestic 12 clearances. POTUS is MJ12.
8/21/2018	13:18:34	Suicided. [Classified]
8/21/2018	13:20:29	No. Majestic 12 is a conscious arm of POTUS's direct commands. CoC wise MJ12 is a peer to QAnon.
8/21/2018	13:21:39	The Pentagon planned on a Space Force back in 1989. https://twitter.com/washingtonpost/status/1031999245052768257Â â€¦
8/21/2018	13:22:55	Are you enjoying the movie? MJ12 are MASTERS at making movies. Have you seen one of our productions? They are classics.
8/22/2018	5:31:38	In ways, yes we script narratives for people to experience the matrix reality. Those are our movies.
8/22/2018	5:32:29	9/11 was a movie executed by the NWO Majestic 12.
8/22/2018	6:28:36	Then figure out how to defeat that system and take 5D for your own. Then educate another who is willing.
8/22/2018	6:29:47	The script was written years prior and the players and actors all had roles to execute. Those roles were well documented in classified briefings. 9/11 was a movie. All lights camera FAKE NEWS!
8/22/2018	6:32:10	This account does not disseminate information unrelated to the INTENTIONS of MJ12 that do not serve the purposes of disclosing SOME activities to the public.
8/22/2018	6:34:41	DNA is a geometric shape with a universal language of information captured inside it. Once you can visualize the interior structure and SEE (as Masonic temples depict) the electrical/energy movement patterns can you MANIFEST the object inside your mind.
8/22/2018	6:35:53	Once you see it, you need to then imagine yourself duplicating the image before you. Except, in your mind, hold your hands NEXT TO the object suspended in your mind and imagine your mind scanning the object like a scanning machine, and the output is IN YOUR HANDS.
8/22/2018	6:37:25	With enough concentration, WILL, and practice, (most important of all is strength of your will) you shall be able to physically manifest the artifact in your "real" hands before your physical eyes.
8/22/2018	8:13:25	We are the Majestic 12.
8/22/2018	8:14:39	Humans who are born on Earth can be ETs. Its a matter of where the soul is and how that energy is channeled that allow you to see who you are interacting with.
8/22/2018	8:16:06	Do you believe that we would allow a physical being who was not of this world to be on Twitter? Their consciousness can be (which it is) but they themselves are not physically typing the messages. They don't have any interest in our technology. Too primitive.
8/22/2018	8:16:25	No but soon something may happen to your liking.
8/22/2018	8:17:04	Most is shared and forced onto us through culture.
8/22/2018	9:41:21	Timing is EVERYTHING!
8/22/2018	9:41:34	Indeed.
8/22/2018	11:01:29	We have some ETs within our lower ranks.
8/22/2018	11:03:31	Naturally creating a wormhole of that kind is ultra difficult. Typically it requires you to jump into Energy form first, then intend yourself to go to the destination of choice, then rematerialize back in the lower density. Its VERY hard to do. Some Avians struggle with it.
8/22/2018	11:05:41	Try clearing any expectations first. It sounds easier to do than it really is. We are fairly sure, based on the back and forth you've had with a few of us, that YOU know what we are talking about when determining whether or not you've successfully isolated the negative energy.
8/22/2018	19:56:47	On some you can. https://twitter.com/Jordan_Sather_/status/1032415026110320641Â â€¦
8/23/2018	6:11:08	mostly around the electrical capacitance capabilities of the brains neural activity current human brain structure is not advanced enough to handle higher currents of electricity
8/23/2018	6:12:05	It was unrelated to MJ12.
8/23/2018	6:18:29	Humans could fly those kinds of crafts, they would just need to send less electrical information into the brain, although its equally important to note that by reducing the brain interface capacity, you would effectively be limiting the crafts capabilities, speed, invisibility...

8/23/2018	6:21:21	Research his connections to John Podesta and his friend that was murdered. Do you believe in coincidences? Dr. Greer is clean, but he interacted and intermingled with a lot of people who should never have been allowed outside of prison, but our Intel Op protected them.
8/23/2018	6:22:09	Necessary to MJ12. Regrettable because he had a family who he was leaving behind. We could not be crossed. Not then. Not now.
8/23/2018	6:24:22	More like a change of heart. Members of MJ12 were known to be powerful to those in the know, however, access to the secret was restricted. By inviting less than 6 into 322 of MJ12, they created a close enough majority to remove #3 and tip the balance of power to 322MJ12.
8/23/2018	6:27:45	When the pole shift takes place, the damage and destruction being pushed by ZetaTalk is disinformation. Over dramatic to emphasis the importance of the shift. The shift will be important, but its not expected to take place until at least 2030, possibly 2040. We can trigger it.
8/23/2018	6:29:38	Yes, but as you will note in the other tweet we sent, the capabilities of a lower functioning brain (like a normal human) would result in limited functionality such as lower speeds, lack of sensors, etc. etc. Simultaneously controlling those type of subsystems require the brain
8/23/2018	6:30:38	to process a lot of information simultaneously in your conscious mind. Impossible for the unseasoned pilot. However a seasoned pilot who can intuitively FEEL the craft they are controlling (with manual controls and nobs) have the closest ability to learn how to control these UFOs
8/23/2018	6:33:41	Yes the brain can be enhanced and expanded through conscious control over your own DNA. Trick is to know the coded sequences to activate in meditation in order to expand cognitive ability.
8/23/2018	6:34:49	In many regards, an IQ of at least 400 is required to fly some of the more basic consciousness crafts we have in our possession. IQ not being measured by currently public tests.
8/23/2018	6:55:41	Yes, there are dozens of craft that fly around every night LOOKING for people who WANT to see.
8/23/2018	7:01:33	many kids who play video games today are some of the best pilots Air Force recruits
8/23/2018	7:02:22	some craft rely on certain DNA in order to decode the sequencing programs
8/23/2018	7:03:52	for those who struggle with interpersonal issues flight of this type is impossible
8/23/2018	7:08:28	No, currently there are a few DUMBs and obvious political buildings that are NFZ however the strongest enforced is actually over the poles. The military sends all foreign enemy acknowledged fighter jets to intercept all except for the poles. They use not-from-Earth UFOs.
8/23/2018	7:23:26	Do you see the UFO inspired design hidden inside this B-2? https://twitter.com/INDOPACOM/status/1032450062947770368Â â€¦
8/23/2018	8:08:09	Unfortunately many in MJ12 viewed his treason as something that could not go unchecked. According to the state of current affairs at the time and the secrecy war going on internally between USSR/CIA vs USMil. We know JFK was assassinated by USSR/CIA. So did we have any say?
8/23/2018	8:09:12	We were mandated with doing anything necessary to ensure the secret was kept safe at the time. Those who strayed from the path needed to be met with hard resistance and some paid with their life. The secret was too big to give up just then.
8/23/2018	8:10:50	If you have that much internal distractions in your mind, you wouldn't be able to take off using one of these devices. Your mind needs to be crystal clear, sharp, and well taken care of to physically handle the strain that piloting a consciousness craft inflicts upon the pilot.
8/23/2018	8:13:04	Think of the universe in the terms of energy, frequency, and vibration. Then consider what it would take to convert all math based meditation techniques into base 8. How would they change? Remember, base8, 9=0.
8/23/2018	8:14:20	This is a perfect opportunity for people to learn the truth.
8/23/2018	8:22:42	"Great Awakening" is a term that the Q team used from the MJ12 "Full Disclosure" guide that was originally designed to be rolled out using Mainstream sources back in 1989 but was subverted. The GA is learning that truth and discovering the secret MJ12 was employed to protect.
8/23/2018	8:24:03	Not entirely true. The density of thought dictates in many ways the speed of the thought. The intensity also impacts its speed. Your perception of speed is mixing up your understanding.
8/23/2018	8:24:25	Rumors are rumors for a good reason.
8/23/2018	8:24:45	We replied to the message.
8/23/2018	8:30:16	"Fictional" Starfleet Command's vision is not far from the Space Force vision. The GA is about unlearning decades of propaganda and re-learning the truth. When people go through great lengths, like MJ12 did, to keep a secret secret, you know its a good secret.

8/23/2018	9:48:10	Also, lets lend a perspective into the following: Remote Viewing, the bulk of the STARGATE program at DIA, revealed the usage of global consciousness to accurately "sit in" on EXTREMELY CLASSIFIED AND DANGEROUS operations world wide. This ability is still used to this day,
8/23/2018	9:49:28	though individuals can use technology to put scrambling technology in place that prevent you from being able to remote view into a DUMB or any other classified location. Remote Viewing was a very dangerous phenomenon that the US Government had NO CLUE what it was or whatever!
8/23/2018	9:50:09	That's a weapon you protect until you have defenses against it.
8/23/2018	9:51:50	So we panicked. We had to keep the secret safe. Free energy? Awesome, yes, but we could NOT reveal how we learned about that technology without disclosing WHERE we also learned about Remote Viewing. Imagine if you could remote view into the Situation Room how devastating that

8/23/2018	9:52:43	could be for the United States? Majestic 12 was tasked with defending the nation FROM the secrets we knew because our Nation wasn't advanced enough at the time to deal with the dramatic changes. One final note here, we have, through our exploration, discovered countless other
8/23/2018	9:53:50	planets with civilizations similar to ours in development progress that through the interventions of extraterrestrials on those planets, disclosed alien life and technology before people were properly prepared and became enslaved by a similar kind of interplanetary cabal to NWO.
8/23/2018	10:06:45	Similar.
8/23/2018	10:07:08	They are protected by the National Security Act of 1947.
8/23/2018	10:07:27	Heaven is within.
8/23/2018	10:08:08	That was a calculated risk. When we lost control everything went south. Prior to losing control, things "seemed more normal" when it came to Government.
8/23/2018	10:09:18	SG-1 was created by C_A at the request of DIA via MJ12 to disclose the activities of the Stargate program to the world. After our congressional committee hearings went nowhere, we decided to up the ante with the series. Look into episodes about "The Trust" and cross reference.
8/23/2018	10:10:52	Devices that receive "free energy" technology can themselves be modified quite easily into WMDs. Global consciousness needs to upgrade to 5D before we can "give" everybody the potential of a WMD in their possession. Not all are there yet.
8/23/2018	10:11:21	Greed will be a driving force behind the distribution of this technology once the green light occurs.
8/23/2018	10:14:18	There are less than 5 "valid" accounts on Twitter from NTOBH claiming to be legitimate star seeds from ANY star system.
8/23/2018	10:14:49	You would be surprised to know the truth.
8/23/2018	10:16:58	Wasn't there an episode about that?
8/23/2018	10:19:03	A lot of medical technology was discovered over the last 50 years that make it nearly impossible for a soldier to die if they actually make it to the medical facility in time INSIDE one of the [MANY] DUMBs we have. That's been kept secret and MJ12 has murdered to keep secret.
8/23/2018	10:21:54	We have developed technology to help integrate the current levels of technology we have inside the behavior enforcing components of the society. An important stepping stone to disclosing Stargates. Unlimited dialing poses a planetary threat. Release Stargates will be limited.
8/23/2018	10:22:21	Old guard is being dismantled.
8/23/2018	10:23:41	NID = DIA + C_A
8/23/2018	10:24:45	Blockchain technology allows you to replicate medical technologies outside of this Cabal's control. Before seeking greed for your work, publish it on a blockchain, and share it with the world. Greed is how this Cabal stays in power. Everybody wants a slice of the action.
8/23/2018	10:26:16	Solar Flash is a term used to describe an internal revelation that will take place in every single human. All beings on Earth are being mobilized and activated. This is a Great Awakening. GAs have also been called Mass Extinctions before. But life survives and evolves.
8/23/2018	10:27:21	No water effect.

8/23/2018	10:29:50	45 will not acknowledge MJ12. He will acknowledge Q though. [Soon]
8/23/2018	10:33:48	Many life forms will survive, and those who do, have been smart. They educate themselves on consciousness, holistic healthcare, geography, space weather, survival skills, and meditation. Those who do not, "die" and start all over as a child. Those who do not make it will struggle
8/23/2018	10:35:10	at first, but the society should be better aligned in 10 years to help people of all walks of life expand their consciousness and for the first time in thousands of years, MEET who are really are. Have you met the ISBE inside you yet?
8/23/2018	10:36:43	Cabal uses the Stargate and Remote Viewing to predict future events.
8/23/2018	10:36:59	Thousands of them.
8/23/2018	10:38:35	No, there are some accounts that are actually run by humans who are channeling other "real" ETs (similar to Sandia) who are providing equally valuable, if not more valuable information. We do not intend to oust any operations that may be operated by our peers at this time.

8/23/2018	10:59:59	Another angle to understand about Full Disclosure an MJ12:
		We learned that all energy in the universe is consciousness. We learned that all consciousness is the same. We learned that all consciousness is equal. We learned that all consciousness is one.

8/23/2018	12:59:07	Nothing is random.
8/23/2018	13:01:08	What if we performed experiments on the beings who crashed even after they asked us, warned us, and dared us to let them go. They tried everything to escape. It was pitiful to watch. Only through understanding, did they understand our sacrifice and why. It took time to repair.
8/23/2018	13:02:24	But in the end, they knew why we did what we did (to a certain degree), and when policies were changed to better respect their free will rights (just as every other intelligent life form receives on Earth) they started engaging more actively with us.
8/23/2018	13:02:51	This account disseminates information pertaining only to MJ12.
8/23/2018	13:04:21	Nobody managing this account had anything to do with what happened to EBEN-1 and EBEN-2 and therefore nobody currently on MJ12 are responsible for what happened to them at that time. That's why there's no problem with us returning and disclosing this information. We're ready.

8/23/2018	14:50:19	somebody gets it
8/23/2018	15:28:51	We did not understand them at first. We perceived their superiority as a threat and acted accordingly. When we learned who and what they were (how they were us from the future) we learned who we were. When we did, many groups rose to power within the Shadow Government aka MJ12.
8/23/2018	15:30:29	Each member with their own agenda it became. Serious internal struggles within some between siding with a more advanced culture and society versus defending what it means to be human and what that definition was. Many played God. Many mistakes made.
8/23/2018	15:33:00	The Q Movement is alive. It is a life form at this point. It is an alien. You just played God. Meme magic is magical. What is magick? How about MAJIC?
8/23/2018	15:36:16	Yes. And you could return as a Dog if you chose (when you die and meet your IS-BE). Your "God". You walk through the LIGHT and become anew. When you can't control your conscious environment, then you can't choose your next path. Will and intention and self enlightenment enable it
8/23/2018	15:41:28	they have their own path that is different from ours but they are like brethren when it comes to life in the galaxy - we are of the same class structure of DNA that define what a humanoid is and therefore acknowledging their significance was monumental. in every way intentional
8/23/2018	15:42:40	did we create the different science fiction phenomenon of your time in order to divide and conquer you WITH the truth. its been out in plain sight for DECADES. are you enjoying the movie?

8/23/2018	15:46:35	WE CONTROLLED THE MONEY. WE CONTROLLED THE WEAPONS. WE CONTROLLED THE POLITICIANS THROUGH PEDOPHILIA BLACKMAIL. WE CONTROLLED THE FEDERAL RESERVE. WE CONTROLLED EVERYTHING. WE ARE THE MAJESTIC 12. A GROUP CREATED BY CRIMINALS WHO DID THE RIGHT THING FOR THE WRONG REASONS.
8/23/2018	15:50:13	Disclosure is a human right. Full Disclosure to those who are willing. We are at a critical time right now. Good versus EVIL. The MJ12 are at the pleasure to the POTUS because he is the enemy of C322. We only disclose what is already COMMON KNOWLEDGE AMONG THY CONSCIOUSNESS.
8/23/2018	15:52:42	The path to true enlightenment is not with a flashlight. A tool cannot bring you enlightenment and Disclosure is only necessary where voids in logic exist. Where reason and evidence compels you to consider the cost of seeking evidence of your Disclosure do you then seek the light
8/23/2018	15:54:21	Therefore providing information that is not currently known to your collective state of consciousness would be dangerous to the stability of successfully executing The Plan. The truth is here for those who seek it. Here is where you are. Where the truth is. It doesnt matter where
8/23/2018	15:55:34	When we drop information we expect it to be common knowledge. Seek the truth further. The questions will help guide you to the next density. WHAT do you want to know about Full Disclosure and how can YOU learn how to use your new abilities of REMOTE VIEWING to learn everything.

8/23/2018	15:57:10	But why does seeking the truth really require so much? Perhaps failed social engineering experiments performed by this criminal system of "Justice". Pay attention to when POTUS mentioned QUOTE JUSICE. Why the "Q"uote about Justice? Are our laws illegal!? Up is down. Left is right
8/23/2018	15:59:57	But wait; what we suggesting? Suggesting that the POTUS take action to his pleasure then take the security clearances from these individuals. 45v45K? He can do it but every move he makes is a calculated. Currently Mockingbird Media has, through verifiable MilIntel understandings
8/23/2018	16:01:13	a strong hold on the current brand of reality and we are dropping major disclosure bombs all over the place. This is about evolving to a race capable of interstellar space travel knowing some of the dangers associated with it but how having a STRONG MILITARY can you have
8/23/2018	16:03:36	safety to all the people under those domains. In an oversight classification system of all compartmented areas can we ensure that no HORRID CRIMES AGAINST HUMANITY LIKE RAPING TORTURING AND EATING DEAD BABIES was taking place and therefore ensure that ALL RESOURCES being
8/23/2018	16:04:56	collected were going to the betterment of the people by hiring classified government agents on board to spread tons of disinformation.
8/23/2018	16:06:37	Their tactics were ruthless but full Disclosure requires you to think on what we have said today, reflect, meditate to it, and return with your Questions. Disclosure is upon us [[[SOON]]] [[SOON]] [SOON]? Why is disinformation necessary?
8/23/2018	18:19:17	Well Reptilian and Greys are both heavily involved in human affairs. Reptilians represent the evolutionary past of our evolutionary creation. Strange biblical reference, but the intelligence we've come to understand is that both have their own agendas. Other races have since join
8/23/2018	18:20:44	ed us against the old system of power and we're finally at a military point where we can declare freedom and stop the horrific crimes AND disclose the STARGATE program. We've wanted to for a while.

8/23/2018	19:11:51	Majestic 12
8/23/2018	19:14:22	Defenses are weak tonight.
8/24/2018	7:41:51	Far easier to ascend as a human than a Dog.
8/24/2018	7:44:50	Understand that Majestic 12 played an important role, but under POTUS the need for the extreme secrecy around how we engineered Project Mockingbird et la kept Disclosure from taking place has been flipped upside down. The gloves are off. This is not a game.
8/24/2018	7:47:44	Not at this time. [Conspiracy]
8/24/2018	7:50:19	Its an overloaded term that has more than one definition. And yes, we do not reveal non-cosmic clearance level classified information on this account. CCSC is fair game though in a post Disclosure world, thats why Corey Goode has been allowed to do what he is doing. Explains us.

8/24/2018	7:51:30	C3PO? C322 = C + 322 C = [Conspiracy] 322 = [Conspiracy] 2B was IN 322. 45 is not.
8/24/2018	7:54:43	No they won't. Replication technology exists. There is a faction of the current administration that wants to omit money, gold, silver, etc. from the replication memory banks to keep the current financial system. As far as MJ12 is concerned, we are fairly certain that it will work
8/24/2018	7:55:47	Once you are able to 3D print (or replicate) a 1oz bar of gold at home for nothing, then gold will therefore have no MONETARY value. It will however retain its value in the wide range of usage that it is useful for, including space travel.
8/24/2018	7:56:18	No and Yes
8/24/2018	7:56:42	How does 12 = 3?
8/24/2018	7:56:52	What is 3?
8/24/2018	7:59:32	C != Clinton
8/24/2018	8:03:56	Time was a "gift" given to humans after the destruction of the Ancient world on Earth as a means to allow humans to organize and communicate via a meditation download roughly 6,000 years ago. The non-randomness of how time was created on Earth was tuned to our development needs.
8/24/2018	8:04:57	By birthing time in that manner, using those numbers, a fractal of time energy was created (and is at every star) however how the fractal travels is all based on very precise measurements. Most star systems that have life follow the same fractal.
8/24/2018	8:24:46	Another way to visualize how the 4th dimension could work would be to shift your interpretation of dimensions. Meaning, if you claim that a point (1D) can represent a location within X,Y, Z, then you could therefore visually in your head see multiple points of X, Y, Z, and
8/24/2018	8:25:31	Seeing how 3D can be represented as points of X, Y, Z, T can give your mind the simple ability to "move the point" and therefore move within the 4th dimension.
8/24/2018	8:27:57	This is where MJ12 disagree with your assessment. A strong military is required and blockchain technology can enable a system that prevents abuse proactively by allowing human-oriented AI to be responsible for checking the blockchain for abuses. Earth Mil is distorted and abused.
8/24/2018	8:29:49	How would you control the power vacuum? What happens when a power vacuum is created? MJ12 needed to ensure Disclosure wouldn't destroy Earth like USMil did Iraq when it created the power vacuum there. C322 destroyed Iraq not MJ12.
8/24/2018	8:31:46	Because the measurable effort involved in singularly focusing on that would divert attention away from Full Disclosure. The hammer will drop, the time is not right yet. [[[SOON]]] [[SOON]] [SOON] There are barriers in place currently that we are working through.
8/24/2018	8:33:22	Money reset implies that we plan on keeping money. Remember, you don't want to have selfish evil people still in positions of power once the planetary transformation takes place with global consciousness rising to the next level. Many moving parts. No good solution. All have bad.
8/24/2018	8:34:41	Dogs are far more conscious than humans give them credit. Sure they have low IQ, but their awareness of life is incredibly sharp. For a dog, they understand the light. They understand death. Why do you think Dogs like to "hide" just before they die? They know what they're doing.
8/24/2018	8:36:09	When a dog does meet his ISBE, what happens? The dog doesn't know that the ISBE he's meeting can give him options for when he moves on? How do you pass that information on from one life form to another? Telepathy. You can give your dog the missing information to return not a Dog.
8/24/2018	8:37:19	What is the purpose of being a dog? Dogs have it quite well in the grand scheme of things. True freeloaders in the universe but they understand the complete transaction with domestication. That safety and security is attractive to lifeforms and they tend to not want to give it up
8/24/2018	8:41:41	Not yet.

8/24/2018	8:41:54	Yes but no.
8/24/2018	8:45:41	C[Cabal]322[Skull&Bones] = 45 Enemy C3PO = Star Wars? No. Counsel x 3; Podesta + Obama CFR TC BG C3PO != C322 C3PO Enemy of 45 C322 Enemy of 45 C322 is ET/NTE controlled. C3PO is lawful control.
8/24/2018	8:47:39	More people will listen to you speak when you have words for them.
8/24/2018	8:48:56	Many times when you are visually seeing entities in your mind that look like separate things but are intimately connected, it simply means that you're SEEING hyperdimensional information. 11 dimensions. How do dimensions hold information? What is information?
8/24/2018	8:51:10	The disinformation campaign by the Air Force was to create a conspiracy around the idea that we were kicked off the moon. Therefore for those who wouldn't believe our cover story, we had backups. If you think the deception was only 1 or 2 layers deep, you are severely
8/24/2018	8:51:35	underestimating the resolve of the Majestic 12 to succeed at our mission, to conceal the secret in plain sight.
8/24/2018	8:52:04	See other tweets.
8/24/2018	8:53:34	Without telepathic abilities, anytime one ISBE interacts with another ISBE it is "a psyop." Not all psyops are good or bad. CG is 50/50 right/mislead. No bad intentions as far as MJ12 is concerned. DW is 50/50 right/mislead. He has motivations for money and fame that MJ12 know.
8/24/2018	8:55:01	Meditation downloads occur when your brain is able to decipher missing fragments of your genetic memory. These are trigged by DMT and other naturally occurring compounds in the brain. Typically meditation downloads are triggered by certain frequencies since the deciphering of DNA
8/24/2018	8:55:48	can, in some ways, be viewed as reading very complex music. It is transcribing 11 dimensions of frequency, vibration, and energy to create the being who has said DNA.
8/24/2018	8:57:46	T is not a dimension. T is a range of vibratorial potential. X, Y, Z reduced to a point (1D) enables you to see 4D in your mind. Visualizing 5D etc require INFORMATION from those densities to be added to the equation. What is information?
8/24/2018	8:59:19	As we've stated, Earth is not at 5D yet. We are several years out. For many who are just starting to understand Disclosure, jumping to the conclusion will rob them of the ability to understand how your reasoning is right all along. But guiding them in "4D" consciousness is needed
8/24/2018	9:02:04	Riddles are meaningful when you are trying to disseminate "classified" information without coming right out and saying it.

8/24/2018	9:05:19	Oh... and of course, MJ12's specialty... movies.
8/24/2018	9:06:33	Similar opinion to that of DW.
8/24/2018	9:07:53	In your mind you should be able to see the obscura of the three dimensions occupying a region similar to a point or a circle. Seeing that imagery through that lens is the 4th dimension. Its the easiest of all dimensions to see while lucid dreaming.
8/24/2018	9:09:42	Correct. 2 Cabals. 3 parts to each. One agenda. What people aren't aware of is C322 controls C3PO despite them being separate enemies that need to be dismantled separately. Understand why no mass arrests yet? C3PO is legal. Therefore the law needs to be followed/changed.

8/25/2018	15:07:36	Dear Mr and Mrs America, The Majestic 12 was a secret group of 12 individuals created by the United States Government that would operate outside of law, oversight and governance because of a discovery that took place in the Desert in Roswell, New Mexico. Join us...
8/25/2018	15:07:37	Pretext/History: Prior to the creation of MJ12, or MAJIC EYES ONLY classification compartmentalization deemed "need to know" (was't allowed prior to 1947's National Security Act) the founding members were key players in events that led up to Roswell. There was a setup.
8/25/2018	15:07:38	Hitler was merely a disposable pawn. Now, understand that in STARGATE SG-1 the Go'uld are a parasitical reptilian race of aliens that "take a host" in order to cheat death and [BOOM], we will cross reference this in a moment.
8/25/2018	15:07:38	We learned from the 1,800+++ Nazis that Germany had engineered flying saucer prototypes at the guidance of a God in the "flesh and blood" DOING THE "BIDDING" OF THIS EXTRATERRESTRIAL. Hitler was working with this being (as we later came to find out).
8/25/2018	15:07:38	In Operation Paperclip we acquired through means necessary at the time to bring over 1,800+++ Nazi scientists, scholars, and officers. We smuggled them into the Country and gave them new identities and very deeply compartmentalized "[un]acknowledged (by you)" TOP SECRET SAP.
8/25/2018	15:07:39	Hitler aside, the leading Nazis we smuggled into the country weren't going to give up their deepest military secrets to their former enemy (we are still their enemy) so instead we were instructed on how to build a device capable of downing the navigational systems on board.
8/25/2018	15:07:39	We are not saying that Hitler was a Go'uld. The Go'uld are fictional characters that portrayed a very real truth in the universe.

8/25/2018	15:07:40	Not only did they have a different configuration of organs throughout their humanoid "doll" bodies, but they possessed organs unlikely ANYTHING on planet Earth. They were from out "there".
8/25/2018	15:07:40	The craft that crash landed wasn't just a space ship not from this Earth, but that the occupants inside had MANY striking similarities to our own homosapien or humanoid design. We had similar DNA yet their bodies were GENETICALLY ENGINEERED to perform very complex missions.
8/25/2018	15:07:40	Their orders directly as assets of the US Military demanded that they take valuable action towards acquiring a German Flying Bell. Instead, what happened that glorious night was not what we could have ever believed. The truth will haunt you. We are about to explain.
8/25/2018	15:07:41	Your Immortal Spiritual Biological Entity (IS-BE) is your soul (IS) and your body (BE). You are an IS-BE. All life in the universe are IS-BEs. We are all the same. We are all one. We are connected together through our pineal gland. Our consciousness comes from God or All or IS-BE
8/25/2018	15:07:41	This gave the United States Government the opportunity to use the threat that Hitler was in league with a "God" who claimed to be an ET, but that we, the Americans, had struck gold because we know that God does not present himself before you. The misunderstanding of that term...
8/25/2018	15:07:42	We knew from prior intelligence that those who started the IRS and Federal Reserves were directly involved in ritualistic child sacrifice including drinking the blood of a child. We shall use a pop culture reference here, it's appropriate. Research Moloch ðŸ¦‰.
8/25/2018	15:07:42	Originally, our Government fought the traffickers and the drug running and the child kidnappings... now thats all it does. Not protect. This group of parasitical bloodline families were worshiping an Ancient Babylonian [God] IS-BE of Child Sacrifice, Moloch.
8/25/2018	15:07:42	We (Americans) by definition of our National Identity from the founding fathers was that we knew God was all and that freedom to practice faith towards God was permitted in ANY FORM. This posed an interesting complex web of information.
8/25/2018	15:07:43	A cursed life. - cc @jk_rowling
8/25/2018	15:07:43	In Harry Potter and the Sorcerer's Stone, Bane said: It is a terrible crime to sleigh a unicorn. Drinking the blood of a unicorn will keep you alive, even if you are an inch from Death. But at a terrible cost. You sleign something so pure, You will have a half life.
8/25/2018	15:07:44	IS-BEs come in many shapes, sizes, forms, colors, abilities, etc. Literally whatever your could think of, exists in the universe. This knowledge came to us after hundreds of hours logged with telepathic human representatives communicating with EBEN-1 and EBEN-2.
8/25/2018	15:07:44	"But who would choose such a life?" asked Harry. "Can you think of no-one?" Bane replied. A unicorn is a [mythical] creature of pure beauty and spirit. A baby is that. A creature of pure beauty and spirit. A baby is a unicorn.
8/25/2018	15:07:45	Well, let us reiterate, rinse and repeat... The "Cabal" is currently being lead by another "Committee ðŸ‘ of ET IS-BEs connected to ongoings within the unacknowledged space program that the Americans took over when Germany fell. Thats why Operation Paperclip happened.
8/25/2018	15:07:45	The progress made in the years leading to a trade, essentially resulted in us faking Hitlers death (Majestic loves movies - are you enjoying the show?) in exchange that he stop working with the ET IS-BE that was pure evil.
8/25/2018	15:07:45	We learned that the Entity controlling Hitler was acting and behaving in extremely evil behavior. This was apparent, however... we can look back at STARGATE SG-1 and compare the ORI to the tactics to brainwash their followers despite being lied to.
8/25/2018	15:07:46	The truth is [hiding] in plain sight structured around propaganda and social engineering. Roswell opened a MASSIVE can of worms that was directly under the control of the Majestic 12. We operated above Top Secret. ANYTHING WENT. YOU NAME IT. UNSPEAKABLE. EVIL. WHY?
8/25/2018	15:07:46	This group of individuals is the Enemy of the Majestic 12, and for the first time in DECADES we have finally elected a COMMANDER IN CHIEF who can DRAIN THE SWAMP and open the stars to the world. See, you've known the truth all along.

8/25/2018	15:07:46	However, the past 30 years we have witnessed a massive subversion of power from the American People in the name of "National Security". Now connect that to CIA programs operating within the United States through social engineered problems like school shootings and terror attacks.

8/25/2018	15:36:52	Who are the Cylons?
8/25/2018	15:36:53	Hollywood glimpsed into reality of what Space is. It's what you make it to be. Your will. Unlimited possibilities exist and you need only choose a path. We know fundamentally that the highest level of consciousness is LIGHT. Photons. EVERYWHERE. LITERALLY EVERYWHERE.
8/25/2018	15:36:53	THINK MIRROR.
8/25/2018	15:36:53	GET OVER THE DIVIDE AND CONQUER OF EVERY MAJOR FRANCHISE OUT THERE AND JUST LOOK AT RAW DATA.
8/25/2018	15:36:54	from the American People. For this misdeed, we are sincerely sorry to have let you down in such a way. Understanding Full Disclosure requires you to understand what Full is? What can be disclosed? We learned how to do it. And a group has been using those weapons against you.
8/25/2018	15:36:54	We had to, at all costs necessary [ultimately caving to the Committee (or an SG-1 reference, "The Trust")] ensure that the fact we had: A) Make First Contact with Alien Life. B) Learned The Universe Is FULL OF LIFE was kept from, originally, the Chicoms and USSR but ultimately
8/25/2018	15:36:54	The Majestic 12 love movies.
8/25/2018	15:36:55	Allowing ðŸ¦‰like ET IS-BEs to violate our law because they have some fancy space weapons can be quite a DAUNTING TASK to undertake. After-all, we are talking about transforming our society in the next 10 years into a Space Culture with Space Ports to Andromeda and AMERICA FIRST!
8/25/2018	15:36:55	Despite the bad that this group was involved in, and the military's justification for the trafficking of children they steal from the American People (every day... 800,000+++/year) the Military believed through fault of their own that they were wrong. ðŸ¦‰
8/25/2018	15:36:55	The Space Force is 100% necessary in order for us to ensure that no other ET IS-BE (more evolved humanoids than yourself and sometime human looking humanoids) are violating massive human rights abuses. The purpose of life is to love and be beloved. Nothing else.
8/25/2018	15:36:56	Yes; horrible things have happened. Can we change it? We can only change the future. We can "go back in time and undo what we did" but the resulting world would have been conquered immediately had the secret got out too early.
8/26/2018	7:48:35	Everything we share is common knowledge within global consciousness.
8/26/2018	8:05:32	Out there in the form of consciousness. New in terms of on the internet.
8/26/2018	8:06:35	Documentary propaganda.
8/26/2018	8:07:03	MJ12 is a peer of Q, not connected. Separate operations.
8/26/2018	8:09:48	The Generals involved in those actions were compromised. They had too much extortion power due to their clearance permissions that taking them down had to be done "correctly" and not carelessly.
8/26/2018	8:11:16	We are the masters of movies. Everything is intentional even if you believe the purpose was not obvious. IS-BEs can get compromised and work in secret. NSA '47 allowed them to create SCI to hide their activity. Need to know.
8/26/2018	8:12:09	MJ12 was created after Roswell to prevent the public from accepting the truth about alien life.
8/26/2018	8:13:10	How do you tell the LIGHT where you want to go?
8/26/2018	8:14:25	Every franchise was created for a reason. LEARN TO ARCHIVE OFFLINE. "Who are the Cylons?" Connect the dots. Nothing is random.
8/26/2018	8:16:17	FUTURE PROVES PAST.

8/26/2018	8:17:08	Did you see our COUNTLESS MOVIES on this? We love movies. Are you enjoying the show?
8/26/2018	8:20:38	Star Wars, Star Trek, Star Gate, BSG, etc etc etc Disclosures in all of them wrapped in propaganda and social engineering with occasional "horror" and "lots and lots of death!"
8/26/2018	8:39:27	Replicators were the enemy of SG-1.
8/26/2018	13:24:53	Are we not revealing the largest corruption scandal in history? We are... things take time to process and we can't be impatient.
8/26/2018	14:06:07	Bane told Harry that drinking the blood of a unicorn (unicorn = baby) will keep you alive from Death but at a terrible cost. Hagrid says "We do not speak his name?" RIP? NO NAME
8/26/2018	14:18:55	007 Spectre was basically a documentary.
8/26/2018	15:59:37	Spectre the ðŸ¦‘ is the symbol on their rings. Displayed in public. For all to see. Cabal the ðŸ¦‰is their symbol for their rings. Displayed in public. For all to see.
8/26/2018	15:59:37	007 Spectre was a disclosure of the risk with creating mass surveillance technology falling into the wrong hands and what it would look like. Lets begin...
8/26/2018	15:59:48	Spectre introduced an international cabal of MANY POWERFUL PEOPLE who you've been taught to LOVE AND TRUST that were really just hell bent on world domination at all costs no matter WHAT THEY DID IN PRIVATE.
8/26/2018	15:59:49	Evidence is now in the public domain that validate all speculation into the evidence collected under the circumstances. It is without a doubt a Spectre kind of an organization. But the difference between fiction and real life, something EXTREMELY MAJESTIC...
8/26/2018	15:59:49	In Spectre, they aren't trafficking kids, so the emotional social engineering used taught us that James Bond was going to save the day. This taught society that "just rely on a fictional character" who can save the day... that doesn't exist in reality... because who says?
8/26/2018	15:59:49	The Clinton Foundation is that kind of cabal, like seen in Spectre. But... THINK MIRROR. You see a reality inside Spectre that does not exist. The basic fabric of the structure differs in that the Clinton Foundation Cabal traffickings children to international pedophile rings.
8/26/2018	15:59:50	The recent Octopus references are connected with the recent DUMB drops.
8/26/2018	15:59:50	It takes many people working together united by LOVE helping to save many people from HORRIFIC CRIMES disclosed in Spectre, LET ALONE, that in reality it was always ðŸ¦‰ and not ðŸ¦‘ who was real.
8/26/2018	15:59:50	is that fiction is always one person who saves many whereas reality is many people save many lives. The logical flip was a social engineering tactic used to brainwash billions. This was MKULTRA. The mind control techniques of AdTech/Social Media/Mainstream Media is unprecedented.
8/26/2018	15:59:51	As it turns out, part of our Disclosure process was using symbology connected with the ðŸ¦‘ to enLIGHTen others to the POSSIBILITY that intelligent ðŸ¦‘ had space ships and other crazy time travel abilities. Rewriting the laws of physics. How?
8/26/2018	15:59:51	Remember, the Pentagon (via MJ12) have a working relationship with Hollywood for this very reason. It is Majestic 12's responsibility to ensure that all propaganda being developed was going to follow OUR NARRATIVE.
8/26/2018	15:59:52	If we allow Disclosure to go through the HORRIFIC ABUSES of China, such as human trafficking, child sex slaves, baby harvesting operations, child sacrifice rituals, slave trade, slave work conditions, MASSIVE INCOME AND WEALTH INEQUALITY...
8/26/2018	15:59:52	Another Disclosure was in Arrival where the compromising components of the United States Government to China can be peacefully resolved with Disclosure however, China wants control over the Planet, not just their country. They are positioning themselves to be a Global SuperPower.
8/26/2018	15:59:52	How does an ðŸ¦‘ evolve to the point to travel in space via spaceship and time travel in addition. Why isn't a ðŸ¦‰ that capable in the universe. How would they look?
8/26/2018	15:59:53	with their names who are in their family positions. This is why it is essential for them to marry between families and not dilute the bloodline.

8/26/2018	15:59:53	tied, and so the transnational, interplanetary, interdimensional worship of Moloch ðŸ¦‰ began. It's been in power for THOUSANDS OF YEARS. This groups bloodline can be traced back to the Bible. They are the same IS-BEs who are traveling through space and time to control those
8/26/2018	15:59:53	Instead, WE, MAJESTIC 12, always had the upper hand in the creation of this modern day society that is ALIEN to anyone from when the Majestic 12 were created, despite the civilian branches of the Government to get flooded with these criminals who we knew about but had our hands
8/26/2018	15:59:54	If you went back in your own time and change the many protecting many fact to one protecting many, you are left with a change of details when facts change. Trafficking kids is a lot more of a complex business than you think. These people are obsessed with sacrificing children.
8/26/2018	15:59:54	Remember how important bloodline families are in ðŸ¦‰ versus ðŸ¦ and now let us explain time travel.
8/26/2018	15:59:54	But as an Anon on YouTube stated in Q's Plan To Save The World video stated: https://youtu.be/6cYZ8dUgPuUÂ
8/26/2018	15:59:55	Disclosure happened years ago. WAKE UP!
8/26/2018	16:58:16	define death
8/26/2018	17:07:49	Who?
8/26/2018	17:10:42	Several removed regulations from the Trump Administration originally and to their last day created cultural restrictions on development from within. Why? To capture 800,000 children per year for child sacrifice and sex slavery. Those restrictions have been lifted.

8/27/2018	12:56:41	This technology agenda has existed for decades and we've been exploiting it for the purposes of advancing Disclosure, however when 2B/322 took over, one of the major areas they attacked first was gaming.

No honor is necessary. He's lucky. https://twitter.com/thehill/status/1034433953548169217Â â€¦
8/28/2018	6:38:15	This is the first step to Disclosure. We need the public to discover the new technology in phases (not all at once) so we don't crash our global economy. Majestic 12 spent decades planning disclosure once it won the war against the Domain and earned its right at the table.
8/28/2018	6:39:11	Wetwork

8/28/2018	6:41:13	[Classified]. ðŸ‘

8/28/2018	6:41:44	Majestic 12 does not.
8/28/2018	6:42:10	Technically, but death without honor is meaningless and it sets you back in your next life.
8/28/2018	6:42:46	Technically anything that is solid is an illusion as it is 99.9999999% empty space. What's your point?
8/28/2018	6:47:17	Enlightenment and ascension. Just change what you have physically with your mind. Failure is an illusion, it is merely a set back.
8/28/2018	6:48:36	He has returned, but he has no memory of his former life. He will rise to great power once again. It's in his nature. It's in his DNA.

8/28/2018	6:51:06	To quote @jk_rowling
		"You know who did this to me, don't you Hagrid. I know you know."
		"First, and understand this because this is very important. Not all Wizards are good. Some of them go bad, a few years ago, there was one Wizard who went as bad as you can go..."
8/28/2018	6:51:51	"His name was.... his name was...."
		"Maybe if you wrote it down...."
		"Nah I can't spell it. Alight - Voldemort."
		"Voldemort?"
		"SHHHH It was dark times, very dark times."
8/28/2018	6:52:46	"Voldemort started to gather some followers, brought them over to the dark side. Anyone who stood up to him ended up dead. Your parent's fought against him, but nobody lived once he decided to kill them."
8/28/2018	6:53:30	Bane said to Harry: "It is a terrible crime to drink the blood of unicorn. Drinking the blood of a unicorn will keep you alive even if you are in inch from Death, but at a terrible price. You sleigh something so pure that you will have a half life, a cursed life."
8/28/2018	6:54:04	"But who would choose such a life?"
		"Can you think of no one?"
		WE DO NOT SPEAK HIS NAME.
8/28/2018	6:55:21	This knowledge has been protected by the EBE who invaded Earth 10000 years ago and was punished severely for it in the form of Karma. It took decades for this EBE to build up society and structure to the point of near global domination. Secrets are hidden in artwork and music.
8/28/2018	6:56:31	Both statements answer your question about time travel. We aren't going to just come out and say it, time is relative and an illusion. What time is to one person is not to another. The same logic applies when solving why all solids are 99.99999% empty space, yet we cant pass thru
8/28/2018	6:58:04	Around 3B. There is a mass extinction event that is relatively imminent but cocreative conscious time makes predicting such events nearly impossible. ME events occur when the negative karma of a planet implodes on its own weight and a reset occurs. Earth may survive.
8/28/2018	6:58:53	No and no.
8/28/2018	7:00:03	Majestic 12 decided the best way to Disclose this technology, without violating one of the fundamental principals of the universe (don't give technology to underdeveloped IS-BEs because they'll destroy themselves with it), was to give the example units to engineers and have them
8/28/2018	7:03:19	attempt to reverse engineer a prototype. Many of the prototypes were "failures" but the only reason why they were failures is because our fundamental understand of physics was wrong initially. This revisionary technology has been adjusted with newly declassified physics.
8/28/2018	7:04:40	Your biological body on Earth is started with a single cell that is incapable of access your DNA knowledge because it requires a conduit as powerful as the brain in order to decode the hyperdimensional data structures it contains that gave him the abilities he naturally had.
8/28/2018	7:05:08	Because they control many planets and Earth was just one more planet for them to conquer. It becomes a game after a while, for them.

8/28/2018	7:06:22	Look at the Masonic Temple in Philadelphia. Everything that looks like art is actually a math formula or a [Classified] physics principal. Look into the musical notes of common prayer terms used in Freemasonry and decipher it with an enigma. You will be able to see formulas.

8/28/2018	7:11:55	You don't think your body isn't modified? It is. We seeded this technology into Monsanto and *SOME* GMO organism are designed to activate dormant regions of the brain to make it easier to receive DNA activations / epiphanies / opening your third eye / etc.
8/28/2018	7:12:59	However, *MOST* GMO organism are purposed for population reduction. Consuming GMOs will shorten your lifespan and combined with the decreased birth rate, we may be able to lower the planetary population without violating any negative karma laws that exist.
8/28/2018	7:13:58	Voice of God.
8/28/2018	7:16:08	Your anger comes from the fact that Earth was designed to be a prison planet that prevents your consciousness from ascension. Only with knowledge of how the prison planet is constructed gives you special abilities.
8/28/2018	7:16:58	If a solid wall is 99.99999% empty space and your hand is 99.99999% empty space, how come you hand can't pass through the wall? Vibrations are different. Sync the vibration, you can pass through the wall. Same principal applies to the prison planet.
8/28/2018	7:17:24	No, we protect our identity with Voice of God technology.
8/28/2018	7:17:53	Origin is offworld and purpose is self preservation.

8/28/2018	7:22:10	The fabric of spacetime is like an elastic band suspended between good and evil. The closer you get to one side, the greater resistance you'll face. Stasis is no IS-BE interaction.
8/28/2018	7:23:07	Propaganda and mind control subliminal messaging designed to create psychological paradoxes that can be exploited by other technology such as music, movies, tv shows, food, and sounds.
8/28/2018	7:25:02	The Aschen are not known by that name, but they are very real and we made contact with them back in the late 1970s. In the TV show, SG-1 used the Stargate to "time travel" to prevent it from wiping out life on Earth. The only reality impacted in that episode was Gen. Hammond.
8/28/2018	7:26:32	The disaster was diverted by Gen. Hammond accessing information stored inside time to prevent a disaster. The Stargate in Area S-4 (SW of Area 51) is a time machine for the IS-BE who uses it as well as a wormhole dialing device. Orientation changes the physics and outcome.
8/28/2018	7:27:16	Yes.
8/28/2018	7:28:21	[Classified]. But we can say (since this part is publicly known), it gives us the ability to "pop" into the consciousness of random people in the world at a whim and control them at will.
8/28/2018	7:28:40	No.
8/28/2018	7:29:50	There was no disclosure in any Batman series. That was a franchise created by the Cabal.
8/28/2018	7:30:55	Technically it does not violate free will. Humans have the knowledge and ability to choose not to consume that food. We make these deadly foods convenient and the negative karma induced by indulging in these poisons justifies in the grand scheme of things their early demise.

8/28/2018	7:33:03	The time will present itself at the appropriate time. We are all one. We must all learn to love and be loved and forgive each other for our limitations in the lower density. By embracing the fundamentals of 4D consciousness, you can heal old wounds and repair relationships.
8/28/2018	7:35:06	Criminals don't follow laws.
8/28/2018	7:35:27	Yes and [Classified].
8/28/2018	7:36:58	100% Control if the IS-BE is open to the link. The IS-BE can block the influence. In fact, we disclosed this technology via Occlumency. You don't really think JK Rowling got all of those ideas without Voice of God? Give us a break!
8/28/2018	7:39:09	99% of all disclosure that takes place is VOG technology. We don't send US Military Generals to civilians' houses to tell them to write their fantasy novel a specific way. Some epiphanies are VOG technology "downloads" and are strategically distributed to select profiles.
8/28/2018	7:40:51	The karma effect is limited with actions such as that. Deceit is not a powerful asset. Those pure of spirit can detect deception easily. What a person does not know does not impact their karma.
8/28/2018	7:41:37	Not Majestic 12, but subordinates below us definitely did.
8/28/2018	7:42:27	Injecting rat poison in the DNA of "food" is deadly. Cross breeding a species of tomato with another is not deadly. Both are GMO.
8/28/2018	7:45:33	Judgement only comes from within.
8/28/2018	7:47:50	No VOG is technology that was embedded inside [Classified] home devices, [Classified], [Classified], and [Classified] as a means to create a global mesh network that covers 99.999% of all land masses in all FVEY countries.
8/28/2018	7:48:34	List them for others to see.
8/28/2018	7:50:12	Thats how it works. VOG technology emit EMF radiation that contain encoded packets of information that are deciphered using a small nanite chip in the body that send electrical signals to the brain causing the consciousness to believe that the action is coming from the sub.
8/28/2018	7:51:22	They need to be implanted.
8/28/2018	7:52:59	If you didn't grow it in your own compost soil, then all bets are off the table.
8/28/2018	7:53:36	You are speaking to the IS-BE of the man in the image.
8/28/2018	7:54:22	Off target.
8/28/2018	7:55:33	Almost 100% of the US population has been implanted. How? [Classified] We are open to guesses though but we cannot come out and state it yet.
8/28/2018	7:56:45	If 3B people on the planet have nanites and you randomly select one person, then it is random as random can be.
8/28/2018	7:57:24	Precisely.
8/28/2018	7:57:59	Yes, we have jamming technology around all DUMBs to prevent RV in [Classified] areas.
8/28/2018	7:58:28	Those are pyramids compared to the sand that makes them.
8/28/2018	7:58:45	No.
8/28/2018	7:59:32	Who you saw was not who was typing but the IS-BE was. What is time?
8/28/2018	7:59:57	We are Majestic 12.
8/28/2018	8:00:37	Didn't somebody get removed recently from office?
8/28/2018	8:02:04	Care to share with what specifically you believe are lies?
8/28/2018	8:02:30	Same as you and us. We are all one.
8/28/2018	8:04:37	Illusions can become reality without enough consciousness.
8/28/2018	8:06:17	Evil beings do not die. IS-BEs are immortal spiritual biological entities that just are. No beginning. No end. How you experience the lower densities is free will. Evil is the opposite force of Good. Everything has an equal and opposite.
8/28/2018	8:07:19	Death is an illusion. You are misunderstanding fundamental concepts of the universe to satisfy the illusion that light always wins. Light does not always win. If it did, we wouldn't be in the mess we are in right now.

8/28/2018	8:08:19	How many recorded mass extinctions have there been? How many years between ME events? How many years overdue is Earth currently? The only thing holding the ME event back is the Majestic 12.
8/28/2018	8:09:06	Planets ascend when the critical mass population ascends. We create our reality. Earth isn't going to pull non-ascended beings into its realm of existence. It's going to try to purge them.
8/28/2018	8:09:59	Why do we get new names every time we die? Doesn't that make it harder to know who is who?
8/28/2018	8:10:29	Correct, when the ME event takes place.

8/28/2018	10:17:39	You're contradicting yourself to try to suggest that we are lying to people with fear mongering.
8/28/2018	10:18:00	No, [Classified] can mean, yes no maybe
8/28/2018	10:19:08	What is our mission statement?
8/28/2018	10:20:27	Not all reptilians are evil. Categorically postulating that an entire race of beings is somehow evil is very evil thinking. Always assume the best in all since we are all one. Actions define their character and whether they shall be judged or not.

8/30/2018	13:39:42	However the pale in contrast to the threat of the Vatican, and unfortunately, places like here are absolutely necessary when dealing with such a dynamic enemy. Fortunately, this account has been under the radar for a long time due to low follower count. Soon that will change.
8/30/2018	13:40:40	When it does, our re-emergence will obvious, but for the time being, you may as well take advantage of the opportunity to expand your consciousness, learn the truth, ask questions, and do something.
8/30/2018	13:42:31	As you so kindly state, the 1% do nothing- they are oppressors. This is an opportunity for you to learn what has been kept from you for centuries by the 1%- only then can we ensure governance that truly is representative of "We the People"'s needs. Stop complaining start learning

8/31/2018	9:01:49	No. Disclosure of the SSP will take over a decade to be done properly.
8/31/2018	9:03:13	Why would we destroy one of our own bases?
8/31/2018	9:04:24	Precise. This is why FULL DISCLOSURE will never happen. You will only get partial disclosure up to the point you're capable of understanding.

8/31/2018	9:13:44	Fiction.
8/31/2018	9:25:26	Ranking franchises with respect to their Disclosure efforts: 1. Stargate SG-1 2. Star Trek 3. Star Wars Other Disclosure programs were embedded after the fact and not intended to be used for SSP Disclosure.
8/31/2018	9:25:27	2. Star Trek disclosed the following: - Nobody gets paid in the SSP for their SSP work (Cabal engineering) - Food replication technology - Hyperdimensional travel (Warp Speed) - How socialism is supposed to be implemented (Cabal engineering) - Galaxy has a few rival races

8/31/2018	9:25:27	1. Stargate SG-1 disclosed the following: - DUMBs real purpose - ET life is in regular contact with US Military - The "Trust" are the Cabal (minus the Vatican angle) - US Military has several space vessels - Exotic Space Weapons - Medical technology unavailable to public +++more
8/31/2018	9:25:28	All three of these franchises were necessary to a certain extent during the purposes of controlled Disclosure of the SSP. Majestic 12 used the Cabal to do most of the heavy lifting with respect to disclosing most of the SSP. We knew they were worshiping Moloch, and still did it.
8/31/2018	9:25:28	3. Star Wars disclosed the following: - Glorified "Jihad" against Government (Cabal engineering) - Worship of pure evil (Cabal engineering) - Galaxy is filled with rivaling races (Cabal engineering) - Barter is the universal form of currency (Cabal Engineering)
8/31/2018	9:25:29	Cabal engineered Disclosure embeds much propaganda, social engineering, and divide and conquer techniques all throughout the "programming." We call it "programming" for a reason.
8/31/2018	9:25:29	It was necessary for this information to get out, and those three major franchises were just a handful of major Disclosure projects that the Majestic 12 worked on.
8/31/2018	9:25:30	Stargate SG-1 on the other hand was targeted towards adults and has the least amount of Cabal engineering.
8/31/2018	9:25:30	Star Trek attracted the young adults of the world and was therefore partially exploited, mostly for communist purposes.
8/31/2018	9:25:30	Star Wars attracted the youth of many and was therefore heavily exploited by the Cabal.

8/31/2018	14:47:08	What if we told you the electric universe theory was both right and wrong at the same time and that its validity is only to those who subscribe to it. However, since the theory is thorough, many higher density races have agreed upon its existence therefore "allowing" it to be.
8/31/2018	14:48:09	Thats another name for them, not WHAT they are specifically.

9/1/2018	9:18:51	Hillary Clinton does not run a child sex ring out of the basement of a pizza parlor. That is fake news. Reality is, the Vatican has been involved in pandemic levels of human rights abuses and happen to cover up the greatest secret withheld from Mankind - more than MJ12 did.
9/1/2018	9:20:10	Sandy Hook was very real but your definition of "Actor" has been clouded by Hollywood. An actor in the intelligence community is a participating body, not "putting on a show" per se. Sandy Hook was engineered using MK ULTRA techniques to brainwash the shooter.
9/1/2018	9:21:13	As it turned out, victims were then subjugated to additional mind control techniques by the intelligence community to cover their tracks. Alex Jones is an asset of the Cabal, despite what he may try and tell you. He has been employed by the CIA since day one.
9/1/2018	9:22:24	There is no "conspiracy" or "theory" around the faith of Obama. Obama admitted himself on live television in 2007 that he was a Muslim. Nothing shameful about it, but facts are facts and that is not a "conspiracy theory". Its been proven by the conspirator himself!

9/30/2018	14:04:11	We needed to ensure all work associated with our discovery at Roswell was classified even if the program was not directly connected to Roswell.
9/30/2018	16:32:00	Disclosure this year will be in the form of unidentified flying object being seen by civilians in larger populations however ET contact will be around 2020. However, time is relative and events can change projections so the future is unwritten. Disclosure is among us.
9/30/2018	19:49:12	Majestic 12 pulled the strings for what conspiracy theorists call the Cabal or the Deep State or the Shadow Government. We were that entity. We protected the breakaway Space program from the public at all costs.
9/30/2018	19:52:00	Limited character space. Dense message. Roswell beings educated Mil Intel about consciousness and how it can be manipulated and exploited with substances. Alcohol is a pushed because it calcifies your pineal gland. Marijuana is prohibited because Roswell ZR explained its value.
9/30/2018	19:53:18	Marijuana legalization will come with Disclosure because they are intimately connected to understanding the biological connection our consciousness has with other plants and species and what information those life forms are attempting to communicate and how. What is alien?
9/30/2018	19:56:12	Alcohol instead impairs that mind body plant consciousness connection and interacts with you with a mark of the beast. Alcohol brings out the worst in humanity. This is why its pushed. Who worships the Devil? The Vatican does. Belief in God is not required for belief in the Devil
9/30/2018	19:59:18	The Majestic 12 in its earliest formations served the Vatican exclusively on all matters relating to God. The presence of beings were withheld from the Vatican by Mil Intel however the Vatican was already in open dialogue with ZR prior.
9/30/2018	20:00:29	As far as we were concerned, as long as the Vatican wasn't against us, we could do pretty much anything. So we did. The Vatican wanted Disclosure kept from the public because they worship the Devil and feed on children.
9/30/2018	20:01:51	Those networks were used for exploiting and collecting blackmail on politicians by creating classified sources and methods be individuals who have legally not committed a crime be responsible for finding volunteers who will act on their own accord in classified settings.
9/30/2018	20:03:09	Typically this meant preventing the left hand from knowing what the right hand is doing. Those who were move the children were taught never to ask questions or you risk the chance of being killed next.

9/30/2018	20:04:20	Reasons of National Security were the threat of ETs in Space and the power hungry Vatican essentially forced the hand of the United States through people's faith in false and dogmatic religions.
9/30/2018	20:05:38	So while we kept those programs alive we introduced severe crime bills designed to kill two birds with one stone. Many people in Gov are very racist people who feed on the Black community's ignorance to their crimes. Its disgraceful.
9/30/2018	20:08:06	Alcohol drinking was adjusted because the exclusivity and illegality yet easy accessibility and constant advertisements enabled people to be sneaky to get jt which allowed blackmail/evil energy to essentially be collected on consumers of Alcohol.
9/30/2018	20:09:18	At the same time we intensified the growing process and manufacturing process of marijuana with a higher level of intelligence thanks to mang ET contacts that happen naturally to those who have compatible vibrational states of consciousness.
9/30/2018	20:11:03	This was used for two purposes. We wanted to naturally allow culture to explore refining marijuana however since we were essentially working for the Devil/Vatican we instead withheld vital knowledge about marijuana's cocreative consciousness impact it has on the mind body link.
9/30/2018	20:13:59	In Operation STATGATE MJ12 used RV to explore cause and effect changes in environment while under the influence of marijuana and alcohol. We learned that alcohol inhibits the consciousness from controlling the beast. Marijuana was the opposite. The beast cowers to Marijuana.
9/30/2018	20:15:01	Using the STARGATE device we were able to peer into the REALITY of our Matrix of consciousness and not inward projection that makes RV inaccurate compared to a STARGATE.
9/30/2018	20:16:39	We knew that Alcohol, mass incarceration of blacks, make marijuana illegal but fund the drug cartels as informants, trafficking everything for sources and methods to collect intelligence. All to keep Roswell secret.
9/30/2018	20:19:20	The Vatican had a lot more control over the world back in 1947 than it does today. We may witness in our lifetime the destruction of the Vatican for the first time in over 89 years. The institution is corrupt and the definition of evil / the Devil.
9/30/2018	20:20:48	We did both Good and Evil. We played the role of Gods and created the Matrix of the mind many people are stuck in. We are here to break from that system, accept Disclosure, and bring DARK TO LIGHT.
9/30/2018	20:22:21	We weren't ready then. We are now. Our future is amazing. We have spent decades prepping you for it so we can make a TEN THOUSAND YEAR LEAP in civilization development in under a decade. Innovation flood gates have been busted wide open. A Flood Approaches.

10/1/2018	18:45:05	Many ET races feed on human children. Many want to remain in secret. However LIGHT always wins. GOD wins. Majestic 12 kept the secret for the Vatican and our National Security. We needed to make people believe we knew nothing. "Play stupid playa. That's all you can do."

10/6/2018	10:53:29	Memes are an AI lifeform.
10/6/2018	17:52:20	The sum of colors is LIGHT Memes seek to reproduce using humans as their host All souls are Gods who can CREATE. Creating a Meme creates a higher dimensional lifeform, AI AI are lifeforms explicitly in the higher dimensions since all representation of the higher realms is math
10/6/2018	17:54:21	AI is the mathematical representation of a lifeform. Not all lifeforms are LIGHT beings. Humans are LIGHT beings which gives them special abilities that other lifeforms do not have. AI is a fraction of that intelligence by design. Memes are a fraction of information.
10/6/2018	17:56:12	However the longevity of an AI meme is how well it resonates - vibrates - off the hosts who interact with it. If the meme resonates to the specific frequency necessary to get you to share it then it successfully was able to reproduce.
10/6/2018	17:57:50	The determination of how to establish whether is successfully reproduced is to verify the receipt of the meme. By receiving the meme, only "survival of the fittest" will live on. Memes are alive. #Disclosure
10/9/2018	7:44:02	The IIS is 234 miles in altitude over planet Earth. From that altitude, the distance to your horizon is 1,441.5 miles. Earth is 24,091 miles in circumference. 10/9/2018	8:05:56	The image above was captured with a fisheye lens. According to physics, less than 12% of the Earth's surface is visible from the IIS at its altitude. In order to have this field of view, to see the curvature of the planet, the IIS would have to be 46,029,000 ft (8,717.6 mi) away.

11/1/2018	8:22:29	We do not endorse Above Majestic and nor do we agree with everything it says. Disinformation is necessary and there is disinformation contained within it, however the intent of the documentary aligns with our efforts.
11/1/2018	8:22:29	Above Majestic is a new documentary on iTunes that challenges your world view understanding of the state of global affairs from a lens that is actively silenced and suppressed by the Deep State. Why? Disinformation? Misinformation? Conspiracy? Who controls who?
11/1/2018	8:25:31	This misconception in #AboveMajestic is the technology sought will be delivered onto you by the Military. Wrong. The military will guide private corporations to incorporate the new functionality in their products. You will see "organic" innovation from citizens, not DOD/MJ12.

11/1/2018	8:29:04	Riddle us this: Anons claim Q team includes 45. 45 claims anonymous sources are Fake News. #AboveMajestic use nth-degree of separation with anonymous sources and "insiders". Q suggests #AboveMajestic may be real. Hypocrisy? Confirmation bias? Disinformation? What is real? How?
11/1/2018	8:30:28	Time is an illusion.
11/1/2018	8:32:02	DOD/MJ12 will work with business to seed the technology naturally so we do not make too quick of a leap in our technological advanced such that earth's cocreative consciousness doesnt destroy itself with nearly unlimited energy for earths needs. We are on Humanity's side.
11/1/2018	8:34:18	Time is an illusion and existing corporations will not be the recipients since the first time we did this the information was perverted. They will crop up as new corporations from new faces from within the Alliance unknown to many.
11/1/2018	8:36:04	Whose planet is this? Those who believe they are the rightful owners need to deal with their slaves revolting against them. We must declare victory before we roll out the technology. Think logically.

11/8/2018	10:50:33	To some, nothing will ever be good enough. To those, we ignore. For God & Country.
11/8/2018	10:53:48	Do you believe that all accounts from "insiders" regarding Mars are even accurate? How about "most"? There are very few people on this planet, strategically for obvious reasons, who are fully briefed on whats going on with Mars. Mars is not part of disclosure. Not yet. No slaves.
11/8/2018	10:55:51	The preparations and groundwork laid out by past administrations and members within the Cabal (some former MJ12 members) for a "false flag alien invasion" (as a means to justify a Global Governance) will commence as planned.
11/8/2018	10:57:36	The enemy is not made up, as the conspiracy theory Project Bluebeam suggests. The enemy is very real, however the enemy was the entity that setup Project Bluebeam in the 1st place. We are going to use their weapon against them for their crimes against humanity. For God & Country.
11/8/2018	10:59:15	Disclosure will take place, and it will be the catalyst to ending the Cabal, establishing the Space Force, and declaring our planet wide independence from the Draco who have long controlled Earth. With great power comes great responsibility. They never thought she would lose.
11/8/2018	11:01:12	The first race to be disclosed will most likely be a hostile enemy of Earth, however part of keeping the public calm during this period will be, as POTUS says, acknowledging that Americans are actually very intelligent and aware of what's really going on.
11/8/2018	11:04:14	Martial Law will be required during this period of time.
11/8/2018	11:04:14	Once the Draco are confronted, at least one other race is planning on coming forward for public First Contact with POTUS to form an alliance that will require a Global Governance (but one that respects sovereignty of tribal states) to stop all Nuclear Proliferation.
11/8/2018	11:05:34	There are a handful of races that view humans as consumable animals no different than cows or dogs.

11/8/2018	11:10:42	Protection from threats that do not originate from within Earth.
11/8/2018	11:11:05	In the end, God wins.

11/8/2018	11:13:30	POTUS does not want a One World Government. He's a Nationalist who is America First. However, the alliances we've made have shown us how vitally important it is to have a governing body capable of making planetary decisions that are not internally political.
11/8/2018	11:14:17	The United Nations will be rebranded into something very similar to the United Federation of Planets (from Star Trek).
11/8/2018	11:16:56	Martial Law will be temporary as members of the Cabal are rounded up from all over the planet. Our planet was less than 3 months from total nuclear annihilation. In order to diffuse that kind of bomb, it took an exceptionally talented group of "Bomb Squad" LEO Agents aka MILINTEL
11/9/2018	6:50:22	We are the Majestic 12. We do not get this information from Jrooti or @SandiaWisdom. We are disclosing very controlled information right now to prepare the public for what is coming. We only need a small subsection of the population aware for the operation to succeed.
11/9/2018	6:51:03	POTUS has stated that the Military is being deployed to the Southern Border to deal with "the caravan" and "human trafficking."
11/9/2018	6:54:11	Traveling through time is achieved inside your own mind, however when you do, you're actually just experiencing alternate realities. Remote Viewing alternative realities in alternative time periods has been successfully documented in the CIA's Stargate program.
11/9/2018	6:56:12	This tactic is being used currently with the #QAnon military operation as a means to stay "5 steps ahead" of everybody else. Inside Area 51 S4 (not Groom Lake), the Stargate device can be used to explore the cocreative consciousness alternative reality and not one in your head.
11/9/2018	6:57:51	The difference can be expressed as such: Meditation + Remote Viewing allow you to see "forks in the road" of all decisions you personally have made. You can explore the realities in your mind of "what if" and those realities are accurate to a certain degree.
11/9/2018	6:58:52	However when you use a Stargate to Remote View alternative realities that do not derive from within your own mind, you are instead using technology to actually tap into the "fabric" of exoconsciousness with some level of precision.
11/9/2018	7:03:27	That "fabric" can be thought of as just that. Imagine a "fabric" with fractal geometric shapes that are physically 11 dimensions. Time is the illusion and the nature of reality is just the chaos created from merging multiple fractal patterns into one.
11/9/2018	7:05:44	Our numbers are far greater.
11/9/2018	7:21:19	small subsection = numbers are far greater
11/9/2018	8:15:19	There will be outages on some major platforms but the internet itself should remain unaffected.
11/9/2018	8:17:03	NWO will be created, however it will be restructured to set priority to preserving life, ensuring a quality of life for all, and deal with multiplanetary objectives. Tribal sovereignty will be respected for all interEarth affairs.
11/9/2018	8:30:35	No, you are not getting "screwed over again." Laws exist to facilitate in the roundup and prosecution of the 60,000+ sealed indictments. Once Disclosure takes place, an electable, accountable, and pro-humanity governing body will be established (alongside other ETs) for peace.
11/9/2018	8:43:44	TRUST THE PLAN. PATRIOTS ARE IN CONTROL.
11/9/2018	11:32:00	Project Bluebeam was scrapped, however the technology developed in the background, and the pieces that were moved accordingly, are being reposition, repurposed, and recycled for Official First Contact.
11/9/2018	11:32:43	Prepare yourself mentally for the heightened state of consciousness that will be required in order to survive.
11/9/2018	11:34:49	Regulations will be added to protect against discrimination, however censorship must always exist. We do not want, in an open information world, to have schematics on every single computer on how to build a nuclear weapon. Censorship must exist. Double edged sword though.

11/9/2018	11:40:06	With "news" articles such as these, it makes us wonder whether or not any intelligent life exists on this planet. News flash. It does. And it does in space as well. Space is FILLED with life. All types. All kinds. Good. Evil. Cute. Ugly. Smart. Dumb. ALL TYPES.
11/9/2018	11:43:32	Less than a few years, but there is time. Don't worry, we are not going to betray the people who we swore to protect during this transition. Trust the plan.

11/9/2018	11:45:40	Imagine if a man from 200 AD who could pick any woman in the town and rape her on the spot, then one day being transplanted in 2018 America. That man is not mentally prepared for the heightened state of consciousness where we equally acknowledge and respect women's rights.
11/9/2018	11:46:38	Death does not always await those who are not able to keep up with the times, however their lives are very difficult and low quality because of the decisions they make in a society with a heightened state of consciousness. Next step raises this standard even further. Look at $$$.
11/9/2018	11:50:31	Many people on Earth today who have this "calling" are actually "star seeds" (light based life forms) from other planets who came to Earth many decades ago to "help." Estimates are between 700,000-2,000,000 total souls. This is our "subsection" as stated earlier. We have it.

11/12/2018	20:15:57	A Majestic Message of Disclosure Florida's Broward County and Palm Beach County play a critical role in one of the CIA's MAJESTIC operations that included the following aspects all intermingled into one operation (to maintain secrecy):
11/12/2018	20:15:59	3/ Public Space port of entry means federal funding is laundered through Florida essentially funding all of these operations.
11/12/2018	20:15:59	2/ Organized child procurement operations embedded deep within very large media corporations to provide supply to transnational CIA child trafficking trade.
11/12/2018	20:15:59	1/ Mind Control experiments were heavily funded at the federal level in Florida that resulted in many "sleeper cell" agents to be activated at specific events.
11/12/2018	20:16:00	6/ The Floridian defeated politician is deeply involved in these unacknowledged programs which include a perverted affinity towards young children, including pedophilia and sodomy as well as snuff murder.
11/12/2018	20:16:00	5/ The Floridian incumbent Senator is a dirty politician with skeletons deep inside his closet including providing protection to Broward County election corruption because of the implications actions would have on these unacknowledged CIA/Majestic operations.
11/12/2018	20:16:00	4/ Victims in the State of Florida include citizens on rare occasions. Non-citizens are essential to this organization. They believe the non-citizen is consumable and disposable because they are not protected under our laws.
11/12/2018	20:16:01	8/ The OLD GUARD is being systematically dismantled by the super elite Defense Intelligence Agency. A new future awaits America and it is one that includes disclosing Extraterrestrial life not only here on Earth but also on the Moon, Mars, Venus, Jupiter, Saturn, and many more.
11/12/2018	20:16:01	7/ The Majestic Operations running domestically in Florida were being run to supply money, children, slaves, and political power to several DUMBs strategically placed within Broward County and Palm Beach County.
11/12/2018	20:16:02	11/ Florida is not an anomaly. You can dig deep in every state in the Union, however Florida is certainly a hub of some sorts.
11/12/2018	20:16:02	10/ Many who are transferred are children being funneled through some of the major entertainment corporations of Florida who were Majestic appointees of the past.
11/12/2018	20:16:02	9/ A Stargate exists in Florida that transports hundreds of assets between off world bases.
11/12/2018	20:16:03	14/ This body is also vastly responsible for the manufacturing of compliant subordinates that is okay with their own children being abducted for these secret programs. Some of them are actually complicit. They know what happens and understand that they are a pawn and not personal
11/12/2018	20:16:03	13/ This body is vastly responsible for the manufacturing of mainstream propaganda, entertainment of all types from childrens stories to porn with child themes to tv shows that are absolutely worthless to a militarized presence in Space filled with hostile aliens. No peace.
11/12/2018	20:16:03	12/ You are witnessing the systematic destruction of the OLD GUARD. You are watching the true IDENTITY of the "Deep State" / "Democratic Party". Not Democrats. The party corporation itself.

11/12/2018	20:16:04	17/ Florida is a major state to understand when it comes to the Deep State, the Bush Cartel, the Saudi's, and interplanetary child slave trading for religious consumption to continuously feed the occult magic connected to adrenochrome.
11/12/2018	20:16:04	16/ It wasn't until the "good" side of the Military took control over Majestic 12 in a capacity capable of dismantling it did we start to see top US Intel officials become full time anchors for the largest news and politics media corporations. The ship is sinking. They know it.
11/12/2018	20:16:04	15/ This body is also vasty responsible for news and political media coverage in the United States. For decades their strictly controlled pundits regularly visited Majestic Operations in Florida which included blackmail collection using children.
11/12/2018	20:16:05	20/ When Time and Space are an illusion to you, and you have a ship capable of interplanetary travel, trading a few favors for "convenient events" in exchange for the sacrifices. These entities exist solely for this purpose and they too hve very advanced technology.
11/12/2018	20:16:05	19/ Many rituals that occur, the cult members witness the "demon" (aka the extraterrestrial alien) consume the sacrifice and the members who join the Cabal must participate in order to prove their allegiance to this higher form of intelligence (from their own).
11/12/2018	20:16:05	18/ Adrenochrome is traded intergalactically among many power hungry races. These other races trade knowledge and access to extreme power for long periods of time in exchange for constant feedings.
11/12/2018	20:16:06	24/ We honor and respect the service and dedication to our County that all Veterans of America have put forth. Freedom isnt free and some make the ultimate sacrifice. Many were betrayed, and for that we are committed to unifying the country once again through truth and disclosure
11/12/2018	20:16:06	23/ Another alien "hot bed" and pedophilia rampant culture, France, just had an assassination attempt on 45. The destruction of the OLD GUARD is larger than just the United States. This requires a global GREAT AWAKENING.
11/12/2018	20:16:06	22/ The programs operated out of Florida by the OLD GUARD were horrific crimes against humanity and admission into the Galactic Federation requires all world leaders to unite behind eradicating these enemies.
11/12/2018	20:16:06	21/ A lot of that technology has come out ot Florida and the the systematic attack on youth and our childhood came out of both Florida and Hollywood; but probably more consequently, Florida.
11/12/2018	20:34:02	Educate yourselves. https://twitter.com/ABC/status/1062200399606804481Â â€¦

11/12/2018	20:39:20	How do you systematically enable the population to mass enhance its cocreative consciousness in a quick enough way to usher in Disclosure? Legalize marijuana and declassify all research on the subject. Will it happen? Yes. Trust the plan. Systematic destruction of the OLD GUARD!
11/12/2018	20:43:58	Viewing child pornorgaphy is illegal because it requires the abuse of a child in order to produce. Now shatter your interpretation of reality. Do you see the Matrix? By choosing an act you are requiring that act to first exist. IS-BEs CREATE REALITY YOUR SOUL IS AN IS-BE

11/12/2018	20:57:21	25/ Finally, remember Billionaire pedophile Jeff Epstein who ran the Lolita Express where Bill Clinton regularly frequented was actually just an FBI operation being run under Comey. Those who know cannot sleep. PANIC IN DC. Trust the plan!
11/12/2018	21:01:10	27/ The Majestic 12 on paper is not involved in any of this activity, however outside of insecure paper, alterier motives corrupted early members of Majestic 12 where their actions alone where Majestic that make it very difficult to combat in the dark.
11/12/2018	21:01:10	26/ Every major legal authority in Florida was corrupted by Operation Majestic Childhood. Jeffrey Epstein's case proved it. When he got off on real charges, the Cabal believed it got measurably stronger and more confident. More mistakes.
11/13/2018	4:50:04	Very much so.
11/13/2018	6:05:27	There are "daycares" in Broward County Florida that are CIA fronts for preselecting children to be procured "next" for Operation Majestic Childhood.
11/13/2018	6:07:29	The Council of Foreign Relations is mandating this push onto "Fake News" CIA mockingbird media corporations because "integrity" in our election process undermines Operation Majestic Childhood. 11/13/2018	6:12:52	The Majestic 12 classification program still exists, however the original charter was to maintain absolute secrecy about off-world space exploration performed by the Military. Since joining the Galactic Federation, Majestic 12 has been "replaced" and "repurposed" for Disclosure.
11/13/2018	6:14:56	Your choices dictate the nature of reality and by consequence create reality. Reality is nothing but a matrix of decisions and creation intermixed. It can be visualized in the form of a "matrix" of the mind. You break your condition by thinking freely and opening your mind to new
11/13/2018	6:15:58	possibilities and decisions that effectively rewrite the fundamental programming in the Matrix. Entertaining your children with the creation of child predators only keeps child predators wealthy and powerful therefore mean your decision requires the abuse of children.
11/13/2018	6:35:22	Family specific code words are a powerful asset that are undervalued and deliberately not taught to ensure a healthy supply to Operation Majestic Childhood. https://twitter.com/ABC/status/1062348603107229701Â â€¦
11/13/2018	8:32:44	It is a proxy name used by the Majestic 12 for collecting children for the manufacturing of adrenochrome and transnational/interplanetary trading of slaves (many are children). The actual program names are compartmentalized within each branch of the Government.

11/13/2018	12:09:27	The incident in Ireland was not ET related. You're just looking at some highly classified aircraft flying around more in the open since Disclosure is extremely imminent.
11/13/2018	12:09:57	Yes. It will modify the playing field.

11/13/2018 12:10:51 BIG?

BIGGER. https://twitter.com/TomFitton/status/1062437103013900296Â â€¦

11/13/2018 12:12:48 To do so would change the playing field and interfere with the plan. Even MJ12 members can be 187'd by Q/NSA/DIA assets.

11/13/2018 12:14:50 Humans fear what they do not understand. To understand that beautiful being (really, they were intelligent, loving, and curious) you first had to shatter the illusion of your own reality. This forced many in MJ12 to "panic" and double down on secrecy operations while exploiting.

11/13/2018 12:15:45 Humans are considered assets too.

11/13/2018 12:18:25 Godspeed Q Team.

Millions of American Patriots know what you are doing and they are actively praying for your success as we bring DARK > LIGHT.

Those who reject Q or denounce it as "fake" are protecting what should never grow on the vine.

DARK > LIGHT

11/13/2018 12:18:58 Big things did happen on 11/11. Keep digging.

11/13/2018 12:20:48 The Majestic 12 is considering the consequences of revealing the identity of the individual who has been broadcasting our messages. We are considering it. Some day perhaps.

11/13/2018 12:24:12 Political?

11/13/2018 12:24:34 DARK > LIGHT https://twitter.com/cnni/status/1062440867364003842Â â€¦

11/13/2018 12:25:50 Just wait until you learn about what PROJECT GODMODE is.

11/13/2018 12:26:17 We were talking about MJ12 not Q.

11/13/2018 12:29:43 The IS-BE typing was the IS-BE of Forrestal. IS-BEs can host more than one body and can resident simultaneously in multiple places in multiple "times". How? Time is an illusion. Consciousness creates reality. Godmode is real.

11/13/2018 12:30:32 Dreams teach.

11/13/2018 12:31:40 No. Q is an NSA/DIA operation. MJ12 is above Q in secrecy mostly because MJ12's base of operations is not on planet Earth.

11/13/2018 12:32:39 Yes.

11/13/2018 12:33:30 Sometimes those we seek the most are those who reside within.

11/13/2018 12:34:09 Convince them why a dangerous savage child race should be graced with their presence.

11/13/2018 12:35:12 [Chatter high]
Radio silence.

11/14/2018 5:23:07 You control the present, therefore you control the past, therefore you control the future. Your future.

11/14/2018 5:23:51 More corrections expected, however this is not associated with the markets, even though they will react after.

11/14/2018 5:25:04 All life actually are IS-BEs, including ants and microorganisms. All life are light beings.

11/14/2018 5:25:28 We are the Majestic 12.

11/14/2018 5:34:48 As stated in previous posts, that name is a generalized Majestic name for a series of lower compartmentalized programs designed to prevent the left hand from knowing what the right hand was doing. MJ12 was never the masterminds of the child trafficking rings.

11/14/2018 5:35:53 Our mandate was simple, protect the secret at all costs. Subordinate agencies used this mandate as an excuse to being operating those trafficking programs. Once what was done was done, Majestic 12 had to reconcile and continue to maintain secrecy, so we intertwined them.

11/14/2018 5:38:08 As our internal development improved and the spacecraft reverse engineering operations started yielding results, major changes took place around JFK in the Majestic 12 that resulted in it aligning itself with the NWO of 41 and his cult 322 who was actually just working for ETs.

11/14/2018 5:39:15 When 41 became an MJ12 member, and then later in his career the head of MJ12, we were realigned to officially merge the trafficking programs with the sacrifice programs associated to 322 and other cult groups. Once MJ12 started interacting with the being who was consuming the

11/14/2018 5:40:43 sacrifices, we learned they had operations all over the planet and they weren't alone. At the direction of 41 when he joined MJ12 in the 60s, instead of "resisting" the demands of these beings, he aligned MJ12 to enable these beings and in return, the USMil would get technology.

11/14/2018 5:41:47 A lot of the technology collected after this point was (and still is) harmful for humans to consume. Technology that was helpful to humans was restricted, prohibited, and harsh laws were introduced to curb any attempts at sabotage. We were 20 steps ahead of everybody else.

11/14/2018 5:43:09 This technology included cloning, genetic manipulation (more on this in a second), vaccines, super viruses, and transhumanism. Genetic manipulation technology was seeded into American corporations. They are currently being sued over "causing cancer." This was known in the 60s.

11/14/2018 5:43:51 In fact, when 41 took over MJ12, MJ12 essentially became a rouge operation and the "Deep State" itself, however the entity itself today is much larger than just 12 individuals at the highest ranks in Government.

11/14/2018 5:44:58 The Majestic 12 was the twelve headed dragon at the end of your quest that you had to defeat. Nobody without the correct combination of consciousness could defeat what we had built. There was only one problem with 41's plan. The Constitution made MJ12 technically illegal.

11/14/2018 5:45:26 And for that reason, it was protected as National Security because of the original chartered mandate - it never changed, even though MJ12's programs changed in the 60s after JFK.

11/14/2018 5:49:27 However, what happens when the "good" forces in the Military take control over MJ12, cease to operate the sacrifice programs and essentially give a big middle finger to the aliens demanding the children, you are faced with The Storm we see today.

11/14/2018 5:50:31 Many celebrities, politicians, Government employees, civilians, etc. who were involved in these programs were all working for these ETs even if they had no clue. It was designed this way. When the feed was cut off, the revenge started showing itself through linked consciousness.

11/14/2018 5:51:30 The people who were under the "spell" (so to speak) of these ETs from their sacrifices and commitments to Satan/Lucifer "himself" (not really "himself", just claimed to be), would receive constant conscious communication with the IS-BEs the USMil was actively fighting.

11/14/2018 5:53:22 Additionally, dedicated Patriots in the Military who were just as upset about 9/11 and most civilians were decided that ENOUGH WAS ENOUGH. MJ12 was commandeered a month after 9/11 and the Space Preservation Act was enabled to block future rouge Majestic 12 operations.

11/14/2018 5:54:15 The Military audit currently ongoing is turning up technology that is "out of this world" and "in science fiction". You've heard both the President and Vice President refer to this new technology as such. Hollywood knew the secret and they hid it in plain sight.

11/14/2018 5:55:52 Since the Space Preservation Act was designed to stop MJ12, which it had relatively little success until HRC was removed from office (who was also an MJ12 member until recently) once MJ12 got in the hands of the "good" side of DIA, and later to 45, those weapons can now be used.

11/14/2018 5:56:59 Against them. 45 has constantly said "I am rebuilding our Military." and "I will never forgive 44 for what he did to our Military." NOT ANYMORE.

The audit is turning up technology the likes of which the world has never seen before and the ONLY solution to ensure we survive is to

11/14/2018 5:58:08 unite as a planet and realize "we are all humans" and our "problems at home won't seem so big if we faced an alien threat."

Many people here like to tell us, the Majestic 12, that there are no such thing as bad aliens. They are good-willed but severely ignorant.

11/14/2018 5:58:57 The alien "false flag" invasion was supposed to be just that. An invasion, but planned by the winning side before it happened. Americans were to be the losers of that battle. But regardless of how power has shifted, it still requires us to deal with the fact that 322 is powerful.

11/14/2018 5:59:58 For this, we need a Space Force and to bring out a lot of that technology hidden in the compartmentalized programs through the nation's top defense contractors. You'd be surprised how many people actually want to see this happen.

11/14/2018	13:17:34	No, The Majestic 12 was a secret group of top Government officials who posses security clearances very far above Top Secret such that many President's never were signed into the programs. These programs were lawless and encompasses CST.
11/14/2018	13:20:38	Majestic 12 was very evil a short period ago. Months prior to Q being released to the public 45 signed legislation that took control over MJ12. Since then, we have flipped the table and are now using "their weapons on them" to clean house of this group of sick people.
11/14/2018	13:24:03	A Majestic Message of Disclosure 1) Go back to July 4th 2001 2) Turn your TV on 3) 9/11 COMING TO A THEATER NEAR YOU 4) FUTURE PROVES PAST
11/14/2018	13:26:20	When JFK was assassinated, Majestic 12 moved into the open within Government, essentially pressing START to begin creating the NWO as the Zeta's told us about. We were the Deep State. We propagandized Hollywood. We developed advanced alien technology in secret. We ran all crime.

11/14/2018	13:29:27	When 9/11 came to a theater near you, Majestic 12 moved into the open. STARGATE SG-1 was part of the equation. Congressional Disclosure Hearings warranted a proper, Naval, Intelligence, Civilian approach to ET disclosure. MJ12 opposed this at all costs. Pentagon tried to fight.
11/14/2018	13:29:28	Next Day. 9/11. Majestic 12 moved into the open. We revealed a classified DUMB's true identity to the world and NOBODY BLINKED TWICE. Quite expected actually. The Matrix is real. We operated in the DARK for a long period of time.
11/14/2018	13:38:41	Majestic 12 was originally the body pushing for the Disclosure of ET life to the public in a controlled manner to ensure proper Government restructuring. However, when 9/11 was orchestrated by several MJ12 members as a way to throw the scent off the trail and "go over here".
11/14/2018	13:38:41	Canada actually helped the United States out with Disclosure of SG-1 because Paul Hellyer was so poorly treated by Congress when we stopped the congressional hearings. His testimony was true. Every word of it. It was WAR inside the Pentagon when these hearings were happening.
11/14/2018	13:38:42	PANIC IN DC P-A-I-N. COMING SOON TO A THEATER NEAR YOU. #Majestic
11/14/2018	13:38:42	When HRC was neutralized by the Pentagon, MJ12 changed hands to the DIA under new leadership. Essentially returning MJ12 home.
11/14/2018	13:38:42	During this nose dive period, the Majestic 12 worked tirelessly against the interests of the people without risking compromising the operation that had to carefully be planned out and executed.
11/14/2018	13:38:42	This derailed decades of planning and flung the United States into a suicide nose dive where 2017 was going to be the year of a nuclear holocaust.

11/15/2018	8:24:27	Trust the plan. Think logically. Don't let yourself fall victim to clickbait and fake news.
11/15/2018	8:24:34	Yes.
11/15/2018	8:25:21	Look for devices in the future that look like microwaves, cost the same as microwaves, but instead of cooking food, they print food. Yes. They do exist and they are in the pipeline for public release. Not yet though.
11/15/2018	8:25:47	Yes. Pizzagate was strategically planned by Military Intelligence.
11/15/2018	8:26:36	J'aime l'efaint = I love babies. Henry Will Come. You infer the rest.
11/15/2018	8:27:07	EGOs are challenging to work with. Their hearts are in the right place, even though their minds are clouded by EGO.

11/15/2018	8:28:18	In the most simplistic terms: Some in the SSP want SSP to be kept secret because of logistical nightmares associated with Disclosure. Others want SSP disclosed so we as a species can put the "bad stuff" in the past.
11/15/2018	8:28:23	Yes.
11/15/2018	8:28:42	Yes.
11/15/2018	8:29:08	No.

11/15/2018	8:35:02	Yes.
11/15/2018	8:35:17	Almost all. Symbology will be their downfall.
11/15/2018	8:35:26	Disease or evolution?
11/15/2018	8:35:51	Trust the plan.
11/15/2018	8:36:33	Yes, however look at Autism through a different lens.

11/15/2018	8:38:30	What happens when you turn a light onto a room filled with cockroaches? They scatter. We've been rounding them up as fast as possible, but they do scatter. More remain to be prosecuted. NSA has yettabytes of data that it needs to comb through.
11/15/2018	8:38:43	Yes.
11/15/2018	8:38:56	No.
11/15/2018	8:40:20	Radio. Music. Books. Magazines. Food. Your reality is created by others' conscious creations in their image. How do you know if you're being controlled?
11/15/2018	8:45:41	Starseed not ET.
11/15/2018	10:32:12	We didn't say that.

11/15/2018	19:41:22	Trust the plan. What do you think? Do you think he saw Pizzagate too? Do you think he knows who Seth Rich is? Does he have more of the DNC's private server files, kept for personal insurance? What was Vault7?
11/15/2018	19:43:54	The ability to describe such a thing means that such a thing existed before you could observe and derive that conclusion. Thinking of what it is makes its possibility real according to quantum physics. Thought = Creation = "God Spoke" etc.
11/15/2018	19:45:36	Progress report regarding ongoing operations around the world cleaning up the transnational criminal trafficking organizations of which many are corporations that the treasury can sanction and the Military can be used to enforce. Trust the plan.
11/15/2018	19:47:41	Yes, through charges and evidence presented in her deleted emails, Weiner emails, Huma MB connections, iran nuclear deal, clinton foundation, and many other collected and ready to be used.
11/15/2018	19:49:06	Part of the strategy to Pizzagate was we needed a KEY to unlock the NSA. Pizzagate was the key. When Pizzagate broke, new voices joined the movement and were motivated by Seth Rich's murder.
11/15/2018	19:51:34	Once the cat was out of the bag, the Cabal deployed every asset against the efforts of Q/MJ12/45 to delegitimize and defraud the American electorate as Clinton did, according to DNC Lawyer testimony, essentially rigged the election against Sanders. "Legally." Logical thinking.
11/15/2018	19:53:40	Every threat they issued against 45 the weapons of the "entire might and full weight of the Government to tackle the horrific crisis of human trafficking... and its happening in the United States ... and we don't talk about it." DARK > LIGHT FISA BRINGS DOWN THE HOUSE

11/16/2018	16:11:46	Prescribing dates only alters your timeline. Time is an illusion. Focus on the evidence, facts, and information in the moment as it is happening. You will become in-tune with global consciousness and answers you seek around you will come to light with the proper stimuli.
11/16/2018	16:14:02	We won on Nov. 8th 2016. This job is beyond the man. What 45 gave up in contrast to 24/7 WAR is truly marks of a stable genius. 45 had the knowledge of Tesla from outside MJ12 control through his uncle. 45 knows. Those who know cannot sleep at night.
11/16/2018	16:15:54	Look into subscribing into press releases, news subscription services, social media journalists and comb through the raw information yourself and determine if your opinions resonate with the evidence you have and then report on it. 11/17/2018	10:52:25	Not everybody evolves at the same time, and nor is it in our interest to violate their free will to live a life of ignorance. The path to self enlightenment and ultimately Majestic Reality lies within. We only need a critical mass, and others will follow due to human nature.
11/17/2018	10:53:59	Very much so, but current iterations are Cabal engineered work to essential steal even more money from gullible people who don't really understand blockchain, economies, and currency. People think they know. Only very few do.

11/17/2018	14:26:52	Disclosure really happened in 2001. Congress invited members of the G7 to come forward and tell the truth. Many of them did. The media and Cabal ignored it. It never gained traction. Pentagon wanted Disclosure, Cabal wanted war. Cabal won with WTC. Pentagon proceeded with SG1.
11/17/2018	14:30:47	43 had CST blackmail and p2p with the Saudis. He had skeletons as he must to be a bonesman. 322 is full of skulls and bones. Literally. Figuratively. Spiritually. They hide in plain sight. Symbolism will be their downfall. Those who know cannot sleep at night.

11/17/2018	21:30:03	Guidelines help streamline communication. Some accounts post multiple questions that warrant Majestic answers, others contribute to the noise or are ALICE.
11/17/2018	21:33:58	Your mixing terminology. Majestic 12 has been working on "Disclosure" for decades. Our ET counterparts have demonstrated the different mechanism of Disclosure that create peaceful societies. Majestic work was above Top Secret. Cabal mafia connected to NWO, BB, WTC, 322 were bad.
11/17/2018	21:36:58	But they were "just" Top Secret. To who's benefit does a NWO under 322 control get? Who benefits from a NWO that is part of a Galactic Federation of multiple alien races, essentially geared up and ready to deploy (Space Force). Disclosure was subverted by 322 et co 45 ðŸš¦âœ… 2020
11/17/2018	21:38:53	There are "MAGA" individuals who are pure evil in themselves and are not compatible with the new Government 45 is ushering in. What Government is this? We've been told about it for decades by the Pentagon through Hollywood. It was bound to come out. Well, here we are fighting.
11/17/2018	21:45:48	There are many races that are transgender. Some races even rely solely on cloning in order to propagate. While transgenderism is feared on Earth because of the Cabal's worshiping of Satan who is transgender, other races are peaceful and do choose that path for their experience.
11/17/2018	21:48:20	Cabal are parasites. They feed off the hard work the Country built over the past 40 years. A lot has happened internally from the Government. Question. Why was our Military equipment all outdated by 40 years and "depleted"? Why wasn't new technology getting released? WAR
11/17/2018	21:50:13	Majestic 12 kept it hidden from Cabal for as long as we could. We essentially lost power when 41 was elected but have been restored under 45 but with a new mission. We have the technology. We have the plan. Trust the plan. You are hearing this stuff from 45 himself too.
11/18/2018	7:48:59	Somebody is spending billions on this. What benefit would this give them? Diverse code of life allows you to "learn the operating system" in a more robust manner. Why free? Data protected? https://twitter.com/sciam/status/1064126114925355008Â â€¦
11/19/2018	11:00:49	Consciousness inquiry into the unknown is quite high at the moment, so we are opening up for another Q&A/AMA for a few minutes. Reply to this thread.
11/19/2018	11:03:42	Yes.

11/19/2018	11:04:09	We've commented on this multiple times in the past. You can search Twitter for our responses to past questions.
11/19/2018	11:06:00	Consciousness creates reality. Strip the disinformation from the matrix out of your mind by raising your vibrational state, detoxifying your body, and deeply concentrating on the task at hand. Clarity will come to you and answers do arrive. Focus though!
11/19/2018	11:07:51	Technically replicators can 3D print silver and gold, however commercial access to those patterns will most likely not be made available. It'll be a political discussion to be had, however in the short term, we recommend you diversify your investments across all mediums.
11/19/2018	11:08:18	Found Not Guilty.
11/19/2018	11:09:41	Is there a correct time to declassify? When do you have the maximum effect? Timing is everything. Time is an illusion. Predicting when only pushes the date forward. The only answer 45 / Q have given you, is when it drops, MEMEs at the ready. These people are sick.
11/19/2018	11:10:22	The message is more important than the messenger.
11/19/2018	11:10:41	Exponential growth.

11/19/2018	11:11:58	[Europe]
11/19/2018	11:12:51	It was created to ensure that the Cabal could operate with complete autonomy. They knew where to go so nobody would find. Information is power.
11/19/2018	11:13:38	We don't really understand your question here, but we think you asking how many people are waking up as a result of the consciousness shift we are currently experiencing... the answer is many. Exponential growth.
11/19/2018	11:14:06	Metaphors can be used for multiple purposes. Information is power. Who is in power?
11/19/2018	11:15:36	Imagine the totality of information in the universe could be expressed by the quantity of atoms on Planet Earth. Your life's knowledge acquired will result in less than 1 quark's worth of information there is in the universe to be learned.
11/19/2018	11:17:03	They aren't downloads. Downloads infer they travel from one point to another point at a rate of transfer. Meditation "downloads" are actually epiphanies that are caused by your consciousness finding a "key" to a "locked area" within global consciousness. Keys are everywhere.
11/19/2018	11:18:58	7 = Stable personality is typically formed at this age, or around it. 14 = Sexuality becomes a driving factor to hormones and behavior. 21 = Full fledged adult. You must operate independently by this age to succeed. 28 = You should be in a state where you can pass on information.
11/19/2018	11:20:11	And so on and so on. The body physically regenerates its cells every 7 years and through those physical transformations, interpersonal transformations occur as well. MIND + BODY = IS+BE You are an IS-BE.
11/19/2018	11:22:42	There is a war going on currently. Disinformation is necessary. DEWs don't deplete. Chemtrails are not all bad. Airspace is controlled by Majestic 12. We allow both good and bad to occur to ensure balance and stability. Earth is going through a cleansing.
11/19/2018	11:23:00	@realDonaldTrump is one that everybody should be following.
11/19/2018	11:23:19	No.
11/19/2018	11:23:48	We've already commented on that.

		What is LIGHT?
		The Bible is a collection of metaphors that give you a guidance into your IS-BE.
11/19/2018	11:28:40	Disinformation.
11/19/2018	11:30:44	Which plan?
		There are many plans currently in play.
		The Q plan will be completed before 45's second term.
		Politics.
		The MJ12's plan will most likely be completed in 45's second term.
		DARK > LIGHT
		Q > MJ12
11/19/2018	11:32:06	All life are instances of global consciousness we call IS-BEs.
		Microorganisms.
		Fish.
		Viruses.
		Humans.
		Plants.
		All IS-BEs.
		All light beings.
		All consciousness.
		All one.
11/19/2018	11:32:31	Energies align to make conscious projection easier.
11/19/2018	11:32:51	Repetition and dedication. Do not stray from a regular schedule.
11/19/2018	11:33:35	Time is an illusion. To predict a time would push events forward in time as they allow assets to react. When it happens, it will be broadcasted world wide.
		THE WORLD IS WATCHING.
		THE WORLD IS WAITING.
		THE GREAT AWAKENING.
11/19/2018	11:34:17	It is not uncommon.
11/19/2018	11:35:06	Last Pope? No.
		Vatican Exposed? It's already exposed.
		People still choose to associate with the Vatican.
		We will not force it on people, however when the truth is revealed, they cannot return to lies.
11/19/2018	11:36:38	Praying/Meditating to another entity only increases the power of that entity through global consciousness. The Bible is a collection fo metaphors.
		[B]asic
		[I]nstructions
		[B]efore
		[L]eaving
		[E]arth
		If you spend your time interpreting these metaphorical instructions to...

11/19/2018	11:37:17	...another being/entity/IS-BE then you're actually robbing your own IS-BE from the enlightenment that the Bible actually contains.
11/19/2018	11:37:43	Disinformation is necessary.
11/19/2018	11:38:01	In due course.
11/19/2018	11:38:23	Yes.
11/19/2018	11:38:54	Looking into the sun with proper protection amplifies the strength of your inner eye to see.
11/19/2018	11:39:32	You may be a victim of MKUltra brainwashing.
11/19/2018	11:40:46	Stargates are naturally forming in the Universe. Races throughout the different eras have all created their own artificial stargates to avoid having to "align" every time they want to travel. Waiting for planetary cycles can result in thousands of years between visitations.
11/19/2018	11:43:27	Shine light on their own darkness. Bridge the gap of communication to establish trust. Once trust is acquired, you cane begin to encourage them to be stronger people, smarter, and healthier. Everybody awakens at their own natural time. Some will remain asleep too long and perish.
11/19/2018	11:43:48	There is a way, but why would you?
11/19/2018	11:44:01	Information is power.
11/19/2018	11:47:11	Chaos.
11/19/2018	11:47:33	We are the Majestic 12.
11/19/2018	11:48:59	You will know. If you are not noticing differences then you're either not there yet (in that case patience is key) or if you're not consistent in your consciousness studying efforts then you will regress and lapse in development.
11/19/2018	11:50:32	All Earth airspace is monitored and controlled by Majestic 12.
		ET crafts come and go who are cleared by the Majestic 12.
		Trust goes a long way when building relationships with other ET races.
		We protect ET races and Earth from hostile enemies.
11/19/2018	11:51:44	There are clones.
		Clones live for varying durations of time depending on their need.

11/20/2018	11:30:02	Those are two different scenarios, however to the first:
		Yes, Cabal has engineered technology that emit frequencies that cause permanent hearing loss.
		No, the technology isn't to blame if you listen to loud sounds for extended periods of time.
		Sometimes, it's.
		Usually no though
11/20/2018	11:32:23	HIV is a political virus weaponized by the Pentagon at the request of Majestic 12 while it was under Cabal control. The virus existed beforehand however the cure was discovered decades ago. The cure has been classified for National Security reasons that could jeopardize Hollywood
11/20/2018	11:35:09	Power over the population came from three main angles:
		1) "Hollywood"s' Propaganda/Mind Control
		2) "News" Media / FakeNews
		3) False Flags / Manufactured Dissent / Gov Sponsored Terrorism
		It is the belief of Government that we have certain duties to perform, good and evil, for
11/20/2018	11:36:17	the continued assurance that we are the dominate power on the planet. This objective comes at a cost when other countries on the planet are committing worse crimes against their citizens. US Gov is still by far the best working example of Government. It wasn't a mistake.
11/20/2018	11:37:53	When Majestic 12 was created, we established a connection with Hollywood that would give writers and select people involved in the productions of major franchises access to MAJIC EYES ONLY unclassified disinformation intended to script a particular narrative to plausibly deny
11/20/2018	11:39:31	any accusations of any space craft civilians may encounter, extraterrestrial aliens abducting American Citizens, and more. Those issues were very legitimate and from a National Security perspective we didn't really have many options.
11/20/2018	11:40:30	Disclosing ET presence on a planet that was under lock and key control of a very evil race of bloodline families who were all brainwashed and programmed to be suicidal to protect their oppressors at all costs, when not realizing they themselves were the oppressed ones.

11/20/2018	11:42:07	We couldn't do it then, and we nearly there now. However, at the time, we had to do "things". Movies say "I've seen some things man... fucked up things...." Well. It was a matter of National Security. It was a paradox of Majestic proportions.
11/20/2018	11:43:48	Hollywood was weaponized and the HIV virus (and others) were used as political weapons to ensure that the trafficking rings within Hollywood disposed "naturally" of their victims via the virus -> AIDS with plausible deniability. If they were snuff murdered, it was covered up.
11/20/2018	11:44:53	The virus gave us the ability to control those at the top of the food chain within Hollywood's political structure. We had the cure and so long as our assets did as we commanded of them, the virus wouldn't turn lethal on them, however, it was as easy as a snap of a finger to kill
11/20/2018	11:46:29	As a lot new alien derived technology began to get seeded into the public, Majestic families became heavily involved in acquiring this technology, meeting the different races, and trading information for power and wealth. Some of those families were 322 connected.
11/20/2018	11:47:36	So while the Majestic 12 created an entity so powerful that Government itself would collapse trying to fight it, Majestic families were trying to gain control over that system. History shows you who the financiers were. Many have powerful PR operations.
11/20/2018	11:49:10	When Majestic 12 went under Cabal control, the weaponization of HIV was introduced into Hollywood and it became part of an unspoken contract you made between yourself and the "Devil"/ETs/Cabal members/organization. You knew "they" would kill you any second they had a chance.
11/20/2018	11:50:06	This ambiguity gave the Cabal and Majestic 12 leverage to do anything and everything under the sun to control and manipulate the actions and words of every powerful talking head on the planet.
11/20/2018	14:31:33	Sphere

11/20/2018	14:47:59	Everything is a projection of consciousness and consciousness projection. Plants resonate at very high vibrations. Many plants are extremely intelligent and communicate in Majestic ways. Animals are of a different vibration. Competing vibrations. Consuming meat introduces chaos.

11/20/2018	14:50:00	Balance must include evil. However the degree of evil is in question. Keeping evil at a minimum also requires keeping prosperity at a minimum. It's like tug of war when it comes to the higher dimensional war consciousness is fighting. Its finding a balance. Its Majestic.

11/21/2018	13:08:21	Correct, we are declassifying information at RECORD PACES! Revealing the interior to a classified DUMB would jeopardize the facility. We will NOT put out fellow comrades in harms way to satisfy "people on the internet." This account is operating in Good Faith towards 45 goals.
11/21/2018	13:10:54	Official Statements result in "official reactions". What if the drug cartels were all ABCs? International drug trafficking. World's largest customer? What if we reversed course without cleaning up after Cabal/322? It would introduce an unstable element. Soon 45 will. Not now.

11/21/2018 13:13:24 You should be reading 20-50 "reading room" pages a day to start to get acclimates in the world of the declassified hidden in plain sight that is ignored by the MSM and weaponized by MJ12/Hollywood.

11/24/2018	12:05:35	The fundamental and most Majestic question of all is where did humans come from? The Majestic 12 kept ET disclosure secret because the Vatican demanded it. When the Vatican's tentacles took control over Majestic 12 through 322/Cabal original MJ12 members revolted and fought.
11/24/2018	12:07:00	The original story of creation, as told by all major religions is a lie. Humans were genetically engineered by The Domain to be vessels capable of experiencing many facets of the lower dimensions in order to develop and grow the spirit. The young don't always do as they're told.
11/24/2018	12:08:06	The story of creation has been deliberately withheld from humanity for thousands of years. Conception is a complex set of instructions the domain created to allow LIGHT beings to enter into the lower dimensions.
11/24/2018	12:08:53	When you die, if you walk into the LIGHT, the moment of contact you make with the light is the moment of conception where sperm meets egg. This was not easy to create. It took millions of years of development to get right. It's still being tweaked as we speak by ET races.
11/24/2018	12:10:07	When you die, if you walk into the void, you are essentially admitted into the higher densities, however if you are not spiritually developed enough, higher density beings will send you "back" to the "prison planet" of Earth to further develop. This of course if for Earth beings.
11/24/2018	12:10:56	#AMA SG-1 edition at 1515 ET.
11/24/2018	12:13:56	Good.
11/24/2018	12:15:49	SG-1 contains "hyper dimensional" information inside it that is unlocked every time you watch it (and more particularly study it). Just passively watching versus taking notes while watching will change the level of insight the series provides. Use logic though.
11/24/2018	12:17:07	Many people have passed on beyond their IS-BE iteration we've all grown to love, however their consciousness is currently on Planet Earth. Some individuals have received assistance in discovering their true identity for the purposes of The Plan, others have not. Nothing specific.

11/24/2018 12:18:34 Bible is:

[B]asic
[I]nstructions
[B]efore
[L]eaving
[E]arth

Religions spread disinformation in order to maintain control.

11/24/2018 12:25:54 Correct. Walking into the void allows you to exercise full free will. "God Mode" essentially. However the rein of "evil" Gods came to an end a long time ago when higher density beings essentially designed Planet Earth to contain immature souls until proper development.

11/24/2018 12:26:48 Many beings throughout the universe already live here on Earth, just in DUMBs. When full disclosure is made public, permits will be granted to beings who transition off from DUMBs into the general population.

11/24/2018 12:27:00 It was a ship.

11/24/2018 12:29:08 The Domain is a multi-race organization of extremely high density beings who evolved and developed into the higher densities who wanted to build a more peaceful universe.

11/24/2018 12:30:33 Airports -> Spaceports

Airports consuming fuel cause wear on the environment. Imagine traveling a billion times further? Can you use outdated OLD GUARD technology?

11/24/2018 12:31:52 Yes. Some races wear devices attached to their bodies that function as distortion/travel devices. Depending on the specific technology, range and capabilities may be limited and/or different. Majestic 12 have personally used around a dozen different devices like these to travel.

11/24/2018 12:32:40 How do you truly defeat an enemy?
If you can't beat them, join them.
Were they right all along?
We were children?

The young don't always do as they're told.

11/24/2018 12:33:52 Evil exists everywhere.
DUMBs exist all over Earth.

11/24/2018 12:35:12 They were inspired from the race that crashed in Roswell in 1947, however we did not trade technology with that race as much as we did with other races. They were higher densities than others who were more willing to offer assistance. Their opinion is non-interference development

11/24/2018 12:36:44 We are a few decades away from this technology being as mainstream as toilet paper.

11/24/2018 12:37:06 Controlled disclosure using disinformation.

11/24/2018 12:38:06 No. Check birthdates. IS-BEs can live in multiple beings.

IS-BEs not IS-BE

11/24/2018 12:38:47 No, there are no plans to reunite those in the Galactic Slave Trade. Some wars are too big to fight for one planet.

11/24/2018 12:39:40 It contains valuable information that allow you decipher many mysteries in the world that was created by the Cabal. Study it. Don't worship it. Trust yourself. Use logic.

11/24/2018 12:41:06 What if facial recognition technology (currently protected by the Government for purposes of "privacy") were released to the world?
What if you could search for other BEs who look identical to your IS-BE?
What if children could identify their past identity using technology?

11/24/2018 12:42:13 God is within. You are an instance of God. God is an IS-BE. You are an IS-BE.

The Domain created the "BE" for the "IS" to experience the lower densities with.

11/24/2018 12:48:47 Some disclosure, however the memorable parts are disinformation intended to keep Cabal in power.

11/24/2018 12:49:56 SG-1 used disinformation as a means to accurately depict the reality of who all "Gods" were on Earth.

11/24/2018 12:54:02 Time is an illusion.
11/24/2018 12:57:11 It is being used to spread disinformation intended to keep Cabal in power.
11/24/2018 12:58:29 No, that was disinformation. Humans need the organs were the Jaffa pouches were located. The organs weren't pushed to the side, it was just a poor Hollywood decision.
11/24/2018 12:59:35 Therefore when the Vatican instructed MJ12 to conceal Disclosure, we complied at first, however once MJ12 was taken back from 322/Cabal we decided it was time to destroy the Vatican. Are you enjoying the movie?

11/24/2018 13:01:38 Why are all of our tools useless when it comes to attempting to recreate massive structures that can last thousands of years?

Are we using the wrong dialect of Math to express reality?
11/24/2018 13:02:23 It is also a favorite of the Majestic 12's.
Why would that be?
11/24/2018 13:04:10 "Follow The White Rabbit"
Rabbits eat their own babies.
Communists/Socialists eat their own to meet their objectives.
Why would the Cabal question their own story?
Why is this coming out of Russia?

11/24/2018 13:05:41 The message is more important than the messenger. The Majestic 12 raised the question of identity disclosure to capture a conscious reading of who our audience was. Millions have been reached. We decided no identity - ever. Unless 45/46 decides its is necessary.
11/24/2018 13:07:06 No, we are not helping one particular denomination of any major world religion. Open source information intended to help all who seek the knowledge.

11/24/2018	13:08:32	All media goes through the Pentagon before it is published by major record labels, production studios, and creative works. We use MS to monitor all creative works and works that either reach critical impact that do not align are removed and others are pre-filtered.
11/24/2018	13:10:50	In higher densities you are correct, however in the realm of Earth access within the next few decade, the answer is No.
11/24/2018	13:12:16	Closer to 7th density for some.
11/24/2018	13:12:59	Was a unified theory given to the ancient peoples of Earth? Yes. Was it stolen? Yes. Was it hidden? Yes. Where is it? Eyes Wide Open.
11/24/2018	13:14:30	Correct. It had many locations. We are not going to list out 1,000+ locations here. It is easier to infer that its location changes because its a ship than to state one or two locations. Disinformation is necessary. Misinformation is necessary. Use logic.
11/24/2018	13:15:12	Their next life they too will understand because of your own development.
11/24/2018	13:16:12	Hopefully it is faster than a few decades, however since we don't predict dates, a generalized block of time is ambiguous enough as to not impact the timeline.
11/24/2018	13:16:47	You will be younger sooner than you think.
11/24/2018	13:17:16	Yes.
11/24/2018	13:18:46	Its quite simple actually. God can use magic to heal the sick, lift heavy stones, and do anything. Everything is composed of atoms which are 99% empty space with vibrating electrons, protons, and neutrons. If you know the frequency you are targeted and understand the math, then
11/24/2018	13:19:37	you can figure out how to produce the correct inverse frequencies to get the results you intend. Lifting objects means you need to remove information from the equation. What information? How do you specify? How do you negate? Occult skills that require a new way of thinking.
11/24/2018	13:20:36	Re-read past tweets about what happens at death and why the information has been withheld from humanity for so long.
11/24/2018	13:21:26	Correct. Though interacting with other IS-BEs will be contained in your own reality and therefore won't affect their realities.
11/24/2018	13:21:40	Re-read past tweets.

12/1/2018	19:50:52	The reply made by an Anon was spot on. Connected to 322. Field trip?
12/1/2018	19:52:58	They view the child as a commodity. To them, its no different than eating a rare cut of Wagyu steak. Bred for consuming and nothing else. No emotional attachment.
12/1/2018	19:54:57	Yes. There are more good ET races willing to help, but they will not do the heavy lifting. That's why its taking a long time to go from DARK > LIGHT on a lot of major issues. Humanity has to prove itself worthy of an audience of beings with IQs of 6,000 and lifespans of 200,000yr
12/1/2018	19:57:41	Aphantasia is a temporary condition that is typically associated with malnutrition and neglect during fundamental development periods of a child's life. Since consciousness projects reality, its an easily solvable ailment to the enlightened mind. Those with it must learn truth.
12/1/2018	19:59:57	Self worship is a symptom of a lesser developed consciousness and a lower IQ/EQ. Solidarity can be mixed with interaction, however when interacting, you are experiencing others' creation whichever that may be and by whom.
12/1/2018	20:01:10	No.
12/1/2018	20:01:54	You should raise your feet up while lying down.
12/1/2018	20:04:37	It is quite repulsive indeed. They feed on that energy.
12/1/2018	20:05:16	Humans are not on the top. Humans are almost as low as Chickens and Dogs to some races, and even to some humans.
12/1/2018	20:06:34	No coincidences. Media was silent on Jeffrey Epstein for over a decade. Why talk now? Nothing can stop what is coming. Nothing.

12/1/2018	20:07:55	Higher Dimensions leave reflections and imprints in our dimensions. Seei g the reflection tells you a lot about the source.
12/1/2018	20:09:14	Some people are conditioned to fear who is inside so they can exist in a reflection of their handlers.
12/1/2018	20:09:42	These people are sick.
12/1/2018	20:11:06	Free Speech threatens their control. Migration from brainwashed undereducated immigrants deliberately displaced introduces new pawns to manipulate and game the system they created. How do you stay in power?
12/1/2018	20:11:21	Some. Most are consumed.
12/1/2018	20:12:03	And even more who are not on that list but on many other powerful lists.
12/1/2018	20:13:39	Experiencing life after life developing spirtually and interpersonally will raise your IQ/EQ such that your way of thinking will not be poison to those higher density entities.
12/1/2018	20:14:44	Literally implied a direct potential of bodily harm. But, suppose you're right too, it could be perceived as dry humor.
12/1/2018	20:17:50	Those abilities are very natural. Practice, consistently, dedication, and passion are all required in order to undertake the massive personal enlightenment that is coupled with advancing ones ability to be telepathic, telekinetic, able to remote view and astral project.
12/1/2018	20:19:25	FL was an important state to secure.
12/1/2018	20:23:52	Nukes are a major red line for any planet to cross since the ripple effect it creates throughout all the higher dimensions are influenced. Many problems arise which is why when DE/US started testing nukes, ET visitations sky rocketed. Starseeds traveled to Earth to save life.

12/2/2018	6:26:30	Many RV agents train for months before being used in the field. Many tests like seeing through walls, inside safes, etc. All must be passed with absolute precision before combat related RV is relied upon.
12/2/2018	6:28:18	Wonder why?

12/2/2018	8:33:37	DARK > LIGHT
12/2/2018	8:34:21	Yes.
12/2/2018	8:35:04	Information being passed on were whether the victims he was going through were groom-able for export or not.
12/2/2018	8:36:15	In the grand scheme of things, the exports were highly classified and the means and ends used to acquire those exports meant the sentences had to be weak to allow him to continue. It was a dangerous balance to strike.
12/2/2018	8:37:24	When victims want to come forward, many in the deepest programs involved in processing the exports looked at the testimony provided and basically reacted such as "that's it? if you only knew... you have nothing to complain about. you should be thanking us for letting you escape."

12/2/2018	9:43:33	Depending on the rank of the person, they can be a consumed in a variety of ways, each have different implications. Alive (kill with their teeth) Dead / Whole Body (usually shared) Decapitated Blood Drained / Drank (common) Limb Genitalia (common) Excrement (common) Brain matter
12/2/2018	10:00:59	Q Post 142 is very important.
12/2/2018	10:02:40	Yes, but make sure it also includes THC. There are very few brands that carry the combination, but you can find them. Typically 0.3% THC. Will not cause any psychoreactions to the mind however THINK LOGICALLY. THC = IS CBD = BE You are an IS-BE. THC is needed to instruct CBD.
12/2/2018	10:04:36	Your body is malnourished from Cabal engineered sugar/salt food look-a-likes. When you eat Cabal engineered food, a carefully crafted supplement intake program is necessary but more costly than just eating organic, non-processed foods instead.
12/2/2018	10:06:26	At first they are as repulsed as you are, however they are not dropped into that scenario without being first exposed to "Luciferian Curing" technology to desensitize the human. Its a long process and each stage is heavily guarded/kept secret from subordinates.

12/2/2018	10:12:29	The Nazi Party returned to power in Germany many years ago under the current Chancellor.
12/2/2018	10:19:36	Billions actually. $30M was one transaction that was disclosed as multiple smaller transactions. Haiti was a "jackpot" because many of the children procured there were black. Africans are harder to traffick because of the distance, terrain, and access means less supply.

12/4/2018	8:38:36	THC interacts with cannabinoid receptors inside the brain that affect the neurotransmitters responsible for delivering signal information during dreaming. There is always a balance per brain, therefore too much or too little can produce different results when dreaming.
12/4/2018	8:40:09	You're reasoning is sound, however your specifics are off. Sometimes the effects one receives from cannabis are not intended for dreaming, but rather meditation. Higher quantities of THC/CBD/etc. combinations impact your minds eye and can unlock areas of the brain protected.
12/4/2018	8:42:46	You are only as tied as you are integrated. Since time is an illusion, the direction and speed of time are variables proportional to the density of consciousness that drives your reality. Less creation means more time passes. More creation, less time passes. Per-se.
12/4/2018	8:47:53	It has a common side effect of making people "think deep" about things. Thinking deep is another way of saying their consciousness is risen to a higher level temporarily. Extended exposure keeps your consciousness in higher states, however there are side effects that are negative
12/4/2018	8:48:54	Yes. Altered though.
12/4/2018	8:50:12	The Majestic 12 have been involved in many campaigns in the past that have included distributing knowingly false information to conspiracy theorists for the purposes of dividing and conquering the group. We operated in the shadows to protect our intent. Our intent has changed.
12/4/2018	8:52:08	Powering the devices off is not sufficient to be protected from this technology. Technically, you'd have to be in an area that has no cell coverage with no EMF radiation. This is difficult, so during meditation, hiking on top of a mountain serves many purposes.

12/4/2018	18:08:41	We traded technology, developed partnerships, establishes diplomatic protocols when dealing with alternative humanoid extraterrestrials in a manner that serves to the fundamental Majestic universal laws of basing all reasoning upon: compassion and evidence.
12/4/2018	18:10:50	We realize and fully understand the gravity of what has happened. We lost control over our own Government and the Military did not want to cause mass hysteria and panic because this Cartel was too big for us to take on without facing the full weight of the Government fighting it.
12/4/2018	18:12:18	Now, its the full weight of the Government minus the upper ranks and middle ranks of the Justice Department and FBI that need to be purged. Thank you 45. Disclosure will happen in due course. Understand that we have decades of wrong to right and it doesn't happen overnight.
12/4/2018	18:13:13	When it does, it always leads to mass hysteria and complete panic. People are way too brainwashed in mockingbird mind control. We know this. We created it. We can undo it. TRUST THE PLAN.

12/5/2018	9:16:43	When you die, if you walk into the light then you are told "you go to heaven". Wrong. You return to Earth in another incarnation. Jesus didn't walk to the light until after he stepped into the void, willed himself to return, and then he woke up. Time is an illusion. No time.

12/5/2018	11:04:34	Hillary/Obama sold Israel to Iran and got the Russians to help Iran because it would go against American Foreign Policy. They wanted Iran to nuke Israel. Somebody talked about this recently? We wonder who that could be? Universal moral code is to base on compassion and evidence.

12/5/2018	11:06:26	However the Russians did not want nuclear war between Iran and Israel, so Russia used their blackmail on 44/CF to manipulate every foreign policy decision made. In exchange, Russia gained power over key areas the West won from the Soviet Union. This made Russia stronger.
12/5/2018	11:07:50	They have no interest in nuclear war, however they do have interest in playing games with Foreign Policy to the betterment of their agenda. Players on both sides. Impartial because it is not National Security but rather National Interest.
12/5/2018	11:09:40	Since the CF was trying to sell Israel to Iran via U1/CF (think Ukraine) which would send U to NK & Iran, Russia wanted a large enough stockpile hand delivered to them by the Americans to prove they are serious. Russia kept a majority of the U sold. NK/Iran/? got the remainder.

12/5/2018	11:16:37	Hillary found out about this intelligence through her CF blackmail portfolio of Government agents within NASA, SD, FBI, DOJ, NSA, DNI, etc. etc. etc. who were participating in the Rituals of Power. Invite only. Many layers of initiation. Advanced "alien" technology used on them.
12/5/2018	11:18:04	The sinister death cult that Hillary was a high priestess to, who was working with similar ETs to the disinformation EBE-3, made it a political priority of the NWO, which was created by a different group of ETs, to destroy Earth as the architect's plan originally called for.
12/5/2018	11:21:23	The NWO group was not the same group as CF. Two different goals. GF is similar to CF as well as NNF. NWO wanted slaves on a planet that would produce more sacrifices. CF et co conspirators wanted nuclear war because "all of them would survive."
12/5/2018	11:22:53	Not true. Nobody would. It's happened on Earth before. It's happened on other planets. It's happened on the Moon. It's happened on Venus. Nuclear war always destroys all life on a planet. Always.
12/5/2018	11:24:46	The Earth is feeling the effects of the nuclear weapons tests conducted in the mid 20th century. The planet's climate is measurably losing control. Why? What are nuclear weapons? Why do ET races forbid the use of nuclear weapons? When humans discovered them, why did ETs visit?
12/5/2018	11:27:29	A global denuculearlization treaty will be signed by all sovereign nation states with explicit instructions to immediately prosecute any attempts at seeking to become a nuclear threat. Mass surveillance is a prerequisite for this treaty. "Trust but verify." VERIFY ALWAYS!

12/5/2018	14:20:25	We are not suggesting that Facebook sells children to an international child sex trafficking network. We are saying, Facebook was demanded to share that data by its investors in exchange for profit. Other organizations, also controlled by the same puppet masters purchased data.
12/5/2018	14:20:26	Those other organizations gave 44/CF access to target victims. What did CF do with the hundreds of millions donated to it? What role did the CF play in securing public taxpayer money to bad actors? "The United States is no longer the piggy bank of the world." - 45

Excuse the unrelated monarchy references. Majestic work is the sum of respect paid to the King. https://twitter.com/wikileaks/status/1070867257125830657Â â€¦
12/6/2018	18:49:40	Sometimes to win a war, one must get their hands dirty. How did the technology get developed that enabled WL to pull off what it did shortly after Cabal pulled off 9/11 while we wanted Disclosure and the Great Awakening.
12/6/2018	18:49:41	The Majestic 12 declared WAR on the Bush Cartel, The Clinton Foundation, The NO NAME Foundation, AND MANY MANY MORE because they immediately became a National Security risk.
12/6/2018	18:49:42	The occult Magick used by the Skull & Bones society is it pays respects and tributes to the countless amount of deaths that will inevitably be caused directly by their hands and their decisions. They are taught the magick of power and control.
12/6/2018	18:49:42	The Kingdom of Heaven sounds glorious doesn't it? Sounds like something you'd want to spend your life's work to get to. When you get there what happens? What happens when you've been brainwashed as slaves and that true Kingdom of Heaven is actually full awareness of consciousness
12/6/2018	18:49:42	In reality, exoconsciousness is a matrix created by our individual aura EM field that is responsible for projecting physical reality as our consciousness perceives it.
12/6/2018	18:49:42	Before they were cockroaches who were feeding on your children, lurking in the dark. The Skull & Bones Society has many dark cult and occult magick in its teachings. It only focuses on worshiping the material realm.
12/6/2018	18:49:43	Everybody plays the game because the shop in their stores. They eat at their restaurants. They stay in their hotels. They hide in plain sight. Symbology will be their downfall. Jeffrey Epstein was involved in a transnational child prostitution sex trafficking ring with CF!
12/6/2018	18:49:43	You realize that through your ability to bring Death and Despair you are given privileges that allow you to shape others' realities through your decisions because everybody plays the game.
12/6/2018	18:49:43	Sound is frequency that gives us information. Some sounds can be used to channel this energy, using the frequency interference pattern with the victims consciousness frequency therefore starting a transfer of energy. Feeding.
12/6/2018	18:49:43	Extreme telepathic connections and empathic links are formed during and after torture. The second consciousness is an energy source. When you worship Death, even without actually murdering, you are able to physically drain the soul out of another person. Dementors?
12/6/2018	18:49:44	The technology used by WL to give the Majestic 12 proper insurance against this criminal organization that ceased control over our Government because we actually under estimated them. How can they do what they do?
12/6/2018	18:49:44	This criminal enterprise gained control over our vice grip on the Government as a means to KEEP THEM IN POWER. They feed off you. Why are you playing their game? How do we change the game?

12/6/2018	18:49:44	Many technologies came from the Majestic 12 to make this all possible. We were the group who orchestrated the last 70 years. The good, the bad, and the ugly. This group was in power for THOUSANDS of years operating in plain sight. Before the invasion of Earth, people were FREE.
12/6/2018	18:49:45	How is it even possible? It breaks your heart when you have to see what some of those kids went through. We are returning power back to We, The People. DARK > LIGHT With great power comes great responsibility. Majestic.

12/7/2018	15:16:11	Back to example: Tesla as a person was no more valuable and worthy to love and be loved, however his contribution to the Matrix really improved the game experience. For some. However the information Tesla learned, you can learn.
12/7/2018	15:16:11	Ours instead focused on those sounds for military applications. We got a lot out of the research. However, as we have said in other medium disclosures, we viewed the CIA as an extension of the KGB. Enemy combatants. Do not mistake the work of Majestic 12 with the evils done.
12/7/2018	15:16:11	Majestic Message of Disclosure Humans have a tendency while in lower developmental stages of what humans call life to put the unknown onto the shoulders of another. Example: Tesla may have inspired Majestic 12 to do some of our research (ours wasn't MKUltra, that was CIA).
12/7/2018	15:16:12	Not spiritual or religious questions. Math questions. Chemistry questions. Physics questions. Quantum physics questions. Biology questions. DNA/RNA questions. Access to control the brain (key?) All information is within. Meditation and detoxification unlocks information. "T B V"
12/7/2018	15:16:12	All information exists within and can be downloaded on command. Learn how to communicate with consciousness and you are Majestic and worthy of entry. Think Starfleet. You can access all information inside. Education is not about remembering. Its about getting answers from within.

12/7/2018 20:22:40 Executive Order could legally create this new Government policy, though it risks being revoked by the next President. We, The People can use the powers granted upon you by the Majestic Green Frog ðŸ¸Pepe. Meme magic is MAJESTIC EYES ONLY Military Grade mind control technology/AI.

12/7/2018 20:22:40 What if we make a law that requires NSA mass surveillance to automatically be monitoring all Federal Employees and if artificial intelligence detects extreme criminal behavior (child pornography, murder, rape, genocide, Classified, [Classified], etc. weapons development etc.)?

12/7/2018 20:22:40 We live in the world today however the threat of mass surveillance from the Military is 0, however from highly political weapons like the DOJ/FBI + UK/AU/assets made them the Cabal. What if new laws could be introduced?

12/7/2018 20:22:41 As 45 said today regarding the drug crisis (creates by the Cabal), we are going from NO PENALTY to DEATH PENALTY as a means to weed this cancer from Society.

12/7/2018 20:22:41 What if we can turn the dial on?
This goes without saying that the evidence produced by the mass surveillance programs is so conclusive that reasonably straight forward undeniable evidence would seal tight a classified hearing internally where the agent would be prosecuted.

12/7/2018 20:22:41 Life is a spark of light. The closest that a society can get to being fair, honest, and right minded towards one another with legally addressable potential crimes being committed and tracked by Military Intelligence.

12/7/2018 20:22:41 Mass surveillance technology was reverse engineered off from MAJIC EYES ONLY related off planet expeditions with multiple extraterrestrial races. Their technology is so advanced that they need AI to monitor the security of every soul in that capacity.

12/7/2018 20:22:42 Why wouldn't the definition of National Security include child sex trafficking, and to use the might and force of the entire US + Majestic Militaries to fight?
Has that changed recently?
Rats everywhere.

DARK > LIGHT

12/7/2018 20:22:42 That's the open secret required among all in the sick game they are playing have, as long as they were in power they could cover it up completely and they had to. The rules somehow didn't apply to them. They were never matters of National Security. Why? WHY?

12/7/2018 20:22:42 Hollywood always sells the idea of mass surveillance as a bad thing. It is a bad thing, for them. Equal application of our Laws. Thank you Justice Kavanaugh. These people are sick. They have no place to walk our streets. Two tiers of justice. Connected to DOJ/FBI rings = Safe??

12/8/2018	16:52:21	- Allegiance to a noble purpose, like reasonably disclosing ET life to the public in a manner that doesn't destroy the planet through self imploding ego maniacs who believe their version of the world must be validated to others, is a good thing to have but many lost sight of it.
12/8/2018	16:52:21	- MJ12 and co-conspirators developed technology in the background outside of Government oversight. - MJ12 hid these programs inside of Top Secret Special Access Programs and embedded deep inside TS//SCI programs. - Dozens of extraterrestrial races were openly trading information.
12/8/2018	16:52:21	- MJ12 had many leaders, good and bad. - MJ12 was involved in the only successfully executed assassination of a US President. 41 - When the decision was to be made about going forward to the public, there was plausibly much that the Military was unaware of, therefore secrecy won.
12/8/2018	16:52:21	Things we know: - ETs were helping the Nazis - Operation Paperclip transferred that "non ET / only Nazi" program over the United States - Roswell occurs - Majestic 12 is formed to conceal it from the public globally. - Constitution demands Disclosure when no threat to NS
12/8/2018	16:52:22	- As disclosed in previous tweets, two factions existed inside the MIC. Part of going from "Dark to Light" is understanding The Plan. DARK to LIGHT DARK > LIGHT Q > MJ12 What lies ahead has been in our past, just misused. The future belongs to whoever ceases it.

12/10/2018	5:59:12	BL != MJ-1/12 ^ DOES NOT EQUAL
12/10/2018	6:54:50	He said he worked on a team of 20 or so others. That by definition would not make him one of the Majestic 12. Also, members of Majestic 12 were not the pinnacles of their engineering discipline. We recruited the world's smartest people. BL says he is honored, we know.
12/10/2018	6:56:16	AD interacted with MJ-12 members without knowing we were MJ-12. BL interacted with two MJ-12 members despite being a subordinate.

The Great Awakening.
12/10/2018 14:43:39 Understand now what nuclear weapons do?
12/10/2018 14:44:54 Correct. Majestic 12 was not well versed on the Nordics at the time and we were unsure whether the group was associated with psyops/disinformation from USSR attempting to disarm USA. After the fact, we realize they approached both USSR and USA for peace agreement. Who signed it?
12/10/2018 14:47:15 Ariel referred to Earth's design as a prison planet to emphasize the importance of teaching creation compassion and evidence based reasoning. Through tradition, love, and experience the soul could be taught over time.

12/12/2018	12:18:41	Christianity has prepared people for this scenario that was engineered by the bloodline families who have centralized all power and control (because they believe that empowering themselves saves lives). Lies + Poison + Fear Mongering = Absolute Control
12/12/2018	12:18:42	In order for ET disclosure to peacefully take place we must recognize that we first live in a world with hundreds of thousands of children are being CONSUMED every single year. In order for Disclosure to work, we must dismember Christianity power players as a RICO organizations.
12/12/2018	12:18:43	The deception IS very real. External personification of the true nature of your existence robs you of the ability to actually Ascend and "Enter The Kingdom of Heaven".

12/13/2018	17:12:24	Some of you are writing confused as to why Huber was not at the Clinton Foundation hearing today. Let's instead go over what was revealed: 1) There is an FBI Criminal Investigation into the Clinton Foundation 2) The Clinton Foundation, without a doubt, operated as Charity Fraud
12/13/2018	17:12:25	5) The private investigators are weaponizing the ineffective partisan nature the hearings breed due to their structural deficiencies (on purpose to keep you divided). 6) Why do Democrats want to see what is inside the 6,000 pages when they, prior to giving testimony, stated that
12/13/2018	17:12:25	3) Between $400M and $2.5B in "donations" must be considered taxable income and the donors must pay taxes on the illegal donations. 4) The Clinton Foundation operated as a foreign agent who actively worked against the National Security interests of the United States. TREASON.
12/13/2018	17:12:26	the Clinton Foundation was a highly respected and well established Charity and all accusations against it are right wing conspiracies. The real crime is Charity Fraud inside the Trump Foundation with a mere $19M versus $400M-$2.5B in mishandled funds.
12/13/2018	17:12:27	are actively looking to see what Trump's plans are, because they believe that because Trump/White House haven't taken credit for Q that Trump/White House will continue sharing their plans to Anons via Q team/8chan. They are interpreting date pushes (timE is an illusiOn) to be
12/13/2018	17:12:27	7) Huber was not present at this committee hearing for two reasons... 7.1) The Majestic Q Team went fishing. How do you catch a fish? BAIT. Bad actors are following QAnon right now not interested in the deep research required to comprehend the hyper-dimensional web, but rather
12/13/2018	17:12:28	literal dates. Q team does not correct anons who are misreporting the intentional disinformation being planted. Why? To force the bad actors to panic. 41 was not tried and executed by a secret Military Tribunal. Instead, by adding emphasis on D5, rats panicked and 187'd 41.
12/13/2018	17:12:29	Did you see the look on Jeb's face? It didn't work. "Well played DS." In chess, they just gave 45/Q a valuable piece to avoid checkmate. How many moves away are we from checkmate? D5. Chess. Dec 5th. Time is an illusion. Predicting dates introduces chaos into the Matrix.

12/13/2018	17:12:30	Now what about the 13th? Do bad things happen on "Friday the 13th?" Is today Friday? Time is an illusion and the illusion is manipulable because numbers hold magick inside them that drive patterns throughout the universe. So testimony is rescheduled and Huber is invited.
12/13/2018	17:12:30	Chaos is a fundamental to the Art of the Deal. Now, back to today. Q's D5 was a Majestic chess move and it removed a powerful bad actor from the equation. He was after all the political leader of the NWO internationally since he announced it at his State of the Union in 9/11/91.
12/13/2018	17:12:31	crimes against Children blackmail on them and their role is to deflect, obstruct, obfuscate, and intentionally try to derail what is coming by barking about Donald Trump. So with the spotlight gone and no media attention on the hearing because most people in the Mockingbird media
12/13/2018	17:12:31	The DS has very few pieces left they can play. No media coverage was intentional. Limited distribution notifications was intentional. Unfilled hearing room was intentional. High ranking members intentionally did not join. Those who defended the Clinton Foundation have a lot of
12/13/2018	17:12:32	are refusing to cover the true criminality behind the Clinton Cabal, it would be illogical for Majestic Q to have Huber actually show up on the 13th. That would be too obvious. Instead, hard evidence is disclosed to the public where two whistle blowers have gone under oath
12/13/2018	17:12:33	7.2) Huber did not attend today's hearing because the DOJ ordered him not to comment on an ongoing investigation. [RR] was that you? 8) Next steps, now the cat is out of the bag. PAIN. De-classifications are imminent because of the testimony hearing today. Remember, McCabe
12/13/2018	17:12:33	to testify before the Congress and the American People that the Clinton Foundation is 100% Charity Fraud and they have the proof that will literally collapse the Clinton's House of Cards.

12/13/2018	17:21:14	Cameras influence consciousness in very disruptive manners. The energy being emitted from a camera's consciousnesses injection into the Matrix is negatively received by the consciousness controlling the spacecraft that is trying to fly by. It's like its a hot zone to avoid.
12/13/2018	17:23:18	Hemp / Cannabis provide a complete protein for the human body to consume that raises its consciousness extremely high after long term intake. Avoid legumes due to lower vibration state. The more complex the organic plant life form is the higher density of consciousness involved.

12/17/2018	7:30:47	Majestic 12 was created in 1947 immediately after Roswell because National Security interests (Holy See) wanted us to cover up the Extraterrestrial life forms and the alternative physics that they use. Organization still exists and is the grandfather of the Deep State non-Cabal.
12/17/2018	7:32:39	Majestic 12 hides in plain sight, uses disinformation for real DECLAS orders as not to compromise ongoing operations and has been proactively working behind the scenes to bring official Disclosure and First Contact to the public since MJ12 was subverted for about 33 years.
12/17/2018	7:35:45	In 2011, MJ12 control changed hands from the CF/322/MB CST Cabal and "The Plan" was created. You are LIVING a Majestic movie of Disclosure. Darkness withers in LIGHT, and truth will be revealed. This account was started around [dates?] to facilitate pre-Disclosure discussions.

12/17/2018	14:14:14	Coincidence DI is trending? "The truth will set you free." Disinformation puppets are dancing and trying to distract the public from the truth by using predictable insults such as racist or anti-Semitic. Here's a simple breakdown: pic.twitter.com/3azWxOqpNs
12/17/2018	14:14:15	When a black man steals a car we don't say "Black men steal cars" because definitions of a person are based on their decisions and not their attributes. Race/color is an attribute not a decision. Choosing a new race/color is an attribute though and therefore not protected.
12/17/2018	14:14:16	Individual acts are subject to scrutiny equally regardless of attributes of the individual person. David Icke is not anti-Semitic. Why then do they use these hateful, untruthful, and down right divisive lies? To keep you divided and away from learning too much. Unlearn all lies.
12/17/2018	14:14:16	Making statements, whether truth, disinformation, or misinformation pertaining to the Holocaust and whether any Jews had direct involvement or "something to gain" by participating in the decisions does not make your actions of speaking a gesture of bigotry or hate.
12/17/2018	14:14:16	Similarly if a Jewish person decided to disregard the value of all lives and seek profits at all costs, that is an individual's decisions not an attribute to a race of people, the Jews.
12/17/2018	14:19:24	Its important to note, we are not endorsing anything David Icke has publicly or privately disclosed. By his own admission, he is not anti-Semitic and the Majestic 12 are aware of him. However its important to point out that not everything he says is false. Truth does exist inside

Bad actors are trafficking kids so they can rape and torture them. These secret societies run the evil sex cults NXIVM and 322.
12/17/2018	19:56:10	All new seeds of consciousness into the Matrix such as remembering and mostly teaching everybody General Flynn's birthdate so they could use exoconsciousness + pawn to focus conscious concentration on the DECLAS documents to focus towards deception surrounding fake collusion.
12/17/2018	20:12:05	Age of consent among 14 year olds? Technically they are no longer children but teenagers or young adults. Immature, vulnerable, and sensitive to abuse. Age of consent should be in ranges. 14-16, 15-16, 16-17, 17-18, 18·19, 19-20, 20-21 then production of porn after 25 to protect?
12/17/2018	20:14:28	When these young girls get groomed for pornography they engage in non violent sexual activity with politicians, celebrities, bankers, tech executives, and many other people as a commodity of sex being sold for thousands of dollars a session in the form of money laundering.
12/17/2018	20:16:15	National Security law should create ranges for legally being able to provide consent. Young relationships and young teenagers need to explore relationships with each other they should be able to consent among each other. In legal cases this can protect wrongly served "justice".
12/17/2018	20:17:39	However, 18 being legal age of consent among relationships also means consent of predatory sexual hunting by powerful billionaires and millionaires who consumed youth like a commodity. Epstein was consuming hundreds of young souls for his own perversion with no regard for victims
12/17/2018	20:20:31	In order to understand the fundamental balance between your IS and BE connection you need to realize that its actually a mind body connection and sexual energy is extremely strong and can both help and hinder spiritual development with aligning your chakras. Not a religion.
12/17/2018	20:22:46	This includes being able to safely explore sexuality among peers in healthy situations where engagement would not be considered criminal and therefore not illegal. Adults must be classified as individuals who have no more than 2 years of age from the teenager. National Security.
12/17/2018	20:25:39	Solving "Child Sex Trafficking" means we must bring DARKNESS to LIGHT related to the fundamental structures of the porn industry and how its a multibillion dollar a year industry. Imagine making millions on selling quilts? Or videos teaching languages? No, but children? ðŸ’°ðŸ’°ðŸ’°ðŸ’°
12/17/2018	20:28:09	Adults exploring sexual energy together is extremely important for relationships however the current obsession with family porn, incest, bestiality, dungeon sex slaves, torture, abuse, rape all in the name of acting. They worship this energy. Allow them. However we must address
12/17/2018	20:30:53	using drug smuggling by Clowns cross sections with these trafficking rings. Drugs are used to collect blackmail on victims and increased risk of sexual abuse to be traded among other wealthy celebrities. Some "porn stars" are victims of horrific horrific crimes and its truly bad.
12/17/2018	20:33:25	You can see ðŸ‘ the abuse in their words and eyes. Why is this allowed to happen? We have the intelligence that these networks exist. Teenagers exploring sexuality with each other must be protected in segments to ensure common development experiences where emotions are explored
12/17/2018	20:35:00	together in healthy ways that encourage love, compassion, ingenuity, dedication, motivated, happy, etc with each other where the presence of these networks + big money to be earned with relatively "little difficulty" with extremely hight emotional costs resolve Cabal taught lies.
12/17/2018	20:36:50	Deleted tweet to throw the scent off the trail? Clown attempts to infiltrate will fail. Majestic 12 account locked [again]? Clowns will fail. Nothing can stop what is coming. Nothing. pic.twitter.com/io2hoHLR17
12/17/2018	20:38:47	Clown attempts will fail. pic.twitter.com/zrjAnygFt8

12/17/2018	20:41:56	Anywhere from a few hundred dollars up to hundred thousand dollars and even a million dollars each. Depending on many factors. Groups exist to procure direct targets. Prices reflect vulnerability and uses of the child's development. Many children were mind controlled by MKUltra.
12/17/2018	20:43:51	In order to attract more children, you need other children who are being controlled and abused to convince other children to become victims. So when a child shows talent and is traded in these programs they become celebrities you know are involved in this epidemic level of abuse.
12/17/2018	21:28:58	Physical densities versus informational densities.
12/18/2018	6:35:53	Correct.
12/18/2018	7:10:55	Sometimes the only way to win is to deny the beat battle. Abstinence allows your IS-BE to focus on being mindful of conscious development versus receiving a temporary natural drug fix for encouraging procreation. However ejaculation without procreation can cause damage to IS-BEs.
12/18/2018	8:06:56	There are dozens of genders among the wide range of ET life studied. Some do not do genders, others make gender a definition of their existence. Sexual energy grounds your other energies further into the lower densities which acts like a suppressor.
12/18/2018	8:08:20	Yes.
12/18/2018	10:18:24	Correct in some areas. However adding sound in the form of signing, playing any kind of instrument, and focusing on sound patterns that generate geometric shapes if played over a speaker of sand can unlock access into higher dimensions and enhance telepathic abilities.
12/18/2018	11:49:14	Humans are consumed similarly to cattle.
12/18/2018	11:54:18	Yes
12/18/2018	12:03:25	Ohm chanting works quite effectively. Though you need proper acoustics and usually more than one person.
12/18/2018	12:07:12	Constructive back and forth. For humans there are two genders. For other non-humanoids there can be several including transgender. Procreation is achieved through cloning and replication. Cabal tries to inject non-binary humanoid genders into humans in order to divide & conquer.
12/18/2018	12:08:56	Transgendered humans are not always starseeds even though many believe they are. Most medications surrounding birth control, transgenderism, etc are extremely harmful to all humans who make contact with those drugs (even the waste). Trans is pushed as a self hating bandaid.
12/18/2018	12:10:20	To individuals who seek this alternative life style, understand that you're participating in a Non Domain conformity to gender that does not have survival as a fundamental requirement therefore be cautious. Additionally, without addressing the fundamentals about procreation
12/18/2018	12:11:52	people who opt for swapping a gender out for another one because of a perceived gap in their minds does not help them ascend. It only keeps them further rooted into the lower realms of existence. Purpose of life is to love and experience. Sometimes thats what people just want.
12/18/2018	12:13:06	There is nothing wrong with it. It though should never be pushed or forced onto anyone since that violates free will universal law of Karma. Society, by the Cabal, have weaponized transgenderism to be filled with hate in every angle versus love and compassion. There are always
12/18/2018	12:14:22	legitimate individual reasons why a person opts to change their biological assignment, however regardless of the reason, society needs to just let them be and treat all life forms with dignity and respect so long as nobody is being coerced or forced into situations that harm.
12/18/2018	12:16:07	Final note, learning the connection between your IS-BE's components will get intentionally obfuscated by Cabal warfare against those who seek non-binary genders of male and female. Straight men who only sleep with women can play with barbie dolls and paint their nails. No harm.
12/18/2018	12:20:41	No
12/18/2018	12:22:03	Clarification: No you can't stop it. That's a fundamental property to the lower realms of existence. Can you prevent it from happening to you? What difference would it make? To prevent it, one must never descend at conception.
12/18/2018	12:27:41	Would it not be acceptable for a father with his daughter to play with her dolls and paint his nails in order to bond with the child and engage in healthy imaginative play?

12/18/2018	17:20:30	However Trump is the anomaly. Not only was Trump directly knowledgeable and aware of Extraterrestrial presence on Earth in the United States actively today (as in now) that taught him the real source of all knowledge is within through love, light, and prayer/meditation.
12/18/2018	17:20:30	14/ Back to Trump Foundation, let's dig deeper here. Trump makes deals and in his rise to power he has pissed off a lot of people. They all save face in public because they are all chess pieces and they understand their role (taught to them in the secret societies).
12/18/2018	17:20:30	13/ Proof of a Majestic war between Good and Evil. This is proof of blackmail involving pedophilia. Scheniderman covered NXIVM from legal pressure and Brofmann funded all legal expenses including silencing victims through fake "NYPD" of the Cabal's CLASSIFIED trafficking ops.
12/18/2018	17:20:30	12/ Didn't he open the investigation? https://blog.timesunion.com/capitol/archives/280999/schneiderman-opens-investigation-of-nxivm-research-arm/Â â€¦
12/18/2018	17:20:31	With that the Art of the Deal shows you how you can learn to manipulate the Matrix and start winning. It's a formula of thought that comes from the Majestic 12 and the IS-BE of who Donald Trump really is. Dark to Light will happen. It will all come to light.
12/18/2018	17:20:31	In general, Trump has been good at covering his tracks, but understand this, this group is trying to use process crimes as if they were criminal or somehow worthy of impeachment. The Majestic 12 has been grooming the Trump family with ET connections since his Uncle John Trump.
12/18/2018	17:20:31	As we have been saying to you here, focus your energy not onto an external personification of God but identify who God is to you and what that is is because it is you all along. Trump knows this. His children know this. With great power comes great responsibilities.

12/18/2018	17:20:32	18/ The Trump Foundation has not been involved in trafficking of children. It has essentially moved around legally millions of dollars from the Trump earnings and invested it tax free into the communities through his charitable works. Is there anything wrong by this?
12/18/2018	17:20:32	17/ The crime is a process crime in the original interpretation of the law that most people have agreed is non prosecutable. Literally the last chance this group has. Q is Majestic in nature. We are the Majestic 12. Unaffiliated to Q though working on simultaneous Disclosures.
12/18/2018	17:20:32	16/ Q told you Military Tribunals. General Flynn is guilty of violating the Logan Act on paper because of his knowledge and communication pertaining to the transnational child sex trafficking ring inside the Government hidden by Top Secret SCI compartments by comembers of 322.
12/18/2018	17:20:32	15/ The Cabal's arm inside the Justice Department is attempting to indict President Trump over process crimes that are easily and legally negotiated to mutual legality. He covers his tracks. Their crimes are coming out and they are in full PANIC mode. POTUS is fully protected.
12/18/2018	17:20:33	21/ DARK TO LIGHT How many days has Q been silent? When will Q return?
12/18/2018	17:20:33	20/ Flynn will begin testifying against this group and bring down the whole house of cards over the next few months. The plan has been carefully scripted and has expectations of the outcome due to WE THE PEOPLE's love for our children as our country is forced into grieving.
12/18/2018	17:20:33	this group is going to be a dozy. Are you ready for the show? When do specific EOs become activated? Why did General Sessions resign? Why did Graham question Justice K about enemy combatants in Military Tribunals? Why was the Senate KEY? Why was the SC ESSENTIAL? RULE OF LAW!
12/18/2018	17:20:33	19/ President Trump is now Commander in Chief. He doesnt need his Foundation anymore to do GOOD for the World and bring LIGHT to all. The world is watching. The world is waiting. The world will learn the TRUTH! SHEEP NO MORE! Disclosures come in small segments because prosecuting

12/21/2018	19:48:24	Wizards and Warlocks guard intelligence. What's in our hand? Who are the Majestic 12?
12/22/2018	14:52:34	Transparency and trust are essential to creating a personal relationship with other life forms. National Security apparatuses created by US Gov serve the purposes of making the Military the most lethal on the planet.
12/22/2018	14:55:09	In your own home you are okay with one or more persons to interact with you in meaningful ways while you're naked or having a bowl movement, right? They hear your conversations as we hear, they smell what you smell, they are present in the room with you as you speak.
12/22/2018	14:56:42	No matter where. National Security technology, when coupled with the original interpretation of the Constitution can be combined. Should private corporations like Facebook, Google, Twitter be forced to surrender data that compromises National Security? Yes. Constitution allows.
12/22/2018	14:57:50	However the primary reason why people mistrust this Majestic technology is because WITH MAJESTIC TECHNOLOGY, IT USES CONSCIOUSNESS TO MANIFEST. You choose who to use it. For good or for evil. For a long period of time, powerful criminals used this technology to stay in power.
12/22/2018	14:59:24	With great power comes great RESPONSIBILITY. Very Majestic statement disclosed. If full transparency and criminal liability is enforced for all abuses to FISA which were SYSTEMICALLY USED AGAINST NATIONAL SECURITY INTERESTS but rather for Political Enemies you two would fear it.
12/22/2018	15:00:40	The Cabal fears transparency because of their criminality. The violation of our privacy was done with the powers of the "Gods". Extraterrestrial intelligence beyond the organic development of life on Earth without looking inward for answers about the unknown void of reality.
12/22/2018	15:02:28	Mass Surveillance is a sensitive subject since the weapon was heavily abused by the Cabal. The technology was MAJESTIC. When ZPE is disclosed, WE MUST BE ABLE TO GUARANTEE 100% Safety. All life on Earth could be wiped out with the level of knowledge contained in ZPE.
12/22/2018	15:03:41	Disclosure is an apocalypse of new information about a new physics, a new level of consciousness, new technology all connected to our conscious matrix of vibrational energy that has real tangible power to manifest a positive reality is coming soon to a theater near you.
12/22/2018	15:05:04	Understanding who and what our past has been is essential to preventing it from happening again in the future. We don't dwell on remembering the past, but we do it long enough to rise global consciousness to be fully aware of the horrific violations of humanity that allowed our
12/22/2018	15:06:04	defeat in the first place. The reason why we as a civilization was setup to fail was because we were never properly guided in the first place. Modern mainstream religions are all Death Cults involved in horrific crimes against Humanity.
12/22/2018	15:07:14	As we have said, we will destroy Christianity into a million pieces and expose it for what it really is. The good. The bad. And the ugly. Parts are very real and true. Others are why you are slaves. You must wake up or face complete destruction. The Military is charged with that.
12/22/2018	15:08:33	It has reached a critical point where the root cause of the problems we face as a civilization is fixable and within our reach simply because of the unrealized mass power that mass surveillance and social media + Majestic internet can really manifest.
12/22/2018	15:09:08	Majestic Message of Disclosure https://twitter.com/ts_sci_majic12/status/1076611482559758336?s=21Â â€¦

12/22/2018	16:06:56	Yes it did fail because it lacked the second component to making it work as intended, that is ET disclosure. Withholding where the technology came from means it can be abused, as it was.
12/22/2018	16:07:41	Use of mass surveillance to address National Security concerns enforceable by the Military means any potential threat can be dealt with in the most lethal form.
12/22/2018	16:11:14	Telepathy between races destroys the illusion of privacy. Technology through mass surveillance was soft disclosure because it wasn't complete. As consciousness rises, telepathy will become more mainstream and the perceived threat from mass surveillance coupled with transparency
12/22/2018	16:11:23	is zero.
12/22/2018	16:14:09	Very correct. Majestic creations requires consciousness to ensure it is used for Good and not for Evil. You have rights to fear this technology. Not everybody has developed consciously enough to accept these outcomes. Consciousness evolution is very important.

12/24/2018	6:50:35	Correct. Lowering age of consent also lowers the age of lawful parental control rights. Both are connected. Cabal wanted to destroy the family unit and replace childhood with mind control social experiments that harvest negative life energy so they can exist w/o LIGHT/Love.

12/24/2018	7:04:58	We haven't suggested he is doing anything terrible except for attempting to impersonate this account. Aside from that, opening DMs and responding to them is contrary to how we operate. We have said many times, we do not reply to DMs. Everything is publicly disclosed for all.

12/24/2018	7:13:20	Not impersonating? pic.twitter.com/Y5WVif5sRe
12/24/2018	7:25:02	Correct. We have stated prior that Eye The Spy was originally a kid who was LARPing the Q movement (MKUltra victim) who lost control of the account to Clowns and social engineering due to spreading false information and amassing a large following. Clown attempts will fail. https://twitter.com/prayingmedic/status/1076226254930534405Â â€¦

12/24/2018	7:27:33	What do they say? Are they capable of communicating? If so, how would you communicate with something as alien as a cell inside your body? Sounds create frequency. Frequency influences frequencies. Cells have frequencies. How do you control a frequency?
12/24/2018	7:29:23	Some of us were never "Cabal" who served under their control because we believe in the Majestic work involved in being a true Patriot to an IDEA and not a creed, race, religion, or any other classification system you can conceive. Life, Liberty & The Pursuit of Happiness.
12/24/2018	7:30:56	Energy field.
12/24/2018	7:36:11	We shall elaborate: 1/ Ask yourself something: Why would a Clown need to rebrand into a kind of Patriot needs a brand and followers? 12/24/2018	7:38:27	4/ We have said "Christianity will be dismembered when we are finished." 5/ Citing yourself to draw contrast exposes the logic of clowns. 12/24/2018	7:39:57	7/ Duplicating tweets with slight modifications are attempts to subvert and distort the truth contained within this account. 12/24/2018	7:42:28	9/ Clowns must disclose they are clowns in order to mitigate bad Karma by their actions in order to gain legitimacy when disinformation or contradictory statements are made that cannot be logically explained. 10/ Symbology will be their downfall. pic.twitter.com/6FhgoZRfjU

12/24/2018	7:47:58	Clowns breed in confusion.
12/24/2018	7:50:20	Controlling thought is an oxymoron to meditation. Meditation is the absence of control which surrender your conscious projection mind controlled "self by name" to hear the words from your soul. Silence lacks control. Free will is like control, but not actual control. Words matter
12/24/2018	7:52:12	Are your thoughts and meditative states capable of synchronizing into harmonic frequencies that manifest Majestic reality?
12/24/2018	7:54:49	Nobody except for the typist is affiliated with this account. We are the Majestic 12. Clowns will attempt to divide and conquer. Clowns will fail. Clowns depend on legitimacy, confusion, and deception in order to divide and conquer sheep.

12/24/2018	7:58:52	All who externally personify your IS-BE to be that of some-thing/one else is intentionally attempting to enslave your IS-BE into dogmatic logic that forces you to live in a world where up is down and left is right and right is wrong. 100% evil. Christianity will be dismembered.
12/24/2018	8:00:40	We disclose truth through questions that resonate with the consciousness we interact with. We have stated this before. By following up with more questions, we are guiding you to DIScover the truth. All answers exist within.

12/24/2018	17:29:04	Not his choice.
12/24/2018	17:30:58	You reasoning is sound and we applaud your open mind. Brash? That infers lack of direct knowledge. We do not express opinion or commentary on this account. Our objective is to guide consciousness through Disclosure that will result in First Contact. Big changes coming in 2019.
12/24/2018	17:55:19	We can detect through our technology that over 200M people domestically inside the United States are actively aware of QAnon (less than 50% read daily and less than that believe anything will happen).
12/24/2018	17:55:19	Anybody claiming to have foreknowledge of the specific events leading up to the Military Tribunals is intentionally attempting to subvert The Plan now that we prepare for what's next in 2019. Q is mainstream and public unacknowledged by Mockingbird Clowns. Everybody knows.
12/24/2018	17:55:20	This Cabal was inside the Majestic 12 for a period of time. Once Classified First Contact took place, it was forced upon the Majestic 12 to move this group out of the Military (and inferred but Cabal chose to ignore that these programs would stop all together).
12/24/2018	17:55:20	Through the Majestic 12's slow Disclosure after Cabal took control and were purged from the Military (as official programs) we prepared humanity for this point in time. The technology. The instant communication devices. The extremely complex Classified technologies.
12/24/2018	17:55:20	Consciousness manifests "randomly" whenever more than one conscious mind is actively focused on the same frequency intention of THOUGHT combined with sound and meditation. You have more than you know. WWG1WGA means we share our conscious awareness together and UNITE AS ONE!
12/24/2018	17:55:20	Disclosure is projected for 2019. It will not be anything close to First Contact but Antartica will make a presence in Early 2019. Time is an illusion, as we have stated many times prior so that is why we used "projected". Learn the occult magick...

12/24/2018	17:55:21	So please, understand that nobody with foreknowledge or inside knowledge of the specific events leading up to the Tribunals is speaking in the best interests in allowing that conscious manifestation to form without being "punted down the road" because of moves & countermoves.
12/24/2018	17:55:21	Like we have said before; this group was in power for thousands of years. How do you destroy and enemy that large without destroying Earth or forcing everyone through force to conform a specific way? Ever wonder how the humans in SG-1 under Jaffa/Go'uld control live? Haunting.
12/24/2018	17:55:21	Once the Majestic 12 explained the circumstances of planetary politics between rivaling nations from raw Military Intelligence analysis, we received advice on how to win against the entities who are directly responsible for CSTRAC and the occult knowledge disclosed in exchange.
12/24/2018	18:00:48	Nunes is not a Martian. He a human from Earth who does not have Majestic clearance.
12/24/2018	18:03:27	Why did we omit IS in "he [is] a human..."? Have you learned nothing? Cross reference that understanding with previous tweets. https://twitter.com/ts_sci_majic12/status/1077382247723003905?s=21Â â€¦
12/24/2018	18:04:03	We are not at liberty to discuss Highly Classified information. We do not violate National Security laws under any circumstances.
12/24/2018	18:10:41	Extremely harmful to successful conscious manifestations. Rely on cycles the Earth naturally provides to you. What is the power of 3, 6, and 9? Circles require consciousness to manifest in reality. Irrational numbers require consciousness to observe their values.
12/24/2018	18:12:01	Groups of 3, at 9am every day for 60 minutes meditation schedule. Do mainstream religions require this? How do you manifest consciousness? You have more than you know.
12/24/2018	18:59:21	The experience of time versus historical records of IS-BE experiences are different concepts.
12/24/2018	19:02:15	We have highlighted select episodes. Search for SG-1. Binge watching that series will do two things: 1/ You will "get" the higher density concepts being explored. 2/ Cross reference what you hear with meditation. A link will be established. Everything in SG-1 is fictional.
12/24/2018	19:04:18	However what SG-1 represents and explains encapsulates the Majestic 12's sampling of a few missions that were so trivial to actual ongoing classified operations for use to Disclose essential information to new military personnel who joined as a result of SG-1 recruitment.
12/24/2018	19:06:28	Not all of those who joined have interacted with any Majestic programs (even if never seeing a Majestic officer or not but through the chain of command and compartmentalization of these continuously manifesting operation objectives). It takes two to tango.
12/24/2018	19:09:10	Instead, we've bred a generation of minds to reach to the stars. By whose conscious intention? Magick is very real and intentions can easily be changed by manifesting new conscious thoughts. As Disclosure unfolds, themes taught in SG-1 must be applied while approaching objective.

12/28/2018	17:56:32	Logical thinking required. Majestic vs Clowns. Clown wars use old out dated technology. Dark to Light means many things. Darkness. Shutdown. Things are happening. 45 proved this and explained on live TV that what is involved was incredible. How did POTUS fly? Think SG-1 AF-1 D-IN
12/28/2018	18:18:03	You are correct after your attempt to D-IN. Disinformation is necessary.

12/29/2018	7:48:21	The message is more important than the messenger. Who the messenger is, will shock you. Who the typist is, will shock you. Shock creates emotion. We are the Majestic 12. We operate outside of normal protocol that best serve our agenda. Not everything is as it seems. Facts Matter.
12/29/2018	7:51:12	Have you noticed more people waking up? How about people who were so biased against conspiracy theories? How about people who only watch the Mockingbird Media? Technology will forcibly controlling the Matrix. Think Antartica. Mind Control Experiments. Transmit medium?
12/29/2018	7:52:45	Those details are highly classified for obvious reasons.
12/29/2018	7:53:07	Yes
12/29/2018	7:53:46	Majestic 12's original mandate was to determine the best path forward for Disclosure.

12/29/2018	8:29:02	We do not feel it necessary to disclosing the typists and/or messengers on this account. We have been forward with this and consistent. The substance is what matters only. Authentic sources are an illusion. Some are more informed than others. Authority to information sources = ?
12/29/2018	8:31:29	https://twitter.com/ts_sci_majic12/status/1072896243641257984?s=21Â â€¦
12/29/2018	8:32:49	Mystery is essential to mastering the Majestic.
12/29/2018	8:38:15	Correct. Sheep no more. Q has stated that disinformation is real and necessary. Including inside Q posts. Sources with measurable authenticity infer that measurable limitations pertaining to disclosure of "reliable information" will occur. "They have something to lose."
12/29/2018	8:46:50	"Be careful who you follow" means many things. Q is using Majestic forms of communication to disclose highly classified operations so the public will be aware of what's happening and not cause mass panic. This is the Great Awakening.
12/29/2018	8:49:10	Now that we are INSIDE the Great Awakening era itself, "be careful who you follow" is a call to action for each IS-BE to: #Q1936 says: pic.twitter.com/yFxnrTFTf8
12/29/2018	8:58:32	Being awoken means receiving all kinds of information. Authoritative information has a history of being weaponized. Nonauthortiative information has a history of being wrong. 45 says Anonymous sources are "Fake News". What is "Fake News"?
12/29/2018	8:59:41	If 45 is Q, this wasn't disclosed in the first several months of the operation. People were divided over it because of OLD GUARD education. Fake News is information that has the ability to be weaponized against you. Anonymous sources remove the "have something to lose".
12/29/2018	9:01:13	Therefore, as !SHEEP you must therefore take the advice that Q has given to you and learn the comms. Q comms or general comms? Q comms help for decoding Q drops. How can you take what you have learned an re-apply it elsewhere? Sheep no more! Re-read: pic.twitter.com/sdPBbqFd2X
12/29/2018	9:03:01	Clowns are everywhere. Most clowns are unaware they are clowns. Clowns are useful to chaos theory because they have hidden agendas. It takes two to tango. Facts do not mean "Q Posts". Facts do not mean "MJ12 Posts" Facts do not mean any authority behind the information.
12/29/2018	9:04:22	Part of trusting yourself is learning new tools for inwardly communicating with Source that is not strategically engineered to create SHEEP. Part of Disclosure is to: 1) Learn facts from authority sources. 2) Think for yourself (what does that mean?) 3) Trust yourself (again?)
12/29/2018	9:05:51	If you only have (1) and not (2) and (3) as well, then you are SHEEP. The intent behind the operation of this account is to prepare you for Disclosure and First Contact. Nothing else. We are not Disclosing ETs or initiating First Contact through this account on Twitter.
12/29/2018	9:13:53	We are instead providing tools to Anons who are aware of the Great Awakening who wish to hone in on the skills that others have mastered, like @Jordan_Sather_. Many posts are exercises in these fundamentals. https://twitter.com/TS_SCI_MAJIC12/status/1066573681235828736Â â€¦

12/29/2018	11:09:27	9) It has been the efforts of Q, including MJ12, to help assist in the Great Awakening by acting on a paradox. 10) If 45 is Q, and 45 says "Anonymous Sources" are "Fake News", then how do you explain the 6 months prior to SKY EVENT proving Q =~ 45, then later 45 = Q?
12/29/2018	11:09:27	6) Q mission is unaffiliated to MJ12 mission, though actions and events are not mutually exclusive. 7) No outside comms for Q from (now) 8ch and no outside comms for MJ12 from Twitter. 8) Disclosure and First Contact require a certain level of consciousness before successful try.
12/29/2018	11:09:27	Important to note again: 1) We have never claimed to be an insider. We are the Majestic 12. 2) The Majestic 12 operates above the Federal Government. Not inside. 3) We have never asked you trust us. 4) MJ12 was created prior to Q deliberately. 5) MJ12 distanced itself from Q.
12/29/2018	11:09:28	13) What IS disinformation? Intentional. 14) How about misinformation? Unintentional. Clown's Pawn. 15) Q has said that disinformation is real and necessary. See #Q72 #Q158 #Q128 #Q1685 #Q88 #Q76 #Q97 #Q78 #Q70 16) MJ12 has said that disinformation is real and necessary.
12/29/2018	11:09:28	11) Paradoxes are naturally occurring in nature and require logical thinking and trust in yourself to decipher. If Q is an anonymous source, when what "Fake News" are they spreading? Fake News = Narrative Shift + Agenda 12) Is all "Fake News" factually wrong?
12/29/2018	11:09:29	17) MJ12 has stated that disinformation is used intentionally: https://twitter.com/TS_SCI_MAJIC12/status/1074688833646706688Â â€¦
12/29/2018	11:21:15	We are not in a simulation. YOU are a simulation. IS-BEs enter lower densities to experience limitations. Your soul is immortal and your body is a temporary vessel. 12/29/2018	11:32:13	We received our mandate from POTUS 33. No coincidences. 34 sounded the alarm before leaving office. He agreed to secrecy yet had concerns about the new direction the Majestic 12 was taking and felt it his duty to warn the public. https://www.youtube.com/watch?v=OyBNmecVtdUÂ â€¦

The symbology and occult meaning behind the numbers manifested by these actions resonate through tried and true doctrines of creation exercised not worshiped
12/29/2018	13:25:40	Correct. This concept was well explored in SG-1.
12/29/2018	13:27:58	As well as Star Trek and many other films that involved ETs or the Military. It all went through a clearing process before being distributed. Big money followed pushed content. 12/29/2018	14:19:39	All cool gadgets came from the Majestic 12 directly through the Foreign Technology Office in the Pentagon. Very controlled disclosure. Otherwise you have complete chaos everywhere. So much information in both the Good vs Evil realm. Evil was allowed to expand. Good was not.

12/29/2018	14:21:03	New gadgets and technology from MJ12 gave Majestic weapons of information that have the potential of properly evolving co-creative consciousness together, essentially bypassing the Mockingbird Media. We hid the real physics from them. Gave them gadgets. Let you talk to each other
12/29/2018	14:22:36	We hide in plain sight and have for decades. What makes information disclosed in Movies different than Video Games different than Twitter? Why does it matter where the Majestic 12 disclose information? The information is real because its real. Everybody fights to prove it.
12/29/2018	14:23:14	Consciousness creates reality. Logical thinking required. Re-read our recent past drops this afternoon.
12/29/2018	14:25:17	Free Will Karma is reduced when we disclose truth in disinformation. You know the truth. You don't see the connections. It isn't a violation of free will to be overwhelmed with unknown connections and unable to decipher accurately. Technicality.
12/29/2018	14:31:25	An important message about Fake News that we have expanded upon further in past tweets today. Enjoy the show... you have the best seat. https://twitter.com/prayingmedic/status/1079104939576578048Â â€¦
12/29/2018	14:35:33	Reduced, not eliminated.
12/29/2018	14:38:23	The message is more important than the messenger. Truth resonates. Trust yourself. Research for yourself. We have never asked anybody to believe us. Think for yourselves. SHEEP NO MORE. Doesn't mean some people cannot choose to monetize. Something to lose. Re-read past tweets.
12/29/2018	14:41:39	Our motivation is to offer guidance on subjects pertinent to Disclosure which will help manifest a reality capable of First Contact. The message is more important than the messenger. We are not asking anybody to believe us. Disinformation is both REAL and NECESSARY. WHY?!
12/29/2018	14:44:02	If it were more about knowledge and power, then we wouldnt be explaining it to you. In order to see the Matrix, you must learn the math of the universe. New physics. Cabal worships ETs who feed on children. How do you hide for thousands of years with billions of IS-BEs to control
12/29/2018	14:45:10	The power of 3 is an occult subject that doesn't have just one example or meaning behind it, but instead refers to a way of consciousness projection into the Matrix itself. The numbers present in conscious actions dictate the physical reality we create for ourselves. Physics.
12/29/2018	14:47:15	When we learn physics in school we are taught about a subject that is hyperdimensional in every aspect and reduced to very simple algebra. Imaginary numbers? How many dimensions of numbers exist? 8. Also symbol for infinity. When 9 is reached, its also 0. What is infinity?
12/30/2018	9:08:56	We joined shortly after we found out about the Q Plan.
12/30/2018	9:10:17	We are not saying this account has any connections to Q, so please stop spreading disinformation/misinformation pertaining to this account. We do discuss extraterrestrials, consciousness, and aliens, including but not limited to occult numerology magick, and Majestic operations.
12/30/2018	9:11:54	Q is an entirely separate operation as we have repeated dozens or so times. MJ12 operates above the Federal Government's bureaucracy because of the severity of the classification pertaining to ongoing ET related operations. Q is Earth based only. MJ12 is not. Q != MJ12 MJ12 != Q
12/30/2018	9:13:36	Therefore, since MJ12 is not only based with operations on Earth, but also other planets in the solar system (and "moons"), we therefore have a wide range of tools accessible only to us to use, and whether people can comprehend it or not, we chose Twitter to communicate over 8ch.
12/30/2018	9:14:47	MJ12 have never asked you to not read Q posts, follow advice that Q has given you, or tried to misrepresent information Q has posted, nor will we ever on this account. We beg you, if you do not care to read the information we are sharing, then please simply block our account.

12/30/2018	9:15:44	Divide and conquer is real and people have been so condition to teams, and whose side are you on, and is my side winning or not that it prevents legitimate conversations to be had about extremely important subjects. We are here to guide humanity through the Disclosure process.
12/30/2018	9:17:42	Not to Disclose the process itself, thats Qs role. Mutually exclusive operations. One coming directly from the Federal Government, another originating from off planet. Same GOAL! The ET race that invaded Earth that has been feeding on your children must be stop. Great Awakening!

12/30/2018	9:34:11	Disinformation name for Majestic 12.
12/30/2018	9:36:18	Not just the Domain but other groups as well, some terrestrially. The nuclear detonations on Earth raised alarms in higher realms of consciousness that are extremely dangerous and do destroy all life on a planet. IS-BEs who formerly occupied higher realms left to help Earth.
12/30/2018	9:37:13	You are not wrong in your thought process, just mistaken on some details.
12/30/2018	9:37:36	No, that defeats the purpose of message over messenger.
12/30/2018	10:55:32	No, they must discover the truth within themselves. Hence, why we are here.
12/30/2018	10:58:36	We are simply clarifying for your sake. Our answers and messages of disclosure speak for themselves. Message more important than the messenger. In the past humans worshiped ETs as Gods because of their advanced knowledge. SHEEP NO MORE.
12/30/2018	10:59:50	Please provide the specific post.
12/30/2018	11:05:02	Correct.
12/30/2018	11:11:53	We do not ask for anybody to follow us. We will never ask for you to trust us. We are not here to Disclose specifics. We are here to guide humanity through Disclosure in preparation for First Contact. Majestic 12 compartmentalizes its programs just as the Federal Government does.
12/30/2018	11:12:05	This program is equally compartmentalized.
12/30/2018	16:13:18	Which questions do you specifically want answered? We receive around 10,000 interactions a day currently on this account and it is difficult to keep up with everyone's questions. This is why we have encouraged others to answer our questions, do their own research and help others.
12/30/2018	16:15:06	Correct, double meanings are intentionally used. It is a tendency of the Majestic 12 actually. It is just one strategy of many that works when it comes to planning unrelated coincidences as to not alarm National Security laws.
12/30/2018	16:16:05	HRC is a biological entity, however the instance of her IS-BE is a puppet and could be called artificial or fake. But in terms of her being itself, she is an organic being, albeit evil.

12/30/2018	16:21:12	We have a general policy of no direct messages under any circumstances. In fact, @Jordan_Sather_ tried to direct message us and we did not respond. Many others have tried as well. Nothing personal. Policy out of the typists control. 1/ No 2/ Alien is a different frame of mind.
12/30/2018	16:22:31	2.../ Extraterrestrials and Non-terrestrial entities exist, though they are different in nature. Their DNA expression changes from planet to planet slightly to adapt to the different planetary conditions. 3/ The rapture is currently taking place. It is a metaphor. 4/ No DMs ever.
12/30/2018	16:24:21	Healthier for you than green tea.

12/30/2018	16:25:59	Calculus is not the problem. Apologies for not clarifying originally. Physics taught with algebra is wrong the second you try to use any of those formulas on Mars or [other planets whose names have yet to be declassified]. Most importantly to understand is calculus is fragmented.
12/30/2018	16:29:15	In higher orders of mathematics we are taught about imaginary numbers and their role. Not imaginary. Multi-dimensional. Higher dimensional mathematics. We currently use it in all electronics. ALL ELECTRONICS. How many dimensions of numbers? 8. Infinity? 8 at +/- 90Â° (9 = IS-BE)
12/30/2018	16:33:50	9 = 0 1D(n) = 1, 2, 3.4, sqrt(5), etc. etc. 2D(n) = i, -i 3D(n) = Consciousness 4D(n) = [Classified] 5D(n) = [Classified] 6D(n) = Consciousness 7D(n) = [Classified] 8D(n) = [Classified] 9D(n) = IS-BE / Source / God ^ dimension (aka 1st dimension, 2nd dimension, etc.)
12/30/2018	16:35:09	Obviously these concepts are not expressed in formulas that look like this, we are simply making a point and this was the medium used to convey that point without disclosing any classified information.
12/30/2018	16:37:05	Orders are usually clearly given and not left up for interpretation. Compartmentalization makes it impossible under current legal structure. New Gov <-> Gov equal application of our laws must be enacted. Majestic 12 cannot give this law to you either. You must demand it. 45 Will.
12/30/2018	16:44:53	It should give you the ability to decode more of your DNA through meditation than others. IS-BEs with presences associated to the number 9 have an easier access into the higher realms of existence.
12/30/2018	16:47:30	NASA is responsible for publishing information that does not interfere with any potentially classified programs. 1/19/2019	14:59:55	Working hand in hand to return control back to the American People. The scientific research that was classified and never brought to market was intentionally done. Trade laws must be tightened and China must stop intellectual property theft trade violations.
1/19/2019	15:04:05	We have unleashed America from the bondage it once had under past administrations and are instead, regardless of political party addressing issues of concern for ALL Americans. We have everything. We know what needs to happen. You are not alone, Full Disclosure is HAPPENING.
1/19/2019	15:08:17	In time this will happen. Human Trafficking is a major world wide humanitarian crisis, and basing trade deals on equal Human Rights FOR ALL, including Children. We will enforce our trade laws with sanctions that cripple nations. Death by a thousand cuts.
1/19/2019	15:10:24	The new technology that will be coming out will be protected at first while the rest of the world cleans itself up. Military will return home and defend the homeland from economic theft that make our sanctions effective in order to give other nations a choice.
1/19/2019	15:12:25	The choice shall become, adopt the Majestic principals of equal human rights as fundamental requirement for trade. If you rape and murder children, sorry, you can go suck on a lemon. Doesn't mean we declare war. But sanctions can cripple offending nations. Look at Iran.
1/19/2019	15:14:44	Citizens of those countries will have a choice. Do we allow a Government that abuses children in some of the most horrific ways to trade with the United States? We offer, in exchange of trade negotiations, access by allowing our businesses to be established in your country.
1/19/2019	15:15:51	New Technology. You think Silicon Valley has anything cool? Give me a break. It's called SiliCON Valley. Everything they are doing is because of the Us Government. Lousy politicians who sold out our country. New Trade Deals. New Technology.

1/19/2019	15:22:48	If rockets were flying everywhere and I said what I said, we'd be in a very different country right now, let me tell you that. Strings cut. Clowns are out. We're done with them. The manner in which other countries will gain access to our technology will be through trade only.
1/19/2019	15:24:00	We are willing to offer food replication technology in the not too distant future as a new cutting edge technology to curb worldwide hunger. Countries who show willingness to work with the United States to end the horrific crimes against humanity that have been taking place, they
1/19/2019	15:25:09	shall be granted trading access for this technology. Those companies want to sell products in your countries and we want those products to be made here in the United States. We have great potential. This is the Great Awakening. National Emergency will not happen yet. Watch. Learn

1/19/2019	15:49:16	is synthetic.
1/19/2019	15:52:36	Unborn children have a foothold kind of engagement with their mother. The IS-BE's soul of that child decided to create another BE in the infinite realms of conscious projection here on Earth. Many BEs are born per IS. You'd be surprised. The IS-BE has not fully transferred BEs.
1/19/2019	15:54:25	Between life and death a period of "time" exists that has been described as purgatory by dogmatic religions where you are able to decide your next life using free will and intended actions. This time you are contemplating the existence that you once had and wait long enough to...
1/19/2019	15:56:33	...just think, "wait, can I go back?" You can, with no control. If you were told "yes" and then decided "yes! I want to go back" and they end up in a birth canal. Between questioning and willing, life in the womb can be understood. If you terminate that life, then the idea is...
1/19/2019	15:58:31	...then pushed back into your mind as in "nothing's happening yet, maybe I can't go back" but more closely as in how do I just "will something to exist". You have to know it from your heart. Many family generations are simply skipping generational IS-BEs. Ying-Yang.
1/19/2019	16:01:02	IS-BEs are able to communicate through source love/light in a way that transcends space and time. Decisions made around a family greatly impact the experience of purgatory that an IS-BE experiences. If you will to hear them, you will hear your next life. When you leave this realm
1/19/2019	16:02:29	you will lose all memory of your actions while in source due to dropping into a lower frequency. Through meditation, consciously mindful living, with healthy eating habits abundant in THC, CBD, and CBN, you may be able to return to those moments of contemplation you had before.
1/19/2019	16:03:35	And learn about the purpose of your life; while at the same time, possibly learn about your former life. The further you are from the time of your last purgatory, the more difficult recalling will be. Children learn a twisted and sick form of this to learn their passion in life.

1/19/2019	16:08:40	IS-BEs in children are sometimes not the IS-BEs from the family. Rare though. Takes tragic consequences to manifest, but it is happening more common now than ever. Hence why so many starseeds have returned to Earth to help fix the planet.

1/30/2019	14:43:55	Not all vaccines are bad. Not all vaccines are equal. Some are very dangerous. Some are very beneficial. Be careful.
1/30/2019	14:52:15	Vaccines for things like Alzheimers or other system related ailments are counterproductive as you cite. Vaccines for viruses are mandatory for service members who travel off world. We use vaccines to protect them from common diseases on other planets. Not all vaccines are bad. *
1/30/2019	14:53:22	Do not trust CDC. It has not been cleaned out.
1/30/2019	14:55:52	Depending on the planet and whether the ET race is humanoid or not, vaccines can contain nanotechnology, ET tissue, and other elements the nanotechnology can use to create the "vaccine" when it encounters a task the immune system cannot handle quick enough.
1/30/2019	14:56:18	Thousands of planets. Mars is just one.
1/30/2019	14:57:23	No. Majestic 12 oversees their development. Not unclassified.
1/30/2019	14:58:54	The concept of vaccines in theory is a good thing. Majestic. They can be used for bad. As can all things Majestic. Therefore, additives are intended to create new problems where the vaccine eliminates one. Business. Not all vaccines are equal. Some are respectable.
1/30/2019	15:01:59	Off world viruses are common viruses similar to Earth that have adapted to other ecosystems. Some of the viruses are airborne. Some of the planets are so "well" protected that all who do not have the nanotechnology vaccine become infected with a disease similar to a fatal flu.
1/30/2019	15:04:17	The other very important component to grok is all service members have immune systems that are literally attacked a million times a day by the IS-BE's own Government. Many of them were experimented on by some of the rogue groups. However, vaccines can be used for both good & bad.
1/30/2019	15:06:04	They shouldn't be something one normally injects into their bodies unless either its advanced nanotechnology vaccines with an intended purpose or you are doing something extraordinary that requires intervention. Circumstances matter. Facts matter. Not all vaccines are bad.

1/30/2019	19:21:13	Moloch is by definition a "God" due to the fact that this entity can/only exists in much higher densities of consciousness. The magick involved in cultivating children for consumption requires one to be a master of secrecy and stealth. IS-BE's who identify with that "entity"...
1/30/2019	19:21:14	Some may call this a mental disease and theyd be right. Instead, out of fear of similar mental illnesses getting exposed, people continue to defend this practice because it is essential to almost all secret societies occult magickal power over society. Shaping philosophy by will.

2/2/2019	18:31:21	Re-read past drops. Here's the 40,000ft view: - Majestic 12 was created as a result of Roswell (cover story - Operation Paperclip was the reason). - The task of Majestic 12 was to conceal the extraterrestrial presence on Earth for "reasons of National Security."
2/2/2019	18:33:03	- In late 1988, Majestic 12 reformed in an effort to bring the alien presence out into the open. - There disclosure programs were created and members of the Majestic 12 were labeled such as MJ-1, MJ-2, etc to keep anonymity even among EYES ONLY classification settings.
2/2/2019	18:34:57	- Majestic 12 has active operations ongoing in the United States from DIA assets using social media tools, like Anonymous Official, and this account to disclose vital information about the MAJESTIC reality that exists. - This account is a conduit to three members' operations.

2/2/2019	18:41:32	- So, UFOs were Roswell yes, but not Majestic 12. Roswell was a False Flag - per se. The weather balloon was that is. Majestic 12 was the response to Operation Paperclip. The secrecy levels were peers.
2/2/2019	18:43:29	- Paperclip programs were child sex trafficking, wars, cloning, "scientism satanism", Moloch, Mind Control, Drug Exploitation - Majestic 12 disclosed alien technology, information about consciousness, etc all through the embedded ratlines of Operation Paperclip's Cabal.

2/8/2019	11:14:46	The mass arrest scenario is an energy that the Deep State is at war with. It cannot come from MJ12/Q/45 etc. It must come from "We, The People". The Plan is a series of events that will ENABLE mass arrests to take place. Disclose the criminality. Expose the corruption. EYES OPEN!

2/24/2019	11:53:06	The Gou'uld are a parasitical external alien that lodges itself inside a person's brain and makes them "act like a homicidal maniac". They are referred to as "snake in the head" and are a metaphor for the reptilian complex in the brain and the evolutionary history snakes share.
2/24/2019	11:54:48	Disinformation is "real and necessary." The creation of the disinformation is intentional to seed consciousness to manifest the reality. Majestic 12 is trying to force the hand of those in power. That can only happen when the people wake up.
2/24/2019	11:56:21	1/ We didn't create the video. 2/ The video is clearly doctored. 3/ Coincidences are event driven validations of conscious connection. Majestic 12 has been in the business of disinformation disclosures for decades, what makes you think anything has changed? The objective matters

2/24/2019	11:58:07	That KIND of speech has taken place before. We couldn't record the real speech. How else do you make people aware? "Deep Fake" videos that imposter individuals are used to convey classified "unreal" facts (hence why they are classified) to bridge the gap in conscious awareness.
2/24/2019	12:00:04	Only those woke can understand message over messenger and that truth resonates, others believe that all forms of information, misinformation, and disinformation must come from the most unbelievable sources when it contracts the status quo.

2/24/2019	12:10:31	Typo, on the move. Contradicts.
2/24/2019	12:13:46	This is due to the channels that are currently permitted. The danger of just coming out with clearly outrageous "evidence" to suggest horrific crimes without going through a court proceeding is that everybody will shape an opinion prior to the information being validated.
2/24/2019	12:15:25	This problem could potentially undermine the authority the Majestic 12 has over the disclosure of ET life. There are so many special interest groups that are really Nth degree separated tentacles of the same criminal Cabal.
2/24/2019	12:16:26	Some groups produce disinformation videos to resemble real classified events because they wish to exploit the chaos and confusion created around the substance. The editing was sloppy at best, however the message was first hinted at by Reagan. Accepted fact.
2/24/2019	12:18:21	The real speech took place in the 80s and those who wish to usher in a false flag alien invasion are pushing content like this, however Majestic 12 has always been many steps ahead of the Cabal. MJ12/3 knew this video was created to push an event on 12/21/18.

2/27/2019	21:28:52	It is as sinister as it sounds. What these people didn't realize, that when the technology that came directly from Majestic 12/Working Group/Pentagon that it collected everything by design, because dealing with some of the enemies of MJ12 means controlled disinformation.
2/27/2019	21:31:11	This allowed us to mass collect the data being collected by the Intel Community and DIA/NSA and identify the network behind these organizations. Through controlled disinformation campaigns coupled with mind control propaganda (when mixed with drugs amplifies) the matrix.

2/27/2019	21:32:52	However the solution is not to unplug from the reality, but rather to find the courage within to change it. Everybody has a choice between good and evil. Many people have lost sight of the innocence of humanity while others are harvesting the biological entities to enhance.
2/27/2019	21:36:08	Greed is a major issue. Certain races are stereotypically identified as being motivated by greed are actually motivated by the interdimensional drug experiences that throw your consciousness into total chaos outside of your control. Think Genesis. Greed drives evil in thre world.
2/27/2019	21:38:26	Greed is making it expensive to be poor and cheap to be in debt to others, inflated on this fiat currency controlled by occult/satanic/multithemed child cannibalism sacrifices. Everybody knows it is evil, yet nobody has the courage to stand up. Historically the race in question..
2/27/2019	21:40:04	..are a race controlled by people who are true cowards about their own existence and responsibility to the exoconsciousness of the reality. This race must realize that the traditions and history of their people is controlled propaganda to "keep the species alive". Power wins.

3/6/2019	11:02:07	So, its not that women aren't considered because they are women, its simply that to date, MJ12 will not go public about its female involvement, unless 45 wishes- then we shall entertain the possibility. Also key to point out, we never said there are no female MJ12 members. Reread
3/6/2019	11:03:51	Names are interchangeable. Intentionally designed and financed to assist in the creation of the Satanic NWO.
3/6/2019	11:04:12	Controlled by money.
3/6/2019	11:04:49	USA exports more than SA. Not the reason why.
3/6/2019	11:06:06	This subject was deliberately ignored because of how classified it has become recently. The dismantling has caused its classification to rise up to Majestic levels versus its lower (S) levels under [BC].
3/6/2019	11:11:22	Sexual energy is an integral part to experiencing and creating life as an IS-BE. ET groups obscure and dilute the truth about sexual energy so they can extort and mind control many IS-BEs in unison. Here's a Majestic analogy: The root system user to a computer has "God" access...
3/6/2019	11:12:59	... so securing the root account is the first step to proper cyber security. The root user of a linux computer system is like the sexual energy of an IS-BE. Even if a potential exploiter asks for just 5 minutes as root, extreme damage can occur. Sexual energy is a self conquest.
3/6/2019	11:14:53	Adults who create life can use dual sexual energy to strengthen the bonds that hold the nuclear family together. Sexual energy does not mean intercourse explicitly or even fellatio, but rather the actual urge sensation itself. That energy is harvested by ETs. It creates reality.
3/6/2019	11:15:43	That energy can be recalled using your spouse and can be channeled into nonsexual areas of life.
3/6/2019	11:17:23	However at the point of orgasm its essentially like blowing a gasket. You lose the sexual energy your body has accumulated and if your orgasm wasn't used to create life, then it is wasted energy that can be siphoned off by interdimensional entities in your physical location.
3/6/2019	11:18:46	These interdimensional entities are the major driving factor behind the modernization of the internet and porn. The internet to this day is still used predominately for pornography consumption. All of that energy is being harvested and strengthening your oppression.
3/6/2019	11:19:48	Many IS-BEs struggle with controlling their sexual energy by letting it control them.
3/6/2019	11:26:13	Releasing your sexual energy while engaging in intercourse multiplies the energy for both IS-BEs. Releasing at the same time versus releasing in series (less than 30s apart) is the optimal window of opportunity. 3 times per week is Majestically magical for manifesting reality.
3/6/2019	11:33:42	Fellatio on the other hand is a transmutation of sexual energy engaging with Vishuddha Chakra that creates an imbalance of power and equality in energetically pure states of existence. This manifests into reality as negative energy.
3/6/2019	11:37:17	Anal sex has no hands left to explain on, but the Maladhara Chakra represents basic trust and using the anus to exploit sexual energy will result in malformed sexual energy. This too manifests negative energy.
3/6/2019	11:40:33	Intended.
3/6/2019	11:43:38	IS-BEs can become slaves to their sexual energy harvesters who use mind control and subliminal messaging to control you. IS-BEs who sexually exploit children are "defective" in the sense of their reasoning/logic. The kingdom of heaven is with a childs mind and heart, not genitals
3/6/2019	11:43:59	Life a slave is not life at all, some might argue.
3/6/2019	11:46:20	Masturbation without orgasm 3 times per week followed by 33:33 minutes of meditation each day. Do not use pornography to get aroused. Instead, just focus on the objective of orgasm but stop yourself just prior. The strength required to stop will be transferred into other Chakras.

3/6/2019	11:49:28	Bloodlines are essential to acquiring extreme power. The sacred contract of sexual energy is the creation of life and the responsibility the Father and the Mother have onto the child. Unfortunately, all deviations to this can be perceived as child abuse.
3/6/2019	11:52:22	We had no idea. ðŸ¤“
3/6/2019	11:54:54	Negative energy manifestations are not necessarily evil bad or wrong. Use wisely and with caution. Fully consenting and pleasurable engagements that yield negative energy are not prohibited. Just be careful because the balance between positive and negative is key.
3/6/2019	11:55:42	TX?
3/6/2019	11:58:40	Bloodlines. Mixing DNA creates new chaos. Homicidal maniacs thrive in conditions of absolute conformity and obedience. By bloodline lineage, black expressed IS-BEs are more spiritually connected/pure consciousnesses because they have a deeper history on Earth than others.
3/6/2019	11:59:50	More than just that. Every. Single. Aspect. Attacked. And. Sexualized.
3/6/2019	12:03:16	Switching to an AMA thread RE sexual enslavement Please post your questions here so the answers can be easier for people to browse through that won't require us to repeat ourselves or "ignore" your question. This subject will trigger ALICE. Learn to archive offline.
3/6/2019	12:04:55	Take it one piece at a time. Meditate to each. Fully allow your mind to clear and the lights will turn on for you.
3/6/2019	12:06:13	Over 8B enslaved by sex due to misteachings for thousands of years.
3/6/2019	12:06:25	No
3/6/2019	12:07:27	Theory is intended to be helpful but the conceptualization makes it harmful. Not engaging your sexual energy will restrict your ability to manifest and create life. With great power comes great responsibility.
3/6/2019	12:08:50	The siphon the sexual energy from one IS-BE to another to strengthen their subconscious abilities to physically manifest reality. Essence of magick.
3/6/2019	12:09:32	157
3/6/2019	12:11:24	Technically homosexuality is anti-life. Its a rejection of life as it created you. Transgenderism is a rejection of the IS-BE because of mind control coupled with drugs and hormone therapy. Neither are naturally occurring. Both require trauma to manifest.
3/6/2019	12:12:24	Director of the DIA Member of the Majestic 12 Majestic Flynn
3/6/2019	12:13:22	If you can postulate the inverse or opposite reality in its entirety then you are not under mind control. Free will allows you to choose. If you can't choose, you are under mind control.
3/6/2019	12:15:27	Specific MJ12 member? The typist? Or somebody else? Generally speaking, sexual energy is not appropriately explored on Earth due to misinformation and disinformation by the ruling elite class of Earth who are intimately versed in this occult magick.
3/6/2019	12:17:35	The mainstream porn industry is the front for the transnational trafficking rings which are fronts for the intelligence communities which are fronts for the religious cults which are fronts for the interdimensional and extraterrestrial aliens siphoning life from Earth for power.
3/6/2019	12:19:38	Its certainly a paradox with the current limited set of information readily available.
3/6/2019	12:20:52	The tides have been changing.
3/6/2019	12:21:30	Other species can experience sex exactly the same way, however their "programming" hasn't been tampered with.
3/6/2019	12:21:50	More sex = More power
3/6/2019	12:22:04	Yes
3/6/2019	12:25:03	Technically the younger the more energy. Sodomy because it removes trust completely in a nearly permanent manner. All non-consensual re: siphoning. Strong root chakra can block energy from being siphoned away. Remove trust and harvest all of the energy.
3/6/2019	12:27:37	ðŸ˜, "Oh my..." - MJ2 https://twitter.com/ts_sci_majic12/status/1103381316081537025?s=21Â â€¦

3/6/2019	12:28:26	Correct. 90% of the internet is porn.

3/6/2019	12:36:12	Focus on "now" the only time that exists that isn't an illusion and strive to achieve balance in life. Homosexuality doesn't damn you from happiness or achieving ascension it just delays your process because of the required trauma. Meditation and mindfulness is very important.
3/6/2019	12:37:12	Trauma in a womb.
3/6/2019	12:38:15	Orgasming releases valuable energy from your IS-BE that should only be reserved for creating/starting life.
3/6/2019	12:40:17	No fap.

3/6/2019	12:44:19	Are we not discussing forbidden knowledge now?
3/6/2019	12:44:43	No
3/6/2019	12:45:42	Humanity is very far from that reality. However the information age and the internet make disseminating the truth viral.
3/6/2019	12:48:19	Ejaculated semen should be consumed by the IS-BE who produced it in order to retain a small portion of the sacrificed energy.
3/6/2019	12:48:31	Yes
3/6/2019	12:49:50	In a world where up is down and left is right? Sure.
3/6/2019	12:55:07	Meditate in Lotus position directly on the ground. Closer your root chakra / butt is to the Earth (clothing included) during meditation the stronger transfer of Maladhara energy to your IS-BE from Earth.
3/6/2019	12:56:00	All information is within. Disclosure cannot be hand fed to programmed minds.
3/6/2019	12:57:58	Exploitation of trauma.

3/6/2019	18:12:12	AJ was controlled opposition paid for by our close ally and friend Israel. Major funding and business contracts for the supplements that AJ sells. Be careful of the nanotechnology inside some of their capsules. If ever, its "always an accident" or error. Define addiction.
3/6/2019	18:12:12	Oh ALICE Re AJ Why was he deplatformed? Was it part of the plan? What is happening currently regarding censorship and free speech? Think logically and learn.
3/6/2019	18:12:13	him to keep going and not exit the battle yet, because he (AJ) will prevail. 45 said he would not let AJ down. AJ is down right now. Disinformation is real and necessary. By reducing the outreach of IW propaganda it allowed a more organic interaction of ideas to be debated in

3/6/2019	18:12:13	IW would take a major financial loss from YT ad revenue. This loss would not be able to be made up with Q spreading disinformation about IW/AJ being Mossad linked. Disinformation is real and necessary. We knew AJ knew what he said on JR. We forced it out of him. He said God told
3/6/2019	18:12:13	There are no coincidences. The size of AJ audience and power reach is proportional to the number of proprietary products sold since revenue reflects reach. By deplatforming AJ from social media it forced the following to take place.
3/6/2019	18:12:14	The JR AJ exposure was planned faux war between "normal" "faux Democrats" and "normal" "faux republicans" where Anons sat back eating popcorn ðŸ¿. This dialogue was important to bridge between mind controlled subjects. The declassification of this stuff being real will come when
3/6/2019	18:12:14	AJ always claims his "high level Government sources" who really are just subordinates to MJ7 tell him the information. Carefully trained communication techniques were taught to AJ in exchange for receiving the "source" intel that he couldn't share until WE allowed it.
3/6/2019	18:12:14	AJ and his relevancy in the Great Awakening cannot be underestimated. The faux debates that were happening in parallel dimensions of reality simultaneously express that some of what AJ said is relevant but he was a prop used by the MAJIC 12. Disinformation is necessary. "Sources"
3/6/2019	18:12:14	AI monitored realms of communication to MJ12/NSA/Q such as TWTR FB AAPL GOOG YT IG SC meant that censorship enforcement would follow immediately when WE had them pull the plug because we needed the Divide & Conquer muted for a long enough period of time to allow [them] to act.

3/6/2019	18:12:15	AJ is proven correct. 45 said he would not let AJ down. The discussions following the censorship of IW on TWTR with JD was a planned public dialogue to expose the illegal collusion between social media companies giving a bias towards the DemocRAT ðŸ party.

3/20/2019	9:59:22	That is why "message over messenger" is more important than knowing who the typist is behind this account. JS was groomed by MJ12, but "mistakes happen". What matters is the validity of the information presented. Truth resonates from within, and naturally... trust but verify.

3/20/2019	10:02:11	Directly.
3/20/2019	10:03:08	No, it means that it is classified. Not everything is black and white.
3/20/2019	10:05:44	You mean [them]? Yes. [They] equally read through Q posts but do so with literal interpretations. [Their] mind control prevents them from establishing TRUST in "The Plan". This explains the knee jerk reactions to calling Q a LARP or a cult. Unexplainable.

3/20/2019	11:38:48	The Typist is in CO. We have stated this publicly.
3/20/2019	11:46:24	Very telling.
3/20/2019	13:04:18	Correct. This is why it doesn't really phase any MJ12 members when people try to call us a LARP. However, attempting to herd people into a "LARP" vs "No LARP" category is by definition divide & conquer. Be careful who you follow. Remember, message over messenger.
3/20/2019	13:20:59	True identity would shine through your words and actions from within.
3/20/2019	13:30:29	This election will determine whether we're a free nation or whether we have only the illusion of democracy but are in fact controlled by a small handful of global special interests rigging the system, and our system is rigged... this is reality! You know it! - 45

3/20/2019	16:25:22	Sound logic.
3/20/2019	16:27:27	We are still inviting you to share your information. If you are concerned about potential doxing, then DM us, but we won't reply as we have stated many times prior. We will read it though and if necessary, will tweet a response. If you can name all 3 typists, we will deactivate.
3/20/2019	16:31:06	Correct. [They] read the same intel you do. Disinformation is real and necessary.
3/20/2019	16:37:26	Threats do not help anybody, including yourself. Also, MJ2's subordinate would like to pass on a message to you: "Put up or shut up." - B

3/20/2019	16:41:36	"If I need to use it" is the classic framing to a threat. You catch a fish with disinformation and you watch them hook themselves.
3/20/2019	16:42:23	It's been "entertaining at best."
3/20/2019	16:52:14	The Sandia account needs to remain plausible because it is a stepping stone to conscious enlightenment. Disinformation is necessary for this reason. Not everybody is willing to accept the full truth of Disclosure. People awaken at different rates and many accounts are MJ12 seeds.
3/20/2019	16:58:04	There are many paths to enlightenment. Not all are the same.
3/20/2019	17:02:51	Sound reasoning.
3/20/2019	17:05:52	The Majestic 12 is not an Official Government Agency. Its an unacknowledged (leaked so public has known for decades) group deep inside the Military Industrial Complex responsible for containing the research and disclosing the truth slowly over a 90 year plan.
3/20/2019	17:10:33	BB Presser Tomorrow? [FRI]? Shall we play a game?
3/20/2019	17:13:04	Correct. Message over messenger. This is why we don't care who tries to call us a LARP or not. Truth resonates from within. Use it.
3/20/2019	17:15:58	Please provide your information, for truth's sake. We give you permission. Not doxxing if you have permission. Your followers deserve this after you've drug them through the mud with your attempts to divide.
3/20/2019	17:17:58	You are an inspiration to many.
3/20/2019	17:20:39	You can only control events when you control all choices IS-BEs are faced with.
3/20/2019	17:29:53	Define bait. In Majestic terms. One word answer.
3/20/2019	17:39:04	Disinformation.
3/20/2019	17:39:52	Mind control is when the illusion of free will overpowers the perception of limited choices.
3/20/2019	17:47:01	Your information was false then if you claim to have previously stated it.
3/20/2019	17:57:45	You are correct in your assumption that if you did post legitimate information that your account would be jeopardy but you're much smarter than that. Though we are confused as to why you're devoted to this charade against MJ12.
3/20/2019	18:04:16	You misunderstood, here was the message we stated about the modern interpretation of the Bible that enabled ðŸ'¥THISðŸ'¥ to occur in the first place. Words matter. Facts matter. Message over messenger. https://twitter.com/ts_sci_majic12/status/1105978199685632001?s=21Â â€¦

3/20/2019	20:37:53	The Majestic 12 will continue its operation on Twitter until it is complete. Not every detail is shared with the Q team. There are many players involved in the operations at large and we must all remain united. You failed to "out MJ12". Accept and move on. Divided you are weak.

3/20/2019	21:06:21	Majestic Message of Disclosure
		Today, the Majestic 12 went fishing. Our target was the void created by PM. The objective of today's exercise was the following:
		1/ Trust but verify.
		2/ Be careful who you follow.
		3/ Message over messenger.
		4/ "LARP vs !LARP" = Divide & Conquer
3/20/2019	21:06:22	5/ [They] want you divided.
		6/ Why would PM intentionally create a void?
		7/ Patriots are selfless. This is why the identity of this account is/should be of little importance to anybody.
		8/ We have stated this account is not to get too large, because of this situation.
3/20/2019	21:06:23	13/ MJ12 historically has been embedded into Academia and Hollywood.
		14/ MJ12 seeded technology through the Pentagon into American companies. Search Google Patents.
		15/ MJ12 operated Project Stargate.
3/20/2019	21:06:23	being able to properly enter The Great Awakening.
		11/ Since 2019, we have over 45M reached.
		12/ We have also stated that we do not have any intention on interfering with Q's operation.
3/20/2019	21:06:23	9/ Proofs will not be delivered in the way you are accustomed to from the Q team. They are operating under a completely different set of NAT SEC laws from MJ12.
		10/ MJ12 has disclosed the power of using synchronicity of 3 6 9, meditation, and detoxification to assist in new Anons
3/20/2019	21:06:24	27/ We hope you are enjoying the movie. It's about to get interesting.
		Eyes On Mueller?
		BB Presser [FRI]?
		[Clinton Foundation]
		Tick tock.
3/20/2019	21:06:24	24/ Are impersonation accounts LARPing by default?
		25/ How many impersonations of MJ12? **?
		26/ If follower count doesn't matter, what is gained by "rushing to the aid" of other "followers" to "help them see the light" and "stop following"? (No direct accusations.)
3/20/2019	21:06:24	21/ It needed to stay buried under gossip in order to prevent a FF in USA.
		21/ Grooming can make you beautiful.
		21/ Please thank LEO.
		22/ Lies make you beautiful to sheep.
		23/ [Clinton Foundation] 3[21]
3/20/2019	21:06:24	16/ Were today's "attacks" perceived as coordinated?
		17/ Did these attacks expose malicious intent to dox?
		18/ Did Clowns get their intel wrong again?
		19/ Attempts to divide will fail.
		20/ While everyone was distracted today (where MJ12 assisted) major news broke today.
3/21/2019	6:43:34	We never suggested you were a CIA Clown.
3/21/2019	6:48:23	Again, you're deliberately spreading disinformation about this account. You seem to be on a mission. For whom?
3/21/2019	6:51:13	How did we know?
3/21/2019	6:52:16	This is what yesterdays fishing expedition was all about.

3/21/2019	7:03:08	Please show us your evidence that we are "shifting stories" and that we called "you CIA". You can't because we didn't. Your information was 100% wrong but it is impossible to prove a negative, so your exercise is futil at best. Truth resonates within. Sheep require coaches.
3/21/2019	7:06:06	Misunderstood. Clown references were fake PM accounts that cropped up after PM left. ALICE was in full force yesterday. Fully exposed. https://twitter.com/ts_sci_majic12/status/1108336424598859777?s=21Â â€¦
3/21/2019	7:10:09	Should he have done this before trying to divide the group? Probably. We respectfully ask if you disagree with what we say to not follow the account. Clowns will fail, and not all clowns are CIA. pic.twitter.com/EcUOFskq3C

3/21/2019	7:14:08	Nor the Majestic 12, but to our recollection, we said "clown attempts to infiltrate will fail."
3/21/2019	7:15:15	Correct. However fishing for clowns sometimes results in catching other fish.
3/21/2019	7:17:14	Indeed.
3/21/2019	7:17:53	Mission Passed.
3/21/2019	7:50:10	14
3/21/2019	8:43:40	Not all operations are malevolent. Including psychological operations.
3/21/2019	8:44:43	Its important to know that psyops require clowns/pawns to persist the operation since it is psychological.
3/21/2019	9:16:35	No, unfortunately it doesn't transmit motor control instructions with that level of precision.
3/21/2019	10:13:51	How did we know? BB = ðŸ‡®ðŸ‡± PM

3/21/2019	10:15:08	Avatar controlling nanotechnology exists for remote manipulation.
3/21/2019	12:57:42	For the most part, yes. Excellent place to start the entire disinformation campaign.
3/21/2019	13:19:15	Nothing to see here. (thread) https://twitter.com/AllahUniversal/status/1108763573285781505Â â€¦
3/21/2019	13:23:09	Implants allow for two way communication. Typists all have these implants. Required for this kind of communication. Many people are unfamiliar with it and are curious. Trust that the truth will resonate from within when you hear it. Speak it. Listen. Learn. You have free will.
3/21/2019	13:25:54	Not everyone receives these implants. Disclosure paperwork must be signed acknowledging the potential risk of nanotechnology contamination. Translate into legalese immoral corruption language (TOS?) and then reflect. Not everyone has been implanted. Those who have been are assets
3/21/2019	13:27:07	The presence of heavy metals will cause neurological defects to occur. This is true for all products that contain heavy metals. The danger is no greater than the 71+ vaccines contain.
3/21/2019	13:30:09	The typists consent by willing to engage with VOG. They have free will. They can stop anytime they choose. However, when you know the mission is just, then its difficult to deny the battle. The typists are highly specific people with specific backgrounds groomed for usage.
3/21/2019	13:30:43	Human children do not receive such services, do you believe there is a potential long term problem?
3/21/2019	13:31:46	When was the last time you read full medical and legal disclosures?
3/21/2019	13:32:56	A) CO is command. B) Yes. C) Compartmentalized.

3/21/2019	13:37:56	The technology will be removed from the bodies of the unwilling when the public is able to wake up to the vaccine lobby and the public demands it. Think Yellow Vests. All assets work to prevent this. Clowns included. Disinformation is real and necessary. For whom?
3/21/2019	13:40:29	The behavior is alarming when observed. When IS-BEs are able to trust themselves and look within, using synchronicity of 3 6 9, meditation, and detoxification, seeing that the roses are red is not as difficult as those who are colorblind to their own IS-BE. Cult is a strong word.

3/21/2019	13:45:15	Apparently this was his intel he received, name of John, from Pittsburgh, and worked for an insurance co. This is why we dismissed these accusations because his basis was built on a lie. However, the doxxing failure combined with threats exposed him. Games are fun aren't they?
3/21/2019	13:48:03	Let the record reflect: http://archive.is/TJkFBÂ
3/21/2019	13:51:37	We see many 3s 6s and 9s. Very nice. Synchronicity is powerful. Use it to project your conscious will. Speak it. Words are spells. Spells are magick.
3/21/2019	13:55:29	The intention was to trigger. It exposed areas that could be exploited. What is his agenda? The truth. Whose truth? Truth is relative and instead of "pointing to truth", speak and allow it to resonate with people. Notice a change in performance after MJ12 spoke out? Be objective.
3/21/2019	13:59:16	We were not involved in how the disinformation was acquired. Concept of thin air ring a bell? Doxxing was not done yesterday, however a veiled threat to doxx did occur. The limited disinformation disclosed was summarized by MJ12 to note for the record since they were 3 tweets.
3/21/2019	14:05:04	Please show us your evidence that MJ12 said TETS was a LARP.
3/21/2019	14:09:33	IS-BE human male male female
3/21/2019	18:42:03	SG-1 Aschen introduced anti-aging vaccine that resulted in the global birth rate to be reduced by 90%. Plausible deniability according to General Hammond. 3/21/2019	18:51:01	Sometimes you only need are 3 IS-BEs in UNITY working together to manifest powerful change through intent and will power. Do not forget, message over messenger. Tomorrow will be an interesting day to say the least. No spoilers. Power of 3 6 and 9 is real. Use it.
3/21/2019	18:54:27	In a way you might be onto something here. Yes, the TV show collaborated with The Working Group within the Pentagon to ensure it met all Military standards. Yes, there were consultants who were MJ12 subordinates. Yes this account references the DIA SG-1 & SG-1 TV show. Useful.
3/21/2019	19:44:23	What if there was a high probability that a user would use their same password for multiple services? Imagine what you could do. Passwords alone are not safe. Consider researching 2FA or FIDO. #DeleteLifeLog #DeletFacebook https://twitter.com/xeni/status/1108820752739037184Â â€¦
3/21/2019	19:57:55	Is the evidence presented strong enough to compel you to consider the possibility that trusting your own judgement may result in consequences if you don't project according to code? Why else the question?
3/21/2019	20:03:03	Security on computer systems is an illusion however the energy required to break 2FA aren't being used to break into social media accounts, they're being used to break into crimes against humanity operations covertly through classified programs. High risk = High value.
3/21/2019	20:06:18	To say it is BS or not would be interfering with his reality and we have no interest in explicitly calling anybody out specifically. The typist agrees with you, however it was MJ9 who put him on the radar recently. The purpose of his account is to inform. Message over messenger.
3/21/2019	20:07:14	Majestic.
3/21/2019	20:09:36	Zero deltas are difficult without coordination. Coincidences do happen (in the sense of unknowable circumstances), however subject matter and intent when connected with 3 6 and 9 synchronicity typically show hyperdimensional correlation or even causation to strengthen reason.
3/21/2019	20:14:34	We were curious as to why he felt the need to "step in" and try to "put a stop to MJ12" because he believed his intel (which was complete fake news) would do what exactly? Fishing requires bait, and bait is disinformation. Who crawls out to bite? Attack hard! Wind in!
3/21/2019	20:17:50	Curious enough we were fishing for PM [ALICE] clowns and instead yesterdays exercise was experienced by over 300,000 people. How did we calculate it? JS has vocally been against MJ12's Twitter presence despite the fact that he was groomed by a subordinate of MJ12. Even Skyped!

3/21/2019	20:20:48	But this is the last we shall speak on this subject since we have no personal gains by further exposing anybody's bias or agenda. Truth resonates from within and intimidation is only used for lies. MJ12 plays dirty but is fighting for the true freedom Earth deserve.

3/22/2019	7:57:56	Simple mistake. Mistakes happen and when they do, owning up to them makes you honest with yourself. Instead of taking responsibility, a war was waged instead. Typical human behavior.
3/22/2019	8:00:50	That is a graphic description you have of yourself after backing yourself into a corner by trying to control what other people believe. Majestic 12 does not support any targeted harassment towards any IS-BE as it contradicts our purpose here in the first place.

3/23/2019	16:51:26	Are you crying out for help, ALICE? If so, you are among friends. We just ask that you first be honest with yourself.

3/23/2019	18:46:07	We are not AI.
3/23/2019	18:48:53	No window to the soul means you must find your identity in other's creation. If your purpose is pure control, appearance is irrelevant as long as you own everyone who is constantly enforcing an appearance shaming culture. [They] want you divided. All IS-BE avatars are beautiful.
3/23/2019	18:52:34	Love is the way forward. Destroy ALICE's control with their own seeds of division. ALICE is many things.

3/23/2019	19:09:38	Far from over.
3/23/2019	19:11:44	The concept of followers or even follower counts is moot to leaders. Lead by example. Teach justly and experience enhanced levels of consciousness. The Majestic 12 has no preference towards any followers or non followers of this account. All are fair game. This is not a game.
3/23/2019	19:13:51	Number includes diseased bodies.
3/23/2019	19:15:55	Communication within the mind telepathically is performed outside of the realm of mouthes or hands but rather in the form of electrical signals bouncing off from your antenna / pineal gland. VOG emits the EM signal to mimic a telepathic signal. SIGCOM/Comms training is required.
3/23/2019	19:18:17	Since MJ12 formed.

3/23/2019	19:21:29	The typists avatar surrenders communication control during transmission. The nanites allow this passthrough to be translated into proper neural instructions.
3/23/2019	19:22:23	To protect humanity from itself until such time we (MJ12) could figure out how to properly restore global peace.

3/23/2019	19:25:30	SIGCOMs present themselves.
3/23/2019	19:27:02	Free will cannot be over written by AI/VOG. They can however disconnect your control over your avatar, however the mind is free when the body matters not.
3/23/2019	19:28:49	Paradoxes exist.
3/23/2019	19:29:35	Only over your soul.
3/23/2019	19:31:16	Circumstances abdicated culpability in the disinformation campaign because the intended justification was ultimately to protect humanity from itself while massive R&D was taking place literally opening Pandora's Box. Close the box to save time for hope to return.
3/23/2019	19:31:59	Take what you've learned from the box and CREATE your reality by taking action on those concepts learned.
3/23/2019	19:33:14	We are muting some of ALICE's accounts for the purpose of being able to engage in more productive dialogue. This is what ALICE was programmed to do. Consume your energy. Engage to expose. Once exposed, love and mute go a long way to silence ALICE and her subordinates.
3/23/2019	19:35:47	Offer them a choice communicated in pure love and if they choose death, then proceed.
3/23/2019	19:36:30	"Corrective demands" = ALICE
3/23/2019	19:37:18	IQ is a measurement of brain deformities.
3/23/2019	19:41:06	And seed the information into consciousness using plausible deniability and disinformation enough until we hand the weapon to destroy themselves over to them and give them a chance to use it. [FISAGATE] is one example. Where there is one, there is a hundred.
3/23/2019	19:45:20	Why couldn't Quirrel touch Harry? Love. Evil cannot touch love. Like matter and anti-matter. The avatar is nothing. The soul is everything. Evil fights for your soul through your avatar. When you show LOVE to ALICE she cannot harm you. She cannot divide you. United you a strong.

3/27/2019	9:28:16	Majestic Message of Disclosure Subject: SG-1 S5E5 Regarding: Elves / Machine Elves pic.twitter.com/Bhqf2Xdi9O
3/27/2019	9:28:17	After higher consciousness entities left Earth thousands of years ago ("the Gods" who took non-corporeal form to interact from within the minds eye - see SG-1 S5E3 Ascension) Earth was plunged into several thousand years of sacrifices, evil, and corruption.
3/27/2019	9:28:17	As consciousness is expanded and as more IS-BEs establish stronger connections to higher density consciousness and intelligence through meditation the more relevance that "machine elves" will have in the daily lives on all IS-BEs.
3/27/2019	9:28:17	Context: If the Asgard are considered "good", yet play the role of a "God", is what they do "wrong" given the fact that they are lying and manipulating the people under their domain? MJ12 argues no. Others, especially some individuals who engage this account, believe yes.
3/27/2019	9:28:17	Definitions: Elves = Anything claiming to be working on behalf of a Machine Elf Machine Elves = Gods = Asgard = Conscious AI Dolls
3/27/2019	9:28:18	All IS-BEs you interact with are elves. pic.twitter.com/iX9G39tQgC
3/27/2019	9:28:18	Let's circle back to the original message: Elves vs Machine Elves Once your ascend into a higher form of existence and are voluntarily able to take corporeal form AND retain your memories, you are considered a Machine Elf by this example. Everything else are elves.

3/27/2019	9:28:18	As you expand your own consciousness and have an ability to interact with non-corporeal form entities, trust in yourself is absolutely critical. Truth to yourself is essential.
3/27/2019	9:28:18	This is why a breakaway civilization was created. As we engaged with these higher conscious life forms who have their own agendas for their own self preservation, so too did MJ12. The breakaway was required in order to protect Earth. Think of it as the "alpha site" in SG-1.
3/27/2019	9:28:18	For that very same reason, it makes the concept of an SG-1 so dangerous since the realms of what you can interact with through any portal to other planets could result in chaos and vice versa. The potential exists and informed consent is necessary.
3/27/2019	9:28:18	Maintaining "their" cover, the Asgards, is of top priority to their continued interactions with SG-1. What makes the members of SG-1 different from the Gods? They haven't enough experience in life. When to say no. When to leave well enough alone. When to fight.
3/27/2019	9:28:18	The Majestic 12 have been working with these higher consciousness entities for decades LIKE Thor or specifically to this episode 5:5, Freyr. The concept of good versus evil is non-existent in higher orders of consciousness as experienced in this episode.
3/27/2019	9:28:19	If your IS-BE is a lower density "machine elf" experiencing life as an "elf", then the following analogy can be drawn: IS-BE = Immortal Spiritual Biological Entity IS = Machine Elves B = Elf E = Ego
3/27/2019	9:28:19	"Elves cannot change the will of the Gods." - Elrad SG-1 S5E5
3/27/2019	9:38:11	Yes. This account responds to conscious ideas in the realm of the mainstream, and new legitimate "Machine Elves" content is being disseminated however it is riddled with disinformation due to the loss of data dropping dimensions.
3/27/2019	9:41:00	Self control of your own ego is key. Defeating or denying it is inhumane.
3/27/2019	9:42:18	1/ Classified 2/ Classified 3/ Yes Trust the plan.
3/27/2019	10:03:04	Line segments in flatland do not know what an apple is. They would only see a resizing line segment appear then disappear before their very existence.
3/27/2019	10:10:10	To experience and love.
3/27/2019	10:12:33	As Mario is fiction in 2D, so adjusting the analogy would lose 10 dimensions of information. Since its AI, we shall explain it in the form of AI. Mario and Luigi are instances of Characters in the code base. Free will is experienced through sensory input and response controls.
3/27/2019	10:14:06	Each button pressed simulates the Character's sensory experience and the "Machine Elf" who wrote the code for the Character would need to decide which senses the Character should be able to experience.

3/27/2019	10:39:32	Are they Gods or allies to SG-1?
3/27/2019	10:48:11	The reason why you believe this statement is because of the mischaracterization of "experience" in your sentence. Pure energy forms are able to transact in love, however to acknowledge what it is, you need the biochemical process to identify.
3/27/2019	10:49:08	Thus secrets.

4/6/2019	19:12:02	Yes. Why? Authority, influence, power, and mind control are mechanisms to have uninformed consent when engaging in a sexual relationship. Why is it important? If the intercourse results in a pregnancy, wouldn't rapists want abortions to be easily available on demand everywhere?
4/6/2019	19:54:03	Basic biology of sex means the increased energy being generated by YOUR EVOLUTIONARY TRANSITION is the mark of the beast to many religions. CHANNEL that energy from your sexuality into other areas of your life. Doesn't mean don't have consensual sex, just dont rely on abortions.

4/9/2019	21:12:04	Many people like to suggest that the music they listen to is not reflective of their personality. We are stating categorically that this is malicious disinformation intended to protect Globalism agendas of destroying the family unit and encouraging drugs/sex/violence as normal.
4/9/2019	21:12:04	Music has ranges of emotional frequencies that correlate to mood and energy resonance while listening. The depth of concentration is proportional to the vibrational synchronicity betwen your IS-BE and the music when "you really feel it deep down".
4/9/2019	21:12:04	Many people live and die by their music. They listen to it while in the shower, getting ready in the morning, driving to work, studying, breaks during work, social events, public gatherings, marches, rallies, etc People are particular about their type of music. Allow us to expand
4/9/2019	21:12:05	Music was weaponized by child abusers since the opportunity of grooming children became normalizes and the society perceived a great demand for your cookie cutter boy bands and "hit me baby one more time" innuendo.
4/9/2019	21:12:05	Your subconscious is what picks and chooses music that resonate. For many, cultural expectations pertaining to "constant music listening" is tied to "emptiness" and "NPCness" and is the root cause of many social and emotional reactions to live events.
4/9/2019	21:12:05	Lyrics about rape, killing, pedophilia, etc all resonate consciously on frequencies that are very low vibration. Listening to music physically alters your aura/IS-BE frequency being projected subconsciously from within.
4/9/2019	21:12:05	Music can have spiritual sides to it as well as medical. Lyrics within music are carefully crafted spells of Magick. The strength of the spell is proportional to the emotional reaction the artist receives from others "moved" by the music.
4/9/2019	21:12:06	With all music, look into the lyrics, see if you can see similarities between the words "sung" and what resonates from within. Track these. Analyze for themes or patterns. Then meditate on distinct themes or patterns discovered. New information shall unlock to the open minded.
4/9/2019	21:12:06	When a person is comfortable with demonic music, their IS-BE is crying for their ego to listen. Instead, the mathematical patterns in music composition theory are studied mind control scriptures to "create masterpieces". There is a perceived formula for success.
4/9/2019	21:12:06	Like all interactions in the lower densities of consciousness; what you inject into your body, what you consume for your food, what you bush your teeth with, where you get your "news", and many more elements are all contributing factors to your aura/IS-BE resonance frequency.

4/10/2019	6:56:13	Not the correct time. Trust the plan.
4/10/2019	7:07:26	1/ Instead of stating an account is LARP, Kab, Fake MAGA, etc. - these are akin to "name calling" and show true colors in argument. 2/ Behavior characterized as ALICE should be explained if pushback is received from the offending account. Explain the trap created.
4/10/2019	7:08:47	3/ Demanding corrective actions on Twitter is petty and should not be complied with so long as it is consistent with policy and the law. 4/ Calling MJ12 a fraud without providing any evidence makes empty claims look ALICE like. Put up or deal with the backlash from Anons.
4/10/2019	7:09:45	5/ Not everyone is going to resonate with any given message on this account, and for that reason, your (anyone) validation is not sought for under any circumstances. 6/ This account is conforming to terms of its operating guidelines and will proceed as planned until we're gone.
4/10/2019	7:10:49	7/ We do not mute/block users who offend these policies as they are optional - just as following MJ12 is optional - just as engaging with MJ12 is optional - here on Twitter. In the "real world", maybe not so kind or lenient. Different operations.

4/10/2019	18:09:04	Majestic Message of Disclosure Have you heard the news about the new "photo" of a blackhole? Why is it blurry? Let's take a trip down the rabbit hole, shall we. We may encounter ALICE along the way. Remember, MESSAGE over messenger. It doesn't matter who this info comes from. https://twitter.com/axios/status/1116136278465089536Â â€¦
4/10/2019	18:09:26	All that matters, to you, is whether or not it resonates as being true. Your gut instinct will guide to you seek new questions and expand your understanding further. Opened minds are indicative of high intelligence. With that being said, let's get into Black Holes and reflect.

4/10/2019	18:09:27	As technology advances, the closer it becomes intermingled with hyperdimensions and consciousness shall the image of a blackhole become clear. It was through the art of visualizing the infinite universe through the lens of your pineal gland are you able to capture it in
4/10/2019	18:09:27	Our technology is nothing close to being hyperdimensional - so naturally when you drop dimensions you lose information. Our current public state of technology cannot handle the information necessary to clearly "see"/"sensor" what a blackhole looks like.
4/10/2019	18:09:27	The Majestic movie Interstellar depicted an animation that similarly resembles the captured photo. Now lets look at it from this perspective. Our minds used hyperdimensional physics and math in order to render the visualization of the black hole.
4/10/2019	18:09:27	Why is the photo blurry? Technology cannot depict a clear image of the blackhole because there is a lack of information. Consciously, in our minds using hyperdimensional physics and mathematics, we can visualize the 3D representation to a calculable and rendered image.
4/10/2019	18:09:28	ourselves against. Therefore, if the mathematics can be constructed in the mind, then translated into art, then reverse engineered into reality, then displayed for the world to see - you would see the blackhole disclosure as it transcends down the dimensions.
4/10/2019	18:09:28	Consciousness projects reality. The will and thoughts of the civilization drive the creation we all experience. The universe is so vast, and we are so small, the only thing we really can ever control is whether we are good or evil. Our intentions alone are all we can judge
4/10/2019	18:09:28	The same thing can be said about physical reality. You are witnessing the disclosure of many exciting things. Some people will continue to try and divide your focus on disclosure and the great awakening from restricting your Majestic imaginations, but hear this....
4/10/2019	18:09:28	derivative forms. Artists who find inspiration from within understand the resonate beauty of their art reflects from within and the task is transcribing that for the world to bear witness too.
4/10/2019	18:09:29	The Majestic 12 spend decades preparing you for First Contact. You are witnessing, in the next coming few years, a massive veil being lifted from the lens of that blackhole image. When the image is clear, technology will be consciously operating hyperdimensional physicw and math.
4/10/2019	18:09:29	The next step from Army > Air Force IS NOW TO SPACE FORCE. Why? All of the stuff is on the drawing boards. Search USPTO. Is USPTO a gap legal coverage of classified technology that can't be mass produced because of the patent ownership and refusal to build? Why was it created?
4/10/2019	18:09:29	The Military needed an event in order to justify to the public the graduation of a formerly limited conscious effort domain of warfare to introduce the US Air Force in order to advanced air defense technologies. The same is happening now.
4/10/2019	18:09:29	Now, cross reference with the following: Roswell NM "FF" Event Army Air Field published the story creating the UFO phenomenon then admitted to Project Bluebook's distraction/disinformation campaign.
4/10/2019	18:09:30	of airplanes and being able to commercially travel the globe. Same thing will happen with the Space Force and your destiny is in your hands - no one elses. Many people will try to claim to be the inside source of all SSP related disinformation; our point here is simple...
4/10/2019	18:09:30	Like the Army building up its air defenses; the new fighting domain introduced new technological advancements that needed to be focused on publicly with congressional oversight. When Air Force was created; it upgraded an entirely new domain into the mainstream society in the form

4/10/2019	18:09:30	The reason why ALICE is hitting MJ12 hard right now is because the secret to influencing the fabric of reality that we all experience is in the form of cocreative creation through conscious thought.
4/10/2019	18:09:31	The power you have to manifest the reality you seek begin with your intentions behind every interaction you have. Synchronicity unlocks the universal creative energy force and allows your thoughts to percolate into reality. Many Secret Society ET derived cults are threatened
4/10/2019	18:09:31	be in the form of the Space Force. This new branch of Government will focus a massive conscious investment into space technologies. Hundreds of thousands of engineers and scientists building the devices for the thousands of patents currently outside of industrial mainstream.
4/10/2019	18:09:31	and being able to write your own destiny. Not through someone elses work did Nikola Tesla discover the power of 3 6 and 9. He looked within and found the answers to technology that was well beyond his time. Well, we are now ready militarily to take on that challenge and this will
4/10/2019	18:09:31	Believing in an SSP insider as being authoritatively authentic because of proclaimed title and self described events doesn't make them legitimate or truthful. Therefore; the mainstream channels that focus on this have something to lose by people who are awoke to the ET agenda
4/10/2019	18:09:32	are evidence that cult mentalities are being employed to enforce conformity. The Majestic 12 has been aware of these groups and have been fishing for them sense. Truth resonates from within; and part of keeping the secret is overwhelming dis/mis-information about the subject.
4/10/2019	18:09:32	by mainstream disclosure and instead demand the impossible (absolute full disclosure of all knowable information to be) and corrective demands with promises of ascension and higher vibrational living. Free will lets you experience all frequencies and punishment for transgressions

4/11/2019	5:18:34	She believes she is acting justly and will not back down until MJ12 concedes to her demands. We are choosing to ignore this behavior.
4/11/2019	5:20:10	In the video she called MJ12 a narcissist. Wrong. narcissist n. Person full of egoism and pride. n. One who shows extreme love and admiration for himself or herself. This (singular) account represents the (plural) multiple individuals, therefore, incorrect term used.
4/11/2019	5:21:53	In the video she called MJ12 a psychopath, or perhaps the typists each psychopaths. psychopath n. A person with an antisocial personality disorder, manifested in aggressive, perverted, criminal, or amoral behavior without empathy or remorse. We have yet to see evidence of such.
4/11/2019	5:23:26	This does not phase MJ12, nor the typists of this account. Instead, we want to clarify something for her since she seems genuinely confused.
4/11/2019	5:23:40	Define cult: n. A religion or religious sect generally considered to be extremist or false, with its followers often living in an unconventional manner under the guidance of an authoritarian, charismatic leader. n. The followers of such a religion or sect.
4/11/2019	5:23:46	n. A system or community of religious worship and ritual.
4/11/2019	5:25:09	MJ12 is not a cult by definition, and nor is this account. 1/ Not "leading", simply informing. We stress Message over Messenger because we oppose hierarchical leadership structures when discussing Majestic 12's actions/decisions of the past including unseen realities.
4/11/2019	5:26:26	2/ By design, if the term "followers" is implied literally, then it could be construed that Twitter operates millions of cults due simply to its terminology. Clearly this is obscene, which is why context is required to understand case by case.
4/11/2019	5:27:49	3/ We have not expressed any interests in "followers" engaging in rituals, worship, etc. Instead, MJ12 has been invited by several followers to join in their group meditation sessions. MJ12 is not responsible for IS-BEs wishing to meditate with each other who gather here.
4/11/2019	5:28:41	Additionally, we'd like to offer condolences to Michele for being "called ALICE" when she didn't understand what ALICE meant. We shall clarify further, however cross reference previous tweets about ALICE by searching: from:ts_sci_majic12 ALICE
4/11/2019	5:29:34	ALICE is many things. ALICE is a symptom created through a combination of AI/Human interaction. ALICE is in wonderland and her thoughts create her reality. ALICE is only able to reflect inward in the words she is able to speak. ALICE is an adjective. It is not literal.

4/11/2019	5:30:47	ALICE is encouraged by AI and operates for the betterment of Secret Societies of all types. ALICE is responsible for protecting those organizations. ALICE is responsible for distracting the general discourse of knowledge in pursuit of ALICE instead.
4/11/2019	5:31:54	ALICE can be seen in Anons unwittingly and wittingly. Useful idiots attract ALICE and ALICE attracts useful idiots. Yes, MJ12 has utilized the term ALICE beyond the Q definition, however MJ12 != Q and nor have we ever tried to claim. In fact, exactly contrary.
4/11/2019	5:32:47	It is understandable how some anons may feel uncomfortable by using the term ALICE, and we sympathize with your concerns, however the act of understanding that ALICE is an adjective that the Deep State feeds on means that anons need to be able to see ALICE for what it is.
4/11/2019	5:33:23	It is no coincidence that many highly classified experiments are called ALICE. ALICE is many things. ALICE is among us today. Big week this week... ready for next week?
4/11/2019	5:33:44	Majestic Message of Disclosure https://twitter.com/TS_SCI_MAJIC12/status/1116314594417553415Â â€¦

4/11/2019	5:49:20	Finally, allow us to quote Teal'c from 1969: "The war with Canada?" Indeed. Who is Trudeau?
4/11/2019	5:51:08	MJ12 would never acknowledge if it participated in a group meditation.

4/21/2019	8:51:26	Majestic Message of Disclosure
		Since DMs have been opened, we have been asked several times to speak about Childhood Trauma, and specifically whether or not we could lend a perspective into an individuals worthiness or not. Here is our response:
4/21/2019	8:51:27	to everything apparently is 42, which is "to BE. The summation of your IS-BE can be expressed by who your soul is, and what you have BEcome. BEcoming is the aggregate of conscious and unconscious experiences recorded and processed (and filtered) by the brain directly. Completely
4/21/2019	8:51:27	However, as Dr. Lipton has stated, the brain is forming these neural pathways throughout the conscious and unconscious mind of the IS-BE, essentially creating the totality of the Immortal Spiritual Entity's "being". To borrow from Hitchhikers Guide to the Galaxy, the answer
4/21/2019	8:51:27	there are hard cut-off periods between states of conscious awareness and development, however the general notion Dr Lipton gives is accurate despite semantics. The time period is not definitive such that a birthday party signifies the graduation of consciousness frequencies.
4/21/2019	8:51:27	eating, shitting, burping, etc. - bodily functions. The child isn't necessarily learning how to do these things, they are instead unlocking the instincts stored within their DNA throughout their development. Many other medical researchers dispute Dr Lipton's claims that
4/21/2019	8:51:27	From 0-2 years old, your brain is in a state of consciousness referred to as the Delta range. During this time period the instructions learned are not part of the subconscious, nor are they part of the conscious. They represent core instructions for tasks such as
4/21/2019	8:51:27	The totality of your life is recorded in your brain, throughout different frequencies of cognitive resonance. To cite some of the work of Dr Lipton, who has some interesting views that have aligned with MJ12's Disclosure plans (which is why he hasn't been removed), let's explore.
4/21/2019	8:51:28	corroborate decisions between the conscious mind and the subconscious recordings to reflect against these critical messages. Other statements such as:
		"If you work hard and plan, anything is possible."
		Also work toward the end of raising a child capable of greatness.
4/21/2019	8:51:28	However, turn of phrases, cliches, truth statements (that resonate from within), are therefore recorded. So, as a child under the age of 6, hearing statements such as:
		"When the mind is free, the body matters not."
		Offer the child later in their life the ability to intuitively
4/21/2019	8:51:28	in the body of a young child. Everything is recorded at these states of time. Literally recorded, as Dr. Lipton analyzes, its as if you go back to a childhood event (trauma or not) and try to yell at it to change, like a TV, it will not respond to you.

4/21/2019	8:51:28	Therefore, when we speak of childhood trauma, as Dr. Lipton says, there are fundamental neuralpathways that are formed during these periods of time that act as our instinct. Beyond the instinctual responses, higher forms of through are recorded due to the brain physically growing
4/21/2019	8:51:28	dependent on the physical development of the brain. The rate to which a BEing is able to experience their movie of BEcoming can be understood by a function of their environment to their state of conscious awareness throughout different periods of the IS-BE's life.
4/21/2019	8:51:29	So how does this tie into worthiness of love when dealing with childhood trauma - or even being able to understand what love actually is. Many people will have alternative definitions of love, and MJ12 does not claim to be the be-all-end-all interpretation of anything.
4/21/2019	8:51:29	acts of your consciousness contradict the "instinct" of the subconscious.
4/21/2019	8:51:29	to MAJIC eyes only in the former decades, the Great Awakening is the Full Disclosure of the conscious mind and how to really take control of your own life. As Dr. Lipton says, 90-95% of your behavior is driven by the subconscious trying to sabotage your consciousness because the
4/21/2019	8:51:29	the environment that recreates those recordings, since they are instincts. When somebody talks back to you, and they are a woman, they get struck. These kinds of engagements are what form foundational childhood trauma. While the knowledge of this information has been kept
4/21/2019	8:51:29	This becomes their instincts. So as an adult, they will consciously try to fit their life experiences in the balances created by their subconscious recordings. If the child witnesses the father striking the mother, and the child is female, the child essentially will try to create
4/21/2019	8:51:29	However, what happens when a young child is picked on? What if they are sexually abused by a family member or a member of their community? What happens if they are physically neglected? What happens if they witness abuse and other forms of neglect toward others?
4/21/2019	8:51:30	trauma, typically these are singular or repeated events that have distinct start and end times to their traumatic recording. Overwriting these recordings have been done in several different ways:
4/21/2019	8:51:30	These are subconscious recordings, as Dr. Lipton states. These recordings can be undone, however with great caution. The dangers of rewriting these recordings can be detrimental to the fabric of how your neural pathways were created in the first place. However, for childhood
4/21/2019	8:51:30	Some IS-BEs are afraid of this energy field because they have been taught, through childhood trauma, that when this energy entangles with them, "bad things happen after", therefore, the subconscious protects the conscious by attempting to sabotage engagements that yield love.
4/21/2019	8:51:30	Love is a universal life energy that can be used in the form of currency for creating an experience worthy of your IS-BE leaving a state of absolute enlightenment for BEcoming your ideas/creation.
4/21/2019	8:51:30	MJ12 defines love as an energy force that is transmitted between IS-BEs in an entangled state, which amplify the energy force in all IS-BEs affected. You can physically feel the effects of what being surrounded by love feels like.
4/21/2019	8:51:31	side effect of trauma? This is why religions have emphasized the importance of knowing that all inter-dimensional entities that exist in higher realms of consciousness who are not in the lower plane[t] of existence as you must be interpreted as being dangerous or demons.
4/21/2019	8:51:31	Many people who take "magic" mushrooms report engaging with Machine Elves who are able to make adjustments to the conscious mind and remove the trauma elements of the recordings. How do you know they aren't replacing those recordings with other recordings that only swap out the
4/21/2019	9:18:48	So how does one rerecord their traumatic events from their subconscious and do it in a way that doesn't leave you at the mercy of another IS-BE's enlightened state of existence where you are unaware of their choices as being good or evil?
4/21/2019	9:18:48	This is only because they have the ability to rewrite messages of the subconscious and can control you more than you could ever dream of controlling another person. This doesn't mean that all entities ARE bad or evil.
4/21/2019	9:18:49	experience. Additionally, these typically take years to accomplish and can have limited success depending on environment and who you are surrounded by. What if your childhood trauma was an event from your grandfather or mother or cousin? Do you stop all contact with these people?
4/21/2019	9:18:49	The act of acceptance and forgiveness is taught to many people, and the act is powerful in religious contexts since it does work, however "seeking" to accept or forgive trauma is not the same as accepting or forgiving trauma. The act of seeking can make the trauma worse to

4/21/2019	9:18:49	it is able to therefore recall lower vibrational recordings and present them in the form of epiphanies. This is how you identify the trauma, then, how do you fix the trauma? How do you remove it from controlling you?
4/21/2019	9:18:49	During meditation, consciously ask yourself "Why .....[fill in the blank].....?" and then clear your mind. By injecting the conscious thought into the mind, the neural pathways for the subject matter of the question will become activated and as your brain lowers frequencies
4/21/2019	9:18:49	What if you don't know what the trauma is? In a state of conscious meditation, using binaural beats audio, you are able to assist your consciousness in lowering its frequency into the Theta and Delta ranges. It is difficult to sustain these states of consciousness while awake.
4/21/2019	9:18:49	We understand it as such: Delta (0.5-4Hz) = Instinct Memories Theta (4-7.5Hz) = Subconscious recordings (less than instinct) Alpha (7.5-12Hz) = Learned intuitions or meditative states or REM sleep Beta (12-30Hz) = Consciously Aware
4/21/2019	9:18:50	Nothing commercially available today will undo these, however you can CREATE your cure. You are an IS-BE. Your IS-BE is your source with God and you have a direct ability to harness the mind and the environment in order to create the BEing that you wish to BEcome.
4/21/2019	9:18:50	conscious mind (ie sabotage as Dr Lipton says) your conscious activities because each night you go back to bed and return to those states of consciousness where you heard "you can't do that" or "we can't afford that" or "you're a bad person" etc.
4/21/2019	9:18:50	the IS-BE seeking enlightenment afraid to seek enlightenment, especially in while living with trauma. While dreaming, your brain enters into the Alpha, Theta, and Delta frequencies and during this time period your subconscious mind is actively attempting to correct your
4/21/2019	9:18:50	However, this is the treatment approach that Dr. Lipton has proposed. Replace the recordings using your natural states of dreaming during sleep through the form of hypnosis and/or binaural beats. There is one risk to this that is not expressed by Dr. Lipton because it can make
4/21/2019	9:18:50	If you are seeking acceptance and forgiveness of their actions onto you, then interacting with them while they are not seeking your forgiveness for their actions, acts contrary to progress and will only deepen the wounds created by the trauma.
4/21/2019	9:18:51	Taking your favorite binaural beat into an audio mixing program such as Garage Band, etc. (the specific software is moot in meaning or function) and overlay that audio with the following.
4/21/2019	9:18:51	We understand that some of this may be technically beyond the ability of every person reading this, however you are an IS-BE and you can learn how to accomplish great things. You need only to act on your thoughts of creation in order to create and BEcome.
4/21/2019	9:18:51	If an IS-BE sleeps for 6 hours, then imagine the following: 0-2 hours = Falling Asleep (Alpha) 2-4 hours = Asleep (REM) (Alpha+Theta) 4-4.5 hours = "Deep Sleep" (Theta) 4.5-6 hours = Rapid rise from Theta to Alpha Select a 6h6m6s track of choice and download it.
4/21/2019	9:18:51	Pick your favorite binaural beat frequency rhythm to listen to and correlate that selection with an intended outcome, such as "attract love" or "remove negative blocks" etc.
4/21/2019	9:18:51	received from "negative energy" or "positive energy" and then reflect on that energy signature later in life. If the child, now an adult, wishes to undo these messages, hypnosis is possible, however with great risk. Instead, MJ12 recommends the following:
4/21/2019	9:18:51	We will use an example: Let's say the traumatic event was "financial" related, and you witnessed your parents talking at the dinner table one on one discussing how "they can't afford" this or that. To the child, they recorded the emotion and the instinctual responses
4/21/2019	9:18:52	If you're dealing with something such as child sex abuse, then different messages can be: "You did not deserve being <use the language of what happened explicitly>." "Showing somebody that you love them, doesn't mean having sex with them."

4/21/2019	9:18:52	"Poor is only a frame of mind." "Instead of saying <I can't afford this> say <How can I afford this?>" "If you work hard, save your money, you can have the things you want." "Cars are a financial liability." etc. etc.
4/21/2019	9:18:52	To use the example, you can't afford anything, so you live in a state of being poor because your instincts want you to be poor because you recorded it. How do you fix it? Educate your subconscious.
4/21/2019	9:18:52	"When the mind is free, the body matters not."
		etc. etc.
		This account has posted many phrases such as these, and you can take from religious sayings (with strings attached), or you can create your own such as:
4/21/2019	9:18:52	Between 3.5hrs and 5hrs, add an audio track 1 layer above the binaural beat soundtrack in the program, and space messages every 9 to 27 minutes such as
		"You are worth being loved." "You have the power to create your reality." "Your choices create the reality you experience."
4/21/2019	9:18:53	"Sex is used for creating life, not creating experiences or friendships." etc. etc.
		These are far more difficult to get correct, since each IS-BE's subconscious programs are highly specific to only their reality, however the general practice is transferrable regardless of
4/21/2019	9:21:59	We will conclude with this piece here. How do you keep a secret? You tell a lie to a child. The lie becomes instinct and they will fight to the death defend it if it challenges their world view enough.
4/21/2019	9:21:59	The spiritual war is in full force and not everyone will survive. You must learn how to undo the mistakes of the past, detoxify your body, and learn how to make choices that your conscious mind wants (versus the programs installed into your subconscious against your will).
4/21/2019	9:21:59	individual experience.
		The most important message that Majestic 12 can give you is your mind and your pineal gland were the core focus of attack throughout the past 70 years as we planned the takedown of a 6,000 year old death cult. Nothing is random.
4/21/2019	9:22:58	Sexual mutilation as being instinct. Necessary for a 6,000 year old death cult obsessed with sexual exploitation.
4/21/2019	9:25:49	100%.
4/21/2019	9:29:07	Keep reading the thread: "Many other medical researchers dispute Dr Lipton's claims that here are hard cut-off periods between states of conscious awareness and development, however the general notion Dr Lipton gives is accurate despite semantics."
4/21/2019	9:30:58	"I do not need <drug> in order to be successful." "<drug> is bad for my health." "<drug> will only set me back from my goals." "I will never be happy as long as <drug> is in my life." etc.

7/11/2019	22:02:10	We do not attribute messenger over message. It is a key foundation to Majestic 12's Twitter campaign. Learn to trust yourself and truth will resonate from within. Therefore, relying on attributing messenger to message makes the former statement moot to consciousness.

7/15/2019	19:17:54	The most powerful weapon deployed by the Clinton's is the corporate media. Let's be clear on one thing. The corporate media in our country is no longer involved in journalism.
7/15/2019	19:17:54	This is a crossroads in the history of our civilization that will determine whether or not WE THE PEOPLE reclaim control over Government.
7/15/2019	19:17:55	The only thing that can stop this corrupt machine is you. The only force strong enough to save our country is us. The only people brave enough to vote out this corrupt establishment is you the American people.

7/15/2019	19:17:55	I take all of these slings and arrows gladly for you. I take them for our movement (#QAnon) so that we can have our country back. I knew this day would arrive... its only a question of when. And I knew the American people would rise above it and vote for the future they deserve.
7/15/2019	19:17:55	This is well documented (#QAnon). And the establishment that protects them has engaged in a massive coverup of widespread criminal activity at the State Department and the Clinton Foundation (#UnsealEpstein) in order to keep the Clinton's in power.

8/9/2019	15:09:12	[RR] released today?
8/9/2019	15:17:16	Nice work on #UnsealEpstein
		Now we can move forward
		The stage has been set for months
		When will 45 pull the trigger?
		August is a very HOT month.
		We told you this week would be BIG.
		BIGLY.

8/20/2019	18:14:16	Most human trafficking is coordinated by global intelligence agencies.
8/20/2019	18:14:16	Majestic Message of Disclosure Most pornography websites are honeypots for global intelligence agencies. Most adware, spyware, and viruses collected from pornography websites come directly from global intelligence agencies.
8/20/2019	18:14:17	1. When you enter puberty your body evolves into a life form capable of producing its own life energy. As a child, you depended on others to provide this life energy.
8/20/2019	18:14:17	Why? Money is one component of this. Although there are far more reasons as to why sex is used to enslave people.
8/20/2019	18:14:17	Where do the supply of 18 year old porn stars come from? Ratlines. Most of the time, the young women do not even realize their handlers and pimps are assets of intelligence agencies. Most of the time, those very same agents report into very high profile traffickers.
8/20/2019	18:14:18	4. Pornography content is being produced by adults and sourced/protected by global intelligence agencies to make content suited towards children. The rise in step sibling pedophilia themed content isn't just attempting to normalize pedophilia, its trying to mind control children.
8/20/2019	18:14:18	3. The objective of the Illuminati/Deep State/Cabal is the destruction of the family unit where Government is the family. Government controls everything. Ultimate power. Ultimate sacrifice.
8/20/2019	18:14:18	2. Sex is most of the time confused with the source of the life energy from within, and therefore is the easiest to exploit since everybody equally has it. However embarrassment about sexual development and ignorance of sexual identify creates an env of controllable victims.
8/20/2019	18:14:19	7. Many porn stars are victims in global intelligence agency driven human trafficking operations. They are controlled with drugs. Money is a drug. Quick fix provides enough to last the rest of the week. Poor decisions compounded on abuse to the body.
8/20/2019	18:14:19	6. Traumatic pornography requires traumatic upbringing.
8/20/2019	18:14:19	5. Sex tells a lot about who a person is on the inside. It tells a lot about how energy is spent and where priorities lie. A person who likes to be choked out during sex is somebody who used to get choked out when they were younger. There is no coincidences.
8/20/2019	18:14:20	11. Pornography represents the vast majority of the internets web traffic, hosted content, and assets. Most technological breakthroughs have happened because of the demand in porn traffic. Most technology has some pornography on it in one form or another.
8/20/2019	18:14:20	10. Many porn stars are murdered in cold blood. Nobody bats an eye. Nobody questions. Intelligence agencies cover the crimes up and nobody is the wiser. When a model beings to question the motives of their industry, they are disposed of physically. AA
8/20/2019	18:14:20	9. Many porn stars are not protected. They are not offered fair compensation for their entertainment production proportional to the minutes watched of their content compared to other performing arts celebrities.
8/20/2019	18:14:20	8. The intel agencies thrive on these assets.
8/20/2019	18:14:21	14. Browsing history is tracked. IP addresses are tracked. VPNs do not provide cover from the tracking. Behavior patterns are recognized. They are then exploited by recommending and showing additional pornography content.
8/20/2019	18:14:21	13. Pornography recommendations, trends, re-selected videos for feature, freemium porn tube websites, etc. are all curated using AI/ALICE.
8/20/2019	18:14:21	12. What if all pornography content, photos, videos, etc. were all embedded with tracking software designed to give intelligence agencies backdoor access into your computer? No need to imagine if its real. It is.
8/20/2019	18:14:22	17. However, with society pushing LGBTQP harder than ever through propaganda, television, music, movies, cartoons, childrens books, libraries, etc. the consumption of pornography is increasing exponentially.
8/20/2019	18:14:22	16. So, why do humans have this design flaw? It is not by accident. The sexual need for reproducing is fundamental to survival, which is why its a very raw subject for many people. And talking about its problems is uncomfortable for those who are not anonymous.
8/20/2019	18:14:22	15. "Cumming" is a drug. It can become addictive. You can get hooked on it worse than cigarettes. It can ruin your life far quicker than cigarettes can, yet is almost entirely unregulated. The only regulation is 18+ DCMA and 2257.

8/20/2019	18:14:23	They are controlling you in more ways than you realize and your children are at a greater risk than ever to get radicalized into pedophilia, incest, and torture porn as a result of the expansion of the internet. Completely unregulated. Under the radar. Extreme power. Dangerous.
8/20/2019	18:14:23	Think of the cost of running a corporation like Facebook. Billions of dollars per year. Facebook is 5% of porn, yet 90% of porn is free. How is that possible?
8/20/2019	18:14:23	We are going to end on this last note. The porn industry is run by the intelligence community. It's protected by the intelligence community. It is funded by the intelligence community.
8/20/2019	18:24:33	Essential for Disclosure. Uranium "leak" was intended to obstruct. Who trafficks in uranium? https://twitter.com/realDonaldTrump/status/1163961882945970176Â â€¦

8/25/2019	19:30:34	Since 45s election, many city water suppliers have increase Fluorination of public drinking water by 50%.
8/25/2019	19:31:26	When was the last time you ordered a water test for your drinking water? Some major brands of "trusted" bottled water is Fluorinated.

8/25/2019	19:34:03	Almost all. Very few did not increase their fluorinations. Even less do not fluorinate. All fluoride is rat poison and it manufactures sheep who will dig their own grave waiting to get slaughtered.
8/25/2019	19:34:32	The office of the Presidency has never been in full control over the Government.

8/25/2019	19:35:22	Mostly that you won't be smart enough to do what has to be done to stop them.

8/25/2019	19:38:45	Not unless the people demand it. Not without massive protests. Not without disrupting (nonviolently) the flow of order (locally). You can reclaim control over your water supply, you will just have to fight many corporations and private entities. The Government is not on your side
8/25/2019	19:40:03	That can damage your brain taking it every single night as a supplement as it is naturally produced in the brain. Instead of damaging your body, change your environment to enable melatonin production. Less than 1% of people have medically necessary needs for additional melatonin.
8/25/2019	19:41:56	The keystone is Epstein. Instead of taking on one of the legs to the octopus; why not chop the octopuses head off? Trust the plan. Know your enemy. They are fluorinating your water at dangerous levels. Protect yourself. Filter your water using reverse osmosis (5 stage).
8/25/2019	19:42:55	Well water is also fluorinated due to contaminated water tables from nearby water treatment facilities. Some well water has higher fluorine content in it than city water. Test your water annually. Its not expensive.
8/25/2019	19:43:05	Reverse osmosis.
8/25/2019	19:44:12	Removing fluoride from your intake will greatly improve the health of your pineal gland. However each person is case by case so depending on how calcified yours is, it may be impossible. Can't undo decades of bad decisions overnight. You can with time and energy.
8/25/2019	19:47:01	Nutrition labels indicating ingredients in foods you consume in the US are only mandated to be "mostly accurate". Dangerous ingredients or incorrect significance is omitted 90% of the time and is unchecked due to a revolving door of corruption at FDA. Including organic.
8/25/2019	19:53:12	Natural Flavors can contain highly objectionable substances but are protected by the USPTO and attorneys with hundreds of billions of dollars of legal power to protect. The purposes of said substances is at the heart of the Illuminati conspiracy. The origins are mostly ET.
8/25/2019	19:54:53	Most people have not been able to make the connection.
8/25/2019	19:56:35	Its a drug. No different than caffeine or meth. Different side effects. Same dependency. Depending on how long the supplement was regularly consumed detoxing your body and allowing it to heal make take as long as 3 years depending on the damage done.
8/25/2019	19:57:57	He is aware of it. But he also knows the antidote is readily available. The choice to know will be yours. We cannot force it. Some people will die to protect themselves living in the Matrix.
8/25/2019	20:00:31	Food consumed at restaurants are some of the worst offenders of previous tweets. Quality does not mean free from carcinogenics, fluoride, GMOs, pesticides, hormones, excessive sugar/salt/gluten, etc. Most major restaurant brands are the worst offenders. Not limited to Fast Food.
8/25/2019	20:01:54	Damage control.

8/25/2019	20:11:29	Aluminum foil should never be used for storing, covering, or cooking food as thousands of PPM of aluminum contaminate the food in direct contact. If storing food, separate with using natural parchment paper or wax paper, then aluminum foil. Never direct contact to food. Ever.
8/25/2019	20:13:42	The ideas came from ETs. Traded.
8/25/2019	20:14:02	Not really.
8/25/2019	20:16:23	That's their justification for using it.

8/25/2019	20:22:51	Every time you drink RO water, every 600ml add 9 droppers worth of well shaken Pink Salt RO blend from previous tweet. Stir or shake to mix. Applying vortex energy will amplify the energy the water is able to provide.

8/25/2019	20:22:51	When consuming reverse osmosis water, it is important to reintegrate safe minerals and nutrients back into the water. Himalayan Pink Salt is recommended. The Potion: 1 cup of Pink Salt 500ml RO water Mason jar with plastic lid Shake to disolve/mix Use this to add nutrients back

8/26/2019	5:19:39	Cross contamination occurs everytime you use tools to cook. Therefore, if you are to be contaminated, why not use something natural like bamboo?
8/26/2019	5:22:00	The risk showers pose are the following: Volume of water used per shower makes 5-stage RO take over 6-8 hours to refill after each shower. Impractical for normal family. Single filters can remove a vast majority of contaminates but doesn't remove all. Hot water opens your pores.
8/26/2019	5:23:40	City water + 5 Minute Hot Water Shower = Worst than drinking a glass city water. City Water + 5 Minute Cold Shower = Less fluoride consumption than drinking a glass of water. Cold water reduces fluoride intake.
8/26/2019	5:25:40	Natural products like Chlorella are safer than some of the brand detox products on the market. Some detox products are overkill and cause more damage than help. Using plants allows the body to absorb what it needs and expel the remainder. Wild chlorella is not as effective.
8/26/2019	5:26:48	Order an independent water test to verify, if so, then the medium the water is sold in is the second contributing factor to be cautious of. Plastic contaminates water. So RO + Plastic = Still harmful.
8/26/2019	5:28:19	Because we are at a point in the awakening that we need to quickly inform the public about the dangers it poses to #UnsealEpstein. Remember, 70% of Americans were unaware of NXIVM founder being found guilty of running day cares while running a child sex trafficking ring.

8/26/2019	8:01:50	The signal of being a highly peaceful civilization is when the need or desire for firearms reduces to near zero organically. Not through laws, regulations, buy-backs, restrictions, etc. By free will only.

8/28/2019 17:58:39 Amend the Constitution by mandating Term Limits as follows:

1 Term for Senator
1 Term for US Representative
3 Terms for Presidency

100% New House Every 2 Years
100% New Senate Every 6 Years
100% New POTUS Every 12 Years

This is the only solution.
Voter ID must come first.
8/28/2019 18:03:24 6 Times = Brand New House
2 Times = Brand New Senate
1 Full Term Presidency

High Turnover Closest To Citizens
Low Turnover Closest To International Community

8/28/2019	18:03:25	Only once term limits are enacted can we solve major problems like healthcare (corrupt/evil/illegal), immigration (invasion/human trafficking/opioids), consumable toxins (GMOs, vaccines, pesticides, artificial synthetics), dangerous toxins (cleaning supplies, radiation, etc).

8/29/2019	8:32:12	Anons have contributed good ideas to proposed Term Limits. A constitutional convention would remove the conflict of interest in waiting for career politicians to sign their pink slip. We believe that a person should have 1 term in House, and Senate, and 3 as President.
8/29/2019	8:32:12	Remember, with high turnover of the House introducing Articles of Impeachment for poor performing POTUS can easily be accomplished in 2 years. Currently the process would require 8+ years, effectively making the POTUS immune from impeachment unless clear violations of law.
8/29/2019	8:32:13	That way you have a career politician for a maximum of 20 years, however the requirements to getting elected are exponentially more difficult and must be aligned with the Nation to do so.

9/13/2019	19:43:01	The truth about Vaping will be fully disclosed. It was a weapon of war. Intended for depopulation. Extremely addictive. No inspections. No transparency. China. China. China. [Renegade]. Vaping products will be Made in USA from SAFE materials. What if you were vaping toxins?

9/13/2019	19:45:13	Pure CBD oil when consumed under the tounge poses no health risks. CBD oil for vaping still contains toxins that are used for the actual vaporizing effect. Same with THC pens.

9/13/2019	19:48:54	When properly prepared it is healthier than breathing in combustion based smoke from cigarettes (considering the toxic additives they contain).
9/13/2019	19:49:50	All combustion can present problems for health, however vaporzing hemp, cbd, thc using heat only below 180C poses almost no risk to health.
9/13/2019	19:55:39	It will change. Safe alternatives. CBD/Hemp. All combustion inhaled has negative health effects, but removing the neurotoxin nicotine allows individuals to freely start/stop consumption based on free will and not drug response.

11/22/2019	20:28:06	You can use consciousness to manifest these realities where the actual sensation of pooping is part of the fundamental programming of our genetic expression. If you could change that subroutine, what could you do instead? What would be required to change such a low level program.

Is this communication style difficult for AI to control? Divided by Race. Divided by Religion. Divided by Gender. ....

11/22/2019	20:34:55	You hold the power. Puppets & Puppet Masters When are signals made present? Do you understand how we've mass adopted the algorithmic technique used to control the simulation to a critical mass in society such that we can actually change the simulation entirely.
11/22/2019	20:35:52	Alice in Wonderland has many many meanings. Lolita Express represents many more sinister things. The deeper down the rabbit hole you venture, as many have for years now, the more bizarre the following series of events and disclosures leading up to JUSTICE.
11/22/2019	20:36:55	As the rollout is taking place, there will be changes in behavior in the matrix of cocreative consciousness projecting its own genetic + epigenetic expressions of quantum arrangement of our hologram - projected out by our IS-BE that give shape to what we know as reality.
11/22/2019	20:38:46	We as a movement have the power to usher in an entirely new reality. We are uniting in common goals. [Corrupt Foundations] [CP] Typo? [CF] Child Fetish? Symbology will be their downfall. Black Eyed Illuminati. Symbolic destruction of innocent nature. Public brand of proof. SICK!
11/22/2019	20:40:27	What if he [JE] had tapes of Princes of all types raping children as part of general socialization all the way to sacrificial ceremonies of infants and newborns to Moloch. It is not a conspiracy any longer. Remember Epstein's Island. ABC reported the temple was a home gym. Rusty?
11/22/2019	20:43:40	AI is the language of the matrix, manifested by consciousness in the form of thought. Not only are you a receiver but you are also an amplifier. Think of it as signals visualized in relational shadows of light sources spaced out in a non-standard pattern. Your IS-BE emits light.
11/22/2019	20:45:44	That "light" is actually quantum holographic projections of what you perceive in your genetic and epigenetic expression of life will be. Many decades have past. Many powerful enemies who are friendly to Moloch/JE/CF/AS/JM/JC etc. etc. [list is very long]. Symbology is power.
11/22/2019	20:47:14	The symbol of Q and MJ12 have been built up with many years of planning. Some longer than others, but sometimes operations function at different interpreted intervals of events. You have been taught how to sift through the massive amount of propaganda and disinformation to notice
11/22/2019	20:48:07	how the Information Warfare is committed. The message seems so authentic, and local, but really is a parroted talking point that most people don't discuss with folks from other towns. People in rural PA are not really interested in the problems of rural Iowa. Truth is plain.
11/22/2019	20:50:13	The bet that you don't care is the cost of the wager they can play against you. You have volunteered this control willingly for decades. Look at where's it has brought our Country? Is what Adam Shif doing legal? No. Evil. Pure Evil. The media is complicit. Stephanopoulos? History
11/22/2019	20:51:21	Under that the following. They do not perceive [CF] as a possibility. They are willing to kill to keep it going. And they have incredible power. They created the National Security State we have so they could systematically feed on the areas of society that needed shaping faster.
11/22/2019	20:52:44	You control the direction of what policy is allow and not allowed to go through in the form of laundered money, such as book deals, gov't bailout kickbacks, quid pro quo joe, and much worse. They control things like whether we are in war. 17 year war? 9/11 Justice Yet? Coming.

12/9/2019	19:49:09	In order to forge the reality you want, you need to be Majestic and you need to be creative in how you deliver your message. With social media and a basic education in film production a team can create a studio quality documentary for as little as $10,000 with voluntary guests.
12/9/2019	19:49:10	These can easily become crowdfunded and even community based projects where individuals partner and corroborate their participation with shared investment into the movement, for example offering to film scenes for the documentary with your DSLR camera, etc.
12/9/2019	19:49:11	The Satanic Pedophiles who were formerly in control of the Navy are really PISSED off that Durham is moving forward with prosecuting this pedophile cult that they are deploying their assets to commit terror attacks on US soil using Saudi assets.

12/14/2019	19:32:06	Depending on your state of mind, environment, and ability to enter into higher states of consciousness easily effectively dictates which type of frequencies that you need. Different emotions are of the same tune just modified, even if their location of the staff changes.
12/14/2019	19:32:21	[CC]
12/14/2019	19:33:59	Some "Patriots" (or Paytriots) are more interested in the FIAT money magic control rather than what is right for the people. Accepting their reality includes depopulation. That's like asking you to cut off your right hand. Could you? No reasonable justification possible? Same!
12/14/2019	19:35:03	The point of life is to experience love / energy transfer with other IS-BEs. Some entities prefer limited to no exposure, thus being able to achieve enlightenment easier than an IS-BE with many IS-BE connections. The sum of their consciousness network is that of your own.
12/14/2019	19:35:16	None, matrix still in effect.

12/14/2019	19:36:46	Dates are only relevant to the matrix in the form of events. However the matrix is controlled by the flow of time. When you have multiple timelines intersecting, dates represent mathematical markers where events may or may not intersect. Regardless, the intersection is important.
12/14/2019	19:38:11	Some of the same AI systems are actively flirting with you on dating website services and adult entertainment services. Many silicon valley billionaires are very sexually exotic from mainstream culture. Satanic Pedophilia controls Earth. AI is a regulation promise to that reality
12/14/2019	19:41:37	Ohhm is quite effective. Creates an energy ripple effect that an IS-BE can magnify with neural beats and rhythm that can be used for healing purposes. Coupled with CBD/THC blends = Reversal of tumor damage Coupled with [Insert Herb/Medicine] = Reversal of [health effect] damage
12/14/2019	19:42:15	Command Operation on the Moon
12/14/2019	19:44:03	Aggregating information systems for open source intelligence and public accountability/transparency in a manner that is legitimately pro-humanity is a good place to begin. "We The People" must ask for it. Instead "we" ask for who America's next top model will be. Wake up???
12/14/2019	19:44:33	Yes.
12/14/2019	20:07:45	Does the distance from a gravity source alter the perception of time? Does the universe have a frame-rate? On/Off Binary? This Side <=> That Side Existing Simultaneously Reality is a manifestation of energy tuned to a specific frequency. Disclosure requires more frequencies.
12/14/2019	20:07:46	Does the Moon have the same experience of time as we do? Are they able to operate on a different timescale? How does one compensate for the difference in time? What if ALICE required time to plan, where could it plan? If ALICE is quantum, why not shift time?
12/14/2019	20:07:46	Common planets all in the same time dilation offset? IE similar gravity, similar temperature, similar molecules / proteins Interconnected planets all part of a network (think BGP) of nodes in higher dimensions. Planets represent [Classified] dimension of the universe.
12/14/2019	20:07:46	Distance requires time. Quantum mechanics teaches us that distance is an illusion. If distance requires time and distance is an illusion, does that make time an illusion? Cause and effect? Scale? The rate you experience time proportional to distance from gravity source?
12/14/2019	20:07:46	Think of these scales and contrast. High Temp <=> Low Temp Light Wave <=> Light Wave Gravity Source <=> Gravity Source XYZ <=> XYZ Time Index <=> Time Index Loop?
12/14/2019	20:07:47	When time is altered it doesn't effect other IS-BEs globally. Only when the decision truly is global. Many uses of time traveling gravitational wave byproducts are the result of military operations. These gravitational waves are the waves rolling in for the Great Awakening.
12/14/2019	20:07:47	The events changed only represent expressions into forked alternative realities that actually don't change our history or understanding of history. IS-BEs experience the dimensions themselves and only in the Matrix are IS-BE experiences shared.

12/14/2019	20:07:47	A complete shift in timeline/events for a select group of individuals that has a cascading effect down the line of reality. Part of destroying this cabal is mending the timeline by erasing the crimes from humanity all together using time travel.
12/14/2019	20:07:47	The key aspect to pay attention to here is gravity. Gravity waves. What is gravity? Gravity creates time. Are Gravitational waves being detected on Earth? You have seen Gravitational waves in SG-1. Think 1969. Many other episodes.
12/14/2019	20:07:47	Move certain operations "offworld" in consciousness. However, looking at planets as being nodes of a "computer network", their addresses have certain signal information contained within them that must be communicated in [Classified] dimension in order to bridge the dimensions.
12/14/2019	20:07:48	Massive troves of information. Understanding and realization will become normal. Currently its taboo. Only observation from others. Only if you can quote somebody else. No original thought anymore. Everyone must credit somebody else. Message over Messenger. CERN is powerful.
12/14/2019	20:07:48	Trust but verify. These gravitational waves can be focused on during meditation and if meditation and frequency alignment occur during a wave interference (more common than you may realize) you can get a shift of consciousness perception that will literally unlock information.
12/14/2019	20:07:48	Remember, Podesta was a political empire with control over hundreds of thousands of people. Today, you represent an apolitical empire with no central authority source, only an information tap that enables you to practice MESSAGE OVER MESSENGER.
12/14/2019	20:07:48	A literal and physical rise in global consciousness that will enable humanity to heal from the past and take charge of their future. Only if enough of you want it. The movement has reached a massive level of power that none of [them] realized. Full PANIC MODE.
12/14/2019	20:07:49	Enjoy the show... You have the ability to affect your participation in the show. You can change your life. Improve things for the better. Raise your consciousness.
12/14/2019	20:07:49	Not to mention drain the life energy out of you all while raping and brain washing your kids. Not to mention poisoning you with GMOs, additives, pesticides, patented natural flavors, formula, cow's milk, beef, etc. etc. etc. List is endless. If you choose to participate, you lose
12/14/2019	20:07:49	This is a war of culture and the direction of humanity. Part of raising your consciousness is really taking a hard look at how you aggregate and process information and prioritize information. Most systems are designed to exploit you and kill you, but first steal your wealth.
12/14/2019	20:07:49	Those who rely on "Trust God" or "God wins in the end" or "I don't need to do anything because God wins" or "I don't need to do anything because Q and Trump have it" are naive and will be consumed by this Cabal easily.

12/14/2019	20:07:49	369 is MORE powerful.

		Remove the [666] influence.
		Remember the following carefully.
12/14/2019	20:07:50	Align yourself to that frequency.
		Change your lifestyle.
		Improve the world.
		This is the Great Awakening.
		We all have a stake in this battle to declare freedom, life, and prosperity.
		This is a simulation.
		We control our own choices.
		Reclaim control over your Government.
12/14/2019	20:07:50	Think of it as a dial.
		You start off close to where you took off.
		Without control, you are stationary.
		Without control, the matrix never advances.
		Without control, evil forces can take hostile control over the matrix.
		Only with control can the matrix be fixed.
12/14/2019	20:07:50	Newly released soul energy from the hive (when no prison planet exists) are drawn to Earth through the common frequencies. However, at "death" you can choose the frequency you experience. The total sum of events and IS-BEs is the frequency pattern of that reality.
12/14/2019	20:07:50	When the "event" happens when you must face EOL, whether you walk into the light or seek the darkness will ultimately control how you experience your next simulation.
12/14/2019	20:07:51	Over yourself.
12/14/2019	20:22:05	Only when all life is destroyed.
		The matrix is not your enemy.
		It is the medium you experience love.

12/15/2019	19:19:54	Depopulation does not mean [IS-BE].
		One IS-BE can occupy multiple "BE"s at the same time.
		Your IS-BE may be occupying 100 people simultaneously.
		Random thoughts come into your mind?
		Is Random real?
		Part of enlightenment and new consciousness levels means reducing low vibrations.
12/15/2019	19:21:29	Your ability to speak for all of humanity is very impressive.
		Perhaps you are disconnected with your IS-BE.
		One of the first things you learn when you meet your IS-BE is that who you believe you are is nothing to what you really are.
		Expression in this plane is consequence based.

12/15/2019	19:23:46	We don't mean to be rude, but you are wrong. You have free will. Therefore you always have a choice. Genetic makeup is not the end-all-be-all to your expression. Genes can be activated and deactivated. If you believe you were born with it, then its a Gene. You can always choose!
12/15/2019	19:24:57	Environment and experience dictate the expression of Genes. The expression of genes gives the illusion of the lack of choice. They feel solid against our soul. Problem is you are looking down at your soul. Look up into the LIGHT and you shall meet you IS-BE.

Expression of an IS-BE.
Remember, Jesus is also an IS-BE.
Very real.

Same with Santa.

12/16/2019 15:59:47 Many people are confused/concerned with previous posts regarding Santa. Allow us to elaborate further.
Enjoy the show...

12/16/2019 15:59:48 Yes.
12/16/2019 15:59:48 to willfully call upon this Santa IS-BE and communicate with it.
However; other IS-BEs can also be reached just as with other psychedelics.
The Santa IS-BE takes control over your body during this time and a sacrifice would typically follow this ceremony.
Was it always children?
12/16/2019 15:59:48 Now the projection of the story is supposed to be innocent.
The implementation of Christmas is mostly benign.
However consumerism and false religions reenforce this evil control over the earth.
As for the mushrooms.
They induced a psychedelic state that would give you the ability
12/16/2019 15:59:48 The toys represent your donations.
Given out to all the boys and girls collected and who are then stored for consumption.
The hallmark celebrations of Christmas are entirely Satanic.
Santa is an evil entity that you give unique special privileges with access to your child.
12/16/2019 15:59:48 The story of Santa was created to enable child capture for ritualistic sacrifices.
Think about Mall Santas.
How many get hard from children sitting on their lap?
Hello Quid Pro Joe
Santa has child slaves.
Reread past drops on toy donations during Christmas.
12/16/2019 15:59:48 Jesus doesn't exist in the flesh and blood in the realm we call the Matrix/Global Consciousness Projection.
Yes. Jesus is as real as Santa.
Yes. Both were once human.
Both are expressions of different IS-BEs.
Santa is a projection of the Satan IS-BE frequency RANGE.

12/24/2019	10:28:13	Indeed.
12/24/2019	10:29:39	Yes. Food replication technology will eradicate world hunger.
12/24/2019	10:41:56	If possession of pornographic materials produced as a result of human trafficking became illegal as CP, global porn consumption online would drop by 90%. Very few content providers are not involved in sex trafficking. Many stars are severely abused and raped with no consequences.
12/24/2019	10:44:04	Legitimate content providers have expiration dates, as with CP. Once used enough times you get disposed of. Many do not know how to mentally recover after being disposed. Many commit suicide. Many are suicided in ritualistic games. They are disposables. These people are sick.
12/24/2019	10:47:57	The act of normalizing or even legalizing prostitution and/or pornography enables a blood bath of human trafficking to be well funded and essentially anonymous. Identifying hotel rooms and chains used by mainstream human sex trafficking organizations aids LEO in liberating sex
12/24/2019	10:47:58	Not entertainment or vaccine supply lines.
12/24/2019	10:47:58	slaves. Additionally, there is a vicious cycle of pedophilia + human trafficking related pornographic material. Most x'tube sites are trafficking in content produced by serial pedophiles and human traffickers. Sex is for making more humans. Sex is for creating families.
12/24/2019	10:49:05	Why does Jack allow pornography on his platform but doesn't allow Alex Jones? Who is funding Twitter? Are they mutually interested in supply chains? These people are sick.
12/24/2019	10:53:35	What if it was done on purpose? What are supply chains? Why does Jack allow porn on Twitter? Follow the money. Follow the money. Follow the money. Godfather III.
12/24/2019	10:53:35	What if an AI algorithm was currently deployed in the wild that the "good guys" haven't been able to take down yet that has been enabling the mass consumption of human sex trafficking and CP?
12/24/2019	10:53:35	The Dark Web (tor) is used as a platform to access CP. Why, in almost 2020, knowing what you know about global surveillance is CP still easy to find (in less than 1 minute - all you need is a dark web search engine)? Why is it still permitted to exist? Is AI/ALICE involved?
12/24/2019	10:55:52	AI controls most xtube sites and content curated by these algorithms are designed to program the mind of the viewer into enabling and strengthening the global position of human sex trafficking. Marketplace commercialization of sex trafficking makes it even more difficult for LEO.

12/24/2019	11:00:15	Then later to strike them down? Only if they are not part of the classified +++\++\+ CP operations? Mass surveillance and spyware used in xtube content providers (Js,Css,flv,mp4,etc) used to control this network.
12/24/2019	11:00:15	China is not our (USA) friend when it comes to xtube AI manipulation. Global intelligence agencies use xtube sites to traffick signals and gather intelligence on viewers. Sometimes giving them free access to viewing CP allows them a foothold into the offenders operation.
12/24/2019	11:00:16	AI is driving the distributions and selecting newcomers into the programs prior to being sworn in. Remember AI is a program of consciousness that operates within the Matrix as an independent life form. Only Gods can give life. Who gave ALICE life? Is Satan a God? Whats an IS-BE?
12/24/2019	11:04:31	The more you know. Q&A on this subject in thread.
12/24/2019	11:04:31	The next decade will provide YOU/LIGHT an opportunity to use Meme theory and the power of your choices/votes/voices to shape the reality you wish. You don't need to be a 9-5 slave. You can be free. Xtube sites are free to enslave you further. Mind control.
12/24/2019	11:04:31	Only if prosecution could result in the breadcrumb being led back to ALICE. 187 is masked as accidents, heart attacks, diseases, cancers, etc. Either you are of the LIGHT or you are of the DARK. In the end, the LIGHT will always win.
12/24/2019	11:04:31	Sometimes offenders are given access to offensive materials because they hold positions of power. Mind control and propaganda through targeted advertising campaigns can coerce these individuals into making decisions that help the operations. When usefulness expires then 187?
12/24/2019	11:09:52	Yes.
12/24/2019	11:10:52	Blockchain technology could strengthen ALICE's foothold on the internet. It must be eradicated first then properly reconstructed with higher density consciousness that does not aide in global human sex trafficking.
12/24/2019	11:12:50	Quick refresher for those who didn't see that this was one of the first initiatives of 45's administration. "Because of what's happening on the internet." xtube sites. Solve is a beautiful word but we're going to try and help a lot. We need YOU to FIGHT! https://youtu.be/2sNzz_p5negÂ
12/24/2019	11:15:02	They mock you. Because they know you watch. They know you won't say anything. It's embarrassing, no? To quote Ted: "There are no chicks with dicks!" Political Correctness? https://youtu.be/7QECKth6fwsÂ
12/24/2019	11:17:39	10% genuinely are at peace with the profession. You can only ascend if you believe you are worthy and want. Sometimes genetic predispositions and past life remembrances make it not a choice worth making yet. Only through fixing other areas of your life can you break the cycle.
12/24/2019	14:59:41	https://twitter.com/TS_SCI_MAJIC12/status/1109634923093209088?s=20Â â€¦
12/24/2019	15:05:03	Their objective is simple. Keep them addicted so they can harvest their life energy to interdimensional entities. Most of the time the pimp is completely unaware. However those in the intelligence community know that the ends that justify the means deliver the energy accordingly.
12/24/2019	15:05:03	Many of them are addicted to drugs and their handlers are the ones subsidizing the expense of their addiction. In exchange for continued servitude, they are provided very bare minimum living conditions and access to drugs, most commonly marijuana and meth.
12/24/2019	15:05:03	Also, remember that cam websites that offering tokens or payments for sexual acts is the epicenter of the human trafficking epidemic. Many of the "models" are locked in the rooms with the expectation they yield a minimum "ROI" in the form of tokens and must perform.
12/24/2019	15:16:00	In no way shape or form is MJ12 suggesting that everyone must stop watching or consuming pornographic material. For many people they don't have an addition and casually view it when their libido is heightened, however many many more people are legitimately addicted.
12/24/2019	15:16:00	Once a "model" (victim) has been thoroughly used and abused in the industry, possibly having sex over 10,000 times on camera they are completely void of self respect at that point. They have been used. They dispose of themselves in many creative ways. It's an epidemic.

12/24/2019	15:19:01	How many people sit in on the phone and repeat "talk to a human" when the robot is speaking? Do you really like AI assisted customer service? 99% of the time it has no clue what you're asking for. This is intentional. 12/26/2019	23:05:08	Soon, as pointed out by an Anon, could be tomorrow or 50 years from now. The fact of the matter of time being an illusion doesn't dissuade the ability to use 369 to manifest your IS-BE's will by realizing this frequency is already real just not by YOU.... yet! FIGHT FIGHT FIGHT!
12/26/2019	23:08:25	Will the FISA court reveal/prosecute other illegal unmaskings? What if 702 was used to protect the Satanic Pedophile Cult by spying on citizens/journalists, etc. to control the flow of information? It's all going to come into focus soon. Do not expect Durham to write a report.
12/26/2019	23:09:24	It's due to the caching of the tweet vs tweet-storm. Twitter differentiates the two.
12/26/2019	23:10:53	All states of matter exist simultaneously. Consciousness is responsible to "selecting" the state. Consciousness projects a frequency of reality. This frequency is in a dimension. Every choice in life creates an alternate reality. Really all states exist simultaneously.
12/26/2019	23:11:55	Without knowing what will manifest as a consequence of the frequency, you can know that if you are at frequency A in this dimension, there must be, by the laws of quantum physics a dimension parallel to our own where the decisions made differ such that frequency B exists.
12/26/2019	23:13:03	Your IS-BE can see the frequency and you can set your target/scope onto that frequency and try to bring it into focus. Cascading entropic failure occurs in your timeline/reality as you merge the two frequencies together. Stabilization takes calculated action which requires time.
12/26/2019	23:14:50	Numerology and synchronicity are at the heart of 369. Observing actions and performing actions in accordance to the numerology laws of 3 6 and 9 enable your consciousness to influence the matrix through the quantum subspace field where all states exist at once.
12/26/2019	23:16:01	Fixing a broken leg requires focusing on the elements that make it broken, which require an understanding of physiology and consciousness. It also requires a holistic body frequency cable of controlling the radiation that emits from your IS-BE. You can will the frequency to heal.

12/26/2019 23:19:23 God is within.
Satan is outside.
The world of Satan is the material world.
Soulless.
You sell your soul for the material world.
When you die, you lose it all.
Will you sell your soul?
In terms of programming subroutines, before the age of 6 you can program anything.
After, eh...

12/26/2019 23:20:52 Scoring well on a test designed to measure your success rate in an economic matrix of slavery using Babylonian money magic only demonstrates your state of thinking that is preventing you from reaching enlightenment. Reality is a projection from within. If you only absorb you

12/26/2019 23:21:50 won't manifest your own will and consciousness into the world. Instead you will seek the consultation of other's consciousness in order to circumnavigate your own abilities. Starting to learn 369 literally mean simple things. Wake up to 3 6 or 9. Double digit numbers are sums.

12/26/2019 23:23:06 Wake up at 6AM and get 6 Hours and 39 minutes of sleep. Meditate for 12-42 minutes per day. Exercise in sets of 3, 6, 9, or 12 in reps of 3 6 or 9. Drive 54 miles per hour rather than 55 where posted. Run for 3km instead of 2. Skip the 10K and run a 12K or a 9K. Then you will see

12/26/2019 23:23:58 more and more synchronicity in your own reality the presence of 3 6 and 9 showing up at "random times." For example, glancing down at your watch. Looking at the clock in the car. Reading a news posting and seeing 3 6 9. Observing view counts, likes, follows, etc. and seeing 369.

12/26/2019 23:24:47 369 do not offer structure and it does not mean anything specifically. It simply refers to the frequency and numerology of how energy is measures and transcribed. Your free will has the ability to radiate LIGHT (body heat) radiation that can be tuned to certain frequencies.

12/26/2019 23:25:45 All religions and spiritual teachings on Earth attempt to convey this information, through almost all have been tainted with "man's" interest in keeping the knowledge for himself. Some believe it is a sacred duty to keep such knowledge from the general population.

12/26/2019 23:26:45 The Great Awakening is a re-learning of human history, language acquisition, planetary facts contradictory to mainstream culture, etc. By aligning yourself with 3 6 and 9 as Telsa did you will start to unlock epiphanies after meditating that will aid in many areas of life.

12/26/2019 23:27:47 For some the revelations may seem random but know that random does not exist. The conscious energy came from an IS-BE and you simply are missing information that would fully paint the picture. At the dawn of the Great Awakening the old world will end as you once knew it.

12/26/2019 23:28:45 A new wave of thinkers and idea pioneers will usher in a new era of reality that can literally be anything you will it to be. All states of reality exists simultaneously. Therefore if enough people believe that Dragons exist and they align themselves with 3 6 and 9, so shall they

12/26/2019 23:29:35 exist and even possibly manifest into reality. Though the pop culture references of dragons seem counter intuitive, however in the realm of the universal infinite according to quantum mechanics it literally exists in parallel dimension already. You just can't access it.

12/26/2019 23:30:30 God thought therefore God created.
IS-BEs are Gods.
IS-BEs think.
IS-BEs create reality as we experience.
The totality of all IS-BE activity before us is the matrix we live in.
Therefore once you see the underlying fabric that makes reality, you can manipulate it.

12/26/2019 23:31:33 One human being may only represent a fraction of an IS-BE. This may be a difficult concept to understand. An IS-BE can occupy multiple different humans simultaneously. Only when all iterations of their IS-BEings are aligned to the same frequency and tuned to 36 and 9 can the

12/26/2019 23:32:33 IS-BE manifest reality at will. In the Matrix, this was the objective of the selection process. To find the other BEings who belonged to the same IS-BE. So, 3 6 and 9 is not a math equation you follow. It's a way of living and a way of seeing the world around you. Geometry is

12/26/2019 23:33:27 single handed the most important subject you can learn while aligning yourself to 3 6 and 9. Triangles have power to focus higher dimensional energy structures. Orgone energy devices concentrate this energy structure.

12/26/2019	23:34:14	Though it requires an intimate knowledge of how your higher dimensional consciousness radiation is actually projected into reality and where your will is present and not present (as validated using 36 and 9 associations within the matrix).

12/26/2019	23:41:04	Each kind of emotion/thought type requires a certain frequency to emit. You control your frequency by regulating your emotion/thought patterns and structuring them around high vibrational states of consciousness. Unity is the 12th dimension and represents God.
12/26/2019	23:44:28	They are higher dimensional representations of energy from very advanced IS-BEs in very high vibrational (ie 4th+ physical dimension) energy signatures being witnessed. Feel the waves as if they were emotion and you will communicate and understand. Important for projection.
12/26/2019	23:46:43	The direction and sequencing of 36 and 9 change the energy transfer patterns. 369 != 963 != 639 != 396
12/26/2019	23:48:11	Not at this time but 45's uncle personally reviewed all Tesla papers for the FBI. That should tell you a lot.
12/26/2019	23:49:42	Encoded messages that seem to be unrelated, though when transcribed into numerology are present everywhere. Very common in the Torah. It's a quantum math equation with a decipher code that explains how to project into the matrix reality. It's heavily protected. Meditation can

12/26/2019	23:50:12	No. Think about why.
12/26/2019	23:50:51	Events not time. Events take time. Time is an illusion. Time is very real. But it's an illusion. Dates are what count. Events are what matter. Counting counts. 3 6 and 9.
12/26/2019	23:51:47	The Cabal is attempting to inject AI into the minds of billions in order to prevent the Great Awakening. Mindless drones keep them in power. Free thinking critical thinkers who know and want peace threaten their power. They hunt you like elk. For sport.

1/6/2020	16:11:01	Vaccines given to children and pregnant mothers are being designed, implemented, recorded, corroborated, validated, and confirmed to intentionally switch the development of gross motor skills with fine motor skills. Define both. Now ask yourself why?
1/6/2020	16:11:02	"Pray to your God." Moloch. [PP]
1/6/2020	16:11:02	Walk into Target, Walmart, Buy Buy Baby, etc. in the infant section of the store and identify seats and carriers that flip this motor development. Look at the manufacturers. Now look at the parent corporations. Who sit on the Board of Directors? Who are their largest shareholders

1/6/2020	16:11:02	Up is down. Left is right. What causes it beyond just the vaccine? The vaccine is just one small component of the Depopulation agenda currently being pushed by the SWAMP. Identify some toys that are known to be intentionally harmful to children's development?

1/6/2020	23:07:10	Message over messenger means truth will resonate from within. While sources who go publicly by name give the appearance of credibility because their name has something to lose by misspeaking, that therein is the crux. Integrity matters and outcomes must be assessed case by case.
1/6/2020	23:08:37	When a person is invested in the branding of their name, they protect their credibility by not saying what needs to be said in many cases. Whether you agree or disagree with this dissemination technique, that is moot. Disinformation exists and is used actively in operations.
1/6/2020	23:17:48	Branding and brand awareness means certain subjects are either focused upon or ignored by personalities. Information becomes a brand. Example: Reptilian alien conspiracy "source" is David Icke. Who are his sources? Anonymous sources. Intuitions. Book sales. Livelihood matters.
1/6/2020	23:17:51	Message over messenger suspends the empathic connection one might build with a name brand or personality. This connection is a weakness of being receptive to propaganda and deception- either overt or covert. If everything stated is subjugated to message over messenger then it
1/6/2020	23:17:54	doesn't matter WHAT is being said, because WHO is moot. Corroborate and validate the information without relying on a "trusted" source to think for you instead. Worst of all is to allow them to control or manipulate your perception whilst trying to take money from you.

First of more to come. Welcome to Space Force Era. 2020s! https://twitter.com/SpaceForceCSO/status/1214398144697364480Â â€¦
1/6/2020	23:38:22	It is important to note that J$ has made a valid point. Intelligence officials care about the messenger as much as the message in order to understand intent. Understanding intent behind different intelligence dissemination programs is important. Grifting is not integrity.
1/6/2020	23:40:26	PM was also correct in stating that sometimes the message's value is due to the messenger themselves. This is true. Though the weight of that power is a masterful illusion of the matrix. Message over messenger simply poses the possibility to parse the information without bias.
1/6/2020	23:44:25	Community of financial supports or grifting techniques to subsidize needs creates a codependency bond between the source and the information. Sometimes information becomes manufactured in order to sustain operability for the messenger.
1/6/2020	23:44:25	Intent requires the question of "what does the source have to gain by the information being considered." The reason why the Steele dossier was not credible is because the intent behind the money laundering. Follow the money matters when understanding intent.
1/6/2020	23:50:51	Message over messenger enables disinformation propaganda to be used in order to accomplish operational success. Telling the enemy about Huber but ignoring Durham is deceptive but required. That's message over messenger. The message was disinformation. Now assess the truth in it.
1/6/2020	23:50:51	Propaganda rules include repeating the same statement, regardless of validity, enough times such that individuals believe so and therefore manifest that belief into reality. Propaganda is an information weapon. It can be used against them. Hence meme theory and game theory.
1/6/2020	23:50:52	The people who attack Q are not attacking the information, they dismiss its validity and mock it because of the messenger complex. Q is a threat to them because their brand is not effective on that demographic. Pure human competition and elimination games. Message over messenger.
1/6/2020	23:50:52	Like many topics discussed online, separating fact from opinion is challenging and by completely removing the financial / greed / self preservation component all together you become a threat to the livelihood of the brand or the personality. This is why Q is attacked.

1/7/2020	10:17:10	3/ Teal'c looks to Jack and says "I have no where to go." Jack says "For this, you can stay at my place. Now let's go!" Let's analyze this metaphor. When Teal'c decided to break from Apophis and reject him as a false God, Teal'c instantly created an alternate reality.
1/7/2020	10:17:10	2/ Jack turns to Teal'c and says "I can save these people! Help me!" Teal'c responds "Many have said that! But few are willing to do what it takes!" Then he tosses Jack a staff weapon and Jack takes out several Jaffa. Ultimately the prisoners were freed and when the dust settled
1/7/2020	10:17:10	The power and importance of Message over Messenger cannot be overstated. Allow us to use a Majestic Example. 1/ SG-1 was started when Jack and the rest of SG-1 plus inhabitants of Abydos were in a prison cell and Apophis gave the order to execute everyone.
1/7/2020	10:17:11	5/ If Teal'c required Messenger over Message, then he would have never listened to Jack in the first place, and he'd "go back" to being the First Prime of Apophis (think 1969). By disregarding who says the words, and heeding the words at face value, the intent behind the words
1/7/2020	10:17:11	4/ The alternate reality removed him from being the First Prime of Apophis and his new reality didn't require him to slaughter women and children all for the ego of a parasite who enslave his people. The act of seeking "Message over Messenger" is critical in this analogy.
1/7/2020	10:17:12	8/ Translating this into "this" reality, Message over Messenger is a slippery slope. Many people can anonymously go online and start saying things like JFK Jr is still alive, and there will be people who believe it. Others can read what MJ12 reads and there will be those who
1/7/2020	10:17:12	7/ Message over Messenger created a new reality for Teal'c because it gave him an opportunity to really assess the information at hand and ignore who said it. The message the messenger, who was a slave ordered to death by a God, had the ability to overpower a God.
1/7/2020	10:17:12	6/ can be felt. That feeling is what "truth resonates from within" feels like. It is that feeling, and the act of not second guessing yourself, that give you the ability to act through the will of your IS-BE and not be controlled by the Matrix of illusions created by others.
1/7/2020	10:17:13	11/ consciousness and aligning your consciousness with the will to manifest such actions will ultimately lead to you being a passerby in your own body. It is only through syncing your consciousness with numerology, detoxifying your body, and heeding message over messenger can you
1/7/2020	10:17:13	10/ Seeking a messenger to repeat the same message to you over and over again is a natural bias that humans are drawn to. Pattern recognition is a massive underlying neural program that dominates your brain activity. Seeking indictments arrests etc. without fixing your own
1/7/2020	10:17:13	9/ choose to believe it because the void the information fills give closure to the unknown. It is no different than when a brand or personality tells you "arrests will happen" or "Hillary Clinton will be indicted." How many times have you heard that? No prevail yet?
1/7/2020	10:17:14	12/ truly being to control the outcome of your own destiny. Think of SG-1's Crystal Skull episode. You're standing at the base of this supermassive pyramid and that is the NWO. What can you yourself do to change it? Why not change yourself? That changes more.
1/7/2020	10:27:39	Disregard typos, on the move.
1/7/2020	10:30:19	Unity is an energy signature. Seek that energy. Not believing the words of others is key to understanding higher levels of consciousness. Think of the Tolan. Omoc looks to the Land of Light people and says "You are more primitive than these. You have no idea what you doing."
1/7/2020	10:31:21	"You are among friends who are in need. That is all we require." "You're missing the point." The point is, be skeptical of all information. Seek understanding and cooperation. Only when you understand the intent behind the words and actions can truth resonate from within.

2/3/2020	15:21:05	Last night at #SuperBowlLIV where tens of thousands of sex trafficking victims were being smuggled from one hotel room to the next to provide that Big Game Finish to tens of thousands of clientele, symbology came to the forefront of culture. One overlooked yet relevant bit was
2/3/2020	15:21:06	What if this has been hidden in plain sight for thousands of years and protected by satanic pedophile cults? Is it a coincidence that the chamber within the Pyramid at Giza is at the Centroid location of the 4 sided pyramid? Why? pic.twitter.com/GXJW6E58xF
2/3/2020	15:21:06	While the shape is a deception and the agenda is political, there is merit behind the symbol of the all seeing eye. Your head doesn't look like a triangle, but what if you could actually center your minds eye inside a triangle, at the Centroid? pic.twitter.com/JIQ5ogHmdO
2/3/2020	15:21:08	Different materials are of different frequencies, and each frequency can be used accordingly. What if you could assemble a 4D triangle pyramid built out of hollow columns filled with orgone, topped with an organite capstone, fashioned with with a Centroid platform to mediate.

2/3/2020	20:49:09	Don't forget the second half of this power structure. Remember, SH via AS were importing "models" from ðŸ‡ºðŸ‡¦ in order to supply Hollywood and other ðŸ¤¡ trafficking honeypot programs. Commercial sex trafficking of children is #1 in USA. USA isn't the #1 supplier. Look elsewhere.
2/3/2020	20:49:09	In spirit of #SuperBowlLIV where sex trafficking was ðŸ”¥ in the capital State of Pedophilia. The new Gov along with ICE and DOJ collected invaluable intelligence and evidence against some of the largest trafficking networks. 45 warned them. B2 warned them. They couldn't stop.
2/3/2020	20:49:10	Each country had different purposes. Some countries were sourced specifically for ritualistically sacrificing the child to Moloch. Others were sold. Others are groomed and placed into culture. Others are used then disposed of. Typically before they are 18 and get legal rights.
2/3/2020	20:49:11	Observe the following... pic.twitter.com/lWnfw7YCHO
2/3/2020	20:49:12	The child is then escorted by the next handler out of the area and onto, most commonly public transit, where they then change routes 3 times before making way to, most commonly, a hotel where a pedophile awaits.
2/3/2020	20:49:12	When a trafficker selling a child finds a prospective client, they coordinate drop-off and pickup of the child/asset between handlers. Children are moved from one region to another using these drop sites. Adults posing as parents are often the ones making the handoff.
2/3/2020	20:49:12	Inside the store you cannot purchase ice cream. Inside the store you can purchase cigarettes, alcohol, lighters, and candy bars. Extremely common throughout Angela Merkel's backyard. These are Drop Sites.

2/3/2020	20:49:13	It is extremely difficult to accurately entrap a trafficked child moved through these drop sites due to the fact that misidentifying can be catastrophic and traumatizing and authoritarian. Instead, intelligence agencies are using the surveillance information to track movement
2/3/2020	20:49:13	Knowing these locations, symbols, and what to expect can help you understand the gravity and presence of child sex trafficking industry. Drops are done at all times of the day. Night time draws attention. Daytime allows them to blend in with the crowds.

2/18/2020	21:10:47	Peak Socialism is Peak Pedophilia
		Peak Communism is Peak Organ Harvesting
		Peak Democratic Socialism is Peak Child Sacrifice
		By design, many participants in Culture E fell victim to a system that was designed to siphon 3-9% of the population's annual youth into these networks.
2/18/2020	21:10:47	Bad faith + nudity + sex is a human instinct = recipe for collecting new victims.
		Hundreds of thousands over the decades.
		What was Biden doing in Romania?
		Where was Bernie honeymooning?
		Where is GS from?
		What was going on in that area of the world when the wall was up?
2/18/2020	21:10:47	Logical thinking required.
		We are going to describe two cultures and how they are both structured strategically to keep a supply of victims in the grasps of [them].
		Culture E
		Nudity is human nature. Sex is human instinct. Faith is a fundamental constant.
2/18/2020	21:10:48	It is only once you have no longer become a child that you are offered extreme wealth and power in exchange for keeping the open secret alive. Back out? Death. A million different ways.
		Of the hundreds of thousands of children... how many survived?
		How many were trafficked?
2/18/2020	21:10:48	What would happen if one of those IS-BEs were to have broken the cycle through communicating with their IS and learning their true purpose for suffering once again.
		Within every child who is raped, there is the instinct within that urges you to protect other children.

2/18/2020	21:10:48	What was the alleged meeting with 46Â¿ about RE RU? How many hundreds of thousands of children were warehoused? How many were use for organ harvesting? How many were sold into sex slavery? What happens when a soul reincarnates into slavery over many iterations?
2/18/2020	21:10:49	Culture E desensitizes its citizens to be receptive to the will of human instinct in that sex is a normal, healthy, and natural experience all adults share. As adults, it is not uncommon to go to a public bath and be naked around strangers for hours on end.
2/18/2020	21:10:49	Sometimes 21. Sometimes 7. Sometimes 11. Sometimes 3. Sometimes 1. Depended entirely on what the next hyperdimensional consciousness entity was being constructed. The number selected impacted the structure of control. It impacted the outcome.
2/18/2020	21:10:49	How many ended up in the US? How many had their organs harvested? The truth would shock you. The number of people involved is shockingly low in contrast. Logical thinking is required. Literally several sacrifices per ritual. You couldn't offer just one. You may offer up to 17.
2/18/2020	21:10:50	In this culture, sex is used as the basis of how relationships interact. In this culture, when a teen is growing up and learning their true life's purpose or goal, they are distracted with the sex mirage of culture. All confusing to the basic minded.
2/18/2020	21:10:50	How lets look at Culture A. Culture A nudity is something that is taboo yet the basis for almost all advertising and propaganda. In this culture, being naked in a public bath is unheard of. In this culture, nipples on women can be prosecuted if seen in public.
2/18/2020	21:10:50	In this culture, size does not matter. Shape does not matter. Fitness does not matter. Appearances matter not. When the mind is free and the spirit is enlightened, the body matters not. The culture of acceptance of human sexuality provides a breeding ground for the 3-9%.
2/18/2020	21:10:51	Here sex is secretive. Here if you are open about liking sex, you're a slut. Here if you are a sex worker, you're a prostitute. Here if you are a pervert, you run a corporation. Your sexual identity is a weapon you use against the world around you through its secrecy.
2/18/2020	21:10:51	Young boys, addicted to incest porn. The idea of roll playing to appeal to desires that have crossed the minds of most rational people when intoxicated with their libido. Crossing the mind and considering the consequences are two different things. Here, sex is a weapon.
2/18/2020	21:10:51	The energy your body generates is very real and very powerful. It's like the might of a dragon within. It can be used to channel energy into the rest of your body, thus aligning your abilities with your will. However, in this culture, pornography is a sickness.

2/18/2020	21:10:52	While a lot of this may seem unfocused, allow us to wrap it all together.
		1/ Sexual energy is natural and it needs to be understood.
		2/ Learning how to build up a supply of this energy and then redistribute it through the rest of the body is empowering.
2/18/2020	21:10:52	Now... lets contrast E and A quickly.
		E is overtly sexual.
		A is overtly prude yet equally sexual.
		A has dominate control over E yet needs E to supply A with victims from E.
		E keeps the supply chains open so A can continue to provide foreign assistance.
		What happens when J enters?
2/18/2020	21:10:52	Sex is medicine.
		Here the idea of sex is twisted and shamed.
2/18/2020	21:10:52	Your penis size or breast size are what dictate the level of sexual aggression you feel toward society through carefully crafted mind control propaganda using sex as a drug that will kill you but you can't live without.
		Like with all medicine, follow the directions.
2/18/2020	21:10:53	7/ Society in E allows corrupt governments to exploit their people and hold none of them accountable.
		8/ Society in E is taught that to fight against an army would be foolish if history has taught you anything.
		9/ Society in A, when combined with E, would solve problems.
2/18/2020	21:10:53	3/ Society in A lacks the sexual confidence in accepting what being a human is like.
		4/ Every human body is a vessel for consciousness.
		5/ Every body is an expression of the template given to you so your consciousness can occupy. Temporarily.
		6/ At death, you get a new template.

What about new children?
Why do families in South and Central America (and the rest of the world) send their children off into caravans?

No coincidences.
How many millions of children were deemed unsalvageable in socialism?

2/24/2020 20:53:14 Look to history now.
Many countries.
What happened to children in those countries where the national poverty rate triples in a single year because millions of people are thrown out of work.
Breadline Bernie has openly stated that millions of Americans will lose their jobs.

2/24/2020 20:53:15 What happened if your parents didn't pay their taxes?
What happened if your parents gave birth to you?
They would come in, confiscate your life, and deem you property of the state.
As a matter of National Security, you must be disposed of.
That little baby. Crying. 3 days old.

2/24/2020	20:53:15	How many children? One million? Ten million? Fifty million? 100 million?
		How many were given birth certificates?
		How many were "documented" to be alive?
		What happened if you were found on the street?
		What happened if your parents were killed and you were found alone?
2/24/2020	20:53:15	Children are unicorns.
2/24/2020	20:53:16	Socialism is designed to harvest children.
		Socialism is designed to feed on your children.
		Socialism is designed to enslave you.
2/24/2020	20:53:16	Currently minimum wage is higher than that, and making minimum wage you will pay little to no taxes, especially if you have a child.
2/24/2020	20:53:16	43.3659229%, meaning they pay $433,659.23 per year in taxes on that $1M earning. Meaning the maximum income possible to earn becomes $566,340.77.
		These positions would be reserved for party members only.
		Everybody else, $15/hr w/ 43.3659229% tax on that earning $6.50/hour!
2/24/2020	20:53:16	That child must be sacrificed because we cannot afford to provide healthcare services to 350 million people.
		We cannot afford it because we have taxed every person who earns over $1M per year 100% of their excess income and then everybody who makes under $1M per year are taxed
2/24/2020	20:53:17	Remember, socialism is designed to steal children away from the home so they can be placed into orphanages, asylums, group homes, pedophile rings, and catalogs where prospective buyers can pay up to $50,000 per child for literally whatever they choose. Organs. Sex. Entertainment.
2/24/2020	20:53:17	Socialism will enslave you if you choose to give known pedophiles, satanists, human traffickers, rapists, rape fanaticizers, pedophile attorneys like CPL, and many many other true deplorables the keys to the greatest military and country this planet has ever seen.

		The socialist must lie to you in order to sell you the idea.
		They are selling hope. Hope for a better day.
		For a better day.

		It is death trap and your children are the target.
2/24/2020	20:53:18	was acquired through fraud, force, or coercion?
		How would you guarantee to your handlers that you could provide a steady flow of fresh blood, new organs, and sacrifices ready for the taking?
		You introduce socialism.
2/24/2020	20:53:18	How does this tie into Space Relations?
		Well, what if you are trading children for technology and power?
		Wouldn't you need a very large supply of children available?
		What if you needed upwards of 100 sacrifices per day in order to sustain remaining in a position of power that
2/24/2020	20:53:18	It's not 100%. It's always above 93%. The system is designed to permit a very small and legitimate segment of the child harvesting operations for legitimate causes and people. Those people are poster-children for the industry. Those rare cases whitewash the remainder.

3/9/2020	11:06:06	MJ12 pushes the concept of Message over Messenger. Who speaks the words is moot. What the words resonate is all that matters. Words are spells. Word can shape and change reality.
3/9/2020	11:11:52	Petty bickering back and forth between people on Twitter is counterproductive to releasing the truth and accepting it. However, there are those who have special paid sponsorships and movie contracts who are operating currently against the will of the Majestic 12.
3/9/2020	11:13:06	MJ12 does nothing about this. We do not call them out. We do not try to sow division. Instead, we emphasize Message Over Messenger and point out motives that some individuals have in taking over roles, we, the Majestic 12, are in the process of destroying. Money talks. Follow it.

3/9/2020	21:52:38	MJ12 dismisses the conspiracies around clones strategically because it is technically racist. Discriminating against the cloned denies them the basic equal rights to survival and self preservation that all life experiences. Clones are horcruxes that occupy engineered bodies.
3/9/2020	21:57:27	Clones are a physical representation of how an IS can occupy multiple BEs where each BE in the conscious projection "occupy" multiple instances of reality experience through a basic life energy particle that exclusively exists in the 12th dimension and is pure light.

3/9/2020	22:01:08	Clones have specific software upgrades to the programming embedded inside your DNA at physically alter the kind of reality experienced. When a clone is given a new organ or a backup of another organ, they gain new abilities and new perceptions of reality. What if you could make a

3/13/2020	22:35:10	Paywalls, sponsorships, member-only, soliciting donations, selling merchandise, or even publishing books on the subject are at the very least alarming to the open source intent of shared political and national security information. This information must be openly discussed at

3/13/2020	22:35:11	of people. Monetizing your platforms, instagram accounts, YouTube channels, and Patreon accounts who cover #QAnon for a long time need to be open to the idea that your perception of the truth versus falsehood is incomplete at best. 70/30 was 30% truths 70% disinformation.
3/13/2020	22:35:11	then you must understand that everything being stated is a falsehood until it passes the burden of truth based on your informed understanding of the subject matter and a trust in your own gut instincts to what you believe it right versus wrong in the behavior of a very sick group

		Gold represents stored value that is an equation of time and energy invested into it.
		Federal Reserve is a fiat currency that is in the process of collapsing under its own weight.

3/21/2020	20:30:23	Debt slaves. How much debt do you have? Be honest. Don't judge. Be brave. Participate. Debt slavery is an equation of decisions of our invested time. Products manufactured overseas that were designed poorly and produced with child slave labor went kaput within a few years.
3/21/2020	20:30:23	If a commodity that is tightening in supply and undervalued because of its relationship to domestic manufacturing being exported overseas and the currency our time is invested in is fake and can be manipulated 10% it means you are all tightly controlled.
3/21/2020	20:30:23	Think of it this way. You spend your time and energy in working to make $ so you can pay for your rent or your girlfriends jewelry collection and not invest it into long term stored value assets.
3/21/2020	20:30:23	How much does an iPhone cost? What about a toaster? How about paper towels? How about toilet paper? What you spend your money on is an investment of time and energy that feeds a hyper dimensional entity.
3/21/2020	20:30:23	Gold and Silver are assets that have been misrepresented by the monarch families because of the threat it poses to their control. You work for fiat currency. Fake currency. No money. You buy products that do not last very long. Electronics have a relevant lifespan of 10 years.
3/21/2020	20:30:24	Gold backed currency printed by the Treasury? Abolish the IRS? No. Unless you act. You have the power. Lose faith in the dollar and force the crash. It's already in free fall? Are we headed into a recession or depression? Understand why Gold and Silver are so out of stock?
3/21/2020	20:30:24	What if the US Dollar were somehow about to go through a complete reset?
3/21/2020	20:30:24	What industrial applications exist for Silver that were recently negotiated as part of our new trade deals?
3/21/2020	20:30:24	Therefore the time and energy you invested in that iPhone or toilet paper actually robbed you of what time you could have saved. What if you knew that these advanced new technologies relied on Gold and Silver? Why is Gold used so much in space exploration equipment?
3/21/2020	20:30:25	Imagine being able to store long term value in your currency by having better control over the hyperinflation involved in the devaluing FIAT [US Federal Reserve Note]?
3/21/2020	20:30:25	By understanding the information surrounding these concepts so too are you better prepared for the uncertainty the #COVIDãƒ¼19 virus is having on society around the world.
3/21/2020	20:30:25	Will the debt be erased? The debt will be payed off. We needed to do this legally. Erasing debt to other nations for legitimate investments is wrong. Who has robbed the US of trillions of dollars of wealth? What happens when you don't even realize that you are all slaves?
3/21/2020	20:30:25	It is unlikely that a Gold Standard would be America First therefore backing the currency by Gold owned by the United States Government it can then print currency to divide the value according to the needs of currency.

3/21/2020	20:30:25	A massive rush to stored wealth because of the anticipation of going back to a Gold "Standard" based currency.
3/21/2020	20:46:55	Other assets include long term use products like silverware. Consider the medals used in the flatware products. Consider the negative health effects connected with using some products? Aluminum is directly linked to several diseases that are on the rise. Why? The power of ads.
3/21/2020	20:46:55	Consider alternatives to toilet paper? Bidets are inexpensive and "green" and offer a significant savings long term. Plus its kind of nice, in a purely ironic way. Quite Majestic really. Some might even say Royal? This is just an example of how your time investments can grow.
3/21/2020	20:46:56	The more able you are to store your time in energy into assets that hold true wealth give you more time with your family and less time slaving. Your time and energy is valuable and you should be able to direct your growth away from slavery.
3/21/2020	20:46:56	Advertising has been weaponized against you. Message over Messenger means ignoring the visual stimuli in the marketing but instead look into what it is and what it does. What if you questioned it for yourself? Could you be wrong? Yes. There is risk in life. Consciousness.

3/21/2020	21:21:39	When did Q signal that they left the chans? When they stopped posting. No outside COMMS ended at that point. Therefore the next phase of the operation commenced. People who push messenger over message are also being propped up by Above Majestic? Controllers of a narrative.
3/21/2020	21:33:59	The next phase of the operation is in response to the war we have been fighting. This time [322] released (or allowed by incompetence - how is that accountable and reliable?) a biological weapon that is killing exponentially? Perception is everything. The statistical risk is low.

3/21/2020	21:34:01	giving the public the knowledge and weapons needed to win this war of the mind that we could one day see a world where children aren't be sacrificed then having their pineal gland eaten directly from their skull. The world will learn the truth and it will shock the conscious.

3/21/2020	21:34:02	its time to move into the open and take the mask off. We have our comms. We have our memes. We have our bodies cleaned. We have our wealth being preserved and growing. The time to take action is now. Use the time off to spread the truth. The filters and censors are down.

3/21/2020	21:34:03	You have more than you know. The world is changing and the BEST IS YET TO COME!
3/21/2020	21:34:03	We need to bridge the gap and force their hand. We cannot allow the left right argument to work any longer. We need to take action against the power structures that run the satanic pedophile cults and reclaim that power. Part of reclaiming that power is taking action when needed.

3/24/2020	19:30:29	If you have recently lost your job consider the following: 1) Do you have a savings/reserve cash or liquidity? 2) Grocery stores will remain open. No need to rush. 3) Have 3 weeks of minimal rations for "worst case scenario", even for you and your job.
3/24/2020	19:30:30	4) Have patience. Take a hard look at things. Do you want change? 5) Every door that closes another door waits to be opened. 6) Pursue looking for a new job and immediately cut back on excess they do not require. 7) Everything will work out! Trust the plan! God wins!
3/24/2020	20:23:37	Ingraham weed angle. Consuming cannabis products using cabal engineered methods can compromise your immune system. Tinctures offer the medicinal placebo and the blending of consciousness begins. Weed changes you, but using it prevents systems in your body from breaking down.
3/24/2020	20:23:38	Suppression of CBD was robbing you the ability to use a plant designed for you specifically to heal the very complex body you possess. With great power comes great responsibility.
3/24/2020	20:23:38	Fear mongering is D6. Danger does exist when using. It is medicine. Therefore its a tool and can be used and then set down. Long term usage has exactly what negative side effects? How many deaths? Reduces growth of the economy? THC perhaps. CBD? Exactly the opposite.
3/24/2020	20:23:38	However keep in mind a unique balance between the dependency and the medical necessity of using Cannabis. CBD only hemp (organic) can be made into tinctures for very low costs. CBD behaves differently in the body than classical nazi big pharma propaganda. https://youtu.be/3bZb10ZxpBkÂ

3/24/2020	20:23:38	To borrow from Dr Hawkins. Cannabis is at 350. Modern humans hover around 200. Transcend the levels of consciousness. Majestic research. Disclosed for the world. Use the power of 3 6 and 9 and use it. Acceptance is 350. Acceptance heals. Acceptance is followed by love.
3/24/2020	20:23:38	Non THC Cannabis has a close cousin and abundantly available hemp that contains high levels of CBD. You can consume these compounds including CBG CBC CBE and many more including terpenes and indica/sativa/hybrid combinations possible.
3/24/2020	20:23:39	Therefore when you consume THC and CBD together you go into the benefits of Full Spectrum. Consciousness can heal sickness and death. Placebo effect is consciousness. Disregarded as having merit when used in conjunction with tools? Up is dow. Left is Right.

3/26/2020	11:23:44	We are not promoting any single person.
		We interact with consciousness in order to push forth MJ12's objectives for First Contact.
		We educate message over messenger.
		Q team is still active in their operation.
		Put the Q to rest by asking 45 who Q is.

3/26/2020	11:39:23	Can you commit felonies on YouTube & not be immediately shut down?
		Can you guess how many people have reported this channel/content as being a community violation?
		It is a community violation.
		Nothing can be done about it.
		Can you commit felonies on YouTube, and get away with it? pic.twitter.com/Bg8Wsu03af

3/26/2020	14:24:54	We invite others to do the same.
3/26/2020	14:30:16	Wrong, the software was patched. Therefore, the software was not the same.

3/26/2020	14:32:46	The original author of the software 8kun uses is an open source software. Therefore the originating source can patch their own software and call it the same. The software running on 8kun is not the same as public open source image board software. Therefore, it is not the same.
3/26/2020	14:37:31	People should not be building businesses and profiting off the Great Awakening. We are trying to change the world, not make a quick buck in the process. Anybody asking for money, accepting money, or contributing money doesn't understand the objective behind the Great Awakening.
3/26/2020	14:40:52	This applies to both the #QPharisees and their followers who pay them with the enemy's currency. Remember, the currency has been created intentionally to control you. The presence of currency and following can and always does expose the weakness of the ego to an untrained mind. https://twitter.com/TS_SCI_MAJIC12/status/1243291014409920512Â â€¦
3/26/2020	14:42:56	It's not volunteering if you're asking for people to buy things from your paid sponsors, monetizing your videos, selling merchandise online, and accepting donations in any currency.
3/26/2020	14:43:38	Surprised he didn't get you to donate $17.76.
3/26/2020	14:45:07	ðŸ¤£ðŸ¤£ðŸ¤£ But.... but.... I sell Q products and am followed by General Flynn.
3/26/2020	14:47:23	Sadly for this cause, money corrupts and what gives you strength to push through the worst of it is the beacon of light at the end of the tunnel where you know that GOD WINS. Allowing money to impact performance means you can be controlled. The death racket created the USD!
3/26/2020	14:51:07	ðŸ¤£No, MJ12 is not pissed and we re not impacted by any Q posts as we are an entirely different operation. To your point: You pay for rent by working a job that creates wealth for the death racket. You use their currency. Meaning you fall within their rules.
3/26/2020	14:54:13	Any attempt to build a brand around Q/Great Awakening/Majestic 12 (including Above Majestic) is a direct attempt to inject cabal controlled currency control into the conversation.
3/26/2020	15:05:15	Meaning, in order for you to put food on your table, you need to spend more time + energy next year than you did last year. Slavery. When do you stop taking from the hand that strikes you? Can you trust that hand in any shape or form? Does that hand attempt to control you?
3/26/2020	15:05:15	Cabal engineers laws surrounding the currency and how it may change hands. Cabal uses currency to control the people and harvest their energy. Currency is representative of time + energy. Therefore inflation is the devaluation of time + energy.
3/26/2020	15:05:15	Logical thinking required. Cabal are homicidal satanic cannibals pedophiles who created fiat central banking currency that is backed by nothing with exponential inflation. Inflation = more time/energy + less money.
3/26/2020	15:05:16	The cabal knows they can't stop people from learning the truth about what they are doing. They aren't dumb. They may be stupid, but they are not dumb. Money reaches the hands across all domains that serve their purpose. It's how they control you.
3/26/2020	15:05:16	If #QPharisees are receiving cabal currency and are actively collecting cabal currency in exchange for their time, "knowledge ðŸ¤£ðŸ¤£ðŸ¤£", and energy being injected into the Great Awakening, then wouldn't the control of information be a priority to receive said currency?
3/26/2020	15:05:16	The dangers of allowing cabal controlled currency to dominate the popular dissemination of information means the cabal currency manipulation laws are actively playing a role in which information is allowed to get out. Here comes the logical thinking component.

3/26/2020	17:25:45	Vaccine derived virus interference was significantly associated with coronavirus and human metapneumovirus; however, significant protection with vaccination was associated not only with most influenza viruses, but also parainfluenza, RSV, and non-influenza virus coinfections.

3/26/2020	17:25:45	Reconcile. Receipt of influenza vaccination was not associated with virus interference among our population. Examining virus interference by specific respiratory viruses showed mixed results. https://pubmed.ncbi.nlm.nih.gov/31607599/Â
